Lesson 1. Listening for main points

Oral Language | Term 1

EXPLORE

Active listeners pay attention and recall important information.

Look for: speaker, main idea, detail, question

PLAY & APPLY

Activity: listen to a short story and tell its main point

Materials: brief oral story and picture cards

Real life: listen politely during school assembly

Remember: Listening means understanding, not repeating every word.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Listening for main points?

A. speaker B. beginning C. revise D. reason

2. What is the best activity for practising Listening for main points?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. listen to a short story and tell its main point

3. Which other example helps us explore Listening for main points?

A. main idea B. poem C. context D. definition

4. Which materials should the group prepare to study Listening for main points?

A. unsafe tools without an adult B. brief oral story and picture cards C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Listening for main points?

A. ignore the safety guidance B. listen politely during school assembly C. damage the classroom display D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Listening for main points?

A. Evidence is not needed when explaining a reading choice. B. Active listeners pay attention and recall important information. C. The longest sentence is always the best answer. D. Punctuation never changes a sentence meaning.

2. A classmate makes a mistake in Listening for main points. Which reminder helps?

A. The longest sentence is always the best answer. B. Punctuation never changes a sentence meaning. C. Listening means understanding, not repeating every word. D. Evidence is not needed when explaining a reading choice.

3. The class plans to explore Listening for main points. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. listen to a short story and tell its main point

4. Choose a pair of examples that fits Listening for main points.

A. character and realistic story B. reason and revise C. speaker and question D. beginning and title

5. Which materials are most helpful for Listening for main points?

A. sharp tools without supervision B. unrelated broken electronics C. random objects that cannot help the task D. brief oral story and picture cards

6. How could a learner apply Listening for main points outside school?

A. ignore school or home safety rules B. listen politely during school assembly C. leave a mess after the lesson D. refuse to practise the lesson

7. Which key word should appear on a Listening for main points revision card?

A. clue B. paraphrase C. voice D. detail

8. While studying Listening for main points, which choice shows careful learning?

A. observe, try, explain and check your result B. copy answers without understanding C. change the answer without reviewing D. rush without listening

9. Which label belongs on a poster about Listening for main points?

A. greeting B. question C. first D. they

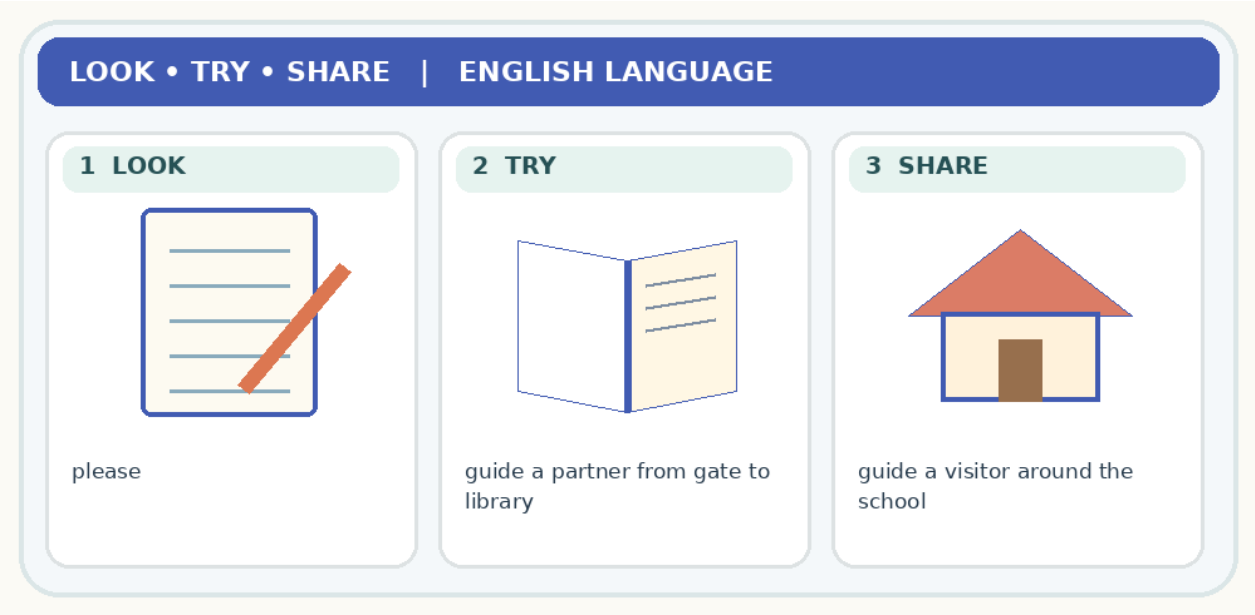

10. After practising Listening for main points, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Giving directions politely

Oral Language | Term 1

EXPLORE

Clear spoken instructions use sequence and polite expressions.

Look for: please, first, next, finally

PLAY & APPLY

Activity: guide a partner from gate to library

Materials: school map and direction cards

Real life: guide a visitor around the school

Remember: Loud speech is not the same as clear speech.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Giving directions politely?

A. please B. folktale C. evidence D. we read

2. What is the best activity for practising Giving directions politely?

A. copy without discussing anything B. leave all materials untouched C. guide a partner from gate to library D. ignore the instructions and rush

3. Which other example helps us explore Giving directions politely?

A. paraphrase B. first C. prefix D. title

4. Which materials should the group prepare to study Giving directions politely?

A. nothing suitable for the task B. school map and direction cards C. unsafe tools without an adult D. broken objects found at random

5. Where can you use what you learnt about Giving directions politely?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. guide a visitor around the school

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Giving directions politely?

A. Punctuation never changes a sentence meaning. B. Evidence is not needed when explaining a reading choice. C. The longest sentence is always the best answer. D. Clear spoken instructions use sequence and polite expressions.

2. A classmate makes a mistake in Giving directions politely. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. Evidence is not needed when explaining a reading choice. C. Loud speech is not the same as clear speech. D. The longest sentence is always the best answer.

3. The class plans to explore Giving directions politely. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. guide a partner from gate to library D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Giving directions politely.

A. we read and folktale B. evidence and proofread C. please and finally D. closing and revise

5. Which materials are most helpful for Giving directions politely?

A. school map and direction cards B. unrelated broken electronics C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Giving directions politely outside school?

A. leave a mess after the lesson B. ignore school or home safety rules C. guide a visitor around the school D. refuse to practise the lesson

7. Which key word should appear on a Giving directions politely revision card?

A. topic B. realistic story C. next D. she

8. While studying Giving directions politely, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Giving directions politely?

A. main idea B. finally C. body D. they run

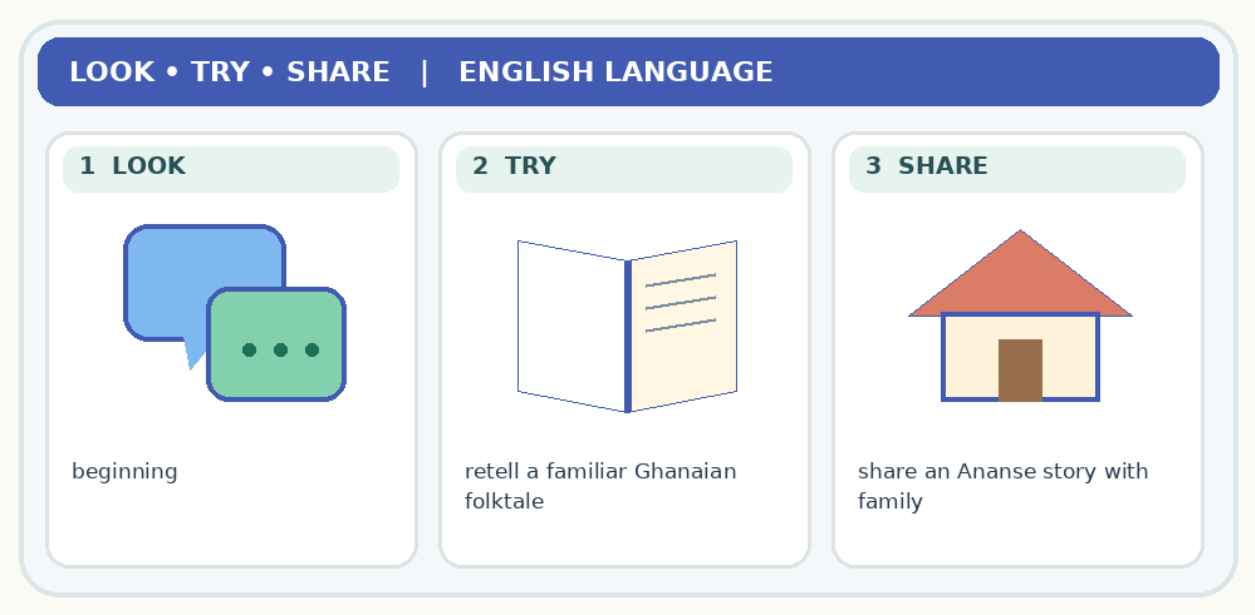

10. After practising Giving directions politely, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. Storytelling with expression

Oral Language | Term 1

EXPLORE

Storytellers use sequence, tone and purposeful gestures.

Look for: beginning, middle, end, voice

PLAY & APPLY

Activity: retell a familiar Ghanaian folktale

Materials: story pictures and cue cards

Real life: share an Ananse story with family

Remember: A story needs a connected sequence, not only characters.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Storytelling with expression?

A. conclusion B. beginning C. because D. finally

2. What is the best activity for practising Storytelling with expression?

A. retell a familiar Ghanaian folktale B. copy without discussing anything C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore Storytelling with expression?

A. address B. middle C. please D. quotation mark

4. Which materials should the group prepare to study Storytelling with expression?

A. story pictures and cue cards B. nothing suitable for the task C. broken objects found at random D. unsafe tools without an adult

5. Where can you use what you learnt about Storytelling with expression?

A. damage the classroom display B. avoid talking about the idea C. share an Ananse story with family D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Storytelling with expression?

A. Evidence is not needed when explaining a reading choice. B. The longest sentence is always the best answer. C. Punctuation never changes a sentence meaning. D. Storytellers use sequence, tone and purposeful gestures.

2. A classmate makes a mistake in Storytelling with expression. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. A story needs a connected sequence, not only characters. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

3. The class plans to explore Storytelling with expression. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. retell a familiar Ghanaian folktale

4. Choose a pair of examples that fits Storytelling with expression.

A. definition and topic B. finally and clue C. conclusion and because D. beginning and voice

5. Which materials are most helpful for Storytelling with expression?

A. story pictures and cue cards B. sharp tools without supervision C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Storytelling with expression outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. ignore school or home safety rules D. share an Ananse story with family

7. Which key word should appear on a Storytelling with expression revision card?

A. she runs B. reason C. end D. evidence

8. While studying Storytelling with expression, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Storytelling with expression?

A. realistic story B. title C. speaker D. voice

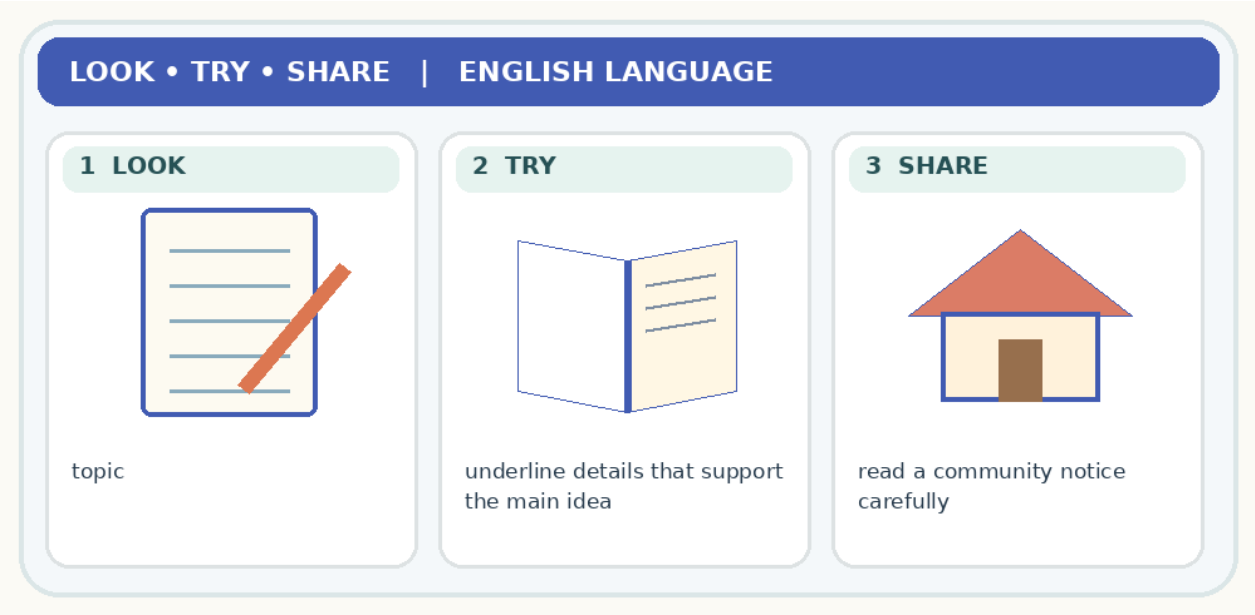

10. After practising Storytelling with expression, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. Finding the main idea

Reading | Term 1

EXPLORE

The main idea tells what a passage is mostly about.

Look for: topic, main idea, detail, title

PLAY & APPLY

Activity: underline details that support the main idea

Materials: short passage and pencil

Real life: read a community notice carefully

Remember: A minor detail is not always the main idea.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Finding the main idea?

A. end B. example C. topic D. character

2. What is the best activity for practising Finding the main idea?

A. copy without discussing anything B. underline details that support the main idea C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Finding the main idea?

A. opinion B. main idea C. but D. reader

4. Which materials should the group prepare to study Finding the main idea?

A. unsafe tools without an adult B. short passage and pencil C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Finding the main idea?

A. ignore the safety guidance B. read a community notice carefully C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Finding the main idea?

A. The main idea tells what a passage is mostly about. B. The longest sentence is always the best answer. C. Punctuation never changes a sentence meaning. D. Evidence is not needed when explaining a reading choice.

2. A classmate makes a mistake in Finding the main idea. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. Evidence is not needed when explaining a reading choice. C. The longest sentence is always the best answer. D. A minor detail is not always the main idea.

3. The class plans to explore Finding the main idea. Which action fits?

A. mix unrelated ideas without planning B. skip the task and claim it is complete C. underline details that support the main idea D. guess without looking at evidence

4. Choose a pair of examples that fits Finding the main idea.

A. topic and title B. address and main idea C. character and poem D. end and example

5. Which materials are most helpful for Finding the main idea?

A. short passage and pencil B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply Finding the main idea outside school?

A. read a community notice carefully B. leave a mess after the lesson C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Finding the main idea revision card?

A. she runs B. quotation mark C. detail D. please

8. While studying Finding the main idea, which choice shows careful learning?

A. change the answer without reviewing B. copy answers without understanding C. observe, try, explain and check your result D. rush without listening

9. Which label belongs on a poster about Finding the main idea?

A. first B. chapter C. title D. beginning

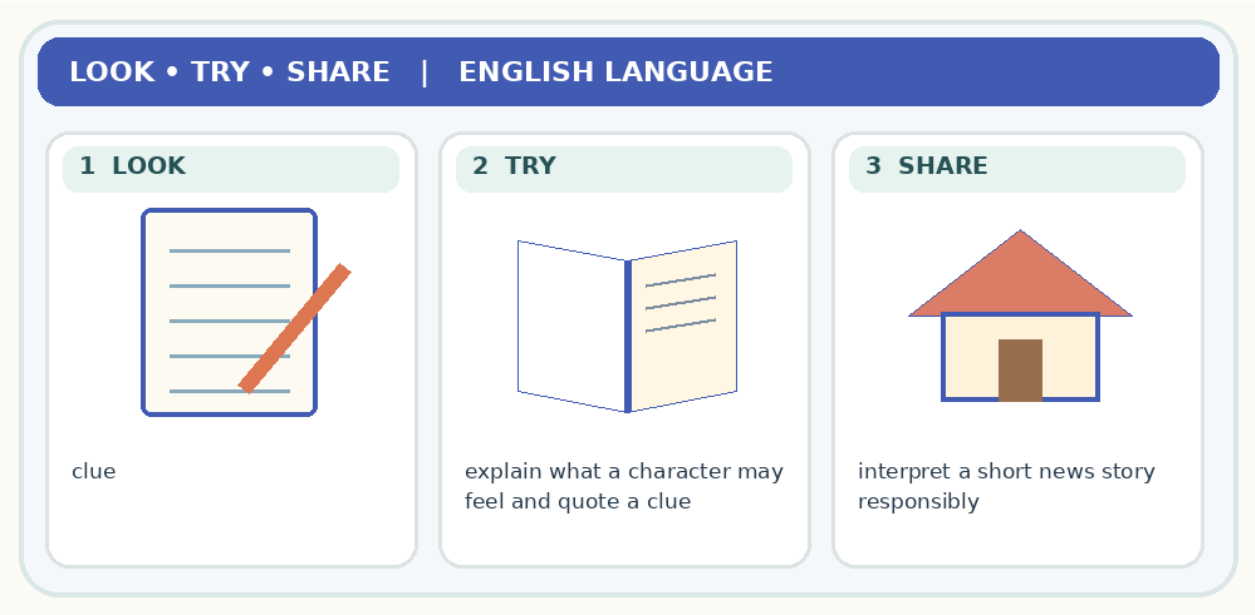

10. After practising Finding the main idea, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Making inferences

Reading | Term 1

EXPLORE

An inference combines text clues with what the reader knows.

Look for: clue, reason, evidence, conclusion

PLAY & APPLY

Activity: explain what a character may feel and quote a clue

Materials: brief illustrated passage

Real life: interpret a short news story responsibly

Remember: An inference is not a guess without evidence.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Making inferences?

A. topic B. clue C. quotation mark D. because

2. What is the best activity for practising Making inferences?

A. ignore the instructions and rush B. explain what a character may feel and quote a clue C. copy without discussing anything D. leave all materials untouched

3. Which other example helps us explore Making inferences?

A. draft B. library C. reason D. folktale

4. Which materials should the group prepare to study Making inferences?

A. broken objects found at random B. brief illustrated passage C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Making inferences?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. interpret a short news story responsibly

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Making inferences?

A. Evidence is not needed when explaining a reading choice. B. Punctuation never changes a sentence meaning. C. The longest sentence is always the best answer. D. An inference combines text clues with what the reader knows.

2. A classmate makes a mistake in Making inferences. Which reminder helps?

A. An inference is not a guess without evidence. B. Evidence is not needed when explaining a reading choice. C. The longest sentence is always the best answer. D. Punctuation never changes a sentence meaning.

3. The class plans to explore Making inferences. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. explain what a character may feel and quote a clue

4. Choose a pair of examples that fits Making inferences.

A. because and she B. quotation mark and topic C. student and finally D. clue and conclusion

5. Which materials are most helpful for Making inferences?

A. random objects that cannot help the task B. unrelated broken electronics C. sharp tools without supervision D. brief illustrated passage

6. How could a learner apply Making inferences outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. leave a mess after the lesson D. interpret a short news story responsibly

7. Which key word should appear on a Making inferences revision card?

A. character B. evidence C. full stop D. opinion

8. While studying Making inferences, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. observe, try, explain and check your result D. copy answers without understanding

9. Which label belongs on a poster about Making inferences?

A. paraphrase B. detail C. definition D. conclusion

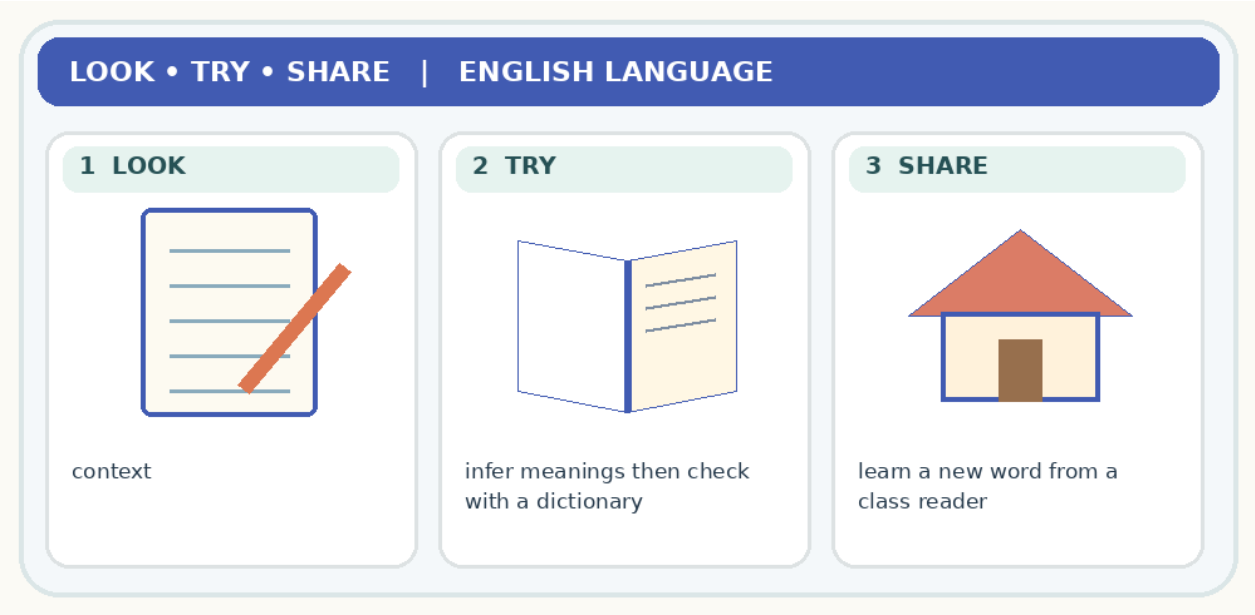

10. After practising Making inferences, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Vocabulary from context

Reading | Term 1

EXPLORE

Nearby words and examples help readers infer unfamiliar word meaning.

Look for: context, definition, synonym, example

PLAY & APPLY

Activity: infer meanings then check with a dictionary

Materials: paragraph cards and vocabulary notebook

Real life: learn a new word from a class reader

Remember: One word can have different meanings in different contexts.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Vocabulary from context?

A. context B. comma C. student D. closing

2. What is the best activity for practising Vocabulary from context?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. infer meanings then check with a dictionary

3. Which other example helps us explore Vocabulary from context?

A. they B. end C. definition D. detail

4. Which materials should the group prepare to study Vocabulary from context?

A. paragraph cards and vocabulary notebook B. nothing suitable for the task C. unsafe tools without an adult D. broken objects found at random

5. Where can you use what you learnt about Vocabulary from context?

A. learn a new word from a class reader B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Vocabulary from context?

A. Evidence is not needed when explaining a reading choice. B. Punctuation never changes a sentence meaning. C. The longest sentence is always the best answer. D. Nearby words and examples help readers infer unfamiliar word meaning.

2. A classmate makes a mistake in Vocabulary from context. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. One word can have different meanings in different contexts. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

3. The class plans to explore Vocabulary from context. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. infer meanings then check with a dictionary

4. Choose a pair of examples that fits Vocabulary from context.

A. student and closing B. body and syllable C. comma and she D. context and example

5. Which materials are most helpful for Vocabulary from context?

A. random objects that cannot help the task B. unrelated broken electronics C. paragraph cards and vocabulary notebook D. sharp tools without supervision

6. How could a learner apply Vocabulary from context outside school?

A. leave a mess after the lesson B. learn a new word from a class reader C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Vocabulary from context revision card?

A. main idea B. beginning C. play D. synonym

8. While studying Vocabulary from context, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Vocabulary from context?

A. and B. first C. poem D. example

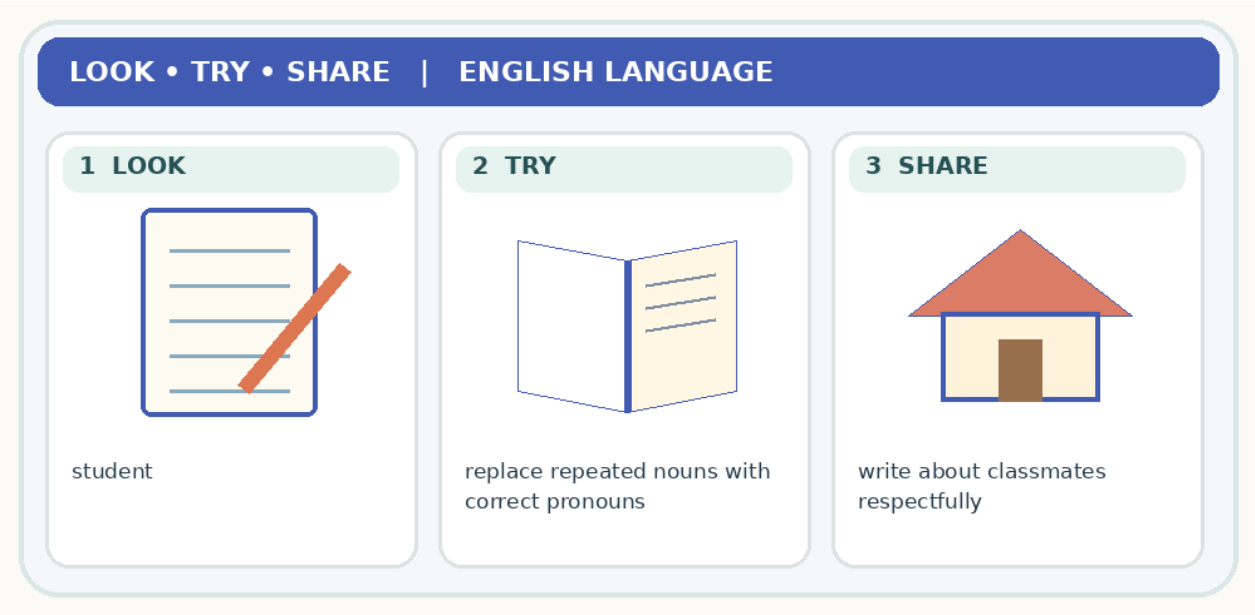

10. After practising Vocabulary from context, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. Nouns and pronouns

Grammar: Words and Phrases | Term 2

EXPLORE

Pronouns can replace nouns while making the meaning clear.

Look for: student, she, they, it

PLAY & APPLY

Activity: replace repeated nouns with correct pronouns

Materials: sentence cards

Real life: write about classmates respectfully

Remember: Pronouns must agree with their referents.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Nouns and pronouns?

A. and B. example C. student D. body

2. What is the best activity for practising Nouns and pronouns?

A. replace repeated nouns with correct pronouns B. ignore the instructions and rush C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Nouns and pronouns?

A. she B. voice C. title D. context

4. Which materials should the group prepare to study Nouns and pronouns?

A. unsafe tools without an adult B. nothing suitable for the task C. broken objects found at random D. sentence cards

5. Where can you use what you learnt about Nouns and pronouns?

A. damage the classroom display B. ignore the safety guidance C. avoid talking about the idea D. write about classmates respectfully

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Nouns and pronouns?

A. Evidence is not needed when explaining a reading choice. B. Punctuation never changes a sentence meaning. C. Pronouns can replace nouns while making the meaning clear. D. The longest sentence is always the best answer.

2. A classmate makes a mistake in Nouns and pronouns. Which reminder helps?

A. Pronouns must agree with their referents. B. The longest sentence is always the best answer. C. Evidence is not needed when explaining a reading choice. D. Punctuation never changes a sentence meaning.

3. The class plans to explore Nouns and pronouns. Which action fits?

A. replace repeated nouns with correct pronouns B. guess without looking at evidence C. mix unrelated ideas without planning D. skip the task and claim it is complete

4. Choose a pair of examples that fits Nouns and pronouns.

A. student and it B. body and example C. and and reader D. key detail and proofread

5. Which materials are most helpful for Nouns and pronouns?

A. random objects that cannot help the task B. unrelated broken electronics C. sharp tools without supervision D. sentence cards

6. How could a learner apply Nouns and pronouns outside school?

A. write about classmates respectfully B. ignore school or home safety rules C. leave a mess after the lesson D. refuse to practise the lesson

7. Which key word should appear on a Nouns and pronouns revision card?

A. closing B. clue C. they D. library

8. While studying Nouns and pronouns, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Nouns and pronouns?

A. evidence B. it C. edit D. main idea

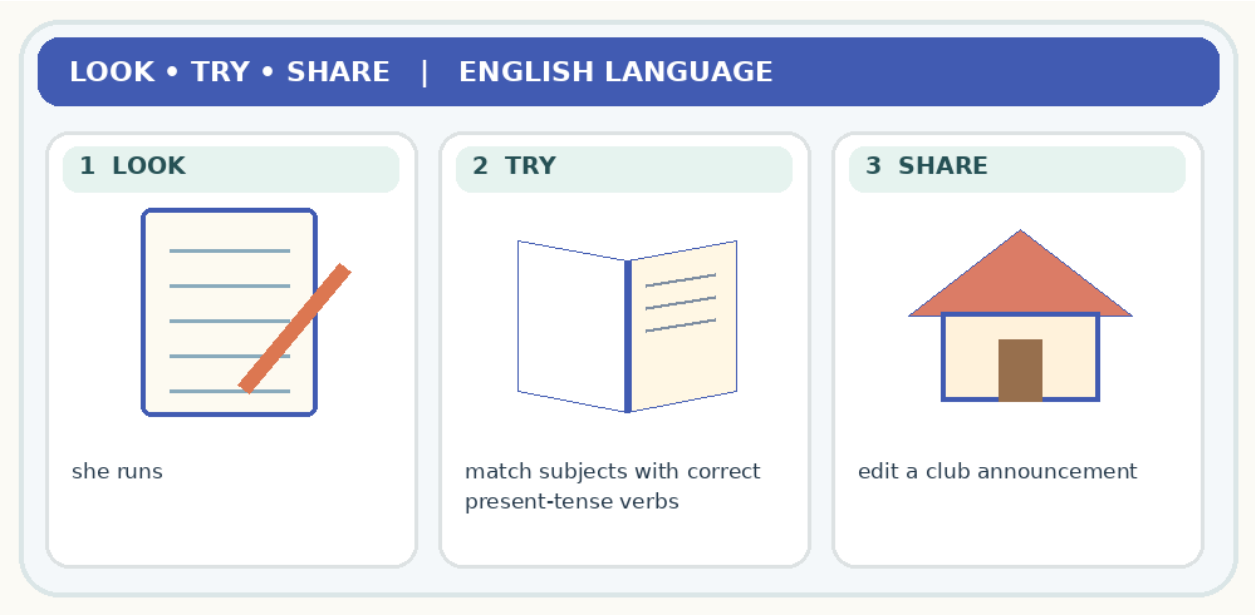

10. After practising Nouns and pronouns, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. Subject and verb agreement

Grammar: Words and Phrases | Term 2

EXPLORE

Singular and plural subjects take suitable verb forms.

Look for: she runs, they run, he reads, we read

PLAY & APPLY

Activity: match subjects with correct present-tense verbs

Materials: sentence strips

Real life: edit a club announcement

Remember: The subject affects the verb form.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Subject and verb agreement?

A. she runs B. proofread C. main idea D. address

2. What is the best activity for practising Subject and verb agreement?

A. leave all materials untouched B. ignore the instructions and rush C. copy without discussing anything D. match subjects with correct present-tense verbs

3. Which other example helps us explore Subject and verb agreement?

A. library B. they run C. realistic story D. draft

4. Which materials should the group prepare to study Subject and verb agreement?

A. broken objects found at random B. sentence strips C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Subject and verb agreement?

A. avoid talking about the idea B. edit a club announcement C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Subject and verb agreement?

A. Singular and plural subjects take suitable verb forms. B. Evidence is not needed when explaining a reading choice. C. Punctuation never changes a sentence meaning. D. The longest sentence is always the best answer.

2. A classmate makes a mistake in Subject and verb agreement. Which reminder helps?

A. The subject affects the verb form. B. Punctuation never changes a sentence meaning. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

3. The class plans to explore Subject and verb agreement. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. match subjects with correct present-tense verbs D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Subject and verb agreement.

A. main idea and voice B. she runs and we read C. synonym and beginning D. address and proofread

5. Which materials are most helpful for Subject and verb agreement?

A. sentence strips B. unrelated broken electronics C. random objects that cannot help the task D. sharp tools without supervision

6. How could a learner apply Subject and verb agreement outside school?

A. edit a club announcement B. leave a mess after the lesson C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Subject and verb agreement revision card?

A. he reads B. example C. edit D. greeting

8. While studying Subject and verb agreement, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. copy answers without understanding D. rush without listening

9. Which label belongs on a poster about Subject and verb agreement?

A. we read B. revise C. speaker D. topic sentence

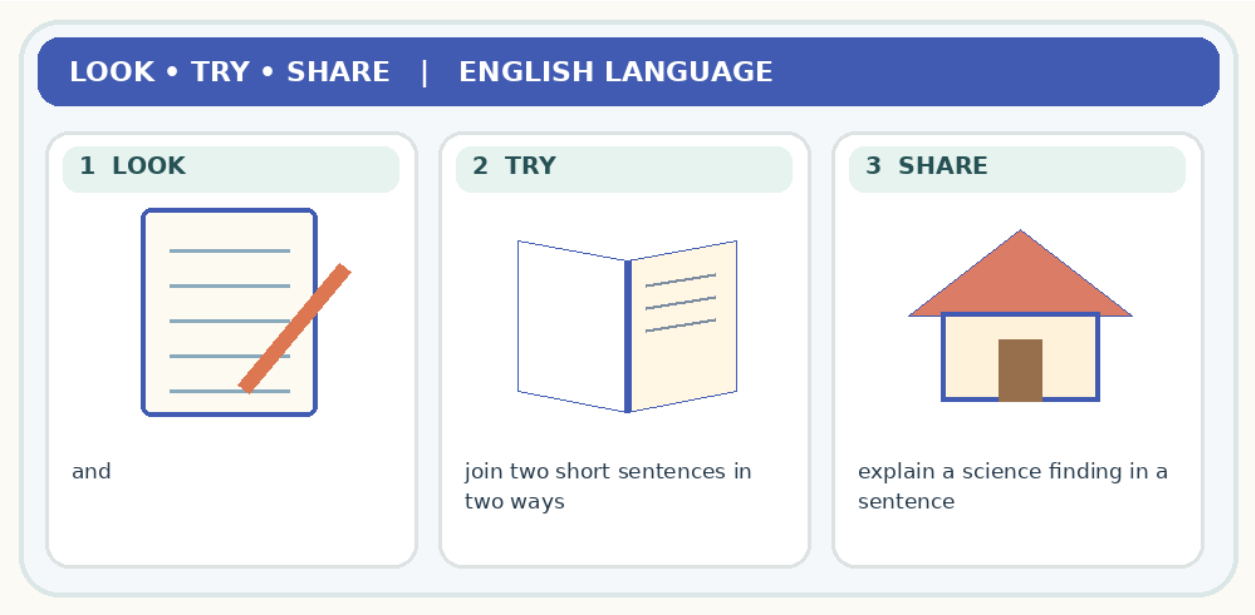

10. After practising Subject and verb agreement, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. leave the group without sharing D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Using conjunctions

Grammar: Words and Phrases | Term 2

EXPLORE

Conjunctions connect ideas and show relationships.

Look for: and, but, because, although

PLAY & APPLY

Activity: join two short sentences in two ways

Materials: sentence cards

Real life: explain a science finding in a sentence

Remember: And and because do not have identical meanings.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Using conjunctions?

A. and B. comma C. next D. body

2. What is the best activity for practising Using conjunctions?

A. join two short sentences in two ways B. copy without discussing anything C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Using conjunctions?

A. first B. character C. but D. edit

4. Which materials should the group prepare to study Using conjunctions?

A. sentence cards B. broken objects found at random C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Using conjunctions?

A. avoid talking about the idea B. explain a science finding in a sentence C. damage the classroom display D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Using conjunctions?

A. The longest sentence is always the best answer. B. Evidence is not needed when explaining a reading choice. C. Punctuation never changes a sentence meaning. D. Conjunctions connect ideas and show relationships.

2. A classmate makes a mistake in Using conjunctions. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. And and because do not have identical meanings. C. The longest sentence is always the best answer. D. Evidence is not needed when explaining a reading choice.

3. The class plans to explore Using conjunctions. Which action fits?

A. guess without looking at evidence B. skip the task and claim it is complete C. join two short sentences in two ways D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Using conjunctions.

A. next and play B. and and although C. greeting and they D. body and comma

5. Which materials are most helpful for Using conjunctions?

A. unrelated broken electronics B. sentence cards C. random objects that cannot help the task D. sharp tools without supervision

6. How could a learner apply Using conjunctions outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. explain a science finding in a sentence D. ignore school or home safety rules

7. Which key word should appear on a Using conjunctions revision card?

A. because B. syllable C. example D. middle

8. While studying Using conjunctions, which choice shows careful learning?

A. change the answer without reviewing B. copy answers without understanding C. rush without listening D. observe, try, explain and check your result

9. Which label belongs on a poster about Using conjunctions?

A. evidence B. although C. full stop D. detail

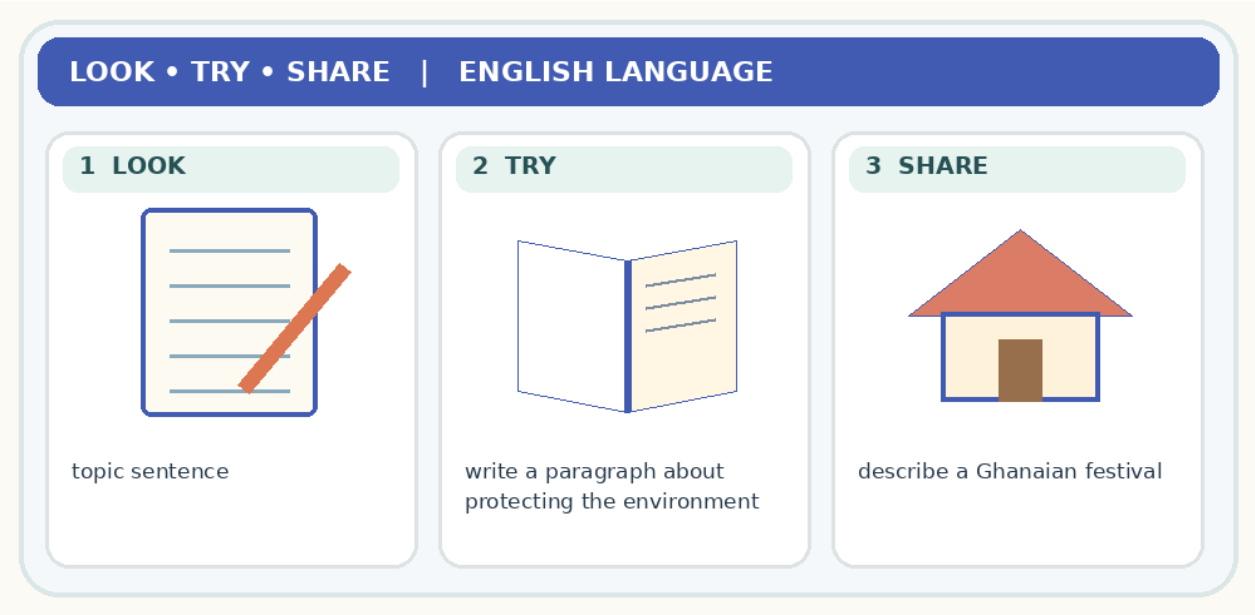

10. After practising Using conjunctions, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Writing strong paragraphs

Writing | Term 2

EXPLORE

A paragraph has a focus and supporting sentences.

Look for: topic sentence, detail, example, closing

PLAY & APPLY

Activity: write a paragraph about protecting the environment

Materials: writing book and topic prompts

Real life: describe a Ghanaian festival

Remember: A list of unrelated sentences is not a paragraph.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Writing strong paragraphs?

A. student B. syllable C. topic sentence D. play

2. What is the best activity for practising Writing strong paragraphs?

A. leave all materials untouched B. write a paragraph about protecting the environment C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Writing strong paragraphs?

A. they run B. clue C. context D. detail

4. Which materials should the group prepare to study Writing strong paragraphs?

A. broken objects found at random B. unsafe tools without an adult C. writing book and topic prompts D. nothing suitable for the task

5. Where can you use what you learnt about Writing strong paragraphs?

A. ignore the safety guidance B. damage the classroom display C. avoid talking about the idea D. describe a Ghanaian festival

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Writing strong paragraphs?

A. A paragraph has a focus and supporting sentences. B. Punctuation never changes a sentence meaning. C. The longest sentence is always the best answer. D. Evidence is not needed when explaining a reading choice.

2. A classmate makes a mistake in Writing strong paragraphs. Which reminder helps?

A. The longest sentence is always the best answer. B. Punctuation never changes a sentence meaning. C. A list of unrelated sentences is not a paragraph. D. Evidence is not needed when explaining a reading choice.

3. The class plans to explore Writing strong paragraphs. Which action fits?

A. mix unrelated ideas without planning B. skip the task and claim it is complete C. guess without looking at evidence D. write a paragraph about protecting the environment

4. Choose a pair of examples that fits Writing strong paragraphs.

A. play and student B. syllable and suffix C. topic sentence and closing D. topic and he reads

5. Which materials are most helpful for Writing strong paragraphs?

A. writing book and topic prompts B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply Writing strong paragraphs outside school?

A. leave a mess after the lesson B. refuse to practise the lesson C. describe a Ghanaian festival D. ignore school or home safety rules

7. Which key word should appear on a Writing strong paragraphs revision card?

A. evidence B. example C. please D. library

8. While studying Writing strong paragraphs, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Writing strong paragraphs?

A. we read B. question C. closing D. first

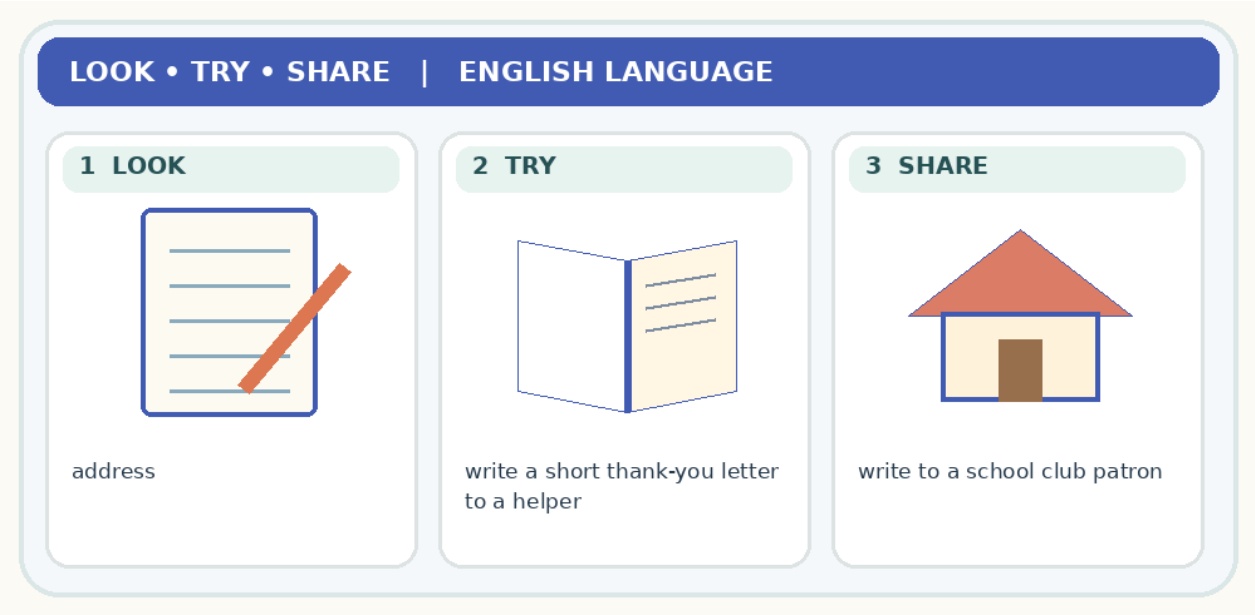

10. After practising Writing strong paragraphs, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 11. Formal and informal letters

Writing | Term 2

EXPLORE

Letters use appropriate greetings, organisation and closing.

Look for: address, greeting, body, closing

PLAY & APPLY

Activity: write a short thank-you letter to a helper

Materials: sample letters and paper

Real life: write to a school club patron

Remember: Letter style depends on the audience.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Formal and informal letters?

A. paraphrase B. address C. it D. proofread

2. What is the best activity for practising Formal and informal letters?

A. write a short thank-you letter to a helper B. ignore the instructions and rush C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Formal and informal letters?

A. main idea B. greeting C. question mark D. comma

4. Which materials should the group prepare to study Formal and informal letters?

A. nothing suitable for the task B. broken objects found at random C. unsafe tools without an adult D. sample letters and paper

5. Where can you use what you learnt about Formal and informal letters?

A. damage the classroom display B. ignore the safety guidance C. write to a school club patron D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Formal and informal letters?

A. Punctuation never changes a sentence meaning. B. Letters use appropriate greetings, organisation and closing. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

2. A classmate makes a mistake in Formal and informal letters. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. Evidence is not needed when explaining a reading choice. C. The longest sentence is always the best answer. D. Letter style depends on the audience.

3. The class plans to explore Formal and informal letters. Which action fits?

A. skip the task and claim it is complete B. write a short thank-you letter to a helper C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Formal and informal letters.

A. proofread and it B. key detail and voice C. paraphrase and reason D. address and closing

5. Which materials are most helpful for Formal and informal letters?

A. sample letters and paper B. unrelated broken electronics C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Formal and informal letters outside school?

A. write to a school club patron B. refuse to practise the lesson C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Formal and informal letters revision card?

A. speaker B. we read C. full stop D. body

8. While studying Formal and informal letters, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about Formal and informal letters?

A. syllable B. folktale C. closing D. summary

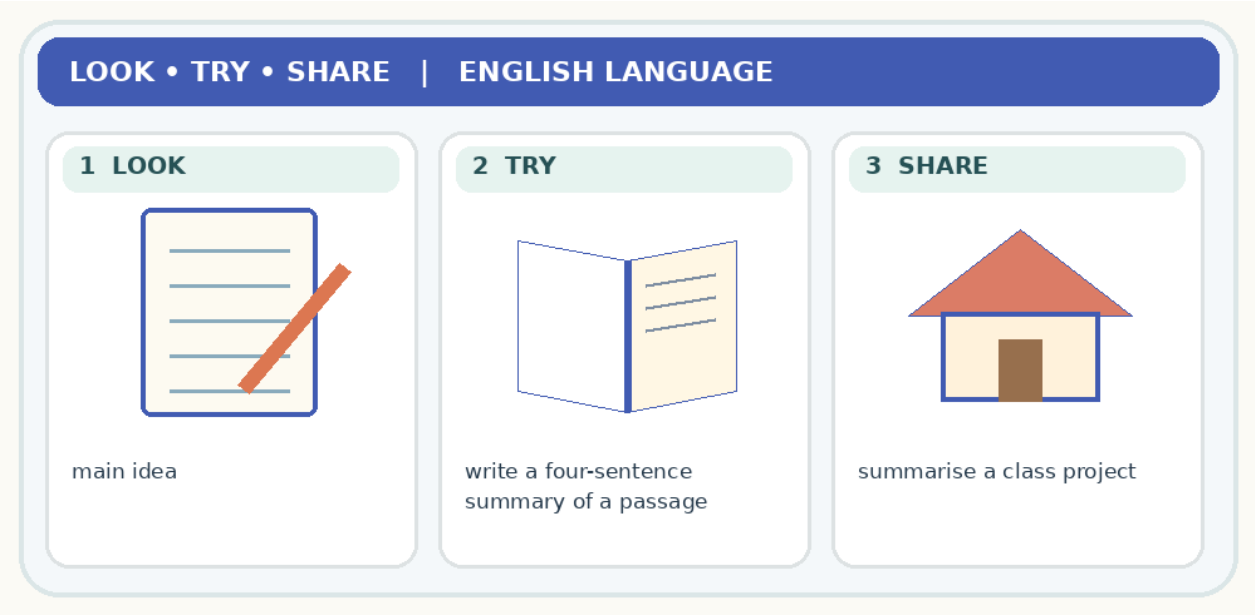

10. After practising Formal and informal letters, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 12. Summarising information

Writing | Term 2

EXPLORE

A summary keeps the main ideas in fewer words.

Look for: main idea, key detail, paraphrase, summary

PLAY & APPLY

Activity: write a four-sentence summary of a passage

Materials: short article and highlighter

Real life: summarise a class project

Remember: A summary is not a full copy of the original.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Summarising information?

A. she B. student C. syllable D. main idea

2. What is the best activity for practising Summarising information?

A. copy without discussing anything B. leave all materials untouched C. write a four-sentence summary of a passage D. ignore the instructions and rush

3. Which other example helps us explore Summarising information?

A. key detail B. next C. topic D. finally

4. Which materials should the group prepare to study Summarising information?

A. unsafe tools without an adult B. nothing suitable for the task C. broken objects found at random D. short article and highlighter

5. Where can you use what you learnt about Summarising information?

A. avoid talking about the idea B. summarise a class project C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Summarising information?

A. Punctuation never changes a sentence meaning. B. A summary keeps the main ideas in fewer words. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

2. A classmate makes a mistake in Summarising information. Which reminder helps?

A. Evidence is not needed when explaining a reading choice. B. A summary is not a full copy of the original. C. Punctuation never changes a sentence meaning. D. The longest sentence is always the best answer.

3. The class plans to explore Summarising information. Which action fits?

A. guess without looking at evidence B. mix unrelated ideas without planning C. skip the task and claim it is complete D. write a four-sentence summary of a passage

4. Choose a pair of examples that fits Summarising information.

A. main idea and summary B. student and she C. synonym and reason D. syllable and although

5. Which materials are most helpful for Summarising information?

A. short article and highlighter B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply Summarising information outside school?

A. leave a mess after the lesson B. summarise a class project C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Summarising information revision card?

A. realistic story B. conclusion C. paraphrase D. because

8. While studying Summarising information, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Summarising information?

A. title B. opinion C. summary D. and

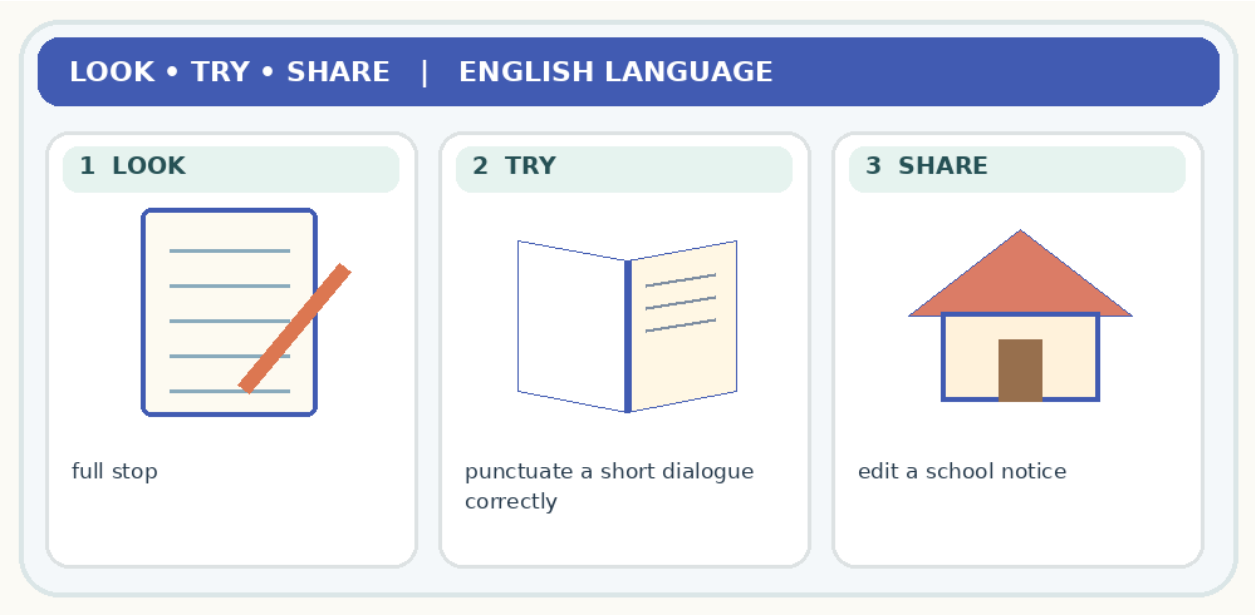

10. After practising Summarising information, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 13. Punctuation for meaning

Writing Conventions | Term 3

EXPLORE

Punctuation guides reading and makes meaning clearer.

Look for: full stop, comma, question mark, quotation mark

PLAY & APPLY

Activity: punctuate a short dialogue correctly

Materials: sentence cards

Real life: edit a school notice

Remember: Punctuation marks are not interchangeable.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Punctuation for meaning?

A. finally B. full stop C. play D. summary

2. What is the best activity for practising Punctuation for meaning?

A. ignore the instructions and rush B. copy without discussing anything C. punctuate a short dialogue correctly D. leave all materials untouched

3. Which other example helps us explore Punctuation for meaning?

A. main idea B. he reads C. comma D. detail

4. Which materials should the group prepare to study Punctuation for meaning?

A. broken objects found at random B. sentence cards C. nothing suitable for the task D. unsafe tools without an adult

5. Where can you use what you learnt about Punctuation for meaning?

A. ignore the safety guidance B. avoid talking about the idea C. damage the classroom display D. edit a school notice

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Punctuation for meaning?

A. The longest sentence is always the best answer. B. Punctuation never changes a sentence meaning. C. Evidence is not needed when explaining a reading choice. D. Punctuation guides reading and makes meaning clearer.

2. A classmate makes a mistake in Punctuation for meaning. Which reminder helps?

A. Evidence is not needed when explaining a reading choice. B. Punctuation marks are not interchangeable. C. The longest sentence is always the best answer. D. Punctuation never changes a sentence meaning.

3. The class plans to explore Punctuation for meaning. Which action fits?

A. mix unrelated ideas without planning B. guess without looking at evidence C. punctuate a short dialogue correctly D. skip the task and claim it is complete

4. Choose a pair of examples that fits Punctuation for meaning.

A. finally and play B. they and title C. summary and topic sentence D. full stop and quotation mark

5. Which materials are most helpful for Punctuation for meaning?

A. unrelated broken electronics B. random objects that cannot help the task C. sharp tools without supervision D. sentence cards

6. How could a learner apply Punctuation for meaning outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. edit a school notice D. refuse to practise the lesson

7. Which key word should appear on a Punctuation for meaning revision card?

A. key detail B. example C. question mark D. because

8. While studying Punctuation for meaning, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about Punctuation for meaning?

A. quotation mark B. root C. next D. they run

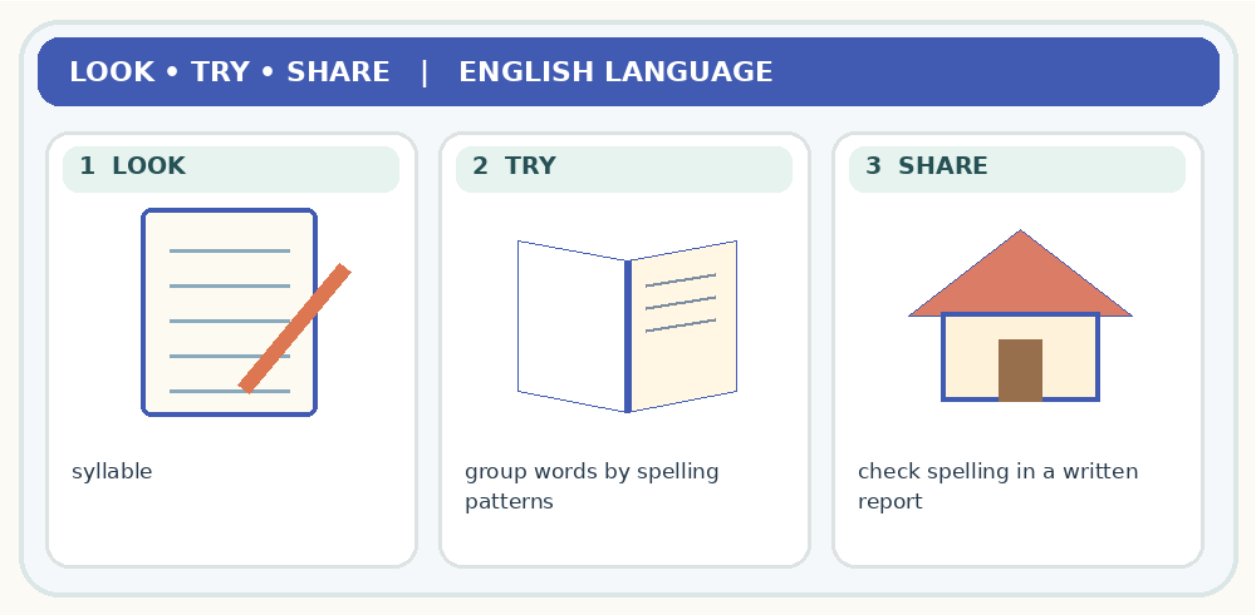

10. After practising Punctuation for meaning, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 14. Spelling and word families

Writing Conventions | Term 3

EXPLORE

Patterns, syllables and checking improve spelling.

Look for: syllable, prefix, suffix, root

PLAY & APPLY

Activity: group words by spelling patterns

Materials: word cards and dictionary

Real life: check spelling in a written report

Remember: A word cannot always be spelt only by sound.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Spelling and word families?

A. syllable B. context C. conclusion D. detail

2. What is the best activity for practising Spelling and word families?

A. ignore the instructions and rush B. group words by spelling patterns C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Spelling and word families?

A. address B. topic sentence C. greeting D. prefix

4. Which materials should the group prepare to study Spelling and word families?

A. unsafe tools without an adult B. word cards and dictionary C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Spelling and word families?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. check spelling in a written report

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Spelling and word families?

A. Evidence is not needed when explaining a reading choice. B. The longest sentence is always the best answer. C. Patterns, syllables and checking improve spelling. D. Punctuation never changes a sentence meaning.

2. A classmate makes a mistake in Spelling and word families. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. The longest sentence is always the best answer. C. Evidence is not needed when explaining a reading choice. D. A word cannot always be spelt only by sound.

3. The class plans to explore Spelling and word families. Which action fits?

A. group words by spelling patterns B. mix unrelated ideas without planning C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits Spelling and word families.

A. closing and middle B. detail and conclusion C. context and edit D. syllable and root

5. Which materials are most helpful for Spelling and word families?

A. unrelated broken electronics B. sharp tools without supervision C. word cards and dictionary D. random objects that cannot help the task

6. How could a learner apply Spelling and word families outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. leave a mess after the lesson D. check spelling in a written report

7. Which key word should appear on a Spelling and word families revision card?

A. realistic story B. suffix C. paraphrase D. chapter

8. While studying Spelling and word families, which choice shows careful learning?

A. copy answers without understanding B. rush without listening C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about Spelling and word families?

A. root B. book C. title D. main idea

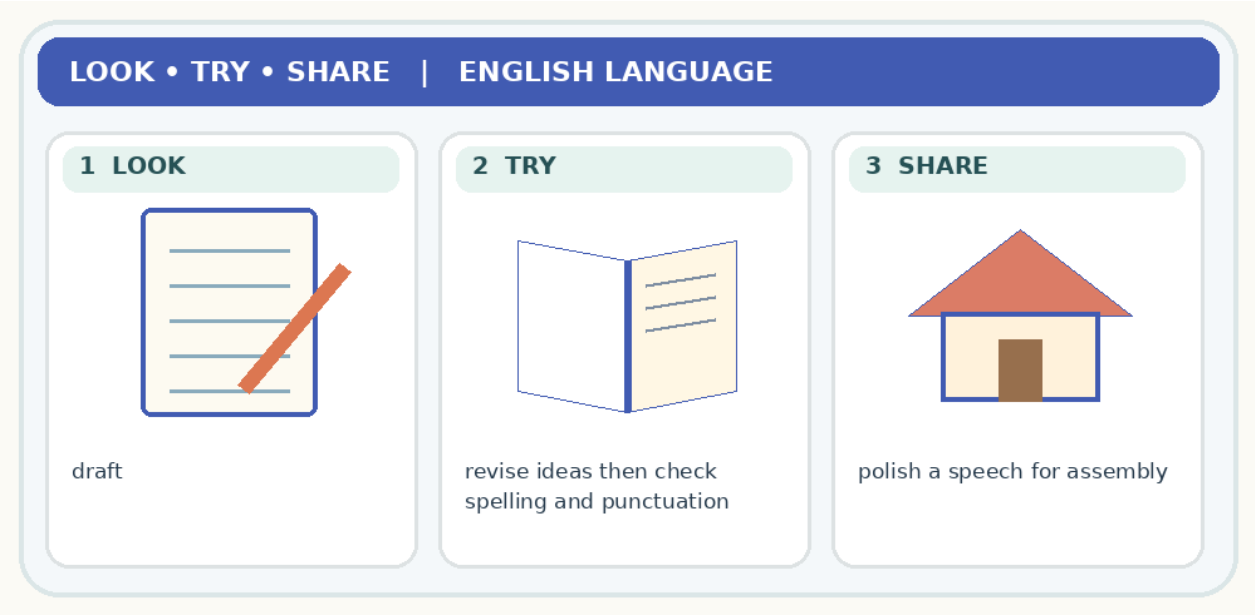

10. After practising Spelling and word families, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 15. Revising and editing

Writing Conventions | Term 3

EXPLORE

Good writers reread to improve clarity and accuracy.

Look for: draft, revise, edit, proofread

PLAY & APPLY

Activity: revise ideas then check spelling and punctuation

Materials: draft paragraph and checklist

Real life: polish a speech for assembly

Remember: Revision can change ideas; proofreading checks errors.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Revising and editing?

A. opinion B. realistic story C. draft D. comma

2. What is the best activity for practising Revising and editing?

A. leave all materials untouched B. ignore the instructions and rush C. copy without discussing anything D. revise ideas then check spelling and punctuation

3. Which other example helps us explore Revising and editing?

A. play B. revise C. but D. it

4. Which materials should the group prepare to study Revising and editing?

A. broken objects found at random B. nothing suitable for the task C. draft paragraph and checklist D. unsafe tools without an adult

5. Where can you use what you learnt about Revising and editing?

A. damage the classroom display B. ignore the safety guidance C. polish a speech for assembly D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Revising and editing?

A. Punctuation never changes a sentence meaning. B. Good writers reread to improve clarity and accuracy. C. Evidence is not needed when explaining a reading choice. D. The longest sentence is always the best answer.

2. A classmate makes a mistake in Revising and editing. Which reminder helps?

A. Punctuation never changes a sentence meaning. B. Evidence is not needed when explaining a reading choice. C. Revision can change ideas; proofreading checks errors. D. The longest sentence is always the best answer.

3. The class plans to explore Revising and editing. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. revise ideas then check spelling and punctuation

4. Choose a pair of examples that fits Revising and editing.

A. realistic story and next B. draft and proofread C. she and full stop D. opinion and comma

5. Which materials are most helpful for Revising and editing?

A. unrelated broken electronics B. draft paragraph and checklist C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Revising and editing outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. polish a speech for assembly D. refuse to practise the lesson

7. Which key word should appear on a Revising and editing revision card?

A. root B. paraphrase C. edit D. main idea

8. While studying Revising and editing, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Revising and editing?

A. example B. proofread C. definition D. evidence

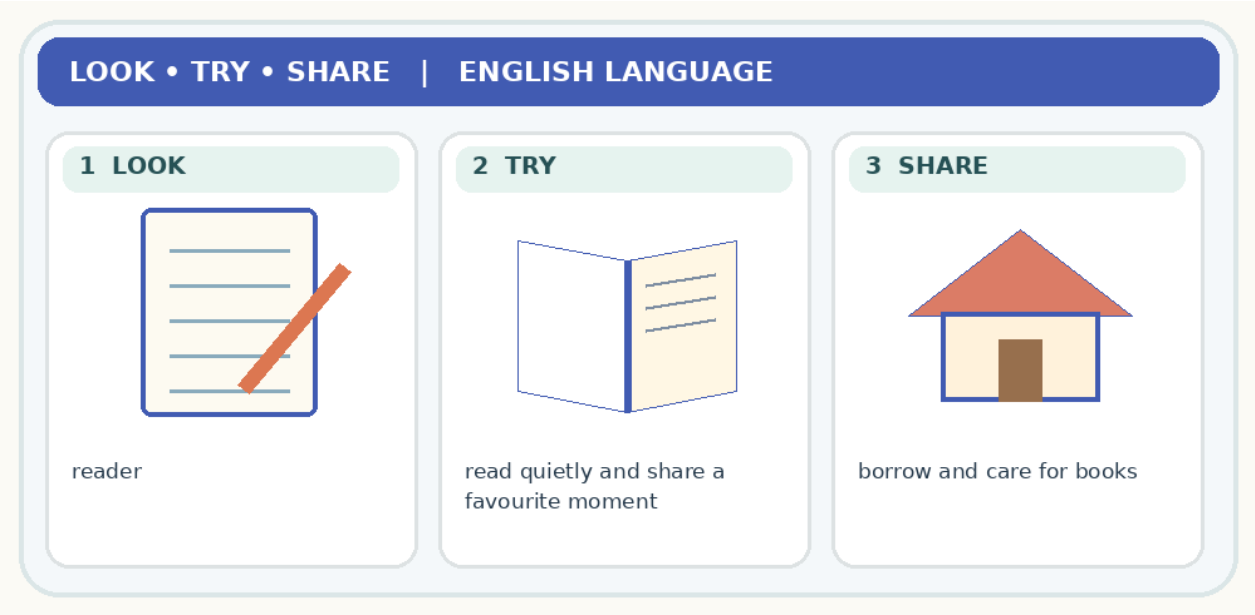

10. After practising Revising and editing, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 16. Reading for pleasure

Extensive Reading | Term 3

EXPLORE

Regular voluntary reading builds fluency and curiosity.

Look for: reader, chapter, book, library

PLAY & APPLY

Activity: read quietly and share a favourite moment

Materials: age-appropriate storybook

Real life: borrow and care for books

Remember: Not all reading must be for a test.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Reading for pleasure?

A. draft B. revise C. but D. reader

2. What is the best activity for practising Reading for pleasure?

A. ignore the instructions and rush B. read quietly and share a favourite moment C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Reading for pleasure?

A. it B. chapter C. example D. character

4. Which materials should the group prepare to study Reading for pleasure?

A. unsafe tools without an adult B. broken objects found at random C. nothing suitable for the task D. age-appropriate storybook

5. Where can you use what you learnt about Reading for pleasure?

A. ignore the safety guidance B. avoid talking about the idea C. borrow and care for books D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Reading for pleasure?

A. Punctuation never changes a sentence meaning. B. The longest sentence is always the best answer. C. Evidence is not needed when explaining a reading choice. D. Regular voluntary reading builds fluency and curiosity.

2. A classmate makes a mistake in Reading for pleasure. Which reminder helps?

A. Not all reading must be for a test. B. Punctuation never changes a sentence meaning. C. The longest sentence is always the best answer. D. Evidence is not needed when explaining a reading choice.

3. The class plans to explore Reading for pleasure. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. read quietly and share a favourite moment

4. Choose a pair of examples that fits Reading for pleasure.

A. reader and library B. revise and but C. draft and question mark D. address and key detail

5. Which materials are most helpful for Reading for pleasure?

A. sharp tools without supervision B. random objects that cannot help the task C. unrelated broken electronics D. age-appropriate storybook

6. How could a learner apply Reading for pleasure outside school?

A. leave a mess after the lesson B. borrow and care for books C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Reading for pleasure revision card?

A. they run B. question C. book D. suffix

8. While studying Reading for pleasure, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Reading for pleasure?

A. library B. he reads C. root D. prefix

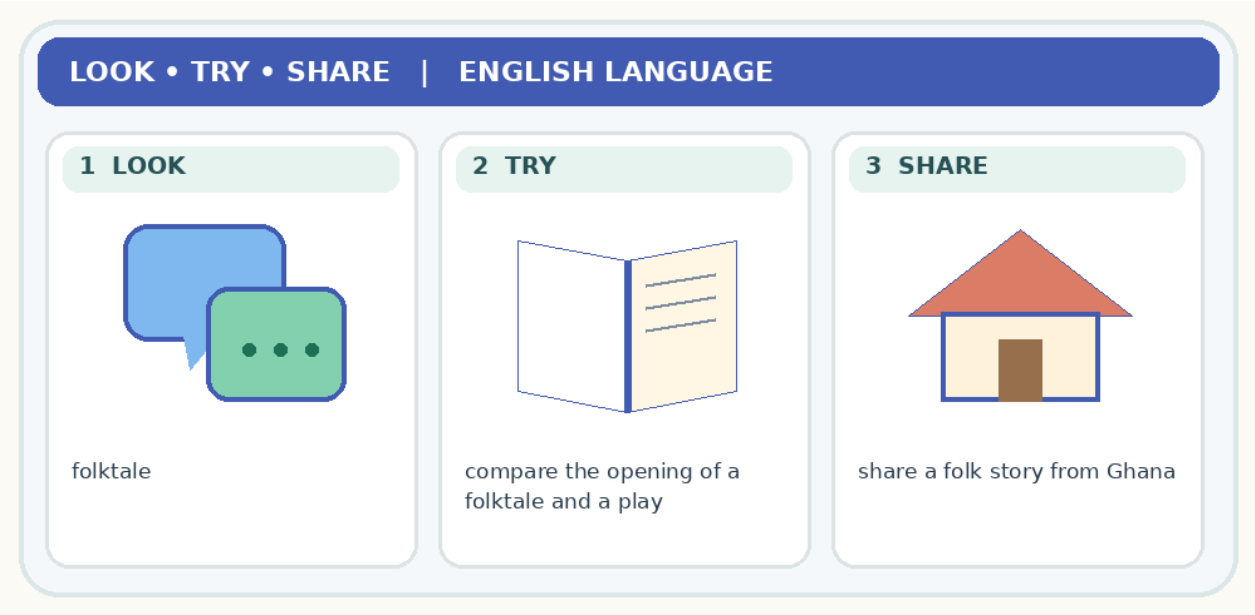

10. After practising Reading for pleasure, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. tear up other learners work D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 17. Comparing story types

Extensive Reading | Term 3

EXPLORE

Stories have purposes, settings and characters that readers can compare.

Look for: folktale, realistic story, poem, play

PLAY & APPLY

Activity: compare the opening of a folktale and a play

Materials: short example texts

Real life: share a folk story from Ghana

Remember: Different genres can present ideas differently.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Comparing story types?

A. folktale B. conclusion C. opinion D. main idea

2. What is the best activity for practising Comparing story types?

A. ignore the instructions and rush B. compare the opening of a folktale and a play C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Comparing story types?

A. greeting B. topic C. syllable D. realistic story

4. Which materials should the group prepare to study Comparing story types?

A. unsafe tools without an adult B. nothing suitable for the task C. short example texts D. broken objects found at random

5. Where can you use what you learnt about Comparing story types?

A. ignore the safety guidance B. avoid talking about the idea C. share a folk story from Ghana D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Comparing story types?

A. The longest sentence is always the best answer. B. Stories have purposes, settings and characters that readers can compare. C. Punctuation never changes a sentence meaning. D. Evidence is not needed when explaining a reading choice.

2. A classmate makes a mistake in Comparing story types. Which reminder helps?

A. Evidence is not needed when explaining a reading choice. B. Punctuation never changes a sentence meaning. C. The longest sentence is always the best answer. D. Different genres can present ideas differently.

3. The class plans to explore Comparing story types. Which action fits?

A. compare the opening of a folktale and a play B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Comparing story types.

A. folktale and play B. and and clue C. conclusion and evidence D. opinion and main idea

5. Which materials are most helpful for Comparing story types?

A. sharp tools without supervision B. short example texts C. unrelated broken electronics D. random objects that cannot help the task

6. How could a learner apply Comparing story types outside school?

A. leave a mess after the lesson B. ignore school or home safety rules C. share a folk story from Ghana D. refuse to practise the lesson

7. Which key word should appear on a Comparing story types revision card?

A. chapter B. beginning C. it D. poem

8. While studying Comparing story types, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about Comparing story types?

A. detail B. play C. we read D. address

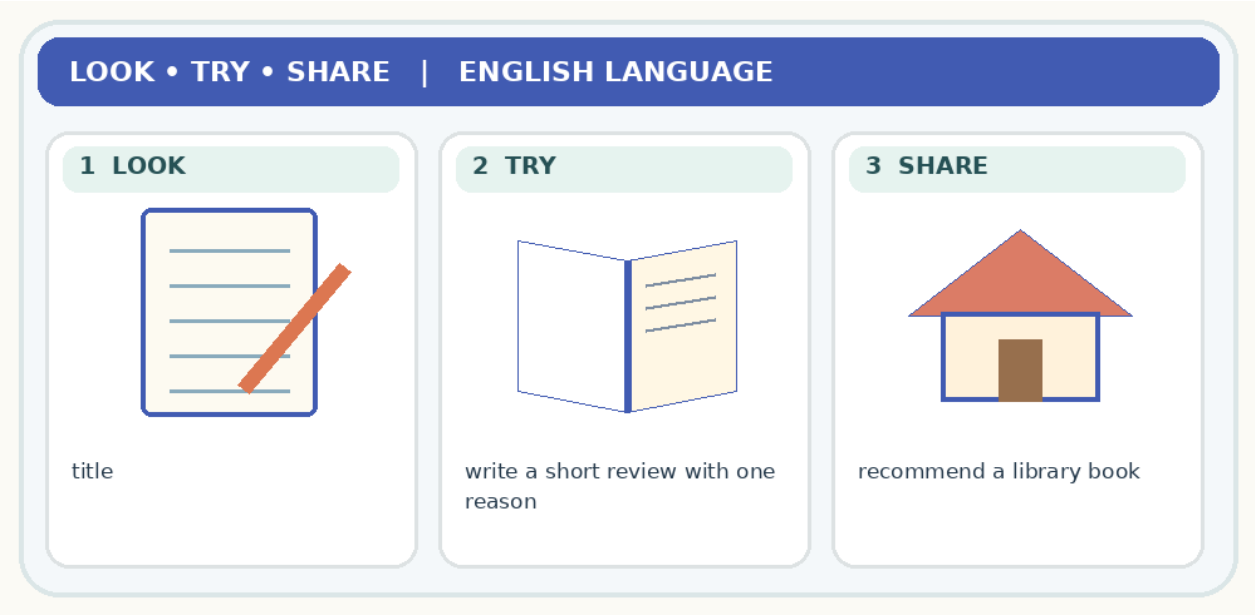

10. After practising Comparing story types, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 18. Book review and response

Extensive Reading | Term 3

EXPLORE

A book review gives a supported opinion about a text.

Look for: title, character, evidence, opinion

PLAY & APPLY

Activity: write a short review with one reason

Materials: chosen storybook and review sheet

Real life: recommend a library book

Remember: I liked it is stronger with evidence and explanation.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Book review and response?

A. voice B. and C. end D. title

2. What is the best activity for practising Book review and response?

A. write a short review with one reason B. copy without discussing anything C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Book review and response?

A. play B. character C. root D. middle

4. Which materials should the group prepare to study Book review and response?

A. broken objects found at random B. unsafe tools without an adult C. nothing suitable for the task D. chosen storybook and review sheet

5. Where can you use what you learnt about Book review and response?

A. damage the classroom display B. ignore the safety guidance C. recommend a library book D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Book review and response?

A. Evidence is not needed when explaining a reading choice. B. A book review gives a supported opinion about a text. C. The longest sentence is always the best answer. D. Punctuation never changes a sentence meaning.

2. A classmate makes a mistake in Book review and response. Which reminder helps?

A. I liked it is stronger with evidence and explanation. B. The longest sentence is always the best answer. C. Punctuation never changes a sentence meaning. D. Evidence is not needed when explaining a reading choice.

3. The class plans to explore Book review and response. Which action fits?

A. mix unrelated ideas without planning B. skip the task and claim it is complete C. write a short review with one reason D. guess without looking at evidence

4. Choose a pair of examples that fits Book review and response.

A. title and opinion B. and and voice C. title and end D. proofread and next

5. Which materials are most helpful for Book review and response?

A. chosen storybook and review sheet B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply Book review and response outside school?

A. refuse to practise the lesson B. recommend a library book C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Book review and response revision card?

A. evidence B. reader C. we read D. revise

8. While studying Book review and response, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Book review and response?

A. address B. body C. example D. opinion

10. After practising Book review and response, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

TEACHER ANSWER KEY

Lesson 1 — Listening for main points: 1:A 2:D 3:A 4:B 5:B 6:B 7:C 8:D 9:C 10:D 11:B 12:D 13:A 14:B 15:D
