History of Ghana
Basic 5

Illustrated lessons · Practical activities · Play and Challenge questions

Independently authored learning companion aligned to selected NaCCA 2019 topics. This is not an official NaCCA publication.

LESSON 01: How our ancestors lived in ancient times (before the 15th century) - Discover

Goal: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 01: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] How our ancestors lived in ancient times (before the 15th century) - Discover: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] How our ancestors lived in ancient times (before the 15th century) - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. an unrelated fictional story presented as a historical record

C. An age-appropriate historical photograph, map or oral account.

D. only unsupported rumours without checking

3. [Play] How our ancestors lived in ancient times (before the 15th century) - Discover: Which action should come first?

A. Finish before looking at the instructions.

B. Observe an age-appropriate historical photograph, map or oral account.

C. Ignore the main task and do something unrelated.

D. Skip all practice and guess the result.

4. [Play] How our ancestors lived in ancient times (before the 15th century) - Discover: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. only a future space colony

C. an unrelated imagined city

D. a topic unrelated to the current class

5. [Play] How our ancestors lived in ancient times (before the 15th century) - Discover: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. an unsupported claim with no classroom practice

6. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which action comes after the opening step?

A. Only watch others without trying

B. Ask a question about: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live.

C. Skip to marking before learning

D. Change to an unrelated lesson immediately

7. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Stop after reading the title

C. Leave the task unfinished without explaining

D. Identify a historical question and explain how evidence may answer it.

8. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. an unrelated example that does not test the skill

C. a random answer with no supporting detail

D. an evidence-based explanation

9. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Do the activity without considering other people.

10. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Identify a historical question and explain how evidence may answer it.

C. Complete a different lesson instead

D. Avoid the stated task and its materials

11. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: What should a partner help you check?

A. Whether your work demonstrates an evidence-based explanation.

B. Whether you can ignore the agreed task

C. Whether you can finish without showing your work

D. Whether you can avoid answering questions

13. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Repeat the same error without checking feedback

C. Stop immediately without reflection

D. Make up results instead of practising

14. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: How should a learner improve after feedback?

A. Revisit the steps and strengthen an evidence-based explanation.

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Skip a difficult part without asking for help

15. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Discover: Which choice would show responsible use of today’s skill?

A. Apply the lesson about describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live to a suitable real-life situation.

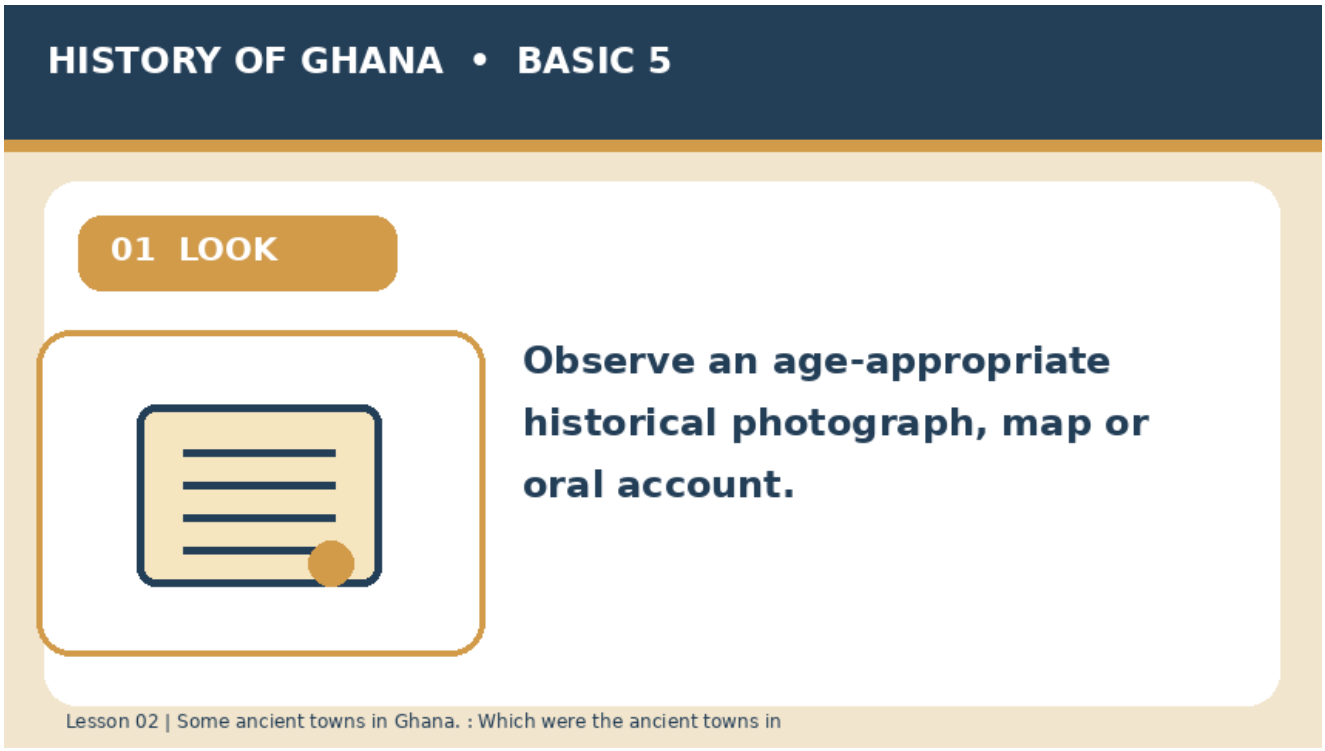

B. Use the topic to mislead others

C. Avoid explaining how the skill could be used

D. Claim expertise without trying the skill

LESSON 02: Some ancient towns in Ghana. : Which were the ancient towns in - Describe

Goal: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 02: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: What is this lesson mainly about?

A. Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: What useful learning material or support is listed?

A. An age-appropriate historical photograph, map or oral account.

B. an unrelated fictional story presented as a historical record

C. guesses written without any source

D. only unsupported rumours without checking

3. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Observe an age-appropriate historical photograph, map or oral account.

4. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. only a future space colony

C. an unrelated imagined city

D. a topic unrelated to the current class

5. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. a response that does not show the lesson skill

D. an unrelated picture with no explanation

6. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which action comes after the opening step?

A. Skip to marking before learning

B. Change to an unrelated lesson immediately

C. Only watch others without trying

D. Ask a question about: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who.

7. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which practice completes the three lesson stages?

A. Identify a historical question and explain how evidence may answer it.

B. Leave the task unfinished without explaining

C. Stop after reading the title

D. Give a guess without trying the activity

8. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: What counts as good evidence of learning here?

A. an evidence-based explanation

B. an opinion without observation or practice

C. a random answer with no supporting detail

D. an unrelated example that does not test the skill

9. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Do the activity without considering other people.

10. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Complete a different lesson instead

C. Avoid the stated task and its materials

D. Identify a historical question and explain how evidence may answer it.

11. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which explanation best supports this lesson?

A. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

B. Learning means only guessing and never checking

C. The topic can be completed without observing or practising

D. The lesson has no connection to life or skills

12. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can avoid answering questions

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can finish without showing your work

13. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Make up results instead of practising

D. Repeat the same error without checking feedback

14. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Describe: Which choice would show responsible use of today’s skill?

A. Apply the lesson about describe some ancient towns in ghana. : which were the ancient towns in ghana? where were they located? who to a suitable real-life situation.

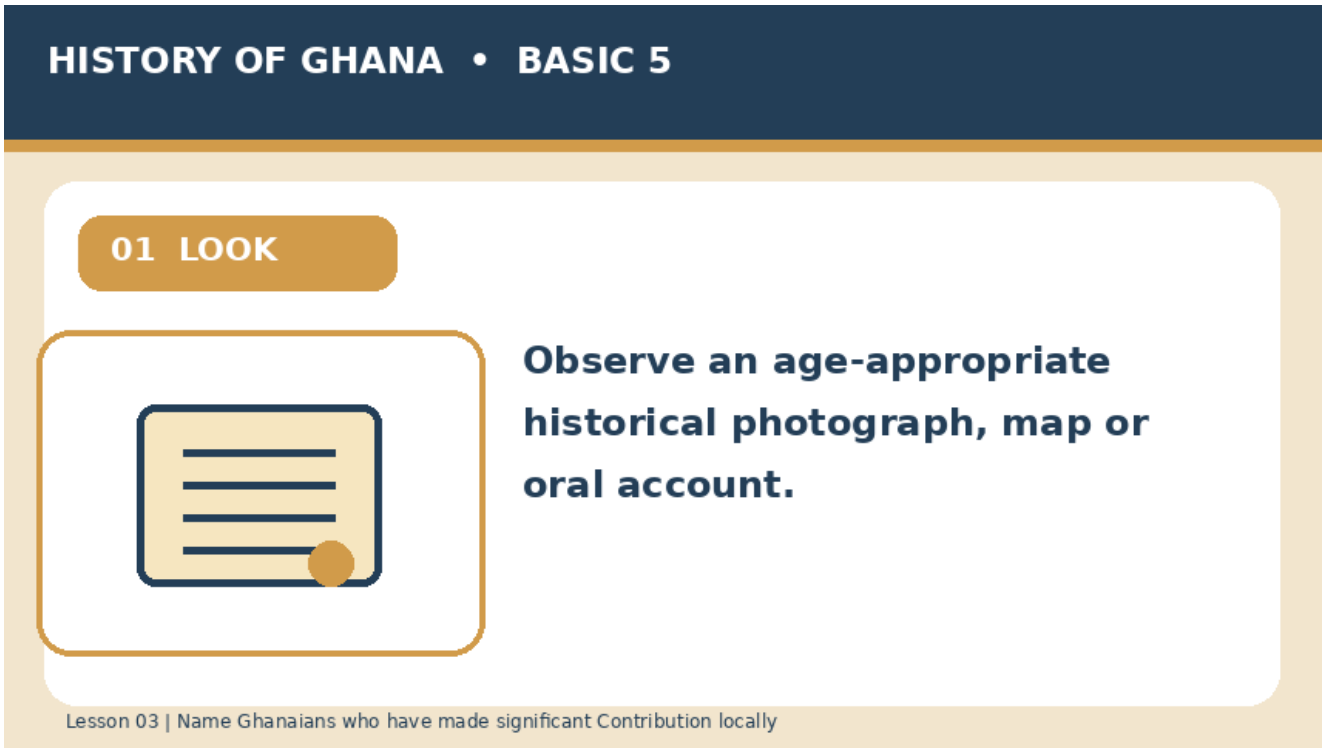

B. Avoid explaining how the skill could be used

C. Use the topic to mislead others

D. Claim expertise without trying the skill

LESSON 03: Name Ghanaians who have made significant Contribution locally and - Practise

Goal: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 03: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Name Ghanaians who have made significant Contribution locally and - Practise: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Ignore historical sources and decide from a guess

C. Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi

D. Discuss an unrelated modern topic without evidence

2. [Play] Name Ghanaians who have made significant Contribution locally and - Practise: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. An age-appropriate historical photograph, map or oral account.

3. [Play] Name Ghanaians who have made significant Contribution locally and - Practise: Which action should come first?

A. Skip all practice and guess the result.

B. Observe an age-appropriate historical photograph, map or oral account.

C. Ignore the main task and do something unrelated.

D. Finish before looking at the instructions.

4. [Play] Name Ghanaians who have made significant Contribution locally and - Practise: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. a topic unrelated to the current class

C. only a future space colony

D. an unrelated imagined city

5. [Play] Name Ghanaians who have made significant Contribution locally and - Practise: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. a short, evidence-supported historical explanation

C. an unsupported claim with no classroom practice

D. an unrelated picture with no explanation

6. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which action comes after the opening step?

A. Skip to marking before learning

B. Only watch others without trying

C. Ask a question about: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi.

D. Change to an unrelated lesson immediately

7. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Leave the task unfinished without explaining

C. Give a guess without trying the activity

D. Identify a historical question and explain how evidence may answer it.

8. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an evidence-based explanation

C. an unrelated example that does not test the skill

D. an opinion without observation or practice

9. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Do the activity without considering other people.

D. Take unnecessary risks to finish first.

10. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Identify a historical question and explain how evidence may answer it.

C. Complete a different lesson instead

D. Avoid the stated task and its materials

11. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. The topic can be completed without observing or practising

C. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

D. Learning means only guessing and never checking

12. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can avoid answering questions

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can finish without showing your work

13. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Stop immediately without reflection

C. Compare two sources; say how you know which details are reliable.

D. Make up results instead of practising

14. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Change answers randomly without a reason

C. Ignore all comments and leave the task incomplete

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Name Ghanaians who have made significant Contribution locally and - Practise: Which choice would show responsible use of today’s skill?

A. Apply the lesson about name ghanaians who have made significant contribution locally and internationally including dr r.e.g armattoe (science and medicine), kofi to a suitable real-life situation.

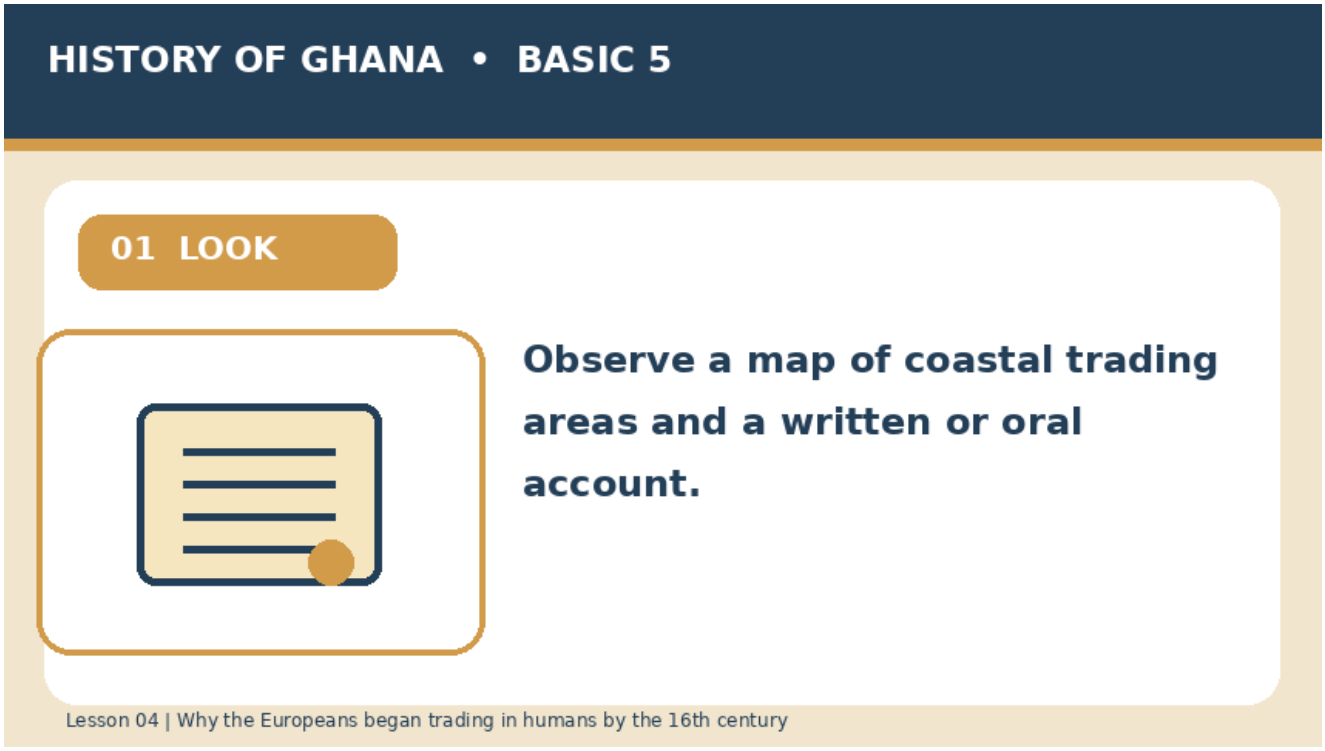

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Use the topic to mislead others

LESSON 04: Why the Europeans began trading in humans by the 16th century - Apply

Goal: Investigate why the Europeans began trading in humans by the 16th century.

Learn it

Ghana’s coast had contacts with European visitors and traders. Different periods of contact brought changes that must be studied using evidence.

Useful material: A map of coastal trading areas and a written or oral account.

Do it in three steps

1. Observe a map of coastal trading areas and a written or oral account.

2. Ask a question about: Investigate why the Europeans began trading in humans by the 16th century.

3. Compare what two sources reveal about the period of European contact.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Compare what two sources reveal about the period of European contact.

Show your learning: two pieces of evidence. Compare two sources; say how you know which details are reliable.

LESSON 04: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Why the Europeans began trading in humans by the 16th century - Apply: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Investigate why the Europeans began trading in humans by the 16th century.

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] Why the Europeans began trading in humans by the 16th century - Apply: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. guesses written without any source

C. A map of coastal trading areas and a written or oral account.

D. an unrelated fictional story presented as a historical record

3. [Play] Why the Europeans began trading in humans by the 16th century - Apply: Which action should come first?

A. Skip all practice and guess the result.

B. Finish before looking at the instructions.

C. Ignore the main task and do something unrelated.

D. Observe a map of coastal trading areas and a written or oral account.

4. [Play] Why the Europeans began trading in humans by the 16th century - Apply: Which setting does this grade use?

A. a topic unrelated to the current class

B. an unrelated imagined city

C. Ghanaian historical figures and the journey to self-rule

D. only a future space colony

5. [Play] Why the Europeans began trading in humans by the 16th century - Apply: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a response that does not show the lesson skill

C. a short, evidence-supported historical explanation

D. an unrelated picture with no explanation

6. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which action comes after the opening step?

A. Ask a question about: Investigate why the Europeans began trading in humans by the 16th century.

B. Skip to marking before learning

C. Only watch others without trying

D. Change to an unrelated lesson immediately

7. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Give a guess without trying the activity

C. Stop after reading the title

D. Compare what two sources reveal about the period of European contact.

8. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. two pieces of evidence

C. an opinion without observation or practice

D. a random answer with no supporting detail

9. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Ignore the teacher’s safety instructions.

C. Take unnecessary risks to finish first.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Avoid the stated task and its materials

C. Compare what two sources reveal about the period of European contact.

D. Complete a different lesson instead

11. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which explanation best supports this lesson?

A. Ghana’s coast had contacts with European visitors and traders. Different periods of contact brought changes that must be studied using evidence.

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can avoid answering questions

C. Whether you can ignore the agreed task

D. Whether your work demonstrates two pieces of evidence.

13. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Stop immediately without reflection

C. Compare two sources; say how you know which details are reliable.

D. Repeat the same error without checking feedback

14. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Revisit the steps and strengthen two pieces of evidence.

C. Skip a difficult part without asking for help

D. Change answers randomly without a reason

15. [Challenge] Why the Europeans began trading in humans by the 16th century - Apply: Which choice would show responsible use of today’s skill?

A. Apply the lesson about investigate why the europeans began trading in humans by the 16th century to a suitable real-life situation.

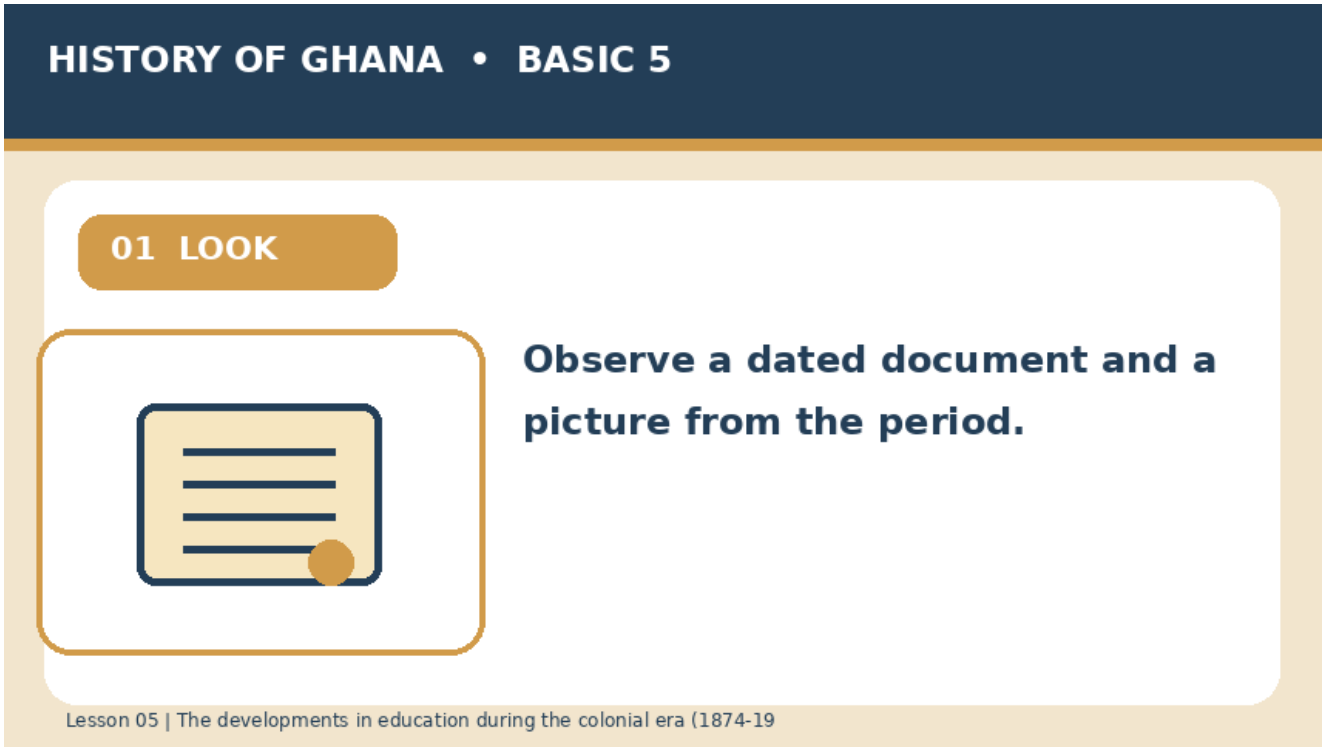

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Use the topic to mislead others

LESSON 05: The developments in education during the colonial era (1874-1957) - Share

Goal: Identify the developments in education during the colonial era (1874-1957).

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Identify the developments in education during the colonial era (1874-1957).

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 05: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The developments in education during the colonial era (1874-1957) - Share: What is this lesson mainly about?

A. Identify the developments in education during the colonial era (1874-1957).

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] The developments in education during the colonial era (1874-1957) - Share: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. guesses written without any source

C. only unsupported rumours without checking

D. A dated document and a picture from the period.

3. [Play] The developments in education during the colonial era (1874-1957) - Share: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Observe a dated document and a picture from the period.

C. Skip all practice and guess the result.

D. Finish before looking at the instructions.

4. [Play] The developments in education during the colonial era (1874-1957) - Share: Which setting does this grade use?

A. only a future space colony

B. a topic unrelated to the current class

C. Ghanaian historical figures and the journey to self-rule

D. an unrelated imagined city

5. [Play] The developments in education during the colonial era (1874-1957) - Share: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. a response that does not show the lesson skill

D. an unrelated picture with no explanation

6. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which action comes after the opening step?

A. Only watch others without trying

B. Skip to marking before learning

C. Change to an unrelated lesson immediately

D. Ask a question about: Identify the developments in education during the colonial era (1874-1957).

7. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Describe a change and support it with a source rather than a guess.

D. Give a guess without trying the activity

8. [Challenge] The developments in education during the colonial era (1874-1957) - Share: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. a before-and-after comparison

C. a random answer with no supporting detail

D. an opinion without observation or practice

9. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Take unnecessary risks to finish first.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Do the activity without considering other people.

10. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which classroom activity helps apply the lesson?

A. Describe a change and support it with a source rather than a guess.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. The lesson has no connection to life or skills

C. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

D. Learning means only guessing and never checking

12. [Challenge] The developments in education during the colonial era (1874-1957) - Share: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can ignore the agreed task

C. Whether you can avoid answering questions

D. Whether your work demonstrates a before-and-after comparison.

13. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Compare two sources; say how you know which details are reliable.

C. Stop immediately without reflection

D. Make up results instead of practising

14. [Challenge] The developments in education during the colonial era (1874-1957) - Share: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Revisit the steps and strengthen a before-and-after comparison.

C. Change answers randomly without a reason

D. Skip a difficult part without asking for help

15. [Challenge] The developments in education during the colonial era (1874-1957) - Share: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

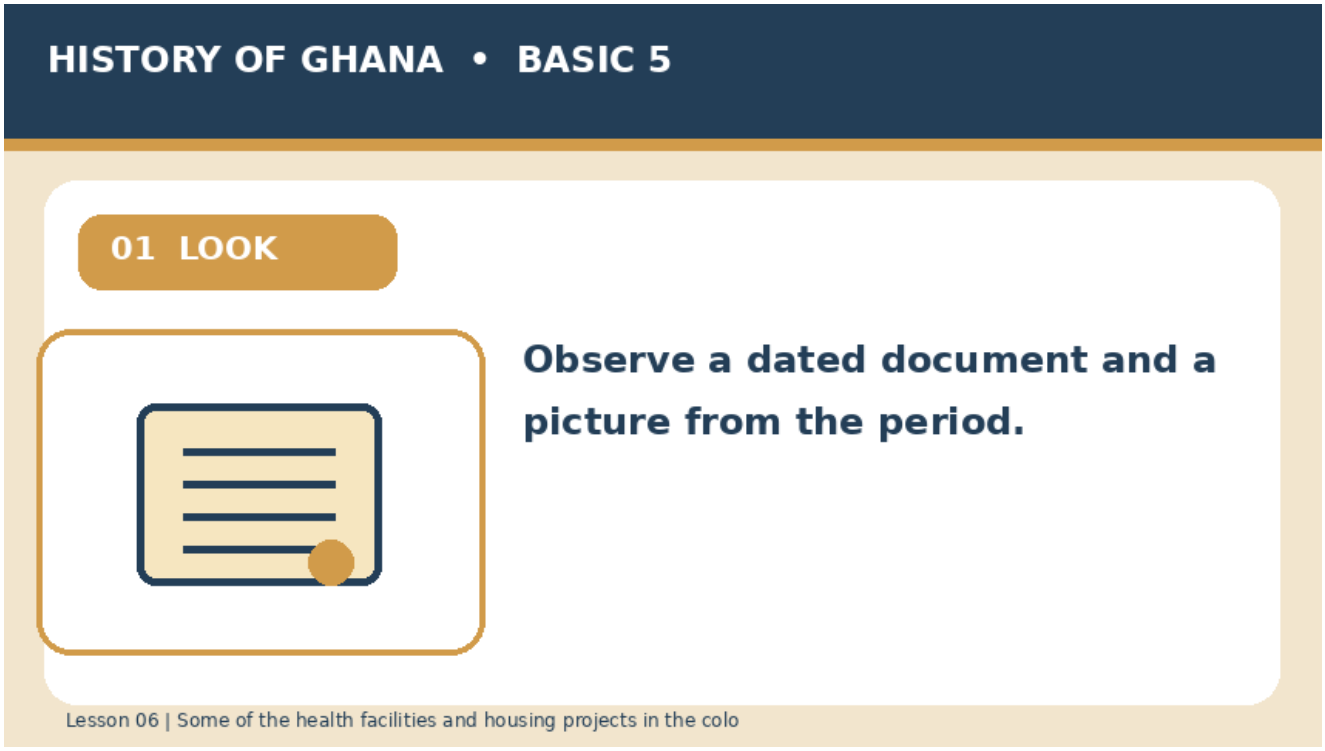

B. Use the topic to mislead others

C. Claim expertise without trying the skill

D. Apply the lesson about identify the developments in education during the colonial era (1874-1957) to a suitable real-life situation.

LESSON 06: Some of the health facilities and housing projects in the colonial - Discover

Goal: Identify some of the health facilities and housing projects in the colonial period.

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Identify some of the health facilities and housing projects in the colonial period.

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 06: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Some of the health facilities and housing projects in the colonial - Discover: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Identify some of the health facilities and housing projects in the colonial period.

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] Some of the health facilities and housing projects in the colonial - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. an unrelated fictional story presented as a historical record

C. only unsupported rumours without checking

D. A dated document and a picture from the period.

3. [Play] Some of the health facilities and housing projects in the colonial - Discover: Which action should come first?

A. Observe a dated document and a picture from the period.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Ignore the main task and do something unrelated.

4. [Play] Some of the health facilities and housing projects in the colonial - Discover: Which setting does this grade use?

A. a topic unrelated to the current class

B. Ghanaian historical figures and the journey to self-rule

C. an unrelated imagined city

D. only a future space colony

5. [Play] Some of the health facilities and housing projects in the colonial - Discover: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which action comes after the opening step?

A. Ask a question about: Identify some of the health facilities and housing projects in the colonial period.

B. Skip to marking before learning

C. Only watch others without trying

D. Change to an unrelated lesson immediately

7. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Describe a change and support it with a source rather than a guess.

C. Leave the task unfinished without explaining

D. Give a guess without trying the activity

8. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an unrelated example that does not test the skill

C. an opinion without observation or practice

D. a before-and-after comparison

9. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Ignore the teacher’s safety instructions.

C. Do the activity without considering other people.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which classroom activity helps apply the lesson?

A. Describe a change and support it with a source rather than a guess.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which explanation best supports this lesson?

A. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: What should a partner help you check?

A. Whether your work demonstrates a before-and-after comparison.

B. Whether you can avoid answering questions

C. Whether you can finish without showing your work

D. Whether you can ignore the agreed task

13. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Make up results instead of practising

C. Repeat the same error without checking feedback

D. Stop immediately without reflection

14. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Ignore all comments and leave the task incomplete

C. Skip a difficult part without asking for help

D. Revisit the steps and strengthen a before-and-after comparison.

15. [Challenge] Some of the health facilities and housing projects in the colonial - Discover: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

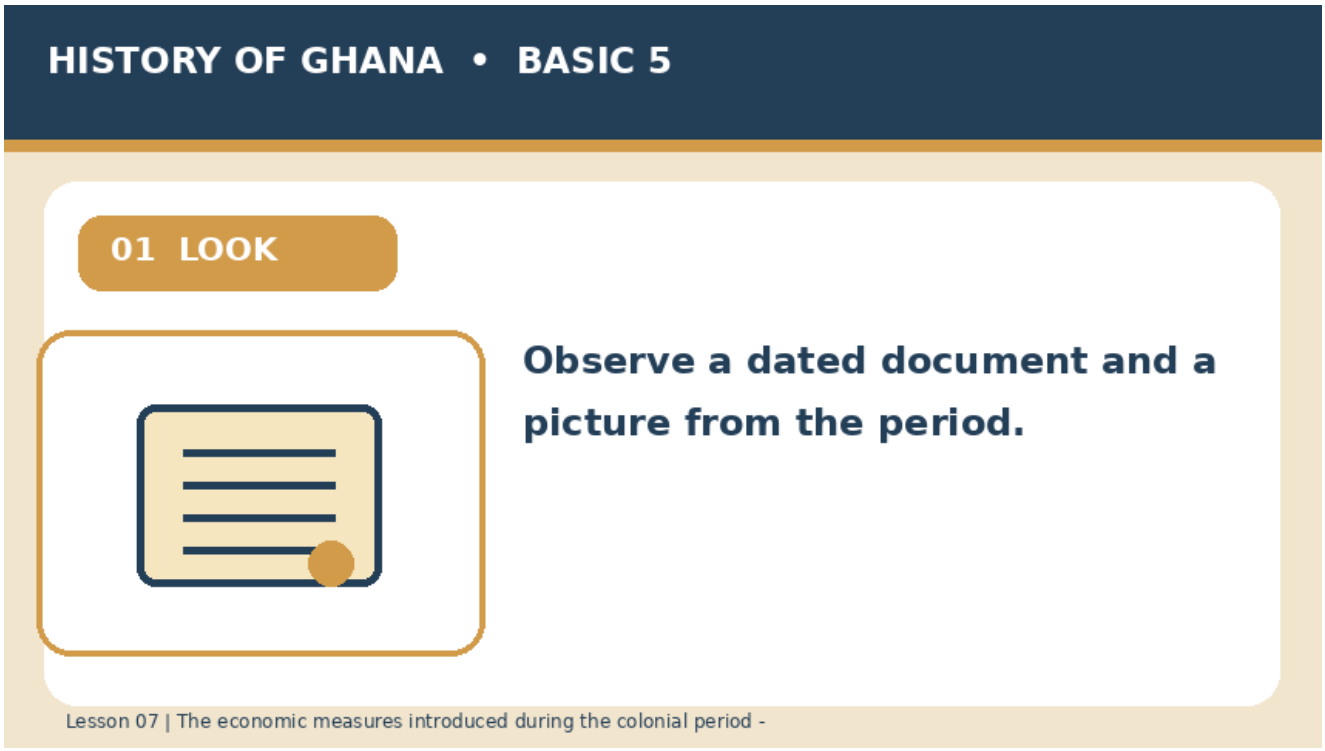

B. Claim expertise without trying the skill

C. Apply the lesson about identify some of the health facilities and housing projects in the colonial period to a suitable real-life situation.

D. Use the topic to mislead others

LESSON 07: The economic measures introduced during the colonial period - Describe

Goal: Describe the economic measures introduced during the colonial period including transport and communication

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Describe the economic measures introduced during the colonial period including transport and communication.

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 07: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The economic measures introduced during the colonial period - Describe: What is this lesson mainly about?

A. Describe the economic measures introduced during the colonial period including transport and communication

B. Discuss an unrelated modern topic without evidence

C. Treat every account as equally reliable without checking

D. Ignore historical sources and decide from a guess

2. [Play] The economic measures introduced during the colonial period - Describe: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. A dated document and a picture from the period.

3. [Play] The economic measures introduced during the colonial period - Describe: Which action should come first?

A. Observe a dated document and a picture from the period.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Ignore the main task and do something unrelated.

4. [Play] The economic measures introduced during the colonial period - Describe: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. only a future space colony

C. a topic unrelated to the current class

D. an unrelated imagined city

5. [Play] The economic measures introduced during the colonial period - Describe: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. a response that does not show the lesson skill

D. an unrelated picture with no explanation

6. [Challenge] The economic measures introduced during the colonial period - Describe: Which action comes after the opening step?

A. Ask a question about: Describe the economic measures introduced during the colonial period including transport and communication.

B. Only watch others without trying

C. Change to an unrelated lesson immediately

D. Skip to marking before learning

7. [Challenge] The economic measures introduced during the colonial period - Describe: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Leave the task unfinished without explaining

C. Stop after reading the title

D. Describe a change and support it with a source rather than a guess.

8. [Challenge] The economic measures introduced during the colonial period - Describe: What counts as good evidence of learning here?

A. a before-and-after comparison

B. an opinion without observation or practice

C. a random answer with no supporting detail

D. an unrelated example that does not test the skill

9. [Challenge] The economic measures introduced during the colonial period - Describe: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Ignore the teacher’s safety instructions.

10. [Challenge] The economic measures introduced during the colonial period - Describe: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Complete a different lesson instead

C. Describe a change and support it with a source rather than a guess.

D. Copy another learner’s response without trying

11. [Challenge] The economic measures introduced during the colonial period - Describe: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. The lesson has no connection to life or skills

C. Learning means only guessing and never checking

D. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

12. [Challenge] The economic measures introduced during the colonial period - Describe: What should a partner help you check?

A. Whether your work demonstrates a before-and-after comparison.

B. Whether you can avoid answering questions

C. Whether you can ignore the agreed task

D. Whether you can finish without showing your work

13. [Challenge] The economic measures introduced during the colonial period - Describe: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Stop immediately without reflection

C. Repeat the same error without checking feedback

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The economic measures introduced during the colonial period - Describe: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Change answers randomly without a reason

C. Skip a difficult part without asking for help

D. Revisit the steps and strengthen a before-and-after comparison.

15. [Challenge] The economic measures introduced during the colonial period - Describe: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

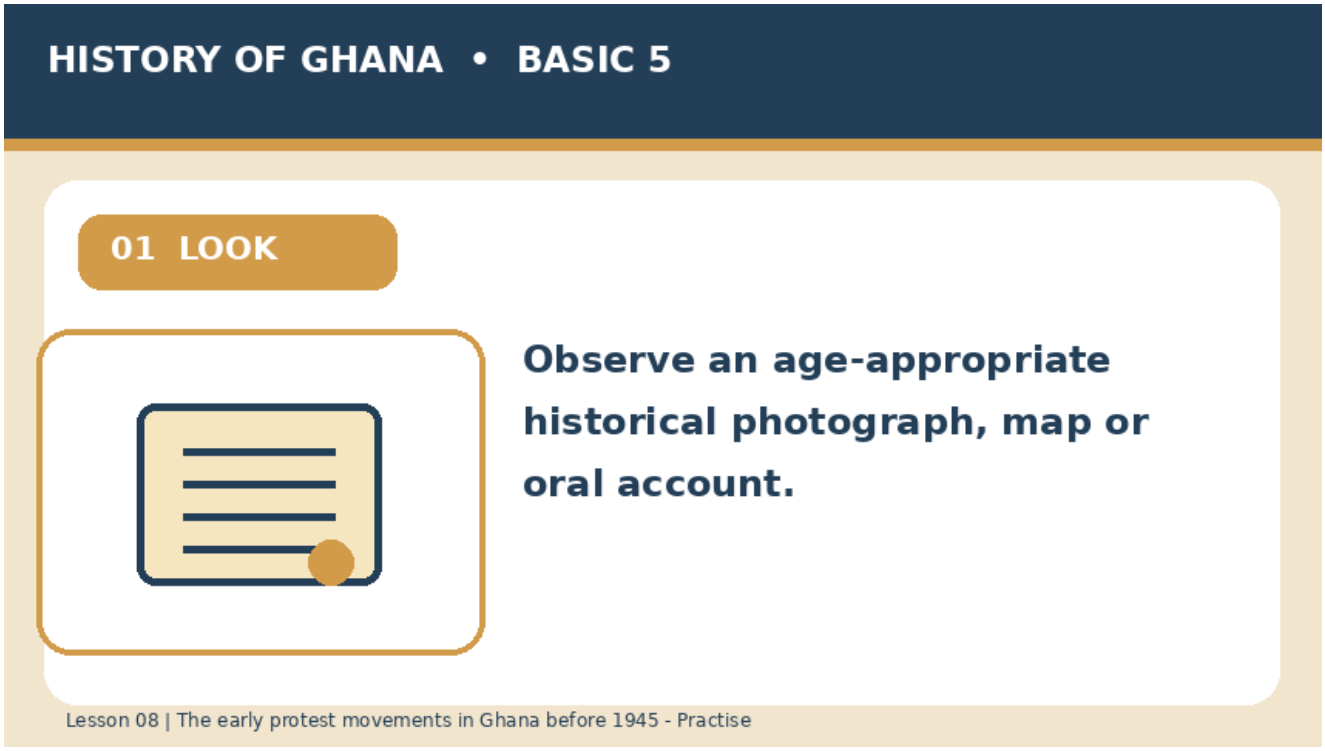

B. Use the topic to mislead others

C. Apply the lesson about describe the economic measures introduced during the colonial period including transport and communication to a suitable real-life situation.

D. Claim expertise without trying the skill

LESSON 08: The early protest movements in Ghana before 1945 - Practise

Goal: Identify the early protest movements in Ghana before 1945.

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Identify the early protest movements in Ghana before 1945.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 08: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The early protest movements in Ghana before 1945 - Practise: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Identify the early protest movements in Ghana before 1945.

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] The early protest movements in Ghana before 1945 - Practise: What useful learning material or support is listed?

A. guesses written without any source

B. An age-appropriate historical photograph, map or oral account.

C. an unrelated fictional story presented as a historical record

D. only unsupported rumours without checking

3. [Play] The early protest movements in Ghana before 1945 - Practise: Which action should come first?

A. Observe an age-appropriate historical photograph, map or oral account.

B. Ignore the main task and do something unrelated.

C. Skip all practice and guess the result.

D. Finish before looking at the instructions.

4. [Play] The early protest movements in Ghana before 1945 - Practise: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. only a future space colony

C. a topic unrelated to the current class

D. an unrelated imagined city

5. [Play] The early protest movements in Ghana before 1945 - Practise: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. an unrelated picture with no explanation

C. a short, evidence-supported historical explanation

D. a response that does not show the lesson skill

6. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which action comes after the opening step?

A. Ask a question about: Identify the early protest movements in Ghana before 1945.

B. Skip to marking before learning

C. Change to an unrelated lesson immediately

D. Only watch others without trying

7. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which practice completes the three lesson stages?

A. Identify a historical question and explain how evidence may answer it.

B. Give a guess without trying the activity

C. Leave the task unfinished without explaining

D. Stop after reading the title

8. [Challenge] The early protest movements in Ghana before 1945 - Practise: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. an unrelated example that does not test the skill

C. a random answer with no supporting detail

D. an evidence-based explanation

9. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Take unnecessary risks to finish first.

10. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Identify a historical question and explain how evidence may answer it.

C. Avoid the stated task and its materials

D. Complete a different lesson instead

11. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

12. [Challenge] The early protest movements in Ghana before 1945 - Practise: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can finish without showing your work

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can avoid answering questions

13. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Make up results instead of practising

C. Compare two sources; say how you know which details are reliable.

D. Stop immediately without reflection

14. [Challenge] The early protest movements in Ghana before 1945 - Practise: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Revisit the steps and strengthen an evidence-based explanation.

C. Change answers randomly without a reason

D. Ignore all comments and leave the task incomplete

15. [Challenge] The early protest movements in Ghana before 1945 - Practise: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

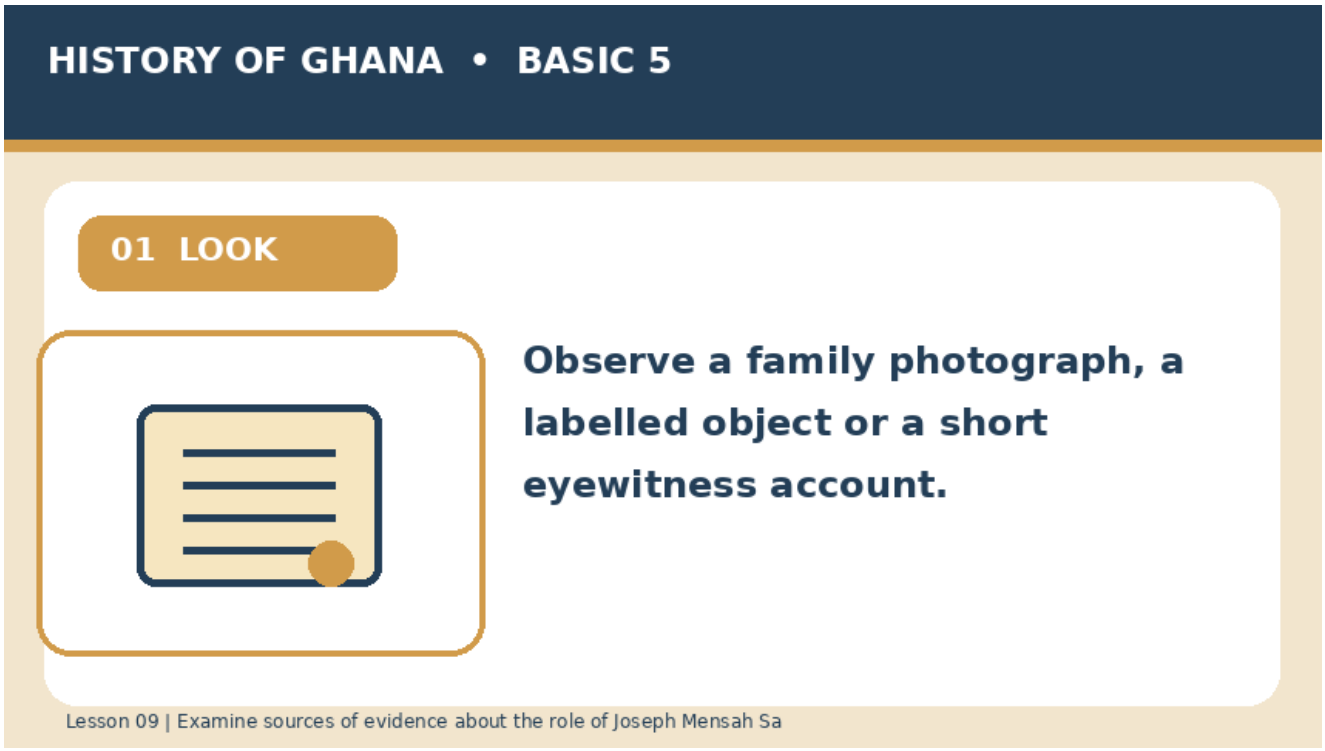

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Apply the lesson about identify the early protest movements in ghana before 1945 to a suitable real-life situation.

LESSON 09: Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply

Goal: Examine sources of evidence about the role of Joseph Mensah Sarbah in the Aborigines Rights Protection Society-ARPS- 1897

Learn it

History is the study of past human activities. We ask questions, examine evidence and compare accounts before drawing conclusions.

Useful material: A family photograph, a labelled object or a short eyewitness account.

Do it in three steps

1. Observe a family photograph, a labelled object or a short eyewitness account.

2. Ask a question about: Examine sources of evidence about the role of Joseph Mensah Sarbah in the Aborigines Rights Protection Society-ARPS- 1897.

3. Ask who created the source, when it was made and what it can tell us.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Ask who created the source, when it was made and what it can tell us.

Show your learning: a question-and-evidence chart. Compare two sources; say how you know which details are reliable.

LESSON 09: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Ignore historical sources and decide from a guess

C. Examine sources of evidence about the role of Joseph Mensah Sarbah in the Aborigines Rights Protection Society-ARPS-1897

D. Discuss an unrelated modern topic without evidence

2. [Play] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: What useful learning material or support is listed?

A. guesses written without any source

B. only unsupported rumours without checking

C. A family photograph, a labelled object or a short eyewitness account.

D. an unrelated fictional story presented as a historical record

3. [Play] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Finish before looking at the instructions.

C. Observe a family photograph, a labelled object or a short eyewitness account.

D. Skip all practice and guess the result.

4. [Play] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which setting does this grade use?

A. an unrelated imagined city

B. a topic unrelated to the current class

C. Ghanaian historical figures and the journey to self-rule

D. only a future space colony

5. [Play] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. an unsupported claim with no classroom practice

6. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Only watch others without trying

D. Ask a question about: Examine sources of evidence about the role of Joseph Mensah Sarbah in the Aborigines Rights Protection Society-ARPS- 1897.

7. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Ask who created the source, when it was made and what it can tell us.

C. Leave the task unfinished without explaining

D. Give a guess without trying the activity

8. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a question-and-evidence chart

C. an unrelated example that does not test the skill

D. a random answer with no supporting detail

9. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Ignore the teacher’s safety instructions.

10. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which classroom activity helps apply the lesson?

A. Ask who created the source, when it was made and what it can tell us.

B. Copy another learner’s response without trying

C. Avoid the stated task and its materials

D. Complete a different lesson instead

11. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. History is the study of past human activities. We ask questions, examine evidence and compare accounts before drawing conclusions.

C. The topic can be completed without observing or practising

D. The lesson has no connection to life or skills

12. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a question-and-evidence chart.

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Repeat the same error without checking feedback

D. Make up results instead of practising

14. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: How should a learner improve after feedback?

A. Revisit the steps and strengthen a question-and-evidence chart.

B. Change answers randomly without a reason

C. Skip a difficult part without asking for help

D. Ignore all comments and leave the task incomplete

15. [Challenge] Examine sources of evidence about the role of Joseph Mensah Sarbah - Apply: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

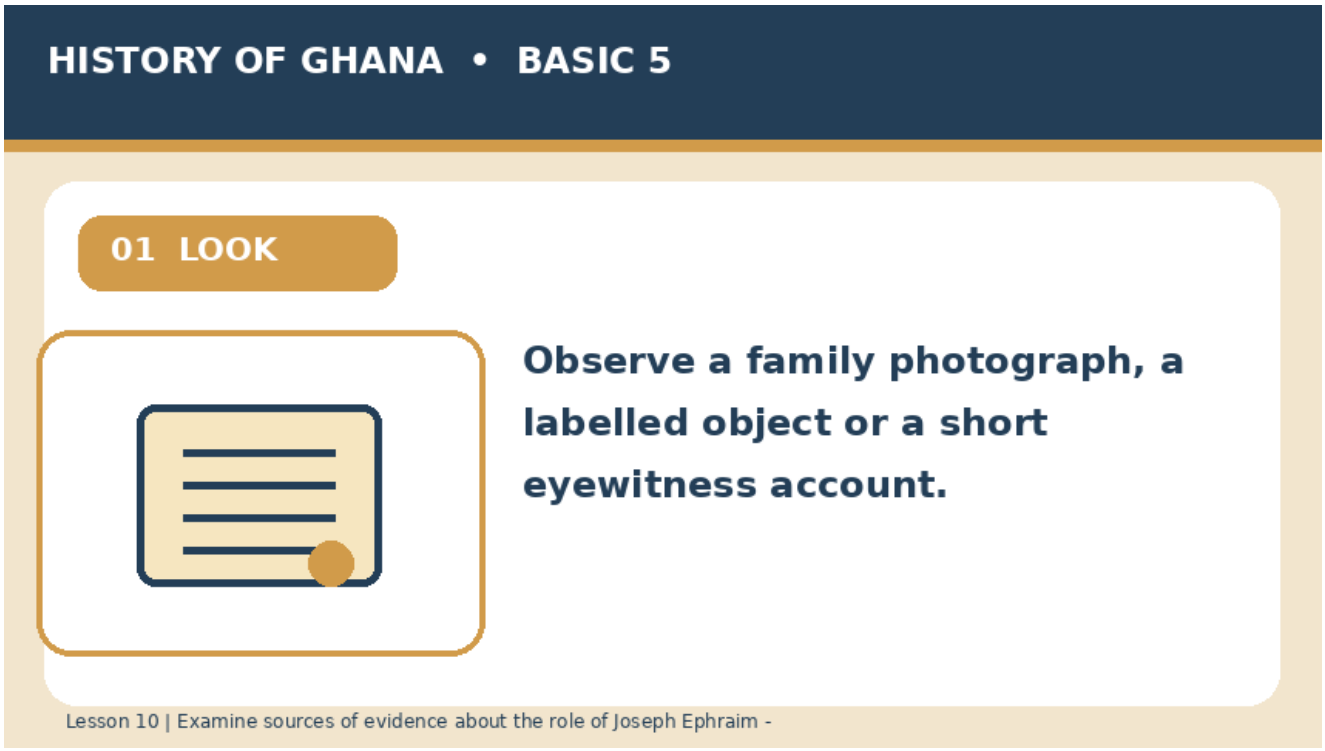

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Apply the lesson about examine sources of evidence about the role of joseph mensah sarbah in the aborigines rights protection society-arps- 1897 to a suitable real-life situation.

LESSON 10: Examine sources of evidence about the role of Joseph Ephraim - Share

Goal: Examine sources of evidence about the role of Joseph Ephraim Casely-Hayford in the National Congress of British West Africa

Learn it

History is the study of past human activities. We ask questions, examine evidence and compare accounts before drawing conclusions.

Useful material: A family photograph, a labelled object or a short eyewitness account.

Do it in three steps

1. Observe a family photograph, a labelled object or a short eyewitness account.

2. Ask a question about: Examine sources of evidence about the role of Joseph Ephraim Casely-Hayford in the National Congress of British West Africa.

3. Ask who created the source, when it was made and what it can tell us.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Ask who created the source, when it was made and what it can tell us.

Show your learning: a question-and-evidence chart. Compare two sources; say how you know which details are reliable.

LESSON 10: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Examine sources of evidence about the role of Joseph Ephraim - Share: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Examine sources of evidence about the role of Joseph Ephraim Casely-Hayford in the National Congress of British West Africa

C. Discuss an unrelated modern topic without evidence

D. Ignore historical sources and decide from a guess

2. [Play] Examine sources of evidence about the role of Joseph Ephraim - Share: What useful learning material or support is listed?

A. A family photograph, a labelled object or a short eyewitness account.

B. only unsupported rumours without checking

C. guesses written without any source

D. an unrelated fictional story presented as a historical record

3. [Play] Examine sources of evidence about the role of Joseph Ephraim - Share: Which action should come first?

A. Skip all practice and guess the result.

B. Ignore the main task and do something unrelated.

C. Observe a family photograph, a labelled object or a short eyewitness account.

D. Finish before looking at the instructions.

4. [Play] Examine sources of evidence about the role of Joseph Ephraim - Share: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. only a future space colony

C. a topic unrelated to the current class

D. an unrelated imagined city

5. [Play] Examine sources of evidence about the role of Joseph Ephraim - Share: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. an unsupported claim with no classroom practice

6. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which action comes after the opening step?

A. Ask a question about: Examine sources of evidence about the role of Joseph Ephraim Casely-Hayford in the National Congress of British West Africa.

B. Only watch others without trying

C. Change to an unrelated lesson immediately

D. Skip to marking before learning

7. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Stop after reading the title

C. Ask who created the source, when it was made and what it can tell us.

D. Leave the task unfinished without explaining

8. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an opinion without observation or practice

C. an unrelated example that does not test the skill

D. a question-and-evidence chart

9. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Take unnecessary risks to finish first.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Ignore the teacher’s safety instructions.

10. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Copy another learner’s response without trying

C. Ask who created the source, when it was made and what it can tell us.

D. Complete a different lesson instead

11. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. History is the study of past human activities. We ask questions, examine evidence and compare accounts before drawing conclusions.

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a question-and-evidence chart.

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Compare two sources; say how you know which details are reliable.

C. Make up results instead of practising

D. Stop immediately without reflection

14. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Change answers randomly without a reason

C. Skip a difficult part without asking for help

D. Revisit the steps and strengthen a question-and-evidence chart.

15. [Challenge] Examine sources of evidence about the role of Joseph Ephraim - Share: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

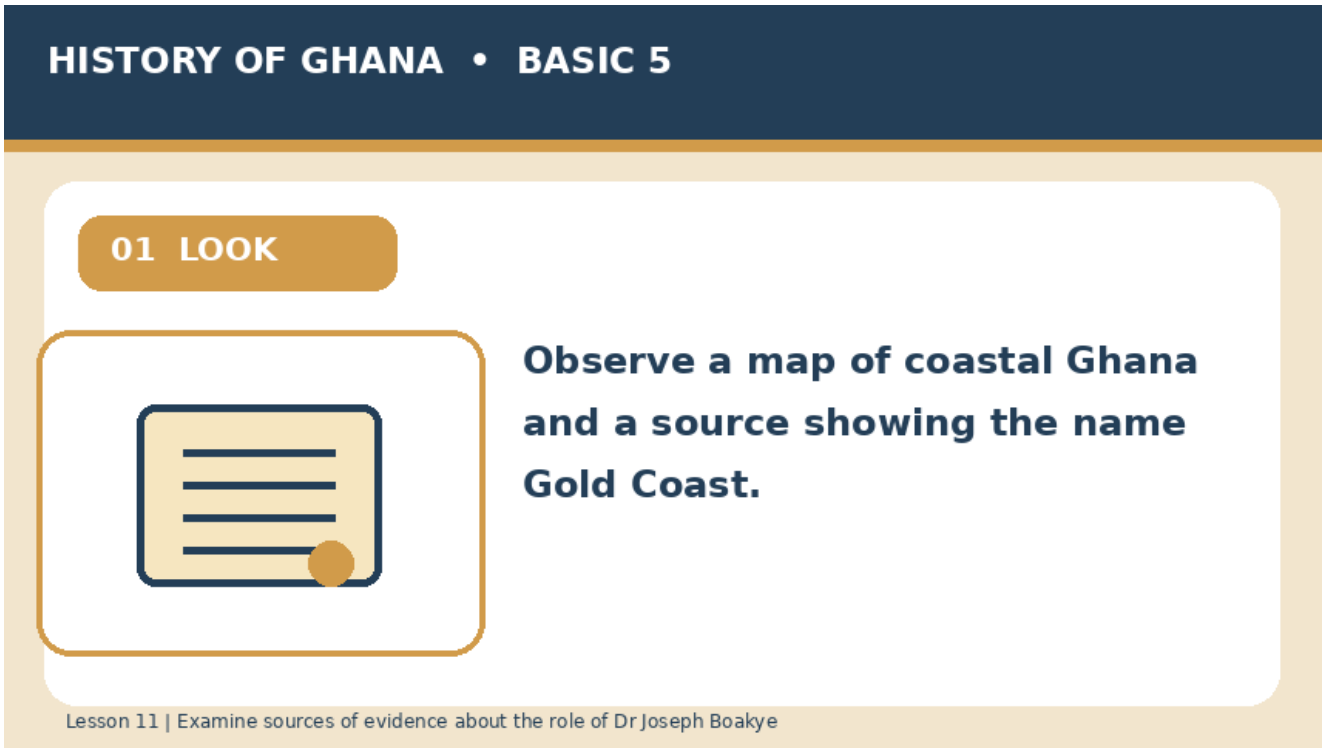

B. Avoid explaining how the skill could be used

C. Use the topic to mislead others

D. Apply the lesson about examine sources of evidence about the role of joseph ephraim casely-hayford in the national congress of british west africa to a suitable real-life situation.

LESSON 11: Examine sources of evidence about the role of Dr Joseph Boakye - Discover

Goal: Examine sources of evidence about the role of Dr Joseph Boakye Danquah in the Gold Coast Youth Conference

Learn it

Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

Useful material: A map of coastal Ghana and a source showing the name Gold Coast.

Do it in three steps

1. Observe a map of coastal Ghana and a source showing the name Gold Coast.

2. Ask a question about: Examine sources of evidence about the role of Dr Joseph Boakye Danquah in the Gold Coast Youth Conference.

3. Compare the older name with Ghana today; say what a historical name can tell us.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Compare the older name with Ghana today; say what a historical name can tell us.

Show your learning: name changes over time. Compare two sources; say how you know which details are reliable.

LESSON 11: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Discuss an unrelated modern topic without evidence

C. Examine sources of evidence about the role of Dr Joseph Boakye Danquah in the Gold Coast Youth Conference

D. Treat every account as equally reliable without checking

2. [Play] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. guesses written without any source

C. A map of coastal Ghana and a source showing the name Gold Coast.

D. an unrelated fictional story presented as a historical record

3. [Play] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Observe a map of coastal Ghana and a source showing the name Gold Coast.

C. Finish before looking at the instructions.

D. Skip all practice and guess the result.

4. [Play] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which setting does this grade use?

A. an unrelated imagined city

B. only a future space colony

C. Ghanaian historical figures and the journey to self-rule

D. a topic unrelated to the current class

5. [Play] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. a response that does not show the lesson skill

C. a short, evidence-supported historical explanation

D. an unsupported claim with no classroom practice

6. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Only watch others without trying

D. Ask a question about: Examine sources of evidence about the role of Dr Joseph Boakye Danquah in the Gold Coast Youth Conference.

7. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Compare the older name with Ghana today; say what a historical name can tell us.

D. Give a guess without trying the activity

8. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an opinion without observation or practice

C. name changes over time

D. an unrelated example that does not test the skill

9. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Take unnecessary risks to finish first.

C. Ignore the teacher’s safety instructions.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which classroom activity helps apply the lesson?

A. Compare the older name with Ghana today; say what a historical name can tell us.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Learning means only guessing and never checking

C. The topic can be completed without observing or practising

D. Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

12. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether your work demonstrates name changes over time.

C. Whether you can ignore the agreed task

D. Whether you can avoid answering questions

13. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Repeat the same error without checking feedback

C. Compare two sources; say how you know which details are reliable.

D. Make up results instead of practising

14. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Revisit the steps and strengthen name changes over time.

15. [Challenge] Examine sources of evidence about the role of Dr Joseph Boakye - Discover: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

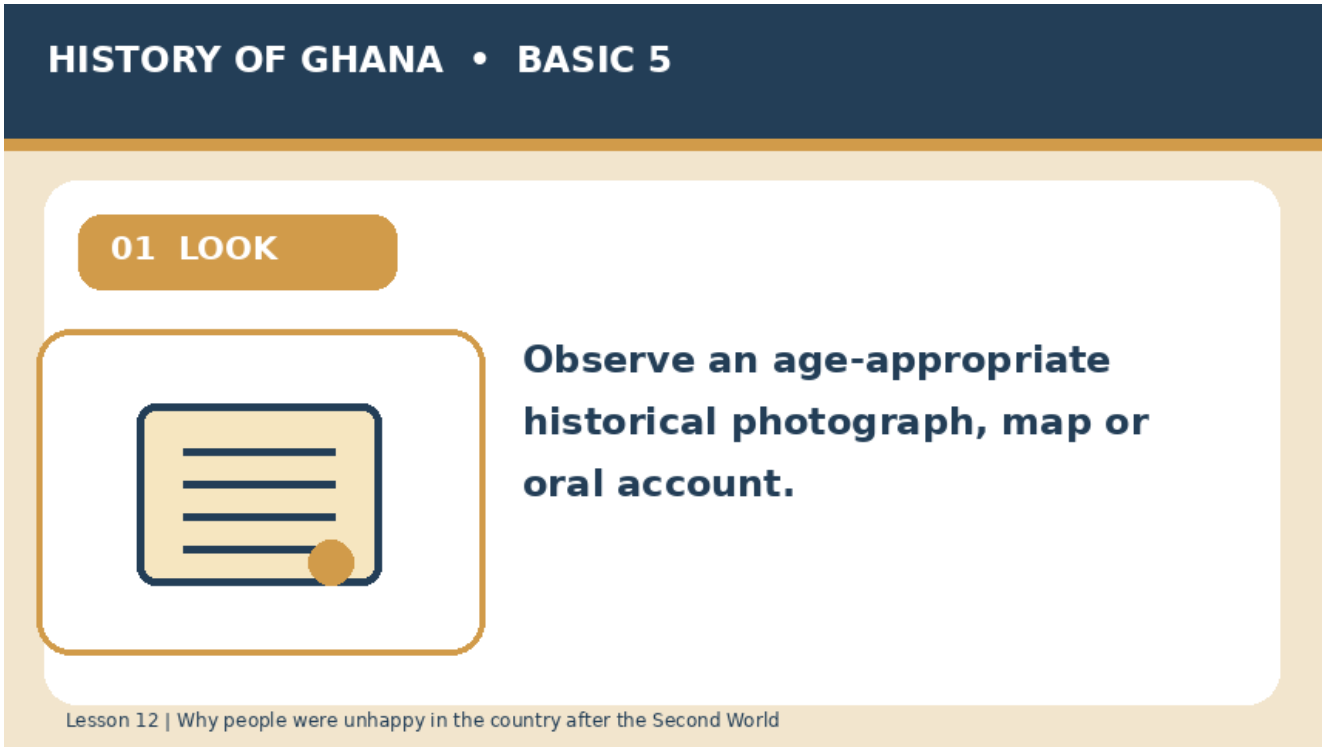

B. Use the topic to mislead others

C. Avoid explaining how the skill could be used

D. Apply the lesson about examine sources of evidence about the role of dr joseph boakye danquah in the gold coast youth conference to a suitable real-life situation.

LESSON 12: Why people were unhappy in the country after the Second World War - Describe

Goal: Explain why people were unhappy in the country after the Second World War

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Explain why people were unhappy in the country after the Second World War.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 12: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Why people were unhappy in the country after the Second World War - Describe: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Discuss an unrelated modern topic without evidence

C. Treat every account as equally reliable without checking

D. Explain why people were unhappy in the country after the Second World War

2. [Play] Why people were unhappy in the country after the Second World War - Describe: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. an unrelated fictional story presented as a historical record

C. An age-appropriate historical photograph, map or oral account.

D. guesses written without any source

3. [Play] Why people were unhappy in the country after the Second World War - Describe: Which action should come first?

A. Observe an age-appropriate historical photograph, map or oral account.

B. Skip all practice and guess the result.

C. Ignore the main task and do something unrelated.

D. Finish before looking at the instructions.

4. [Play] Why people were unhappy in the country after the Second World War - Describe: Which setting does this grade use?

A. an unrelated imagined city

B. Ghanaian historical figures and the journey to self-rule

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] Why people were unhappy in the country after the Second World War - Describe: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. an unrelated picture with no explanation

D. a response that does not show the lesson skill

6. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which action comes after the opening step?

A. Skip to marking before learning

B. Ask a question about: Explain why people were unhappy in the country after the Second World War.

C. Only watch others without trying

D. Change to an unrelated lesson immediately

7. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Stop after reading the title

C. Identify a historical question and explain how evidence may answer it.

D. Leave the task unfinished without explaining

8. [Challenge] Why people were unhappy in the country after the Second World War - Describe: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an opinion without observation or practice

C. an unrelated example that does not test the skill

D. an evidence-based explanation

9. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Ignore the teacher’s safety instructions.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Do the activity without considering other people.

10. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Identify a historical question and explain how evidence may answer it.

C. Copy another learner’s response without trying

D. Complete a different lesson instead

11. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. The topic can be completed without observing or practising

C. Learning means only guessing and never checking

D. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

12. [Challenge] Why people were unhappy in the country after the Second World War - Describe: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can finish without showing your work

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can ignore the agreed task

13. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Repeat the same error without checking feedback

C. Make up results instead of practising

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] Why people were unhappy in the country after the Second World War - Describe: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Change answers randomly without a reason

C. Ignore all comments and leave the task incomplete

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Why people were unhappy in the country after the Second World War - Describe: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

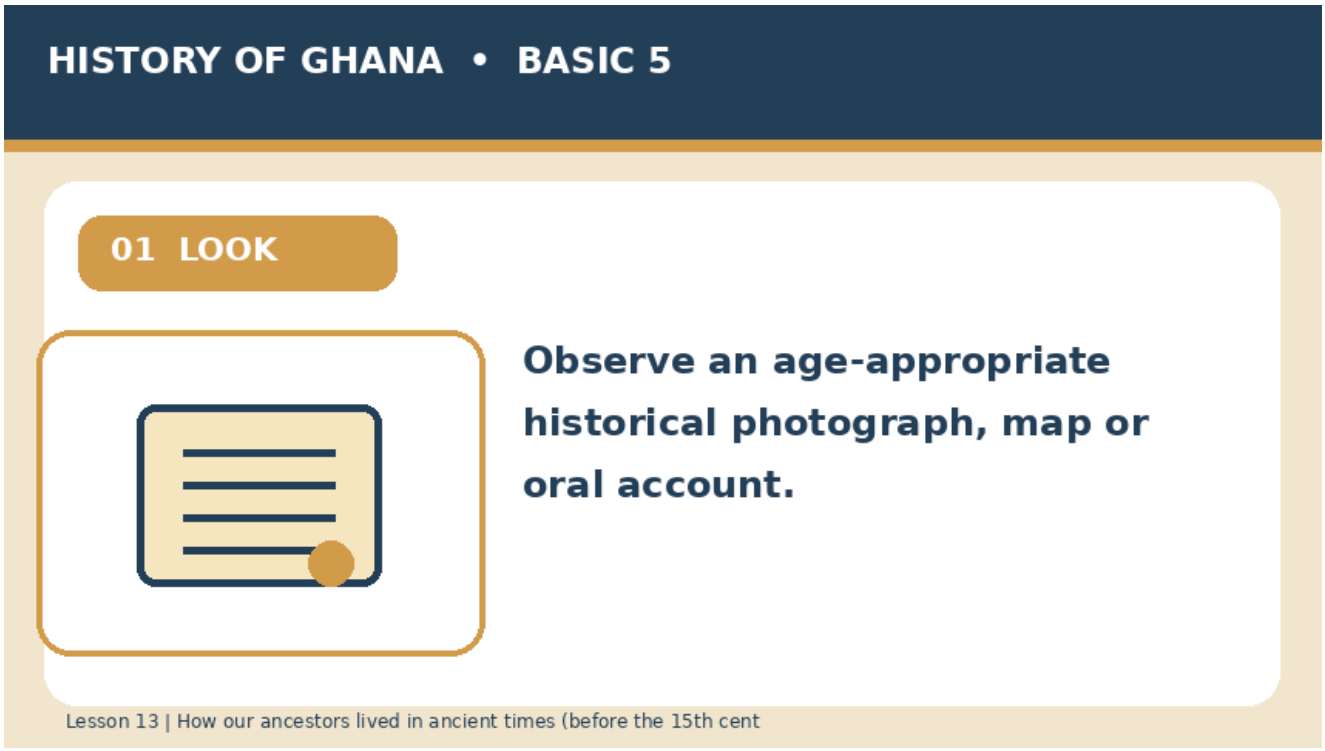

B. Apply the lesson about explain why people were unhappy in the country after the second world war to a suitable real-life situation.

C. Claim expertise without trying the skill

D. Avoid explaining how the skill could be used

LESSON 13: How our ancestors lived in ancient times (before the 15th century) - Practise

Goal: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 13: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] How our ancestors lived in ancient times (before the 15th century) - Practise: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live

2. [Play] How our ancestors lived in ancient times (before the 15th century) - Practise: What useful learning material or support is listed?

A. guesses written without any source

B. only unsupported rumours without checking

C. An age-appropriate historical photograph, map or oral account.

D. an unrelated fictional story presented as a historical record

3. [Play] How our ancestors lived in ancient times (before the 15th century) - Practise: Which action should come first?

A. Observe an age-appropriate historical photograph, map or oral account.

B. Skip all practice and guess the result.

C. Ignore the main task and do something unrelated.

D. Finish before looking at the instructions.

4. [Play] How our ancestors lived in ancient times (before the 15th century) - Practise: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. a topic unrelated to the current class

C. only a future space colony

D. an unrelated imagined city

5. [Play] How our ancestors lived in ancient times (before the 15th century) - Practise: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unsupported claim with no classroom practice

C. an unrelated picture with no explanation

D. a response that does not show the lesson skill

6. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which action comes after the opening step?

A. Ask a question about: Describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live.

B. Skip to marking before learning

C. Change to an unrelated lesson immediately

D. Only watch others without trying

7. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Give a guess without trying the activity

D. Identify a historical question and explain how evidence may answer it.

8. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. an evidence-based explanation

C. an opinion without observation or practice

D. a random answer with no supporting detail

9. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Do the activity without considering other people.

10. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Identify a historical question and explain how evidence may answer it.

C. Avoid the stated task and its materials

D. Copy another learner’s response without trying

11. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which explanation best supports this lesson?

A. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

B. Learning means only guessing and never checking

C. The lesson has no connection to life or skills

D. The topic can be completed without observing or practising

12. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can avoid answering questions

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can ignore the agreed task

13. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Stop immediately without reflection

C. Make up results instead of practising

D. Repeat the same error without checking feedback

14. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] How our ancestors lived in ancient times (before the 15th century) - Practise: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

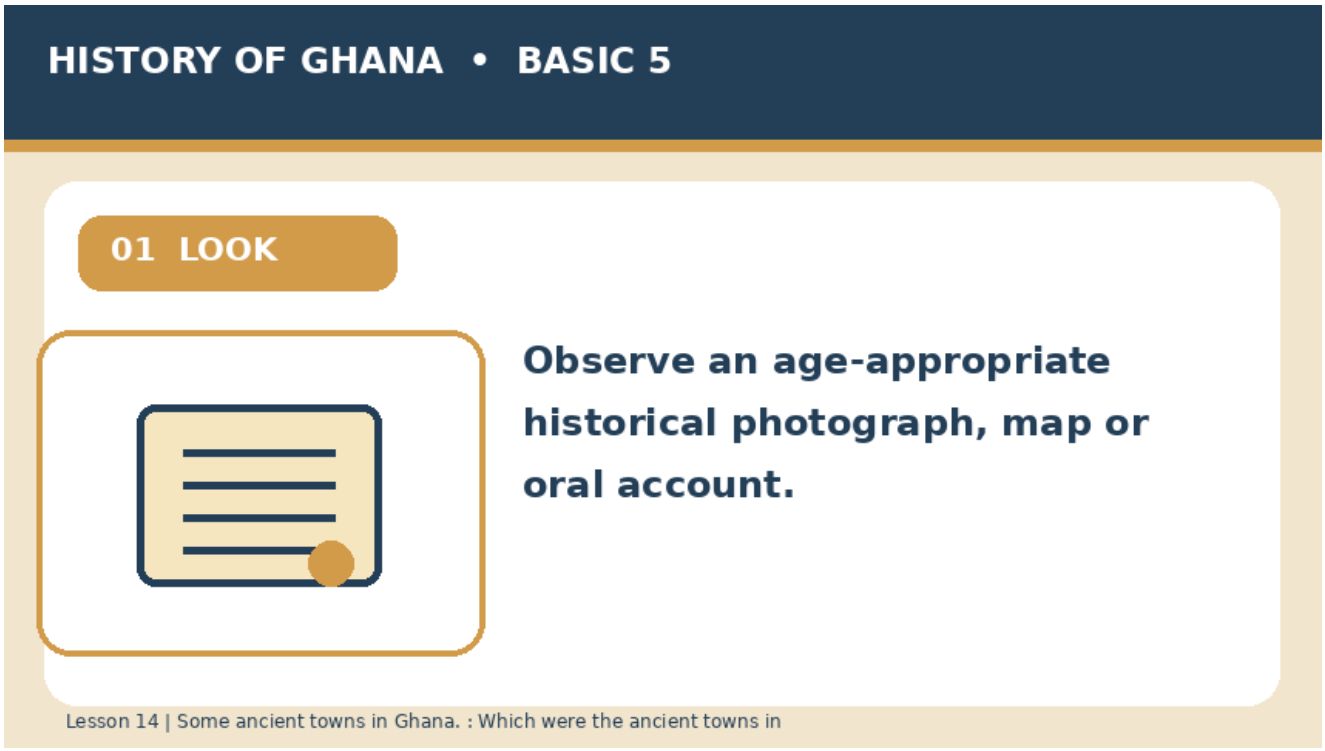

B. Apply the lesson about describe how our ancestors lived in ancient times (before the 15th century) and compare it with how we live to a suitable real-life situation.

C. Claim expertise without trying the skill

D. Avoid explaining how the skill could be used

LESSON 14: Some ancient towns in Ghana. : Which were the ancient towns in - Apply

Goal: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 14: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Treat every account as equally reliable without checking

C. Discuss an unrelated modern topic without evidence

D. Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who

2. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. An age-appropriate historical photograph, map or oral account.

C. guesses written without any source

D. only unsupported rumours without checking

3. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which action should come first?

A. Finish before looking at the instructions.

B. Ignore the main task and do something unrelated.

C. Observe an age-appropriate historical photograph, map or oral account.

D. Skip all practice and guess the result.

4. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which setting does this grade use?

A. an unrelated imagined city

B. a topic unrelated to the current class

C. only a future space colony

D. Ghanaian historical figures and the journey to self-rule

5. [Play] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. an unsupported claim with no classroom practice

C. a short, evidence-supported historical explanation

D. a response that does not show the lesson skill

6. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which action comes after the opening step?

A. Ask a question about: Describe some ancient towns in Ghana. : Which were the ancient towns in Ghana? Where were they located? Who.

B. Skip to marking before learning

C. Only watch others without trying

D. Change to an unrelated lesson immediately

7. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which practice completes the three lesson stages?

A. Identify a historical question and explain how evidence may answer it.

B. Stop after reading the title

C. Leave the task unfinished without explaining

D. Give a guess without trying the activity

8. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a random answer with no supporting detail

C. an evidence-based explanation

D. an unrelated example that does not test the skill

9. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Take unnecessary risks to finish first.

10. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Identify a historical question and explain how evidence may answer it.

C. Complete a different lesson instead

D. Avoid the stated task and its materials

11. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which explanation best supports this lesson?

A. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

B. The topic can be completed without observing or practising

C. Learning means only guessing and never checking

D. The lesson has no connection to life or skills

12. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether your work demonstrates an evidence-based explanation.

C. Whether you can avoid answering questions

D. Whether you can ignore the agreed task

13. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Stop immediately without reflection

C. Repeat the same error without checking feedback

D. Make up results instead of practising

14. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Some ancient towns in Ghana. : Which were the ancient towns in - Apply: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

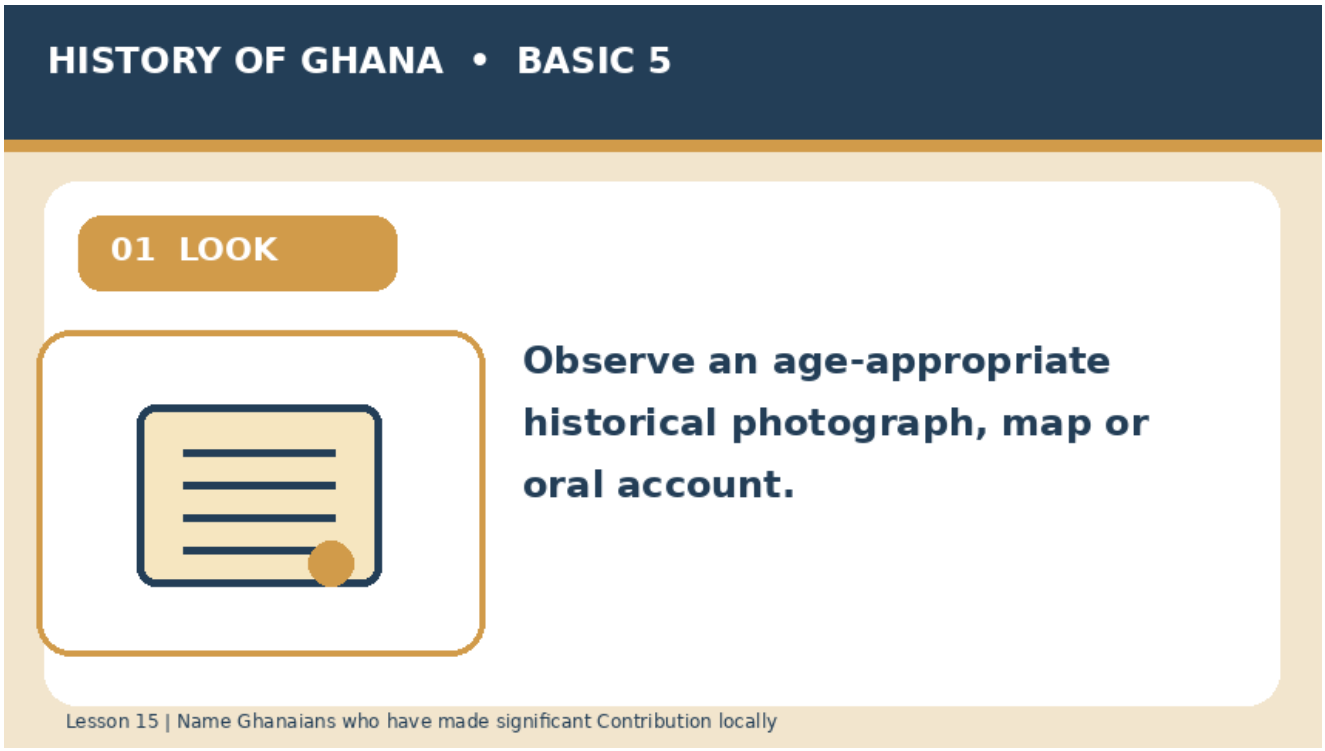

B. Claim expertise without trying the skill

C. Apply the lesson about describe some ancient towns in ghana. : which were the ancient towns in ghana? where were they located? who to a suitable real-life situation.

D. Avoid explaining how the skill could be used

LESSON 15: Name Ghanaians who have made significant Contribution locally and - Share

Goal: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 15: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Name Ghanaians who have made significant Contribution locally and - Share: What is this lesson mainly about?

A. Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi

B. Treat every account as equally reliable without checking

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] Name Ghanaians who have made significant Contribution locally and - Share: What useful learning material or support is listed?

A. guesses written without any source

B. only unsupported rumours without checking

C. An age-appropriate historical photograph, map or oral account.

D. an unrelated fictional story presented as a historical record

3. [Play] Name Ghanaians who have made significant Contribution locally and - Share: Which action should come first?

A. Observe an age-appropriate historical photograph, map or oral account.

B. Skip all practice and guess the result.

C. Ignore the main task and do something unrelated.

D. Finish before looking at the instructions.

4. [Play] Name Ghanaians who have made significant Contribution locally and - Share: Which setting does this grade use?

A. an unrelated imagined city

B. Ghanaian historical figures and the journey to self-rule

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] Name Ghanaians who have made significant Contribution locally and - Share: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. an unsupported claim with no classroom practice

6. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which action comes after the opening step?

A. Ask a question about: Name Ghanaians who have made significant Contribution locally and internationally including Dr R.E.G Armattoe (Science and Medicine), Kofi.

B. Only watch others without trying

C. Change to an unrelated lesson immediately

D. Skip to marking before learning

7. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Identify a historical question and explain how evidence may answer it.

C. Stop after reading the title

D. Give a guess without trying the activity

8. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. a random answer with no supporting detail

C. an evidence-based explanation

D. an opinion without observation or practice

9. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Take unnecessary risks to finish first.

C. Do the activity without considering other people.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which classroom activity helps apply the lesson?

A. Identify a historical question and explain how evidence may answer it.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Learning means only guessing and never checking

C. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

D. The topic can be completed without observing or practising

12. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: What should a partner help you check?

A. Whether your work demonstrates an evidence-based explanation.

B. Whether you can finish without showing your work

C. Whether you can ignore the agreed task

D. Whether you can avoid answering questions

13. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Stop immediately without reflection

C. Repeat the same error without checking feedback

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Name Ghanaians who have made significant Contribution locally and - Share: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

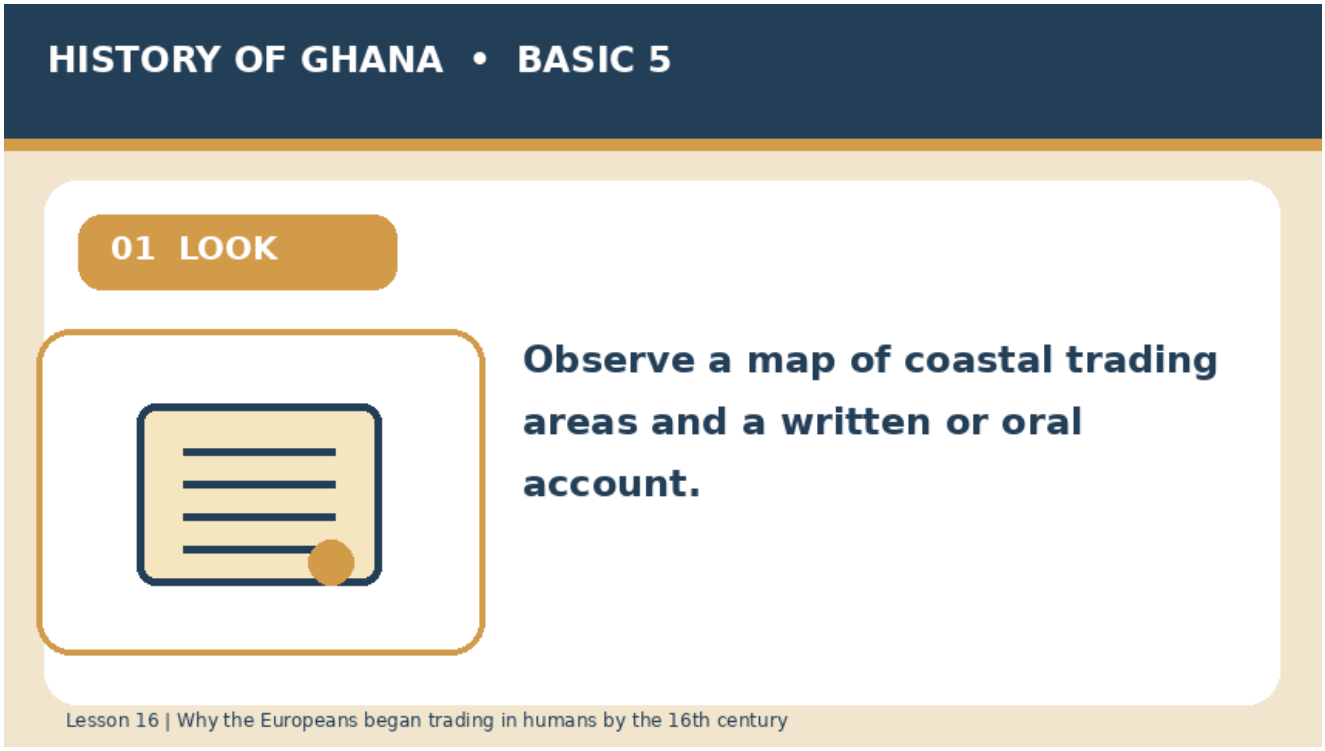

B. Apply the lesson about name ghanaians who have made significant contribution locally and internationally including dr r.e.g armattoe (science and medicine), kofi to a suitable real-life situation.

C. Avoid explaining how the skill could be used

D. Claim expertise without trying the skill

LESSON 16: Why the Europeans began trading in humans by the 16th century - Discover

Goal: Investigate why the Europeans began trading in humans by the 16th century.

Learn it

Ghana’s coast had contacts with European visitors and traders. Different periods of contact brought changes that must be studied using evidence.

Useful material: A map of coastal trading areas and a written or oral account.

Do it in three steps

1. Observe a map of coastal trading areas and a written or oral account.

2. Ask a question about: Investigate why the Europeans began trading in humans by the 16th century.

3. Compare what two sources reveal about the period of European contact.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Compare what two sources reveal about the period of European contact.

Show your learning: two pieces of evidence. Compare two sources; say how you know which details are reliable.

LESSON 16: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Why the Europeans began trading in humans by the 16th century - Discover: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Discuss an unrelated modern topic without evidence

C. Investigate why the Europeans began trading in humans by the 16th century.

D. Ignore historical sources and decide from a guess

2. [Play] Why the Europeans began trading in humans by the 16th century - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. an unrelated fictional story presented as a historical record

C. only unsupported rumours without checking

D. A map of coastal trading areas and a written or oral account.

3. [Play] Why the Europeans began trading in humans by the 16th century - Discover: Which action should come first?

A. Finish before looking at the instructions.

B. Skip all practice and guess the result.

C. Observe a map of coastal trading areas and a written or oral account.

D. Ignore the main task and do something unrelated.

4. [Play] Why the Europeans began trading in humans by the 16th century - Discover: Which setting does this grade use?

A. a topic unrelated to the current class

B. Ghanaian historical figures and the journey to self-rule

C. an unrelated imagined city

D. only a future space colony

5. [Play] Why the Europeans began trading in humans by the 16th century - Discover: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. a short, evidence-supported historical explanation

C. an unsupported claim with no classroom practice

D. a response that does not show the lesson skill

6. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Ask a question about: Investigate why the Europeans began trading in humans by the 16th century.

D. Only watch others without trying

7. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which practice completes the three lesson stages?

A. Compare what two sources reveal about the period of European contact.

B. Give a guess without trying the activity

C. Stop after reading the title

D. Leave the task unfinished without explaining

8. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. an unrelated example that does not test the skill

C. a random answer with no supporting detail

D. two pieces of evidence

9. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Ignore the teacher’s safety instructions.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Do the activity without considering other people.

10. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Avoid the stated task and its materials

C. Compare what two sources reveal about the period of European contact.

D. Complete a different lesson instead

11. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Learning means only guessing and never checking

C. Ghana’s coast had contacts with European visitors and traders. Different periods of contact brought changes that must be studied using evidence.

D. The topic can be completed without observing or practising

12. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can ignore the agreed task

C. Whether you can avoid answering questions

D. Whether your work demonstrates two pieces of evidence.

13. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Make up results instead of practising

C. Compare two sources; say how you know which details are reliable.

D. Repeat the same error without checking feedback

14. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: How should a learner improve after feedback?

A. Revisit the steps and strengthen two pieces of evidence.

B. Change answers randomly without a reason

C. Ignore all comments and leave the task incomplete

D. Skip a difficult part without asking for help

15. [Challenge] Why the Europeans began trading in humans by the 16th century - Discover: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

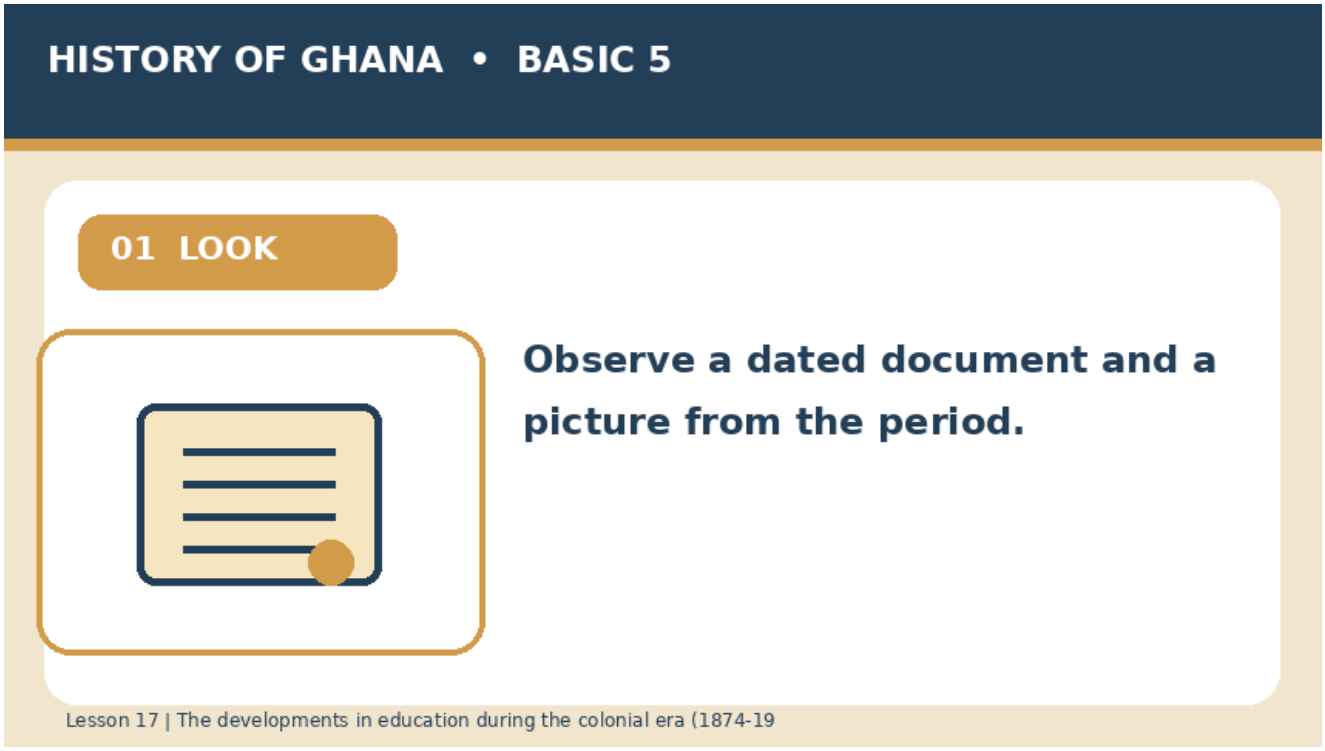

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Apply the lesson about investigate why the europeans began trading in humans by the 16th century to a suitable real-life situation.

LESSON 17: The developments in education during the colonial era (1874-1957) - Describe

Goal: Identify the developments in education during the colonial era (1874-1957).

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Identify the developments in education during the colonial era (1874-1957).

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 17: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The developments in education during the colonial era (1874-1957) - Describe: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Ignore historical sources and decide from a guess

C. Identify the developments in education during the colonial era (1874-1957).

D. Discuss an unrelated modern topic without evidence

2. [Play] The developments in education during the colonial era (1874-1957) - Describe: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. A dated document and a picture from the period.

3. [Play] The developments in education during the colonial era (1874-1957) - Describe: Which action should come first?

A. Finish before looking at the instructions.

B. Observe a dated document and a picture from the period.

C. Skip all practice and guess the result.

D. Ignore the main task and do something unrelated.

4. [Play] The developments in education during the colonial era (1874-1957) - Describe: Which setting does this grade use?

A. a topic unrelated to the current class

B. an unrelated imagined city

C. Ghanaian historical figures and the journey to self-rule

D. only a future space colony

5. [Play] The developments in education during the colonial era (1874-1957) - Describe: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. a short, evidence-supported historical explanation

C. an unrelated picture with no explanation

D. an unsupported claim with no classroom practice

6. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Identify the developments in education during the colonial era (1874-1957).

C. Skip to marking before learning

D. Only watch others without trying

7. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Leave the task unfinished without explaining

C. Describe a change and support it with a source rather than a guess.

D. Give a guess without trying the activity

8. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an unrelated example that does not test the skill

C. a before-and-after comparison

D. an opinion without observation or practice

9. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Take unnecessary risks to finish first.

10. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which classroom activity helps apply the lesson?

A. Describe a change and support it with a source rather than a guess.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which explanation best supports this lesson?

A. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: What should a partner help you check?

A. Whether your work demonstrates a before-and-after comparison.

B. Whether you can finish without showing your work

C. Whether you can avoid answering questions

D. Whether you can ignore the agreed task

13. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Make up results instead of practising

C. Repeat the same error without checking feedback

D. Stop immediately without reflection

14. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: How should a learner improve after feedback?

A. Revisit the steps and strengthen a before-and-after comparison.

B. Change answers randomly without a reason

C. Ignore all comments and leave the task incomplete

D. Skip a difficult part without asking for help

15. [Challenge] The developments in education during the colonial era (1874-1957) - Describe: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

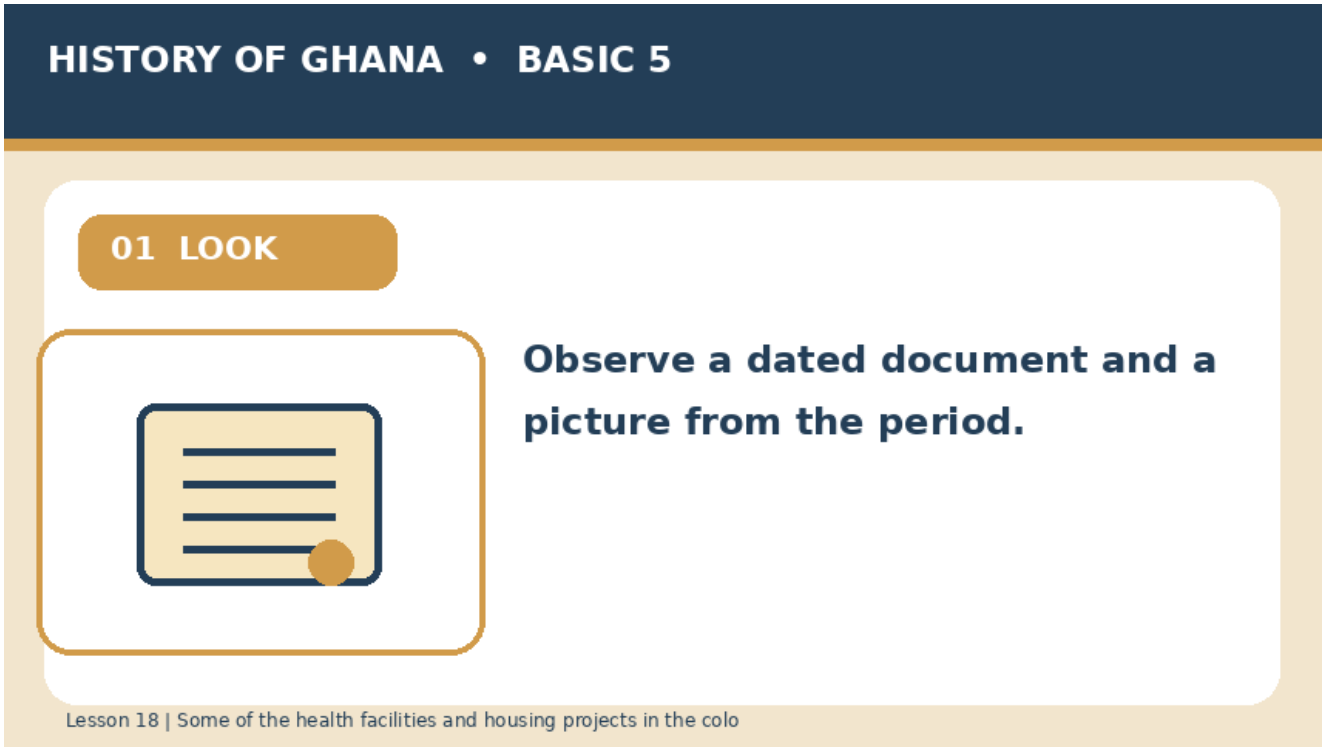

B. Apply the lesson about identify the developments in education during the colonial era (1874-1957) to a suitable real-life situation.

C. Claim expertise without trying the skill

D. Avoid explaining how the skill could be used

LESSON 18: Some of the health facilities and housing projects in the colonial - Practise

Goal: Identify some of the health facilities and housing projects in the colonial period.

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Identify some of the health facilities and housing projects in the colonial period.

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 18: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Some of the health facilities and housing projects in the colonial - Practise: What is this lesson mainly about?

A. Identify some of the health facilities and housing projects in the colonial period.

B. Treat every account as equally reliable without checking

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] Some of the health facilities and housing projects in the colonial - Practise: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. A dated document and a picture from the period.

D. guesses written without any source

3. [Play] Some of the health facilities and housing projects in the colonial - Practise: Which action should come first?

A. Observe a dated document and a picture from the period.

B. Ignore the main task and do something unrelated.

C. Skip all practice and guess the result.

D. Finish before looking at the instructions.

4. [Play] Some of the health facilities and housing projects in the colonial - Practise: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. a topic unrelated to the current class

C. only a future space colony

D. an unrelated imagined city

5. [Play] Some of the health facilities and housing projects in the colonial - Practise: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. a response that does not show the lesson skill

D. an unrelated picture with no explanation

6. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Identify some of the health facilities and housing projects in the colonial period.

C. Skip to marking before learning

D. Only watch others without trying

7. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Give a guess without trying the activity

C. Leave the task unfinished without explaining

D. Describe a change and support it with a source rather than a guess.

8. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. an opinion without observation or practice

C. a before-and-after comparison

D. a random answer with no supporting detail

9. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Take unnecessary risks to finish first.

C. Do the activity without considering other people.

D. Ignore the teacher’s safety instructions.

10. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Complete a different lesson instead

C. Describe a change and support it with a source rather than a guess.

D. Avoid the stated task and its materials

11. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

C. Learning means only guessing and never checking

D. The topic can be completed without observing or practising

12. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can finish without showing your work

C. Whether you can avoid answering questions

D. Whether your work demonstrates a before-and-after comparison.

13. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Repeat the same error without checking feedback

C. Make up results instead of practising

D. Stop immediately without reflection

14. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Revisit the steps and strengthen a before-and-after comparison.

C. Change answers randomly without a reason

D. Ignore all comments and leave the task incomplete

15. [Challenge] Some of the health facilities and housing projects in the colonial - Practise: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

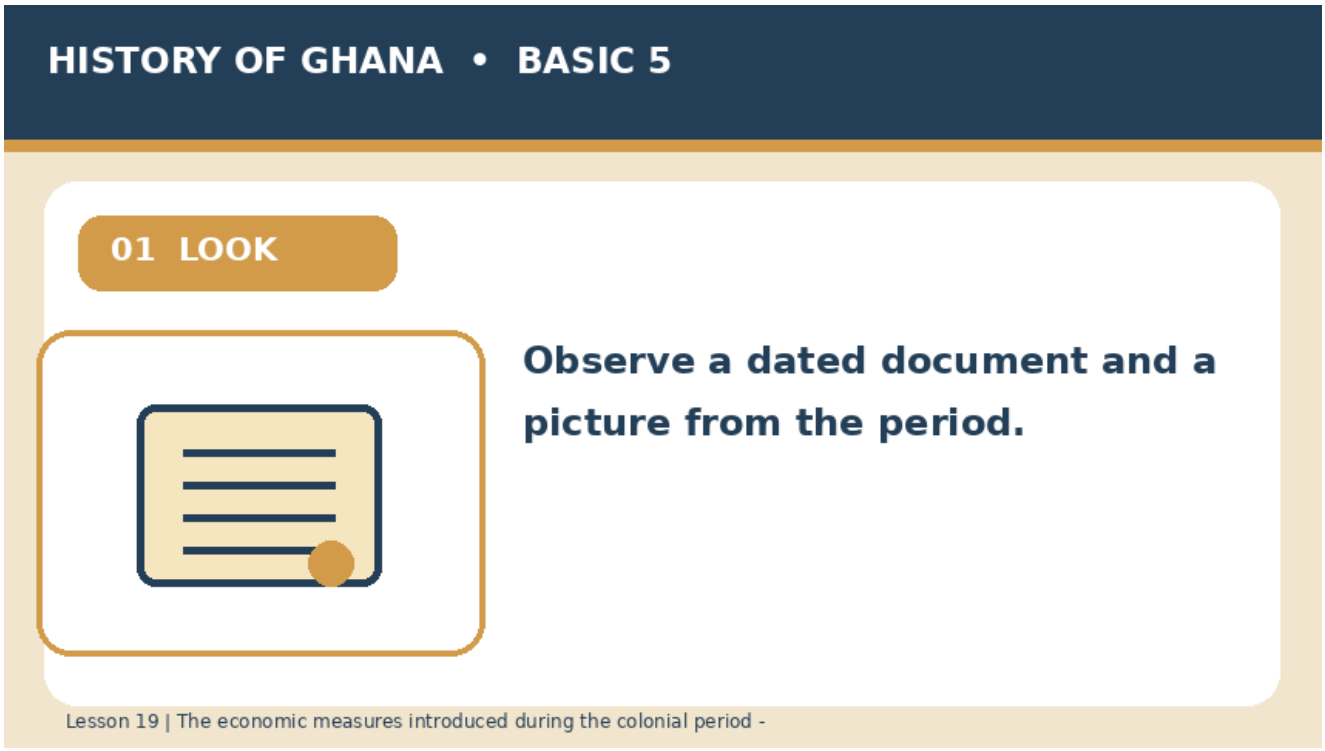

B. Apply the lesson about identify some of the health facilities and housing projects in the colonial period to a suitable real-life situation.

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 19: The economic measures introduced during the colonial period - Apply

Goal: Describe the economic measures introduced during the colonial period including transport and communication

Learn it

Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

Useful material: A dated document and a picture from the period.

Do it in three steps

1. Observe a dated document and a picture from the period.

2. Ask a question about: Describe the economic measures introduced during the colonial period including transport and communication.

3. Describe a change and support it with a source rather than a guess.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe a change and support it with a source rather than a guess.

Show your learning: a before-and-after comparison. Compare two sources; say how you know which details are reliable.

LESSON 19: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The economic measures introduced during the colonial period - Apply: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Discuss an unrelated modern topic without evidence

C. Ignore historical sources and decide from a guess

D. Describe the economic measures introduced during the colonial period including transport and communication

2. [Play] The economic measures introduced during the colonial period - Apply: What useful learning material or support is listed?

A. guesses written without any source

B. A dated document and a picture from the period.

C. an unrelated fictional story presented as a historical record

D. only unsupported rumours without checking

3. [Play] The economic measures introduced during the colonial period - Apply: Which action should come first?

A. Finish before looking at the instructions.

B. Ignore the main task and do something unrelated.

C. Skip all practice and guess the result.

D. Observe a dated document and a picture from the period.

4. [Play] The economic measures introduced during the colonial period - Apply: Which setting does this grade use?

A. an unrelated imagined city

B. Ghanaian historical figures and the journey to self-rule

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] The economic measures introduced during the colonial period - Apply: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. an unsupported claim with no classroom practice

6. [Challenge] The economic measures introduced during the colonial period - Apply: Which action comes after the opening step?

A. Ask a question about: Describe the economic measures introduced during the colonial period including transport and communication.

B. Change to an unrelated lesson immediately

C. Only watch others without trying

D. Skip to marking before learning

7. [Challenge] The economic measures introduced during the colonial period - Apply: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Describe a change and support it with a source rather than a guess.

D. Give a guess without trying the activity

8. [Challenge] The economic measures introduced during the colonial period - Apply: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a before-and-after comparison

C. a random answer with no supporting detail

D. an unrelated example that does not test the skill

9. [Challenge] The economic measures introduced during the colonial period - Apply: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Take unnecessary risks to finish first.

10. [Challenge] The economic measures introduced during the colonial period - Apply: Which classroom activity helps apply the lesson?

A. Describe a change and support it with a source rather than a guess.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The economic measures introduced during the colonial period - Apply: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Learning means only guessing and never checking

C. Colonial rule affected administration, trade and daily life. Historical accounts should consider experiences from more than one perspective.

D. The topic can be completed without observing or practising

12. [Challenge] The economic measures introduced during the colonial period - Apply: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether your work demonstrates a before-and-after comparison.

C. Whether you can ignore the agreed task

D. Whether you can avoid answering questions

13. [Challenge] The economic measures introduced during the colonial period - Apply: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Repeat the same error without checking feedback

C. Stop immediately without reflection

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The economic measures introduced during the colonial period - Apply: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Ignore all comments and leave the task incomplete

C. Revisit the steps and strengthen a before-and-after comparison.

D. Skip a difficult part without asking for help

15. [Challenge] The economic measures introduced during the colonial period - Apply: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

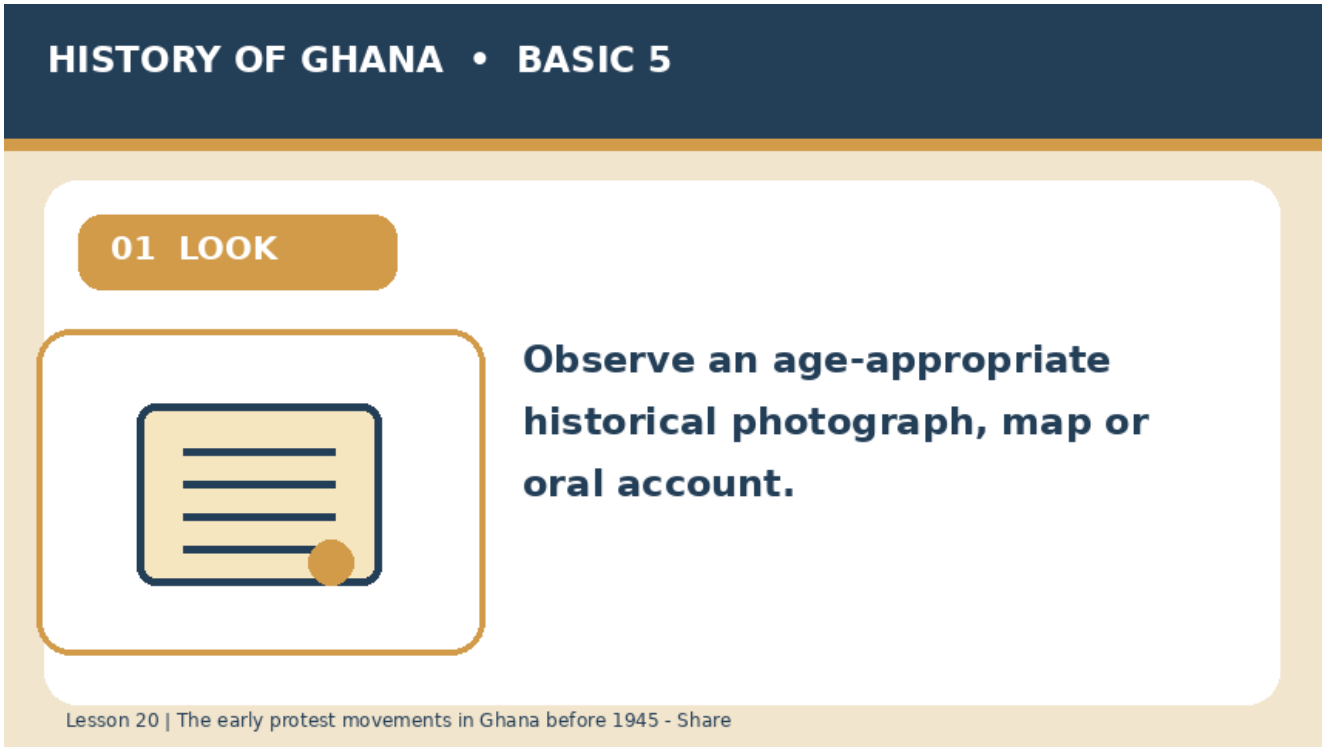

B. Use the topic to mislead others

C. Claim expertise without trying the skill

D. Apply the lesson about describe the economic measures introduced during the colonial period including transport and communication to a suitable real-life situation.

LESSON 20: The early protest movements in Ghana before 1945 - Share

Goal: Identify the early protest movements in Ghana before 1945.

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Identify the early protest movements in Ghana before 1945.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 20: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The early protest movements in Ghana before 1945 - Share: What is this lesson mainly about?

A. Identify the early protest movements in Ghana before 1945.

B. Treat every account as equally reliable without checking

C. Discuss an unrelated modern topic without evidence

D. Ignore historical sources and decide from a guess

2. [Play] The early protest movements in Ghana before 1945 - Share: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. An age-appropriate historical photograph, map or oral account.

3. [Play] The early protest movements in Ghana before 1945 - Share: Which action should come first?

A. Finish before looking at the instructions.

B. Observe an age-appropriate historical photograph, map or oral account.

C. Skip all practice and guess the result.

D. Ignore the main task and do something unrelated.

4. [Play] The early protest movements in Ghana before 1945 - Share: Which setting does this grade use?

A. Ghanaian historical figures and the journey to self-rule

B. an unrelated imagined city

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] The early protest movements in Ghana before 1945 - Share: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. an unrelated picture with no explanation

C. a short, evidence-supported historical explanation

D. a response that does not show the lesson skill

6. [Challenge] The early protest movements in Ghana before 1945 - Share: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Ask a question about: Identify the early protest movements in Ghana before 1945.

D. Only watch others without trying

7. [Challenge] The early protest movements in Ghana before 1945 - Share: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Identify a historical question and explain how evidence may answer it.

C. Leave the task unfinished without explaining

D. Give a guess without trying the activity

8. [Challenge] The early protest movements in Ghana before 1945 - Share: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. a random answer with no supporting detail

C. an opinion without observation or practice

D. an evidence-based explanation

9. [Challenge] The early protest movements in Ghana before 1945 - Share: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Ignore the teacher’s safety instructions.

C. Take unnecessary risks to finish first.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] The early protest movements in Ghana before 1945 - Share: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Identify a historical question and explain how evidence may answer it.

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The early protest movements in Ghana before 1945 - Share: Which explanation best supports this lesson?

A. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

B. The lesson has no connection to life or skills

C. Learning means only guessing and never checking

D. The topic can be completed without observing or practising

12. [Challenge] The early protest movements in Ghana before 1945 - Share: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can finish without showing your work

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can avoid answering questions

13. [Challenge] The early protest movements in Ghana before 1945 - Share: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Compare two sources; say how you know which details are reliable.

C. Stop immediately without reflection

D. Make up results instead of practising

14. [Challenge] The early protest movements in Ghana before 1945 - Share: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] The early protest movements in Ghana before 1945 - Share: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

B. Avoid explaining how the skill could be used

C. Apply the lesson about identify the early protest movements in ghana before 1945 to a suitable real-life situation.

D. Use the topic to mislead others
