Lesson 1. My name and sounds

All About Me | Term 1

EXPLORE

Names are made of spoken sounds and written letters.

Look for: name, letter, sound, card

PLAY & APPLY

Activity: say a name, listen to its first sound, and point to the letter

Materials: name cards and alphabet chart

Real life: recognise classmates by name

Remember: Letter names and letter sounds are related but not identical.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about My name and sounds?

A. teacher B. then C. flower D. name

2. What is the best activity for practising My name and sounds?

A. copy without discussing anything B. say a name, listen to its first sound, and point to the letter C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore My name and sounds?

A. chorus B. letter C. hand D. mother

4. Which materials should the group prepare to study My name and sounds?

A. unsafe tools without an adult B. name cards and alphabet chart C. nothing suitable for the task D. broken objects found at random

5. Where can you use what you learnt about My name and sounds?

A. recognise classmates by name B. damage the classroom display C. avoid talking about the idea D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in My name and sounds?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Words and letters have no connection. D. Names are made of spoken sounds and written letters.

2. A classmate makes a mistake in My name and sounds. Which reminder helps?

A. All stories must be told without listening. B. Letter names and letter sounds are related but not identical. C. The pictures in a book are never useful. D. Words and letters have no connection.

3. The class plans to explore My name and sounds. Which action fits?

A. mix unrelated ideas without planning B. skip the task and claim it is complete C. guess without looking at evidence D. say a name, listen to its first sound, and point to the letter

4. Choose a pair of examples that fits My name and sounds.

A. name and card B. flower and excuse me C. then and teacher D. tree and first

5. Which materials are most helpful for My name and sounds?

A. name cards and alphabet chart B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply My name and sounds outside school?

A. recognise classmates by name B. leave a mess after the lesson C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a My name and sounds revision card?

A. sound B. cover C. hello D. sister

8. While studying My name and sounds, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about My name and sounds?

A. card B. last C. uncle D. clap

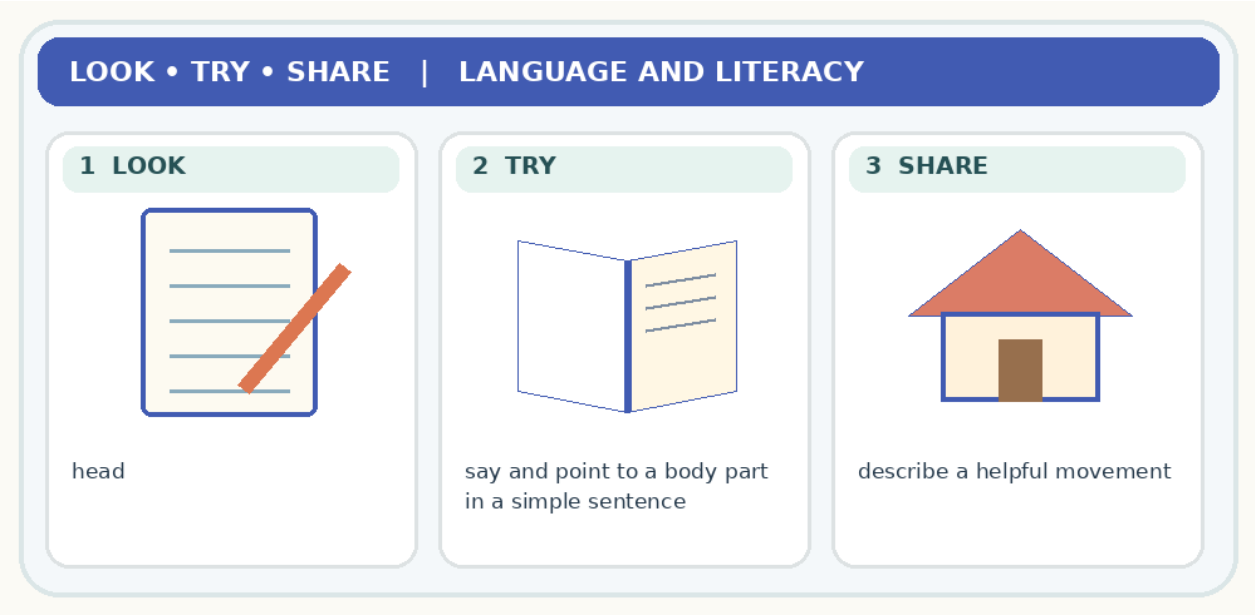

10. After practising My name and sounds, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Describing my body

All About Me | Term 1

EXPLORE

We can use clear words to describe body parts and actions.

Look for: head, hand, leg, eye

PLAY & APPLY

Activity: say and point to a body part in a simple sentence

Materials: body-part poster and word cards

Real life: describe a helpful movement

Remember: Body parts have different uses.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Describing my body?

A. uncle B. flower C. head D. page

2. What is the best activity for practising Describing my body?

A. say and point to a body part in a simple sentence B. copy without discussing anything C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore Describing my body?

A. rhyme B. hand C. tree D. cover

4. Which materials should the group prepare to study Describing my body?

A. unsafe tools without an adult B. nothing suitable for the task C. body-part poster and word cards D. broken objects found at random

5. Where can you use what you learnt about Describing my body?

A. describe a helpful movement B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Describing my body?

A. The pictures in a book are never useful. B. Words and letters have no connection. C. All stories must be told without listening. D. We can use clear words to describe body parts and actions.

2. A classmate makes a mistake in Describing my body. Which reminder helps?

A. Words and letters have no connection. B. Body parts have different uses. C. All stories must be told without listening. D. The pictures in a book are never useful.

3. The class plans to explore Describing my body. Which action fits?

A. say and point to a body part in a simple sentence B. mix unrelated ideas without planning C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits Describing my body.

A. sorry and picture B. head and eye C. uncle and chorus D. page and flower

5. Which materials are most helpful for Describing my body?

A. random objects that cannot help the task B. sharp tools without supervision C. unrelated broken electronics D. body-part poster and word cards

6. How could a learner apply Describing my body outside school?

A. describe a helpful movement B. refuse to practise the lesson C. leave a mess after the lesson D. ignore school or home safety rules

7. Which key word should appear on a Describing my body revision card?

A. leg B. farmer C. thank you D. title

8. While studying Describing my body, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Describing my body?

A. grandmother B. welcome C. eye D. first

10. After practising Describing my body, what is a useful next step?

A. claim that feedback is never helpful B. tear up other learners work C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. Family story words

My Family | Term 1

EXPLORE

Story words help us talk about our family and relationships.

Look for: mother, uncle, sister, grandmother

PLAY & APPLY

Activity: tell two sentences about a family member

Materials: family drawing and picture cards

Real life: listen respectfully to family stories

Remember: Families can have different members.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Family story words?

A. page B. mother C. sun D. cover

2. What is the best activity for practising Family story words?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. tell two sentences about a family member

3. Which other example helps us explore Family story words?

A. story B. rain C. good morning D. uncle

4. Which materials should the group prepare to study Family story words?

A. family drawing and picture cards B. unsafe tools without an adult C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Family story words?

A. listen respectfully to family stories B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Family story words?

A. Words and letters have no connection. B. Story words help us talk about our family and relationships. C. The pictures in a book are never useful. D. All stories must be told without listening.

2. A classmate makes a mistake in Family story words. Which reminder helps?

A. All stories must be told without listening. B. The pictures in a book are never useful. C. Words and letters have no connection. D. Families can have different members.

3. The class plans to explore Family story words. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. tell two sentences about a family member D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Family story words.

A. mother and grandmother B. cover and tree C. sun and page D. card and leg

5. Which materials are most helpful for Family story words?

A. sharp tools without supervision B. family drawing and picture cards C. unrelated broken electronics D. random objects that cannot help the task

6. How could a learner apply Family story words outside school?

A. refuse to practise the lesson B. listen respectfully to family stories C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Family story words revision card?

A. sister B. goodbye C. hand D. excuse me

8. While studying Family story words, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Family story words?

A. sorry B. grandmother C. teacher D. name

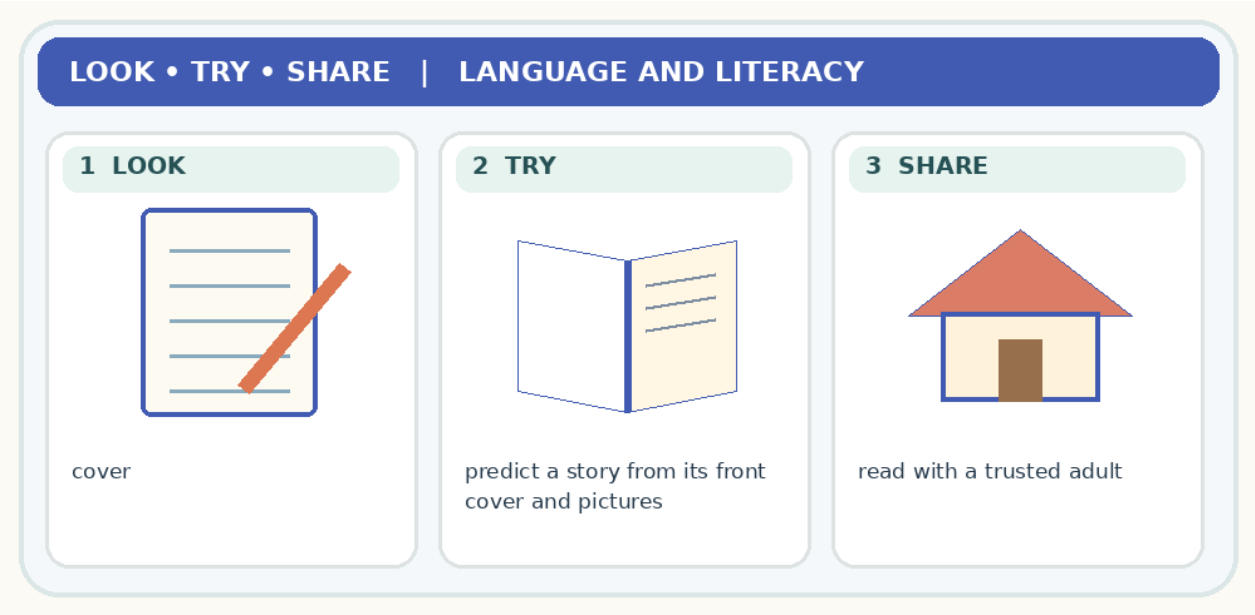

10. After practising Family story words, what is a useful next step?

A. claim that feedback is never helpful B. tear up other learners work C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. Reading family picture books

My Family | Term 1

EXPLORE

Pictures, covers and pages help us make meaning from books.

Look for: cover, page, picture, title

PLAY & APPLY

Activity: predict a story from its front cover and pictures

Materials: illustrated big book

Real life: read with a trusted adult

Remember: A book cover is not the whole story.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Reading family picture books?

A. cover B. please C. tree D. then

2. What is the best activity for practising Reading family picture books?

A. copy without discussing anything B. predict a story from its front cover and pictures C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore Reading family picture books?

A. uncle B. eye C. page D. mother

4. Which materials should the group prepare to study Reading family picture books?

A. nothing suitable for the task B. unsafe tools without an adult C. broken objects found at random D. illustrated big book

5. Where can you use what you learnt about Reading family picture books?

A. read with a trusted adult B. avoid talking about the idea C. damage the classroom display D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Reading family picture books?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Pictures, covers and pages help us make meaning from books. D. Words and letters have no connection.

2. A classmate makes a mistake in Reading family picture books. Which reminder helps?

A. Words and letters have no connection. B. A book cover is not the whole story. C. All stories must be told without listening. D. The pictures in a book are never useful.

3. The class plans to explore Reading family picture books. Which action fits?

A. mix unrelated ideas without planning B. guess without looking at evidence C. skip the task and claim it is complete D. predict a story from its front cover and pictures

4. Choose a pair of examples that fits Reading family picture books.

A. please and tree B. cover and title C. grandmother and chorus D. then and hello

5. Which materials are most helpful for Reading family picture books?

A. unrelated broken electronics B. illustrated big book C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Reading family picture books outside school?

A. refuse to practise the lesson B. read with a trusted adult C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Reading family picture books revision card?

A. driver B. picture C. next D. first

8. While studying Reading family picture books, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Reading family picture books?

A. head B. title C. good morning D. rain

10. After practising Reading family picture books, what is a useful next step?

A. tear up other learners work B. leave the group without sharing C. share one observation and listen to feedback D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Words of kindness

Values and Beliefs | Term 2

EXPLORE

Respectful words help people feel valued.

Look for: please, thank you, sorry, excuse me

PLAY & APPLY

Activity: role-play asking to borrow a crayon politely

Materials: polite phrase cards

Real life: greet older people respectfully

Remember: Kind words should match kind actions.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Words of kindness?

A. welcome B. please C. tree D. letter

2. What is the best activity for practising Words of kindness?

A. leave all materials untouched B. role-play asking to borrow a crayon politely C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Words of kindness?

A. mother B. name C. hand D. thank you

4. Which materials should the group prepare to study Words of kindness?

A. nothing suitable for the task B. broken objects found at random C. polite phrase cards D. unsafe tools without an adult

5. Where can you use what you learnt about Words of kindness?

A. greet older people respectfully B. damage the classroom display C. avoid talking about the idea D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Words of kindness?

A. All stories must be told without listening. B. The pictures in a book are never useful. C. Words and letters have no connection. D. Respectful words help people feel valued.

2. A classmate makes a mistake in Words of kindness. Which reminder helps?

A. Kind words should match kind actions. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Words and letters have no connection.

3. The class plans to explore Words of kindness. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. role-play asking to borrow a crayon politely

4. Choose a pair of examples that fits Words of kindness.

A. welcome and tree B. please and excuse me C. letter and rhyme D. sound and farmer

5. Which materials are most helpful for Words of kindness?

A. random objects that cannot help the task B. polite phrase cards C. unrelated broken electronics D. sharp tools without supervision

6. How could a learner apply Words of kindness outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. greet older people respectfully D. leave a mess after the lesson

7. Which key word should appear on a Words of kindness revision card?

A. page B. eye C. picture D. sorry

8. While studying Words of kindness, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Words of kindness?

A. sun B. then C. head D. excuse me

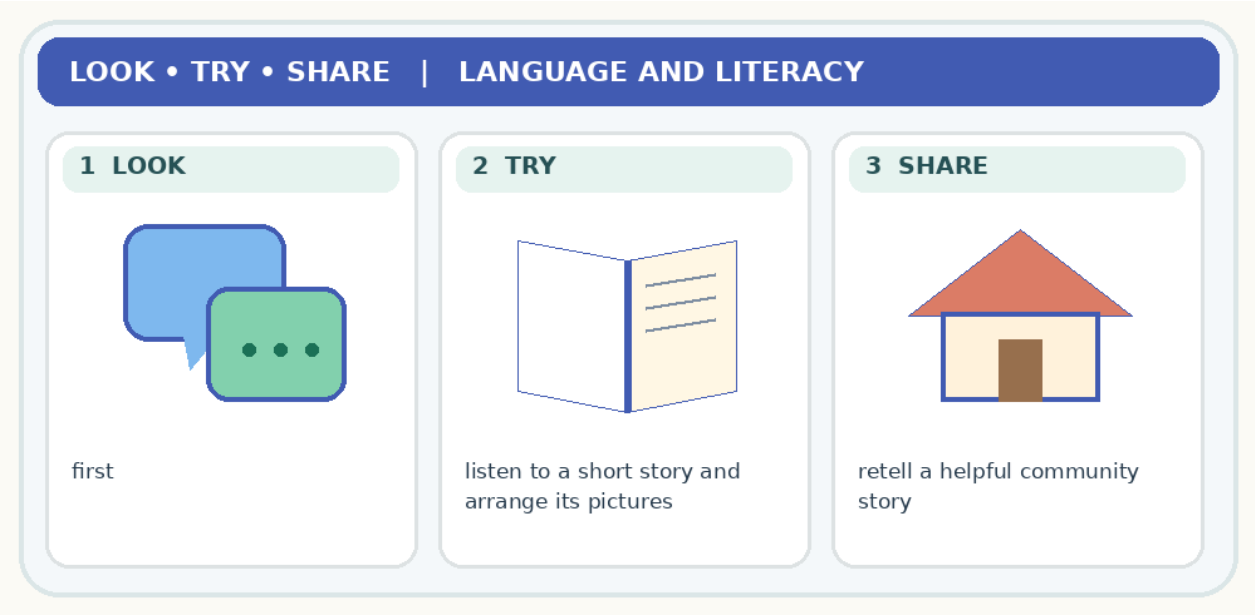

10. After practising Words of kindness, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Listening and retelling

Values and Beliefs | Term 2

EXPLORE

We show understanding when we retell important story events in order.

Look for: first, next, then, last

PLAY & APPLY

Activity: listen to a short story and arrange its pictures

Materials: three story cards

Real life: retell a helpful community story

Remember: Retelling is not changing the story at random.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Listening and retelling?

A. goodbye B. thank you C. first D. grandmother

2. What is the best activity for practising Listening and retelling?

A. listen to a short story and arrange its pictures B. ignore the instructions and rush C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Listening and retelling?

A. tree B. story C. leg D. next

4. Which materials should the group prepare to study Listening and retelling?

A. three story cards B. unsafe tools without an adult C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Listening and retelling?

A. damage the classroom display B. retell a helpful community story C. ignore the safety guidance D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Listening and retelling?

A. We show understanding when we retell important story events in order. B. Words and letters have no connection. C. The pictures in a book are never useful. D. All stories must be told without listening.

2. A classmate makes a mistake in Listening and retelling. Which reminder helps?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Words and letters have no connection. D. Retelling is not changing the story at random.

3. The class plans to explore Listening and retelling. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. listen to a short story and arrange its pictures D. guess without looking at evidence

4. Choose a pair of examples that fits Listening and retelling.

A. sister and please B. first and last C. goodbye and thank you D. grandmother and nurse

5. Which materials are most helpful for Listening and retelling?

A. sharp tools without supervision B. random objects that cannot help the task C. three story cards D. unrelated broken electronics

6. How could a learner apply Listening and retelling outside school?

A. leave a mess after the lesson B. retell a helpful community story C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Listening and retelling revision card?

A. sun B. farmer C. then D. sound

8. While studying Listening and retelling, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. copy answers without understanding D. rush without listening

9. Which label belongs on a poster about Listening and retelling?

A. last B. driver C. card D. eye

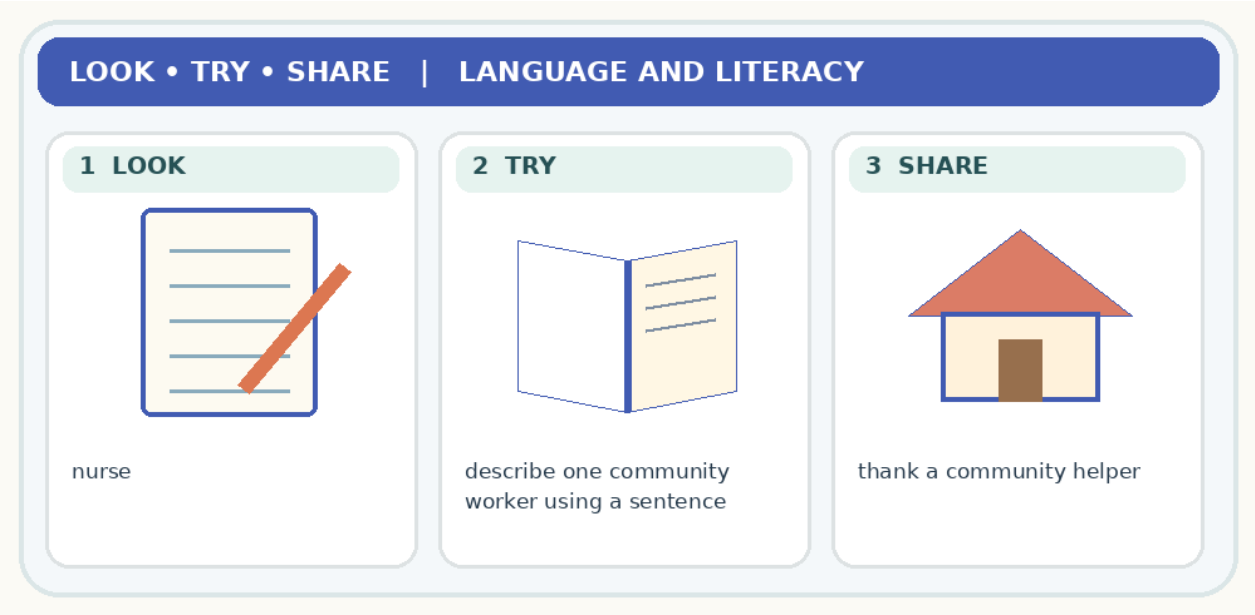

10. After practising Listening and retelling, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. leave the group without sharing D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. People who help us

My Local Community | Term 2

EXPLORE

Words name occupations and describe what people do.

Look for: nurse, farmer, teacher, driver

PLAY & APPLY

Activity: describe one community worker using a sentence

Materials: occupation picture cards

Real life: thank a community helper

Remember: Different helpers have different jobs.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about People who help us?

A. leg B. nurse C. hand D. page

2. What is the best activity for practising People who help us?

A. copy without discussing anything B. leave all materials untouched C. ignore the instructions and rush D. describe one community worker using a sentence

3. Which other example helps us explore People who help us?

A. title B. farmer C. next D. last

4. Which materials should the group prepare to study People who help us?

A. occupation picture cards B. unsafe tools without an adult C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about People who help us?

A. ignore the safety guidance B. avoid talking about the idea C. damage the classroom display D. thank a community helper

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in People who help us?

A. Words and letters have no connection. B. Words name occupations and describe what people do. C. All stories must be told without listening. D. The pictures in a book are never useful.

2. A classmate makes a mistake in People who help us. Which reminder helps?

A. All stories must be told without listening. B. Words and letters have no connection. C. The pictures in a book are never useful. D. Different helpers have different jobs.

3. The class plans to explore People who help us. Which action fits?

A. mix unrelated ideas without planning B. describe one community worker using a sentence C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits People who help us.

A. eye and uncle B. nurse and driver C. hand and page D. leg and excuse me

5. Which materials are most helpful for People who help us?

A. sharp tools without supervision B. unrelated broken electronics C. random objects that cannot help the task D. occupation picture cards

6. How could a learner apply People who help us outside school?

A. thank a community helper B. ignore school or home safety rules C. leave a mess after the lesson D. refuse to practise the lesson

7. Which key word should appear on a People who help us revision card?

A. rhyme B. goodbye C. good morning D. teacher

8. While studying People who help us, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about People who help us?

A. letter B. thank you C. driver D. card

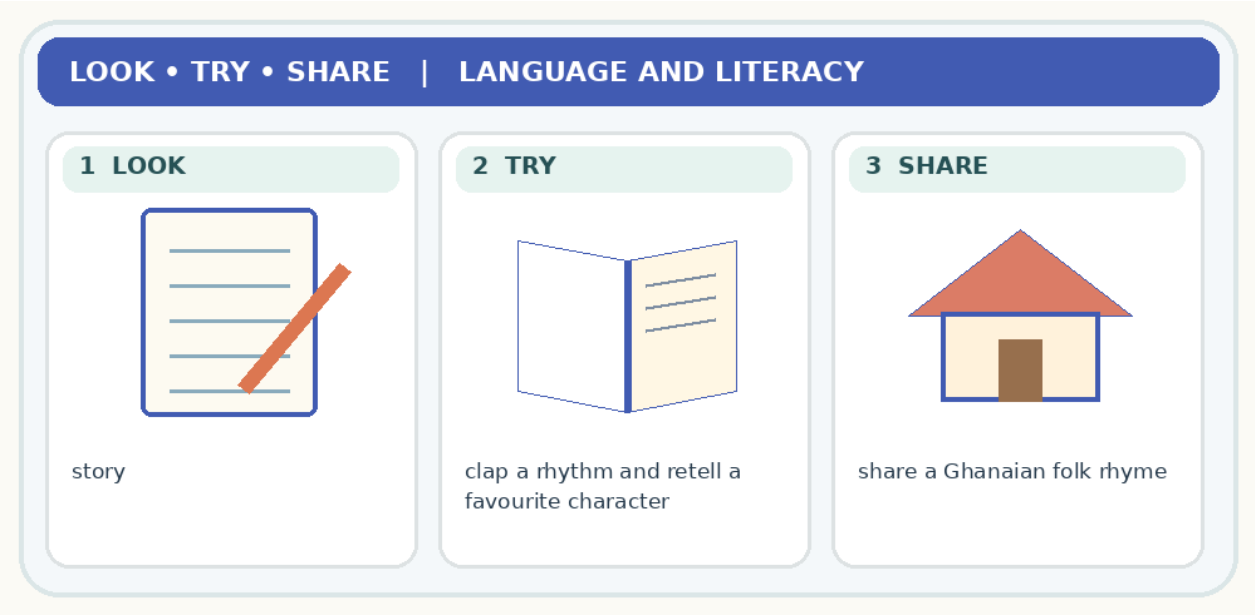

10. After practising People who help us, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. Ghanaian stories and songs

My Nation Ghana | Term 2

EXPLORE

Songs and stories share words, rhythm and culture.

Look for: story, rhyme, chorus, clap

PLAY & APPLY

Activity: clap a rhythm and retell a favourite character

Materials: familiar local songs and story cards

Real life: share a Ghanaian folk rhyme

Remember: Songs can have rhythm even without instruments.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Ghanaian stories and songs?

A. hand B. story C. rain D. leg

2. What is the best activity for practising Ghanaian stories and songs?

A. leave all materials untouched B. copy without discussing anything C. ignore the instructions and rush D. clap a rhythm and retell a favourite character

3. Which other example helps us explore Ghanaian stories and songs?

A. rhyme B. grandmother C. flower D. welcome

4. Which materials should the group prepare to study Ghanaian stories and songs?

A. familiar local songs and story cards B. broken objects found at random C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Ghanaian stories and songs?

A. avoid talking about the idea B. ignore the safety guidance C. share a Ghanaian folk rhyme D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Ghanaian stories and songs?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Songs and stories share words, rhythm and culture. D. Words and letters have no connection.

2. A classmate makes a mistake in Ghanaian stories and songs. Which reminder helps?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Words and letters have no connection. D. Songs can have rhythm even without instruments.

3. The class plans to explore Ghanaian stories and songs. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. clap a rhythm and retell a favourite character

4. Choose a pair of examples that fits Ghanaian stories and songs.

A. rain and sorry B. hello and sister C. leg and hand D. story and clap

5. Which materials are most helpful for Ghanaian stories and songs?

A. random objects that cannot help the task B. unrelated broken electronics C. familiar local songs and story cards D. sharp tools without supervision

6. How could a learner apply Ghanaian stories and songs outside school?

A. leave a mess after the lesson B. share a Ghanaian folk rhyme C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Ghanaian stories and songs revision card?

A. chorus B. good morning C. picture D. sound

8. While studying Ghanaian stories and songs, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Ghanaian stories and songs?

A. mother B. uncle C. card D. clap

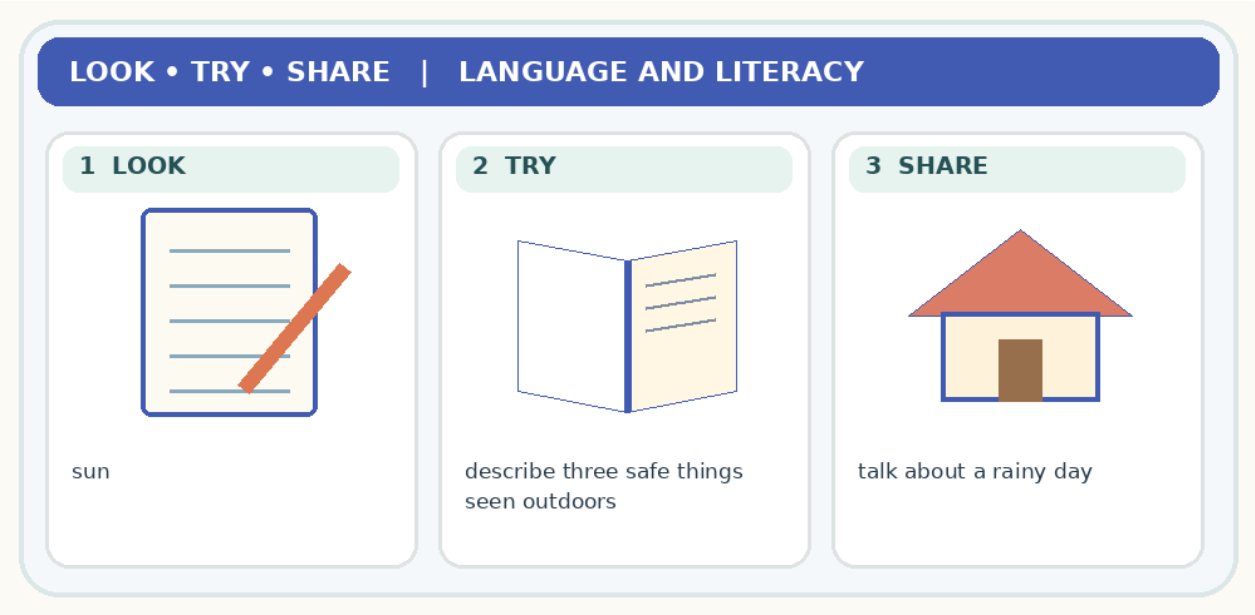

10. After practising Ghanaian stories and songs, what is a useful next step?

A. share one observation and listen to feedback B. claim that feedback is never helpful C. tear up other learners work D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Nature word hunt

All Around Us | Term 3

EXPLORE

Nature vocabulary helps us talk about what we see.

Look for: sun, tree, rain, flower

PLAY & APPLY

Activity: describe three safe things seen outdoors

Materials: nature picture cards

Real life: talk about a rainy day

Remember: Words can describe both objects and actions.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Nature word hunt?

A. picture B. head C. sun D. goodbye

2. What is the best activity for practising Nature word hunt?

A. leave all materials untouched B. copy without discussing anything C. ignore the instructions and rush D. describe three safe things seen outdoors

3. Which other example helps us explore Nature word hunt?

A. tree B. sorry C. driver D. story

4. Which materials should the group prepare to study Nature word hunt?

A. unsafe tools without an adult B. broken objects found at random C. nothing suitable for the task D. nature picture cards

5. Where can you use what you learnt about Nature word hunt?

A. ignore the safety guidance B. avoid talking about the idea C. talk about a rainy day D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Nature word hunt?

A. Words and letters have no connection. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Nature vocabulary helps us talk about what we see.

2. A classmate makes a mistake in Nature word hunt. Which reminder helps?

A. Words can describe both objects and actions. B. The pictures in a book are never useful. C. All stories must be told without listening. D. Words and letters have no connection.

3. The class plans to explore Nature word hunt. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. describe three safe things seen outdoors D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Nature word hunt.

A. head and goodbye B. sun and flower C. picture and excuse me D. mother and name

5. Which materials are most helpful for Nature word hunt?

A. unrelated broken electronics B. nature picture cards C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Nature word hunt outside school?

A. talk about a rainy day B. leave a mess after the lesson C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Nature word hunt revision card?

A. page B. letter C. next D. rain

8. While studying Nature word hunt, which choice shows careful learning?

A. observe, try, explain and check your result B. copy answers without understanding C. change the answer without reviewing D. rush without listening

9. Which label belongs on a poster about Nature word hunt?

A. then B. nurse C. grandmother D. flower

10. After practising Nature word hunt, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Greetings around the world

My Global Community | Term 3

EXPLORE

People may greet in different languages while showing respect.

Look for: hello, good morning, goodbye, welcome

PLAY & APPLY

Activity: practise greetings in English and a home language

Materials: greeting speech cards

Real life: welcome a new learner

Remember: Respectful greetings vary across communities.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Greetings around the world?

A. sorry B. title C. leg D. hello

2. What is the best activity for practising Greetings around the world?

A. leave all materials untouched B. copy without discussing anything C. ignore the instructions and rush D. practise greetings in English and a home language

3. Which other example helps us explore Greetings around the world?

A. first B. good morning C. teacher D. hand

4. Which materials should the group prepare to study Greetings around the world?

A. broken objects found at random B. unsafe tools without an adult C. greeting speech cards D. nothing suitable for the task

5. Where can you use what you learnt about Greetings around the world?

A. welcome a new learner B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Greetings around the world?

A. The pictures in a book are never useful. B. Words and letters have no connection. C. All stories must be told without listening. D. People may greet in different languages while showing respect.

2. A classmate makes a mistake in Greetings around the world. Which reminder helps?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Words and letters have no connection. D. Respectful greetings vary across communities.

3. The class plans to explore Greetings around the world. Which action fits?

A. skip the task and claim it is complete B. practise greetings in English and a home language C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Greetings around the world.

A. leg and title B. uncle and clap C. sorry and cover D. hello and welcome

5. Which materials are most helpful for Greetings around the world?

A. random objects that cannot help the task B. sharp tools without supervision C. unrelated broken electronics D. greeting speech cards

6. How could a learner apply Greetings around the world outside school?

A. refuse to practise the lesson B. welcome a new learner C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Greetings around the world revision card?

A. goodbye B. story C. page D. name
