Religious and Moral Education | Basic 6

Illustrated lesson book • English-narrated offline video in course folder • Independent educational resource

Lesson 1: Describe the nature of God through His attributes

Ghanaian religious traditions teach values about creation, human life, care, responsibility and gratitude. Learners can describe beliefs respectfully without judging one another. Older learners should give a reason and one example from their community.

Try: Draw a living thing and write one action people can take to care for it.

Reflect: What could you do to protect a living thing near your school?

Play (5 questions)

1. Describe the nature of God through His attributes — What is the main skill in this lesson?
2. Describe the nature of God through His attributes — Which resource helps us explore this topic?
3. Describe the nature of God through His attributes — What should we do first?
4. Describe the nature of God through His attributes — Which action completes the classroom activity?
5. Describe the nature of God through His attributes — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Describe the nature of God through His attributes — What evidence shows practical learning?
2. Describe the nature of God through His attributes — What should follow the first observation step?
3. Describe the nature of God through His attributes — What is the final learning step?
4. Describe the nature of God through His attributes — Which behaviour demonstrates kindness during group work?
5. Describe the nature of God through His attributes — Which statement fits a fair assessment?
6. Describe the nature of God through His attributes — How should learners treat a story from a tradition they do not practise?
7. Describe the nature of God through His attributes — Why should learners share their observations?
8. Describe the nature of God through His attributes — Which activity helps apply this topic in daily life?
9. Describe the nature of God through His attributes — How can a learner improve an incomplete response?
10. Describe the nature of God through His attributes — Which principle is most useful when people disagree?

Lesson 2: Explain how humankind and the environment interrelate

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Explain how humankind and the environment interrelate — What is the main skill in this lesson?
2. Explain how humankind and the environment interrelate — Which resource helps us explore this topic?
3. Explain how humankind and the environment interrelate — What should we do first?
4. Explain how humankind and the environment interrelate — Which action completes the classroom activity?
5. Explain how humankind and the environment interrelate — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Explain how humankind and the environment interrelate — What evidence shows practical learning?
2. Explain how humankind and the environment interrelate — What should follow the first observation step?
3. Explain how humankind and the environment interrelate — What is the final learning step?
4. Explain how humankind and the environment interrelate — Which behaviour demonstrates kindness during group work?
5. Explain how humankind and the environment interrelate — Which statement fits a fair assessment?
6. Explain how humankind and the environment interrelate — How should learners treat a story from a tradition they do not practise?
7. Explain how humankind and the environment interrelate — Why should learners share their observations?
8. Explain how humankind and the environment interrelate — Which activity helps apply this topic in daily life?
9. Explain how humankind and the environment interrelate — How can a learner improve an incomplete response?
10. Explain how humankind and the environment interrelate — Which principle is most useful when people disagree?

Lesson 3: Explain religious and moral lessons from preserving the environment

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Explain religious and moral lessons from preserving the environment — What is the main skill in this lesson?
2. Explain religious and moral lessons from preserving the environment — Which resource helps us explore this topic?
3. Explain religious and moral lessons from preserving the environment — What should we do first?
4. Explain religious and moral lessons from preserving the environment — Which action completes the classroom activity?
5. Explain religious and moral lessons from preserving the environment — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Explain religious and moral lessons from preserving the environment — What evidence shows practical learning?
2. Explain religious and moral lessons from preserving the environment — What should follow the first observation step?
3. Explain religious and moral lessons from preserving the environment — What is the final learning step?
4. Explain religious and moral lessons from preserving the environment — Which behaviour demonstrates kindness during group work?
5. Explain religious and moral lessons from preserving the environment — Which statement fits a fair assessment?
6. Explain religious and moral lessons from preserving the environment — How should learners treat a story from a tradition they do not practise?
7. Explain religious and moral lessons from preserving the environment — Why should learners share their observations?
8. Explain religious and moral lessons from preserving the environment — Which activity helps apply this topic in daily life?
9. Explain religious and moral lessons from preserving the environment — How can a learner improve an incomplete response?
10. Explain religious and moral lessons from preserving the environment — Which principle is most useful when people disagree?

Lesson 4: Discuss the importance of prayer in our lives

People in Ghana worship through different practices. Christians, Muslims and followers of African Traditional Religion may pray, sing, recite or gather in different ways. All people deserve respect. Older learners should give a reason and one example from their community.

Try: Compare two respectful ways people worship; use pictures rather than imitating a ritual without permission.

Reflect: How can we show respect when a friend worships differently?

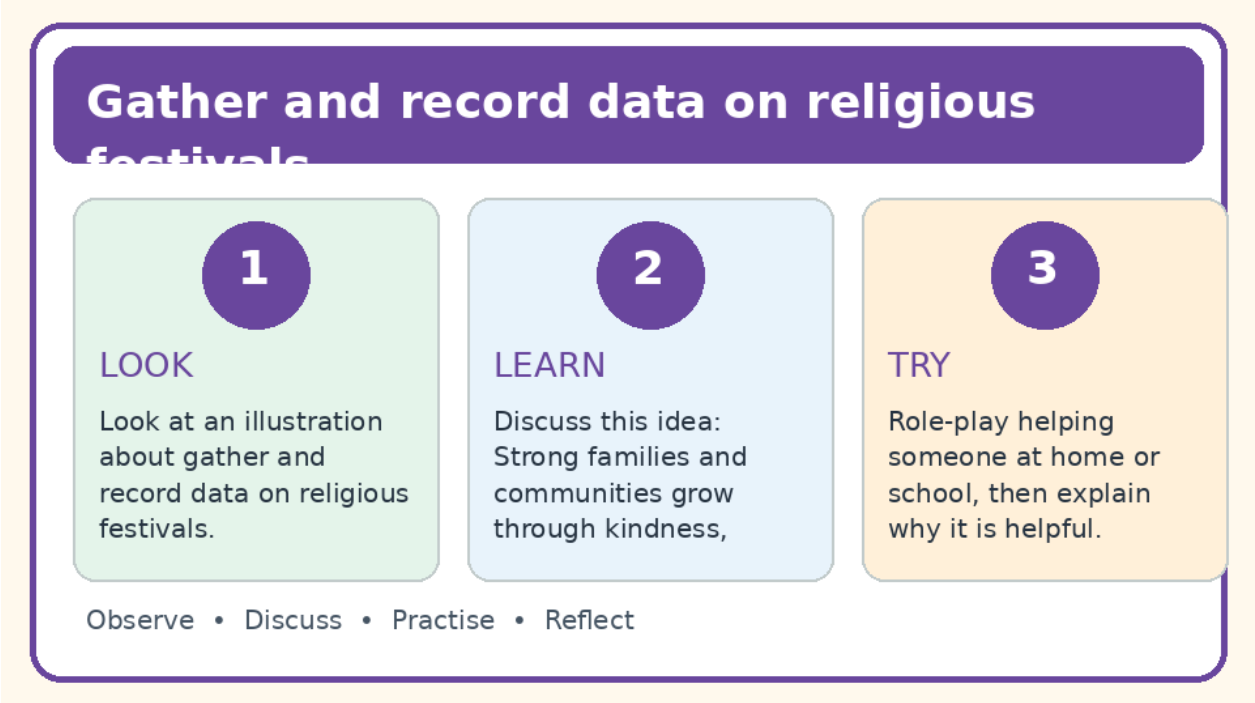

Play (5 questions)

1. Discuss the importance of prayer in our lives — What is the main skill in this lesson?
2. Discuss the importance of prayer in our lives — Which resource helps us explore this topic?
3. Discuss the importance of prayer in our lives — What should we do first?
4. Discuss the importance of prayer in our lives — Which action completes the classroom activity?
5. Discuss the importance of prayer in our lives — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Discuss the importance of prayer in our lives — What evidence shows practical learning?
2. Discuss the importance of prayer in our lives — What should follow the first observation step?
3. Discuss the importance of prayer in our lives — What is the final learning step?
4. Discuss the importance of prayer in our lives — Which behaviour demonstrates kindness during group work?
5. Discuss the importance of prayer in our lives — Which statement fits a fair assessment?
6. Discuss the importance of prayer in our lives — How should learners treat a story from a tradition they do not practise?
7. Discuss the importance of prayer in our lives — Why should learners share their observations?
8. Discuss the importance of prayer in our lives — Which activity helps apply this topic in daily life?
9. Discuss the importance of prayer in our lives — How can a learner improve an incomplete response?
10. Discuss the importance of prayer in our lives — Which principle is most useful when people disagree?

Lesson 5: Gather and record data on religious festivals

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Gather and record data on religious festivals — What is the main skill in this lesson?
2. Gather and record data on religious festivals — Which resource helps us explore this topic?
3. Gather and record data on religious festivals — What should we do first?
4. Gather and record data on religious festivals — Which action completes the classroom activity?
5. Gather and record data on religious festivals — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Gather and record data on religious festivals — What evidence shows practical learning?
2. Gather and record data on religious festivals — What should follow the first observation step?
3. Gather and record data on religious festivals — What is the final learning step?
4. Gather and record data on religious festivals — Which behaviour demonstrates kindness during group work?
5. Gather and record data on religious festivals — Which statement fits a fair assessment?
6. Gather and record data on religious festivals — How should learners treat a story from a tradition they do not practise?
7. Gather and record data on religious festivals — Why should learners share their observations?
8. Gather and record data on religious festivals — Which activity helps apply this topic in daily life?
9. Gather and record data on religious festivals — How can a learner improve an incomplete response?
10. Gather and record data on religious festivals — Which principle is most useful when people disagree?

Lesson 6: Explain the need for celebrating various festivals

Festivals such as Christmas, Eid and local traditional festivals are occasions for worship, community activities and sharing. Respect different ways of celebrating. Older learners should give a reason and one example from their community.

Try: Make a respectful picture sequence showing preparation, celebration, and sharing during a festival.

Reflect: How could a festival help neighbours show generosity and unity?

Play (5 questions)

1. Explain the need for celebrating various festivals — What is the main skill in this lesson?
2. Explain the need for celebrating various festivals — Which resource helps us explore this topic?
3. Explain the need for celebrating various festivals — What should we do first?
4. Explain the need for celebrating various festivals — Which action completes the classroom activity?
5. Explain the need for celebrating various festivals — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Explain the need for celebrating various festivals — What evidence shows practical learning?
2. Explain the need for celebrating various festivals — What should follow the first observation step?
3. Explain the need for celebrating various festivals — What is the final learning step?
4. Explain the need for celebrating various festivals — Which behaviour demonstrates kindness during group work?
5. Explain the need for celebrating various festivals — Which statement fits a fair assessment?
6. Explain the need for celebrating various festivals — How should learners treat a story from a tradition they do not practise?
7. Explain the need for celebrating various festivals — Why should learners share their observations?
8. Explain the need for celebrating various festivals — Which activity helps apply this topic in daily life?
9. Explain the need for celebrating various festivals — How can a learner improve an incomplete response?
10. Explain the need for celebrating various festivals — Which principle is most useful when people disagree?

Lesson 7: Discuss moral lessons from the festivals

Festivals such as Christmas, Eid and local traditional festivals are occasions for worship, community activities and sharing. Respect different ways of celebrating. Older learners should give a reason and one example from their community.

Try: Make a respectful picture sequence showing preparation, celebration, and sharing during a festival.

Reflect: How could a festival help neighbours show generosity and unity?

Play (5 questions)

1. Discuss moral lessons from the festivals — What is the main skill in this lesson?
2. Discuss moral lessons from the festivals — Which resource helps us explore this topic?
3. Discuss moral lessons from the festivals — What should we do first?
4. Discuss moral lessons from the festivals — Which action completes the classroom activity?
5. Discuss moral lessons from the festivals — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Discuss moral lessons from the festivals — What evidence shows practical learning?
2. Discuss moral lessons from the festivals — What should follow the first observation step?
3. Discuss moral lessons from the festivals — What is the final learning step?
4. Discuss moral lessons from the festivals — Which behaviour demonstrates kindness during group work?
5. Discuss moral lessons from the festivals — Which statement fits a fair assessment?
6. Discuss moral lessons from the festivals — How should learners treat a story from a tradition they do not practise?
7. Discuss moral lessons from the festivals — Why should learners share their observations?
8. Discuss moral lessons from the festivals — Which activity helps apply this topic in daily life?
9. Discuss moral lessons from the festivals — How can a learner improve an incomplete response?
10. Discuss moral lessons from the festivals — Which principle is most useful when people disagree?

Lesson 8: Narrate stories of the latter lives of leaders of the major religions

Religious communities tell stories about respected leaders and the lessons learned from their lives. We can compare values such as kindness, courage, truthfulness and service. Older learners should give a reason and one example from their community.

Try: Retell a short, age-appropriate story and point out one positive value.

Reflect: Which value from a leader’s story could help you at school?

Play (5 questions)

1. Narrate stories of the latter lives of leaders of the major religions — What is the main skill in this lesson?
2. Narrate stories of the latter lives of leaders of the major religions — Which resource helps us explore this topic?
3. Narrate stories of the latter lives of leaders of the major religions — What should we do first?
4. Narrate stories of the latter lives of leaders of the major religions — Which action completes the classroom activity?
5. Narrate stories of the latter lives of leaders of the major religions — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Narrate stories of the latter lives of leaders of the major religions — What evidence shows practical learning?
2. Narrate stories of the latter lives of leaders of the major religions — What should follow the first observation step?
3. Narrate stories of the latter lives of leaders of the major religions — What is the final learning step?
4. Narrate stories of the latter lives of leaders of the major religions — Which behaviour demonstrates kindness during group work?
5. Narrate stories of the latter lives of leaders of the major religions — Which statement fits a fair assessment?
6. Narrate stories of the latter lives of leaders of the major religions — How should learners treat a story from a tradition they do not practise?
7. Narrate stories of the latter lives of leaders of the major religions — Why should learners share their observations?
8. Narrate stories of the latter lives of leaders of the major religions — Which activity helps apply this topic in daily life?
9. Narrate stories of the latter lives of leaders of the major religions — How can a learner improve an incomplete response?
10. Narrate stories of the latter lives of leaders of the major religions — Which principle is most useful when people disagree?

Lesson 9: Demonstrate ways to commit oneself to the community

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Demonstrate ways to commit oneself to the community — What is the main skill in this lesson?
2. Demonstrate ways to commit oneself to the community — Which resource helps us explore this topic?
3. Demonstrate ways to commit oneself to the community — What should we do first?
4. Demonstrate ways to commit oneself to the community — Which action completes the classroom activity?
5. Demonstrate ways to commit oneself to the community — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Demonstrate ways to commit oneself to the community — What evidence shows practical learning?
2. Demonstrate ways to commit oneself to the community — What should follow the first observation step?
3. Demonstrate ways to commit oneself to the community — What is the final learning step?
4. Demonstrate ways to commit oneself to the community — Which behaviour demonstrates kindness during group work?
5. Demonstrate ways to commit oneself to the community — Which statement fits a fair assessment?
6. Demonstrate ways to commit oneself to the community — How should learners treat a story from a tradition they do not practise?
7. Demonstrate ways to commit oneself to the community — Why should learners share their observations?
8. Demonstrate ways to commit oneself to the community — Which activity helps apply this topic in daily life?
9. Demonstrate ways to commit oneself to the community — How can a learner improve an incomplete response?
10. Demonstrate ways to commit oneself to the community — Which principle is most useful when people disagree?

Lesson 10: Explain the need to be committed members of the community

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

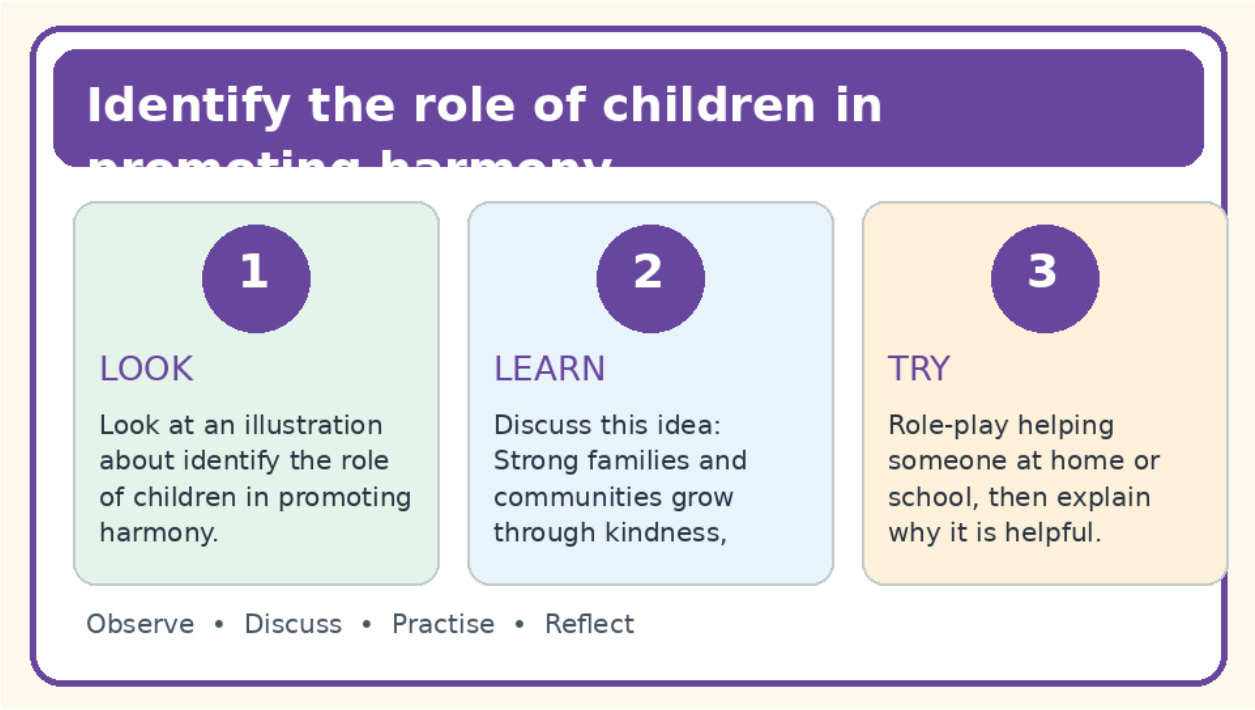

Play (5 questions)

1. Explain the need to be committed members of the community — What is the main skill in this lesson?
2. Explain the need to be committed members of the community — Which resource helps us explore this topic?
3. Explain the need to be committed members of the community — What should we do first?
4. Explain the need to be committed members of the community — Which action completes the classroom activity?
5. Explain the need to be committed members of the community — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Explain the need to be committed members of the community — What evidence shows practical learning?
2. Explain the need to be committed members of the community — What should follow the first observation step?
3. Explain the need to be committed members of the community — What is the final learning step?
4. Explain the need to be committed members of the community — Which behaviour demonstrates kindness during group work?
5. Explain the need to be committed members of the community — Which statement fits a fair assessment?
6. Explain the need to be committed members of the community — How should learners treat a story from a tradition they do not practise?
7. Explain the need to be committed members of the community — Why should learners share their observations?
8. Explain the need to be committed members of the community — Which activity helps apply this topic in daily life?
9. Explain the need to be committed members of the community — How can a learner improve an incomplete response?
10. Explain the need to be committed members of the community — Which principle is most useful when people disagree?

Lesson 11: Identify the role of children in promoting harmony

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

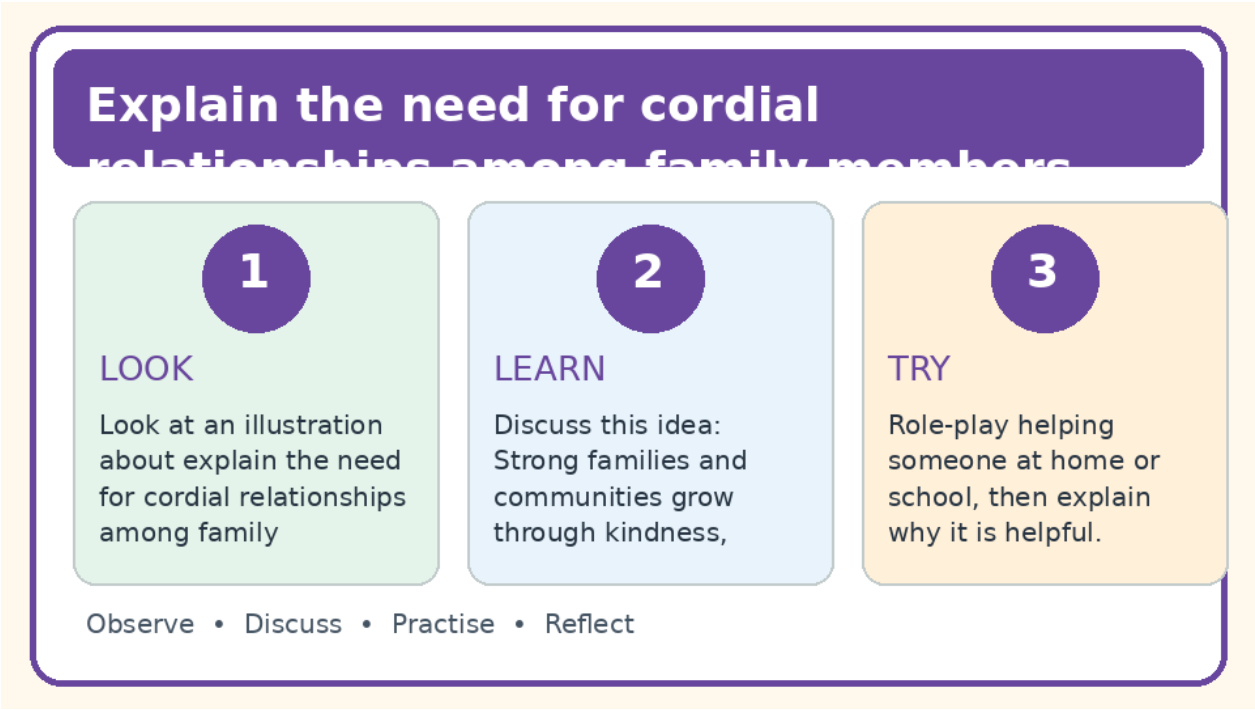

Play (5 questions)

1. Identify the role of children in promoting harmony — What is the main skill in this lesson?
2. Identify the role of children in promoting harmony — Which resource helps us explore this topic?
3. Identify the role of children in promoting harmony — What should we do first?
4. Identify the role of children in promoting harmony — Which action completes the classroom activity?
5. Identify the role of children in promoting harmony — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Identify the role of children in promoting harmony — What evidence shows practical learning?
2. Identify the role of children in promoting harmony — What should follow the first observation step?
3. Identify the role of children in promoting harmony — What is the final learning step?
4. Identify the role of children in promoting harmony — Which behaviour demonstrates kindness during group work?
5. Identify the role of children in promoting harmony — Which statement fits a fair assessment?
6. Identify the role of children in promoting harmony — How should learners treat a story from a tradition they do not practise?
7. Identify the role of children in promoting harmony — Why should learners share their observations?
8. Identify the role of children in promoting harmony — Which activity helps apply this topic in daily life?
9. Identify the role of children in promoting harmony — How can a learner improve an incomplete response?
10. Identify the role of children in promoting harmony — Which principle is most useful when people disagree?

Lesson 12: Explain the need for cordial relationships among family members

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Explain the need for cordial relationships among family members — What is the main skill in this lesson?
2. Explain the need for cordial relationships among family members — Which resource helps us explore this topic?
3. Explain the need for cordial relationships among family members — What should we do first?
4. Explain the need for cordial relationships among family members — Which action completes the classroom activity?
5. Explain the need for cordial relationships among family members — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Explain the need for cordial relationships among family members — What evidence shows practical learning?
2. Explain the need for cordial relationships among family members — What should follow the first observation step?
3. Explain the need for cordial relationships among family members — What is the final learning step?
4. Explain the need for cordial relationships among family members — Which behaviour demonstrates kindness during group work?
5. Explain the need for cordial relationships among family members — Which statement fits a fair assessment?
6. Explain the need for cordial relationships among family members — How should learners treat a story from a tradition they do not practise?
7. Explain the need for cordial relationships among family members — Why should learners share their observations?
8. Explain the need for cordial relationships among family members — Which activity helps apply this topic in daily life?
9. Explain the need for cordial relationships among family members — How can a learner improve an incomplete response?
10. Explain the need for cordial relationships among family members — Which principle is most useful when people disagree?

Lesson 13: Identify attitudes and behaviours of a responsible family member

Strong families and communities grow through kindness, cooperation, fairness, responsible decisions and respect for others. People can help one another in many ways. Older learners should give a reason and one example from their community.

Try: Role-play helping someone at home or school, then explain why it is helpful.

Reflect: What does responsible behaviour look like in this situation?

Play (5 questions)

1. Identify attitudes and behaviours of a responsible family member — What is the main skill in this lesson?
2. Identify attitudes and behaviours of a responsible family member — Which resource helps us explore this topic?
3. Identify attitudes and behaviours of a responsible family member — What should we do first?
4. Identify attitudes and behaviours of a responsible family member — Which action completes the classroom activity?
5. Identify attitudes and behaviours of a responsible family member — What is a respectful way to discuss different religious traditions?

Challenge (10 questions)

1. Identify attitudes and behaviours of a responsible family member — What evidence shows practical learning?
2. Identify attitudes and behaviours of a responsible family member — What should follow the first observation step?
3. Identify attitudes and behaviours of a responsible family member — What is the final learning step?
4. Identify attitudes and behaviours of a responsible family member — Which behaviour demonstrates kindness during group work?
5. Identify attitudes and behaviours of a responsible family member — Which statement fits a fair assessment?
6. Identify attitudes and behaviours of a responsible family member — How should learners treat a story from a tradition they do not practise?
7. Identify attitudes and behaviours of a responsible family member — Why should learners share their observations?
8. Identify attitudes and behaviours of a responsible family member — Which activity helps apply this topic in daily life?
9. Identify attitudes and behaviours of a responsible family member — How can a learner improve an incomplete response?
10. Identify attitudes and behaviours of a responsible family member — Which principle is most useful when people disagree?
