5 guided Play questions + 10 new-context Challenges per lesson

With original activities, answer explanations and writing tasks

A printable, curriculum-mapped first production edition

How to use this book

LEARN

Read the lesson explanation, follow the picture model, then discuss an example with a partner.

TRY IT

Do the practical task. Speaking, listening, role-play, handwriting and creative writing require a teacher or parent to observe.

PLAY

Answer five guided questions. Study each explanation rather than memorising letters A, B or C.

CHALLENGE

Apply the skill to ten other examples. These are different question prompts from Play.

REVIEW

Check the lesson answer key after making a real attempt; use a notebook for written answers.

For teachers and families

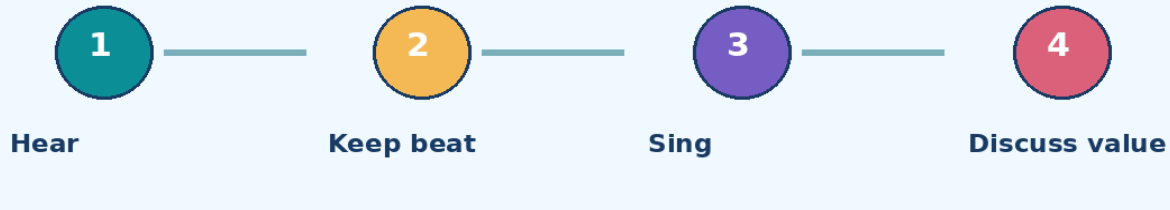

Curriculum codes are kept in the separate teacher alignment report.
