Lesson 1. I am unique

All About Me | Term 1

EXPLORE

Every person has features and abilities that make them special.

Look for: name, body, voice, ability

PLAY & APPLY

Activity: share a positive fact about yourself

Materials: picture cards and a mirror

Real life: speak kindly about classmates

Remember: Differences are not reasons to tease others.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about I am unique?

A. national anthem B. grass C. name D. respect

2. What is the best activity for practising I am unique?

A. copy without discussing anything B. share a positive fact about yourself C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore I am unique?

A. guardian B. language C. body D. teacher

4. Which materials should the group prepare to study I am unique?

A. picture cards and a mirror B. unsafe tools without an adult C. nothing suitable for the task D. broken objects found at random

5. Where can you use what you learnt about I am unique?

A. avoid talking about the idea B. ignore the safety guidance C. damage the classroom display D. speak kindly about classmates

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in I am unique?

A. Being respectful does not matter. B. Everyone must have the same background. C. There is no reason to keep a community clean. D. Every person has features and abilities that make them special.

2. A classmate makes a mistake in I am unique. Which reminder helps?

A. Everyone must have the same background. B. There is no reason to keep a community clean. C. Differences are not reasons to tease others. D. Being respectful does not matter.

3. The class plans to explore I am unique. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. share a positive fact about yourself D. mix unrelated ideas without planning

4. Choose a pair of examples that fits I am unique.

A. grass and tidy B. name and ability C. respect and national anthem D. sleep and friend

5. Which materials are most helpful for I am unique?

A. sharp tools without supervision B. picture cards and a mirror C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply I am unique outside school?

A. speak kindly about classmates B. leave a mess after the lesson C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a I am unique revision card?

A. world B. truth C. voice D. butterfly

8. While studying I am unique, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about I am unique?

A. listen B. ability C. water D. help

10. After practising I am unique, what is a useful next step?

A. claim that feedback is never helpful B. tear up other learners work C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Keeping my body healthy

All About Me | Term 1

EXPLORE

Healthy food, rest and hygiene help the body.

Look for: water, fruit, soap, sleep

PLAY & APPLY

Activity: sort healthy daily habits into groups

Materials: food picture cards

Real life: wash hands before meals

Remember: Health depends on several habits, not one food.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Keeping my body healthy?

A. care B. grandparent C. water D. respect

2. What is the best activity for practising Keeping my body healthy?

A. leave all materials untouched B. ignore the instructions and rush C. copy without discussing anything D. sort healthy daily habits into groups

3. Which other example helps us explore Keeping my body healthy?

A. trader B. parent C. fruit D. flag

4. Which materials should the group prepare to study Keeping my body healthy?

A. broken objects found at random B. nothing suitable for the task C. food picture cards D. unsafe tools without an adult

5. Where can you use what you learnt about Keeping my body healthy?

A. avoid talking about the idea B. ignore the safety guidance C. damage the classroom display D. wash hands before meals

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Keeping my body healthy?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. Healthy food, rest and hygiene help the body. D. Everyone must have the same background.

2. A classmate makes a mistake in Keeping my body healthy. Which reminder helps?

A. Everyone must have the same background. B. Health depends on several habits, not one food. C. There is no reason to keep a community clean. D. Being respectful does not matter.

3. The class plans to explore Keeping my body healthy. Which action fits?

A. guess without looking at evidence B. mix unrelated ideas without planning C. sort healthy daily habits into groups D. skip the task and claim it is complete

4. Choose a pair of examples that fits Keeping my body healthy.

A. respect and grandparent B. care and grass C. water and sleep D. tidy and help

5. Which materials are most helpful for Keeping my body healthy?

A. random objects that cannot help the task B. unrelated broken electronics C. food picture cards D. sharp tools without supervision

6. How could a learner apply Keeping my body healthy outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. wash hands before meals D. leave a mess after the lesson

7. Which key word should appear on a Keeping my body healthy revision card?

A. nurse B. truth C. butterfly D. soap

8. While studying Keeping my body healthy, which choice shows careful learning?

A. change the answer without reviewing B. rush without listening C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Keeping my body healthy?

A. sleep B. voice C. wait D. peace

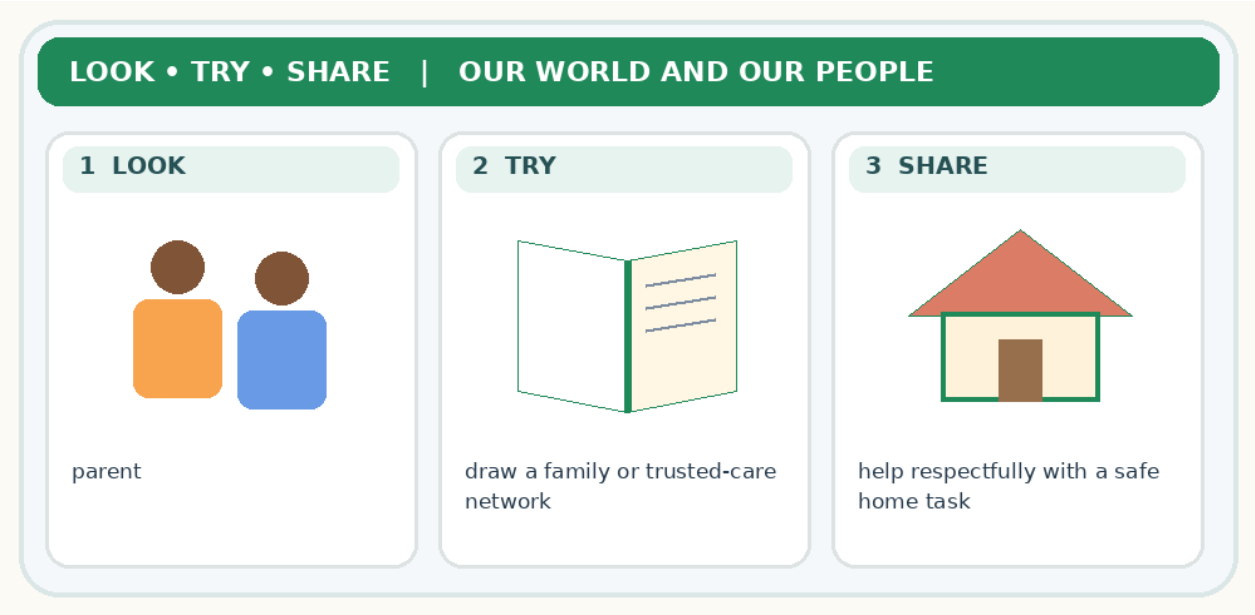

10. After practising Keeping my body healthy, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. My family members

My Family | Term 1

EXPLORE

Families care for and support each other in different ways.

Look for: parent, guardian, sibling, grandparent

PLAY & APPLY

Activity: draw a family or trusted-care network

Materials: family picture cards

Real life: help respectfully with a safe home task

Remember: Not all families have the same structure.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about My family members?

A. care B. sleep C. friend D. parent

2. What is the best activity for practising My family members?

A. ignore the instructions and rush B. copy without discussing anything C. leave all materials untouched D. draw a family or trusted-care network

3. Which other example helps us explore My family members?

A. soap B. tidy C. flag D. guardian

4. Which materials should the group prepare to study My family members?

A. nothing suitable for the task B. unsafe tools without an adult C. broken objects found at random D. family picture cards

5. Where can you use what you learnt about My family members?

A. avoid talking about the idea B. ignore the safety guidance C. damage the classroom display D. help respectfully with a safe home task

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in My family members?

A. Everyone must have the same background. B. Being respectful does not matter. C. There is no reason to keep a community clean. D. Families care for and support each other in different ways.

2. A classmate makes a mistake in My family members. Which reminder helps?

A. Being respectful does not matter. B. There is no reason to keep a community clean. C. Not all families have the same structure. D. Everyone must have the same background.

3. The class plans to explore My family members. Which action fits?

A. draw a family or trusted-care network B. guess without looking at evidence C. mix unrelated ideas without planning D. skip the task and claim it is complete

4. Choose a pair of examples that fits My family members.

A. friend and voice B. care and sleep C. parent and grandparent D. respect and truth

5. Which materials are most helpful for My family members?

A. unrelated broken electronics B. random objects that cannot help the task C. family picture cards D. sharp tools without supervision

6. How could a learner apply My family members outside school?

A. leave a mess after the lesson B. help respectfully with a safe home task C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a My family members revision card?

A. body B. water C. sibling D. ability

8. While studying My family members, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about My family members?

A. grandparent B. nurse C. listen D. kindness

10. After practising My family members, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. School and home rules

My Family | Term 1

EXPLORE

Rules support fairness and safety in a group.

Look for: listen, wait, share, tidy

PLAY & APPLY

Activity: agree on two safe classroom rules

Materials: rule cards and classroom poster

Real life: take turns in a game

Remember: Rules should help everyone stay safe and included.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about School and home rules?

A. friend B. grandparent C. culture D. listen

2. What is the best activity for practising School and home rules?

A. ignore the instructions and rush B. leave all materials untouched C. copy without discussing anything D. agree on two safe classroom rules

3. Which other example helps us explore School and home rules?

A. kindness B. grass C. wait D. farmer

4. Which materials should the group prepare to study School and home rules?

A. rule cards and classroom poster B. unsafe tools without an adult C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about School and home rules?

A. damage the classroom display B. ignore the safety guidance C. avoid talking about the idea D. take turns in a game

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in School and home rules?

A. There is no reason to keep a community clean. B. Everyone must have the same background. C. Rules support fairness and safety in a group. D. Being respectful does not matter.

2. A classmate makes a mistake in School and home rules. Which reminder helps?

A. Everyone must have the same background. B. Rules should help everyone stay safe and included. C. There is no reason to keep a community clean. D. Being respectful does not matter.

3. The class plans to explore School and home rules. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. agree on two safe classroom rules

4. Choose a pair of examples that fits School and home rules.

A. listen and tidy B. grandparent and culture C. peace and care D. friend and respect

5. Which materials are most helpful for School and home rules?

A. unrelated broken electronics B. random objects that cannot help the task C. rule cards and classroom poster D. sharp tools without supervision

6. How could a learner apply School and home rules outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. refuse to practise the lesson D. take turns in a game

7. Which key word should appear on a School and home rules revision card?

A. tree B. share C. trader D. body

8. While studying School and home rules, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about School and home rules?

A. flag B. national anthem C. voice D. tidy

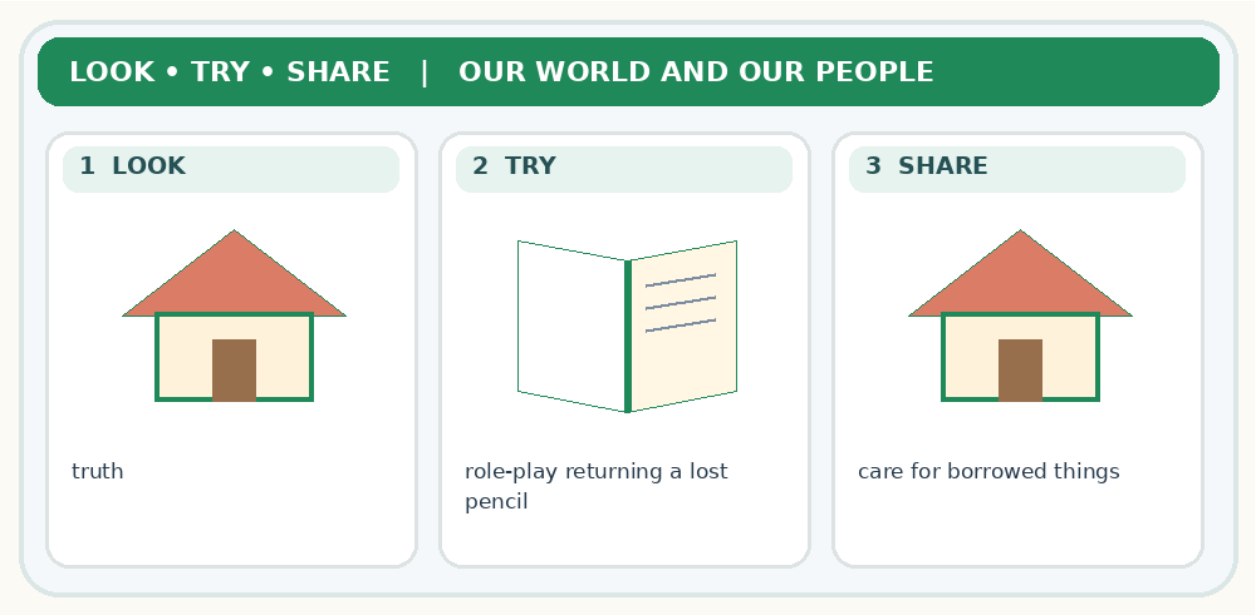

10. After practising School and home rules, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Values and caring

Values and Beliefs | Term 2

EXPLORE

Honesty and kindness build trust.

Look for: truth, help, care, respect

PLAY & APPLY

Activity: role-play returning a lost pencil

Materials: situation cards

Remember: Honesty includes saying what really happened.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Values and caring?

A. listen B. truth C. sibling D. water

2. What is the best activity for practising Values and caring?

A. copy without discussing anything B. leave all materials untouched C. ignore the instructions and rush D. role-play returning a lost pencil

3. Which other example helps us explore Values and caring?

A. respect B. bird C. help D. voice

4. Which materials should the group prepare to study Values and caring?

A. unsafe tools without an adult B. nothing suitable for the task C. situation cards D. broken objects found at random

5. Where can you use what you learnt about Values and caring?

A. ignore the safety guidance B. damage the classroom display C. avoid talking about the idea D. care for borrowed things

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Values and caring?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. Everyone must have the same background. D. Honesty and kindness build trust.

2. A classmate makes a mistake in Values and caring. Which reminder helps?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. Honesty includes saying what really happened. D. Everyone must have the same background.

3. The class plans to explore Values and caring. Which action fits?

A. guess without looking at evidence B. role-play returning a lost pencil C. mix unrelated ideas without planning D. skip the task and claim it is complete

4. Choose a pair of examples that fits Values and caring.

A. tidy and trader B. truth and respect C. listen and sibling D. water and share

5. Which materials are most helpful for Values and caring?

A. situation cards B. random objects that cannot help the task C. sharp tools without supervision D. unrelated broken electronics

6. How could a learner apply Values and caring outside school?

A. leave a mess after the lesson B. care for borrowed things C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Values and caring revision card?

A. body B. care C. name D. world

8. While studying Values and caring, which choice shows careful learning?

A. copy answers without understanding B. change the answer without reviewing C. observe, try, explain and check your result D. rush without listening

9. Which label belongs on a poster about Values and caring?

A. tree B. respect C. fruit D. language

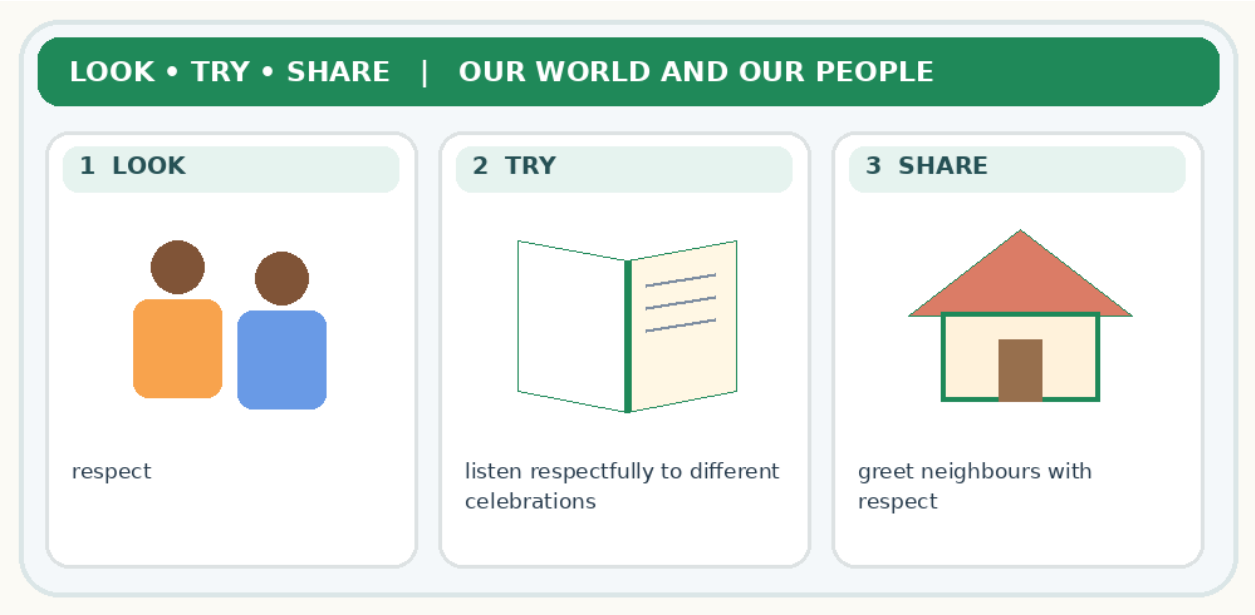

10. After practising Values and caring, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Beliefs and respect

Values and Beliefs | Term 2

EXPLORE

People may have different beliefs and should be treated fairly.

Look for: respect, peace, listen, kindness

PLAY & APPLY

Activity: listen respectfully to different celebrations

Materials: inclusive community picture cards

Real life: greet neighbours with respect

Remember: Different beliefs do not excuse unkind treatment.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Beliefs and respect?

A. water B. respect C. tidy D. nurse

2. What is the best activity for practising Beliefs and respect?

A. ignore the instructions and rush B. leave all materials untouched C. copy without discussing anything D. listen respectfully to different celebrations

3. Which other example helps us explore Beliefs and respect?

A. grandparent B. peace C. country D. truth

4. Which materials should the group prepare to study Beliefs and respect?

A. broken objects found at random B. nothing suitable for the task C. unsafe tools without an adult D. inclusive community picture cards

5. Where can you use what you learnt about Beliefs and respect?

A. damage the classroom display B. ignore the safety guidance C. avoid talking about the idea D. greet neighbours with respect

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Beliefs and respect?

A. Everyone must have the same background. B. People may have different beliefs and should be treated fairly. C. There is no reason to keep a community clean. D. Being respectful does not matter.

2. A classmate makes a mistake in Beliefs and respect. Which reminder helps?

A. Different beliefs do not excuse unkind treatment. B. Everyone must have the same background. C. Being respectful does not matter. D. There is no reason to keep a community clean.

3. The class plans to explore Beliefs and respect. Which action fits?

A. listen respectfully to different celebrations B. guess without looking at evidence C. mix unrelated ideas without planning D. skip the task and claim it is complete

4. Choose a pair of examples that fits Beliefs and respect.

A. respect and kindness B. tidy and water C. nurse and name D. parent and trader

5. Which materials are most helpful for Beliefs and respect?

A. random objects that cannot help the task B. unrelated broken electronics C. sharp tools without supervision D. inclusive community picture cards

6. How could a learner apply Beliefs and respect outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. greet neighbours with respect D. leave a mess after the lesson

7. Which key word should appear on a Beliefs and respect revision card?

A. flag B. fruit C. respect D. listen

8. While studying Beliefs and respect, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about Beliefs and respect?

A. voice B. farmer C. sibling D. kindness

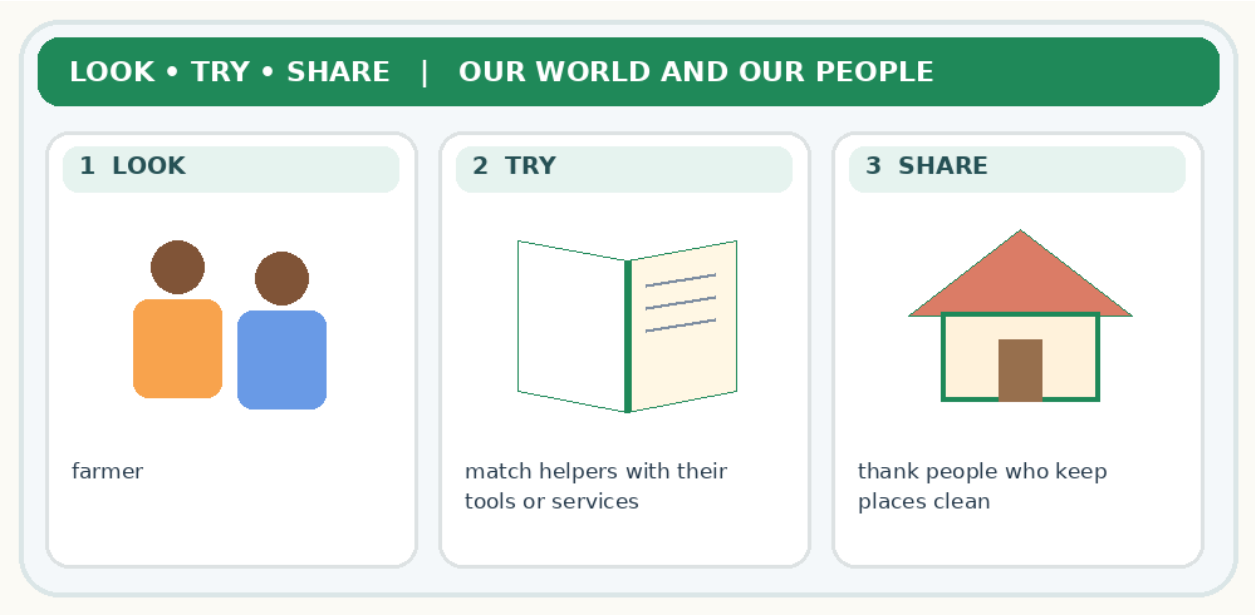

10. After practising Beliefs and respect, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. Helpers in my community

My Local Community | Term 2

EXPLORE

Community workers provide important services.

Look for: farmer, nurse, teacher, trader

PLAY & APPLY

Activity: match helpers with their tools or services

Materials: community worker cards

Real life: thank people who keep places clean

Remember: A community needs many different kinds of work.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Helpers in my community?

A. language B. farmer C. name D. listen

2. What is the best activity for practising Helpers in my community?

A. leave all materials untouched B. copy without discussing anything C. match helpers with their tools or services D. ignore the instructions and rush

3. Which other example helps us explore Helpers in my community?

A. grandparent B. nurse C. care D. region

4. Which materials should the group prepare to study Helpers in my community?

A. broken objects found at random B. nothing suitable for the task C. community worker cards D. unsafe tools without an adult

5. Where can you use what you learnt about Helpers in my community?

A. thank people who keep places clean B. damage the classroom display C. ignore the safety guidance D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Helpers in my community?

A. Community workers provide important services. B. Everyone must have the same background. C. There is no reason to keep a community clean. D. Being respectful does not matter.

2. A classmate makes a mistake in Helpers in my community. Which reminder helps?

A. Being respectful does not matter. B. Everyone must have the same background. C. A community needs many different kinds of work. D. There is no reason to keep a community clean.

3. The class plans to explore Helpers in my community. Which action fits?

A. match helpers with their tools or services B. skip the task and claim it is complete C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Helpers in my community.

A. fruit and sibling B. name and share C. language and listen D. farmer and trader

5. Which materials are most helpful for Helpers in my community?

A. sharp tools without supervision B. unrelated broken electronics C. community worker cards D. random objects that cannot help the task

6. How could a learner apply Helpers in my community outside school?

A. thank people who keep places clean B. ignore school or home safety rules C. refuse to practise the lesson D. leave a mess after the lesson

7. Which key word should appear on a Helpers in my community revision card?

A. guardian B. friend C. teacher D. water

8. While studying Helpers in my community, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Helpers in my community?

A. respect B. body C. parent D. trader

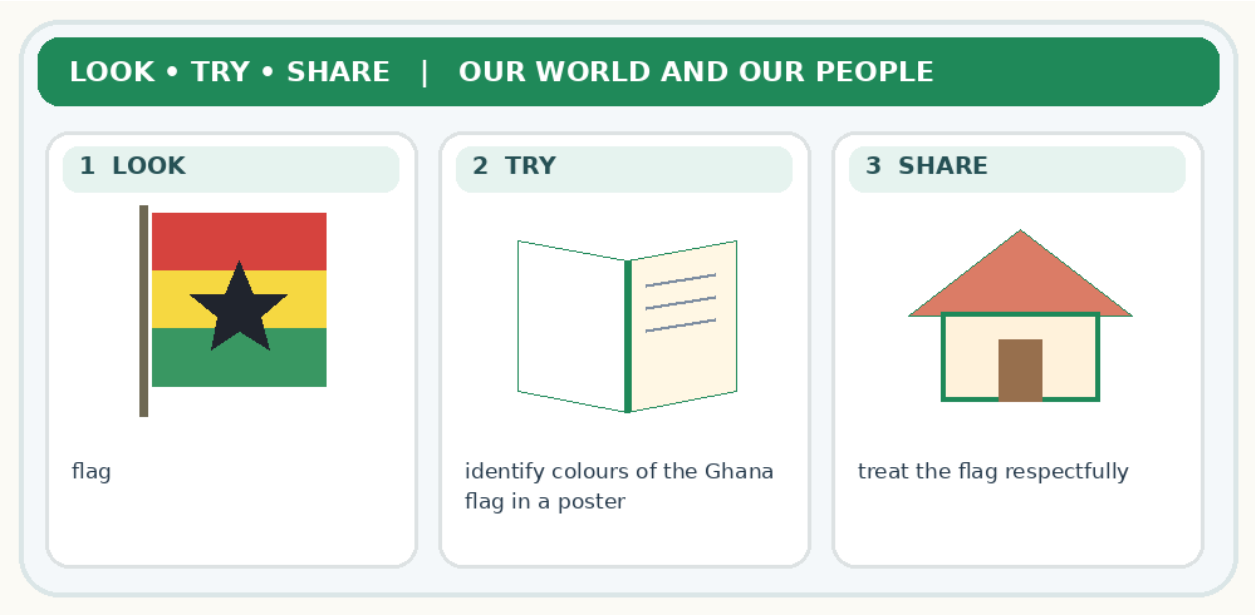

10. After practising Helpers in my community, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. My nation Ghana

My Nation Ghana | Term 2

EXPLORE

Ghana is our country and has many communities and cultures.

Look for: flag, national anthem, region, culture

PLAY & APPLY

Activity: identify colours of the Ghana flag in a poster

Materials: Ghana flag picture

Real life: treat the flag respectfully

Remember: Citizens show responsibility by caring for others.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about My nation Ghana?

A. peace B. listen C. flag D. share

2. What is the best activity for practising My nation Ghana?

A. leave all materials untouched B. copy without discussing anything C. identify colours of the Ghana flag in a poster D. ignore the instructions and rush

3. Which other example helps us explore My nation Ghana?

A. grandparent B. kindness C. tree D. national anthem

4. Which materials should the group prepare to study My nation Ghana?

A. nothing suitable for the task B. broken objects found at random C. Ghana flag picture D. unsafe tools without an adult

5. Where can you use what you learnt about My nation Ghana?

A. avoid talking about the idea B. ignore the safety guidance C. damage the classroom display D. treat the flag respectfully

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in My nation Ghana?

A. Ghana is our country and has many communities and cultures. B. Everyone must have the same background. C. There is no reason to keep a community clean. D. Being respectful does not matter.

2. A classmate makes a mistake in My nation Ghana. Which reminder helps?

A. Everyone must have the same background. B. There is no reason to keep a community clean. C. Being respectful does not matter. D. Citizens show responsibility by caring for others.

3. The class plans to explore My nation Ghana. Which action fits?

A. mix unrelated ideas without planning B. identify colours of the Ghana flag in a poster C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits My nation Ghana.

A. flag and culture B. body and care C. peace and wait D. listen and share

5. Which materials are most helpful for My nation Ghana?

A. random objects that cannot help the task B. unrelated broken electronics C. Ghana flag picture D. sharp tools without supervision

6. How could a learner apply My nation Ghana outside school?

A. leave a mess after the lesson B. refuse to practise the lesson C. ignore school or home safety rules D. treat the flag respectfully

7. Which key word should appear on a My nation Ghana revision card?

A. language B. parent C. region D. bird

8. While studying My nation Ghana, which choice shows careful learning?

A. change the answer without reviewing B. copy answers without understanding C. observe, try, explain and check your result D. rush without listening

9. Which label belongs on a poster about My nation Ghana?

A. nurse B. guardian C. culture D. country

10. After practising My nation Ghana, what is a useful next step?

A. leave the group without sharing B. share one observation and listen to feedback C. claim that feedback is never helpful D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Living things around us

All Around Us | Term 3

EXPLORE

Plants and animals need care and suitable surroundings.

Look for: tree, bird, butterfly, grass

PLAY & APPLY

Activity: observe living things without disturbing them

Materials: safe outdoor observation sheet

Real life: protect a plant in the school garden

Remember: Living things have needs, unlike a stone.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Living things around us?

A. tree B. care C. soap D. farmer

2. What is the best activity for practising Living things around us?

A. ignore the instructions and rush B. copy without discussing anything C. leave all materials untouched D. observe living things without disturbing them

3. Which other example helps us explore Living things around us?

A. bird B. water C. listen D. fruit

4. Which materials should the group prepare to study Living things around us?

A. broken objects found at random B. nothing suitable for the task C. unsafe tools without an adult D. safe outdoor observation sheet

5. Where can you use what you learnt about Living things around us?

A. protect a plant in the school garden B. ignore the safety guidance C. damage the classroom display D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Living things around us?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. Everyone must have the same background. D. Plants and animals need care and suitable surroundings.

2. A classmate makes a mistake in Living things around us. Which reminder helps?

A. Being respectful does not matter. B. There is no reason to keep a community clean. C. Living things have needs, unlike a stone. D. Everyone must have the same background.

3. The class plans to explore Living things around us. Which action fits?

A. mix unrelated ideas without planning B. observe living things without disturbing them C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Living things around us.

A. wait and country B. farmer and tidy C. tree and grass D. care and soap

5. Which materials are most helpful for Living things around us?

A. unrelated broken electronics B. sharp tools without supervision C. safe outdoor observation sheet D. random objects that cannot help the task

6. How could a learner apply Living things around us outside school?

A. protect a plant in the school garden B. refuse to practise the lesson C. leave a mess after the lesson D. ignore school or home safety rules

7. Which key word should appear on a Living things around us revision card?

A. sibling B. butterfly C. trader D. language

8. While studying Living things around us, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about Living things around us?

A. friend B. grass C. name D. nurse

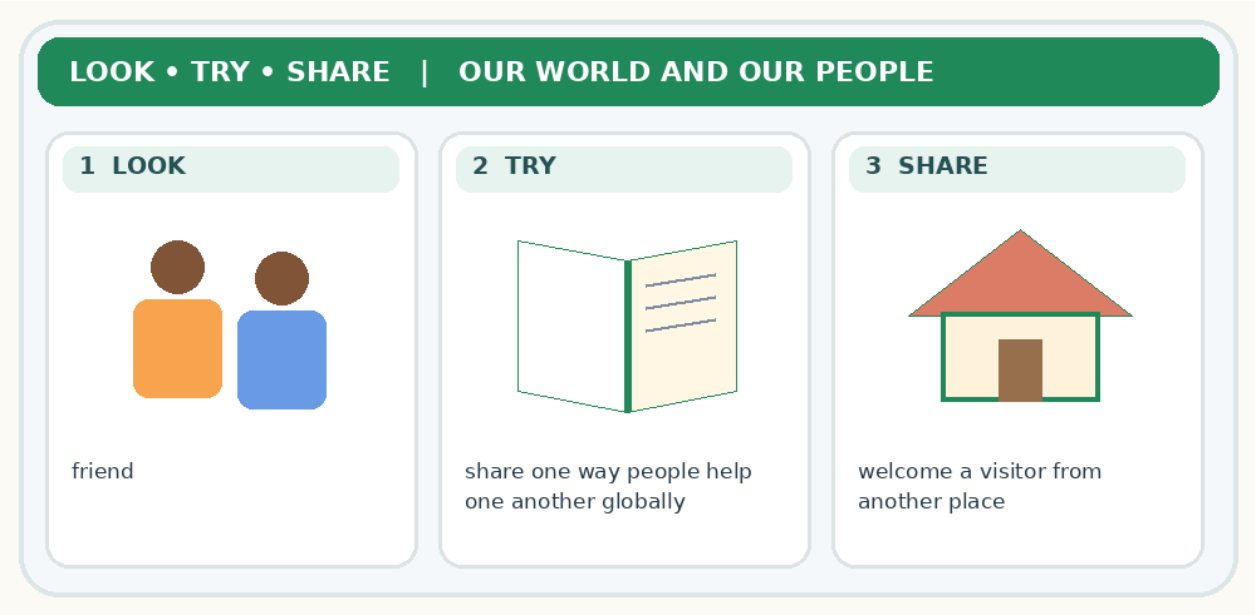

10. After practising Living things around us, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Our global community

My Global Community | Term 3

EXPLORE

People around the world have different languages and shared needs.

Look for: friend, world, country, language

PLAY & APPLY

Activity: share one way people help one another globally

Materials: globe or world pictures

Real life: welcome a visitor from another place

Remember: Different cultures deserve respect.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Our global community?

A. butterfly B. farmer C. friend D. sleep

2. What is the best activity for practising Our global community?

A. leave all materials untouched B. copy without discussing anything C. ignore the instructions and rush D. share one way people help one another globally

3. Which other example helps us explore Our global community?

A. teacher B. world C. wait D. trader

4. Which materials should the group prepare to study Our global community?

A. unsafe tools without an adult B. broken objects found at random C. nothing suitable for the task D. globe or world pictures

5. Where can you use what you learnt about Our global community?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. welcome a visitor from another place

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Our global community?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. People around the world have different languages and shared needs. D. Everyone must have the same background.

2. A classmate makes a mistake in Our global community. Which reminder helps?

A. There is no reason to keep a community clean. B. Different cultures deserve respect. C. Being respectful does not matter. D. Everyone must have the same background.

3. The class plans to explore Our global community. Which action fits?

A. mix unrelated ideas without planning B. guess without looking at evidence C. skip the task and claim it is complete D. share one way people help one another globally

4. Choose a pair of examples that fits Our global community.

A. butterfly and water B. friend and language C. grandparent and voice D. farmer and sleep

5. Which materials are most helpful for Our global community?

A. globe or world pictures B. random objects that cannot help the task C. unrelated broken electronics D. sharp tools without supervision

6. How could a learner apply Our global community outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. leave a mess after the lesson D. welcome a visitor from another place

7. Which key word should appear on a Our global community revision card?

A. help B. bird C. country D. nurse

8. While studying Our global community, which choice shows careful learning?

A. copy answers without understanding B. change the answer without reviewing C. rush without listening D. observe, try, explain and check your result

9. Which label belongs on a poster about Our global community?

A. care B. guardian C. language D. listen

10. After practising Our global community, what is a useful next step?

A. share one observation and listen to feedback B. claim that feedback is never helpful C. tear up other learners work D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

TEACHER ANSWER KEY
