Basic 1 Learner's Guide

37 illustrated lessons across speaking, reading, writing, grammar and reading for pleasure.

Original learning resource aligned to the uploaded 2019 Basic 1 NaCCA English curriculum.

For every lesson: learn, see examples, practise, talk, write and review.

How to use this book

Read with a teacher, parent or friend. Listen to the words, say them aloud and practise writing in your exercise book. Some skills, such as speaking clearly, reciting rhymes and writing neatly, need an adult to listen or observe; a multiple-choice answer is not enough to show mastery.

Five learning areas

- Oral Language
- Reading
- Writing
- Grammar Usage
- Extensive Reading

LESSON 4 | Oral Language

My Home and My School

What we will learn

- Describe the home, people or places
- Talk about their school and places in the school

Let's learn

Today we explore my home and my school. We learn by looking carefully, saying words aloud, listening to a partner and practising a little at a time.

Talk with a partner and listen while they speak. Practise clear, kind speech with actions, pictures and familiar events.

Let's try a worked example

For your describing practice, choose a describing word for the mango. → yellow. A describing word tells us more about an object.

For your describing practice, which group does a mango belong to? → fruit. Group objects by what they are or what they are used for.

LESSON 19 | Reading

Picture Clues and Read for Meaning

What we will learn

- Use illustrations, text clues (title, headings) and Understand texts
- Ask and answer factual and inferential and applicative

Let's learn

Today we explore picture clues and read for meaning. We learn by looking carefully, saying words aloud, listening to a partner and practising a little at a time.

Look closely at letters and words. Say sounds slowly, blend them and check meaning using pictures and sentences.

Let's try a worked example

For your prediction practice, read: "Ama found a red ball at the playground. Ama gave it back to Kojo. The day ended happily." Who is the main character? → Ama. The character is the person the story is about.

For your prediction practice, where did Ama find a red ball? → the playground. Look for the place in the first sentence.

For your comprehension practice, read: "Ama found a red ball at the playground. Ama gave it back to Kojo. The day ended happily." Who is the main character? → Ama. The character is the person the story is about.

For your comprehension practice, where did Ama find a red ball? → the playground. Look for the place in the first sentence.

Do it yourself

Point at letters in a real book. Sound out three words. Explain what the page is about.

LESSON 22 | Reading

Read with Help and Think Deeply

What we will learn

- Read level-appropriate texts with prompting and support
- Use a variety of comprehension-strategies e. g prediction

Let's learn

Today we explore read with help and think deeply. We learn by looking carefully, saying words aloud, listening to a partner and practising a little at a time.

Look closely at letters and words. Say sounds slowly, blend them and check meaning using pictures and sentences.

Let's try a worked example

For your reading practice, read: "Ama found a red ball at the playground. Ama gave it back to Kojo. The day ended happily." Who is the main character? → Ama. The character is the person the story is about.

For your reading practice, where did Ama find a red ball? → the playground. Look for the place in the first sentence.

For your comprehension practice, read: "Ama found a red ball at the playground. Ama gave it back to Kojo. The day ended happily." Who is the main character? → Ama. The character is the person the story is about.

For your comprehension practice, where did Ama find a red ball? → the playground. Look for the place in the first sentence.

Do it yourself

Point at letters in a real book. Sound out three words. Explain what the page is about.

Trace, Draw and Make Shapes

What we will learn

- Make given patterns, trace and draw various objects
- Model various objects of interest

Let's learn

Today we explore trace, draw and make shapes. We learn by looking carefully, saying words aloud, listening to a partner and practising a little at a time.

Make your letters easy to read. Say your sentence aloud, write the words in order and check spaces and capital letters.

Let's try a worked example

For your tracing practice, you are practising straight lines with a pencil. What is the best answer? → Follow the dotted line. Read the instruction carefully and choose the helpful or correct response.

For your tracing practice, think about this situation: You are practising straight lines with a pencil. Which choice fits? → Follow the dotted line. Use the lesson skill to make a sensible choice.

For your drawing practice, you need to draw a sun. What is the best answer? → A round centre with rays. Read the instruction carefully and choose the helpful or correct response.

For your drawing practice, think about this situation: You need to draw a sun. Which choice fits? → A round centre with rays. Use the lesson skill to make a sensible choice.

Do it yourself

Write two neat sentences in your exercise book and draw a picture to match.

Quick practice — choose an answer, then explain why

1. For your tracing practice, think about this situation: You are practising a circle with a pencil. Which choice fits?

A. Hold the page upside down | B. Tear the paper | C. Move smoothly around the round line

2. For your tracing practice, practise it again in your own words: You are practising the letter A with a pencil. Pick the right example.

A. Start at the top | B. Tear the paper | C. Hold the page upside down

3. For your drawing practice, you need to draw a cup. What is the best answer?

A. A paragraph with no picture | B. A cup with a handle | C. A page of random numbers

4. For your tracing practice, think about this situation: You are practising a spiral with a pencil. Which choice fits?
