Lesson 1. Build words from name sounds

All About Me | Term 1

EXPLORE

Names are made of spoken sounds and written letters. In KG2 we explain our choices and use longer descriptions.

Look for: name, letter, sound, card

PLAY & APPLY

Activity: In pairs, say a name, listen to its first sound, and point to the letter; describe one reason for your choice

Materials: name cards and alphabet chart

Real life: recognise classmates by name

Remember: Letter names and letter sounds are related but not identical.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Build words from name sounds?

A. uncle B. excuse me C. name D. tree

2. What is the best activity for practising Build words from name sounds?

A. In pairs, say a name, listen to its first sound, and point to the letter; describe one reason for your choice B. ignore the instructions and rush C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Build words from name sounds?

A. hello B. sun C. letter D. sister

4. Which materials should the group prepare to study Build words from name sounds?

A. nothing suitable for the task B. unsafe tools without an adult C. name cards and alphabet chart D. broken objects found at random

5. Where can you use what you learnt about Build words from name sounds?

A. damage the classroom display B. ignore the safety guidance C. recognise classmates by name D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Build words from name sounds?

A. The pictures in a book are never useful. B. Words and letters have no connection. C. Names are made of spoken sounds and written letters. In KG2 we explain our choices and use longer descriptions. D. All stories must be told without listening.

2. A classmate makes a mistake in Build words from name sounds. Which reminder helps?

A. All stories must be told without listening. B. The pictures in a book are never useful. C. Letter names and letter sounds are related but not identical. D. Words and letters have no connection.

3. The class plans to explore Build words from name sounds. Which action fits?

A. guess without looking at evidence B. In pairs, say a name, listen to its first sound, and point to the letter; describe one reason for your choice C. mix unrelated ideas without planning D. skip the task and claim it is complete

4. Choose a pair of examples that fits Build words from name sounds.

A. name and card B. tree and thank you C. excuse me and uncle D. page and flower

5. Which materials are most helpful for Build words from name sounds?

A. name cards and alphabet chart B. unrelated broken electronics C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Build words from name sounds outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. recognise classmates by name D. leave a mess after the lesson

7. Which key word should appear on a Build words from name sounds revision card?

A. first B. sound C. clap D. rhyme

8. While studying Build words from name sounds, which choice shows careful learning?

A. change the answer without reviewing B. copy answers without understanding C. observe, try, explain and check your result D. rush without listening

9. Which label belongs on a poster about Build words from name sounds?

A. story B. teacher C. sorry D. card

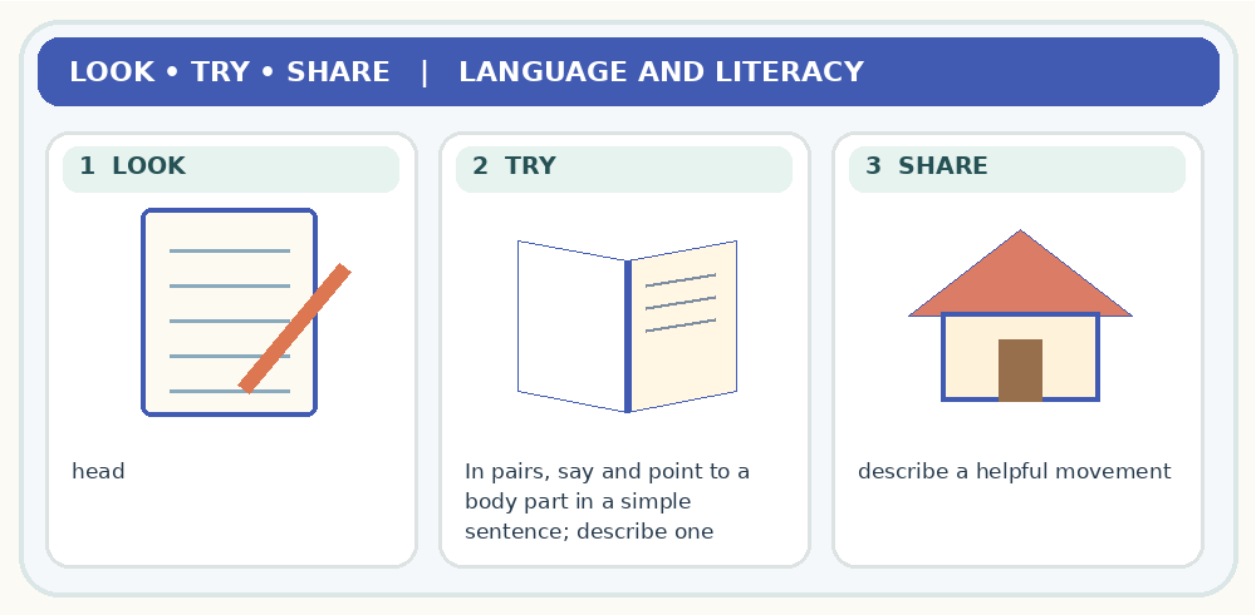

10. After practising Build words from name sounds, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. tear up other learners work D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Describing my body

All About Me | Term 1

EXPLORE

We can use clear words to describe body parts and actions. In KG2 we explain our choices and use longer descriptions.

Look for: head, hand, leg, eye

PLAY & APPLY

Activity: In pairs, say and point to a body part in a simple sentence; describe one reason for your choice

Materials: body-part poster and word cards

Real life: describe a helpful movement

Remember: Body parts have different uses.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Describing my body?

A. story B. farmer C. head D. page

2. What is the best activity for practising Describing my body?

A. copy without discussing anything B. leave all materials untouched C. ignore the instructions and rush D. In pairs, say and point to a body part in a simple sentence; describe one reason for your choice

3. Which other example helps us explore Describing my body?

A. rhyme B. hand C. please D. sorry

4. Which materials should the group prepare to study Describing my body?

A. unsafe tools without an adult B. nothing suitable for the task C. body-part poster and word cards D. broken objects found at random

5. Where can you use what you learnt about Describing my body?

A. avoid talking about the idea B. describe a helpful movement C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Describing my body?

A. We can use clear words to describe body parts and actions. In KG2 we explain our choices and use longer descriptions. B. Words and letters have no connection. C. The pictures in a book are never useful. D. All stories must be told without listening.

2. A classmate makes a mistake in Describing my body. Which reminder helps?

A. Words and letters have no connection. B. The pictures in a book are never useful. C. Body parts have different uses. D. All stories must be told without listening.

3. The class plans to explore Describing my body. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, say and point to a body part in a simple sentence; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Describing my body.

A. hello and cover B. head and eye C. page and story D. farmer and next

5. Which materials are most helpful for Describing my body?

A. body-part poster and word cards B. sharp tools without supervision C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Describing my body outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. ignore school or home safety rules D. describe a helpful movement

7. Which key word should appear on a Describing my body revision card?

A. leg B. letter C. sound D. tree

8. While studying Describing my body, which choice shows careful learning?

A. observe, try, explain and check your result B. copy answers without understanding C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about Describing my body?

A. first B. eye C. chorus D. goodbye

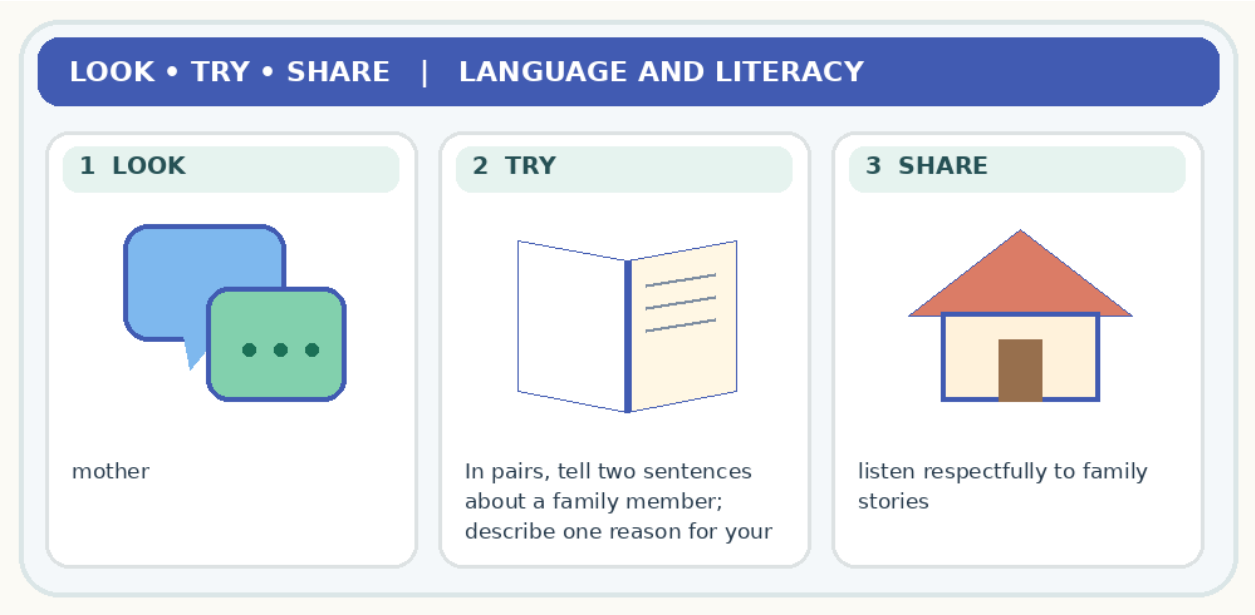

10. After practising Describing my body, what is a useful next step?

A. tear up other learners work B. leave the group without sharing C. share one observation and listen to feedback D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. Family story words

My Family | Term 1

EXPLORE

Story words help us talk about our family and relationships. In KG2 we explain our choices and use longer descriptions.

Look for: mother, uncle, sister, grandmother

PLAY & APPLY

Activity: In pairs, tell two sentences about a family member; describe one reason for your choice

Materials: family drawing and picture cards

Real life: listen respectfully to family stories

Remember: Families can have different members.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Family story words?

A. mother B. hello C. page D. card

2. What is the best activity for practising Family story words?

A. copy without discussing anything B. In pairs, tell two sentences about a family member; describe one reason for your choice C. ignore the instructions and rush D. leave all materials untouched

3. Which other example helps us explore Family story words?

A. farmer B. sun C. driver D. uncle

4. Which materials should the group prepare to study Family story words?

A. unsafe tools without an adult B. broken objects found at random C. nothing suitable for the task D. family drawing and picture cards

5. Where can you use what you learnt about Family story words?

A. listen respectfully to family stories B. ignore the safety guidance C. damage the classroom display D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Family story words?

A. All stories must be told without listening. B. Story words help us talk about our family and relationships. In KG2 we explain our choices and use longer descriptions. C. Words and letters have no connection. D. The pictures in a book are never useful.

2. A classmate makes a mistake in Family story words. Which reminder helps?

A. Words and letters have no connection. B. Families can have different members. C. All stories must be told without listening. D. The pictures in a book are never useful.

3. The class plans to explore Family story words. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, tell two sentences about a family member; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Family story words.

A. hello and leg B. page and card C. goodbye and please D. mother and grandmother

5. Which materials are most helpful for Family story words?

A. unrelated broken electronics B. family drawing and picture cards C. random objects that cannot help the task D. sharp tools without supervision

6. How could a learner apply Family story words outside school?

A. leave a mess after the lesson B. listen respectfully to family stories C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Family story words revision card?

A. good morning B. sister C. story D. flower

8. While studying Family story words, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Family story words?

A. picture B. rain C. grandmother D. rhyme

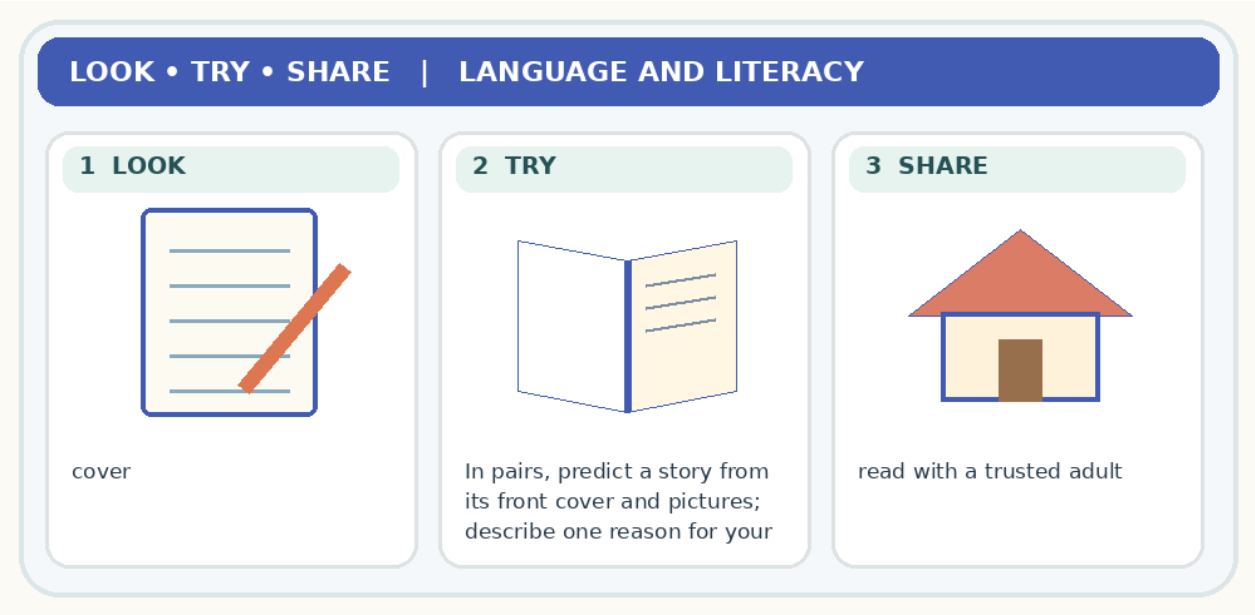

10. After practising Family story words, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. claim that feedback is never helpful D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. Reading family picture books

My Family | Term 1

EXPLORE

Pictures, covers and pages help us make meaning from books. In KG2 we explain our choices and use longer descriptions.

Look for: cover, page, picture, title

PLAY & APPLY

Activity: In pairs, predict a story from its front cover and pictures; describe one reason for your choice

Materials: illustrated big book

Real life: read with a trusted adult

Remember: A book cover is not the whole story.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Reading family picture books?

A. cover B. sound C. farmer D. eye

2. What is the best activity for practising Reading family picture books?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. In pairs, predict a story from its front cover and pictures; describe one reason for your choice

3. Which other example helps us explore Reading family picture books?

A. flower B. tree C. page D. leg

4. Which materials should the group prepare to study Reading family picture books?

A. broken objects found at random B. unsafe tools without an adult C. illustrated big book D. nothing suitable for the task

5. Where can you use what you learnt about Reading family picture books?

A. damage the classroom display B. read with a trusted adult C. avoid talking about the idea D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Reading family picture books?

A. All stories must be told without listening. B. Pictures, covers and pages help us make meaning from books. In KG2 we explain our choices and use longer descriptions. C. Words and letters have no connection. D. The pictures in a book are never useful.

2. A classmate makes a mistake in Reading family picture books. Which reminder helps?

A. A book cover is not the whole story. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Words and letters have no connection.

3. The class plans to explore Reading family picture books. Which action fits?

A. skip the task and claim it is complete B. In pairs, predict a story from its front cover and pictures; describe one reason for your choice C. guess without looking at evidence D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Reading family picture books.

A. cover and title B. sound and excuse me C. first and hand D. farmer and eye

5. Which materials are most helpful for Reading family picture books?

A. sharp tools without supervision B. illustrated big book C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Reading family picture books outside school?

A. leave a mess after the lesson B. read with a trusted adult C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Reading family picture books revision card?

A. sun B. picture C. clap D. nurse

8. While studying Reading family picture books, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. copy answers without understanding D. rush without listening

9. Which label belongs on a poster about Reading family picture books?

A. rhyme B. goodbye C. uncle D. title

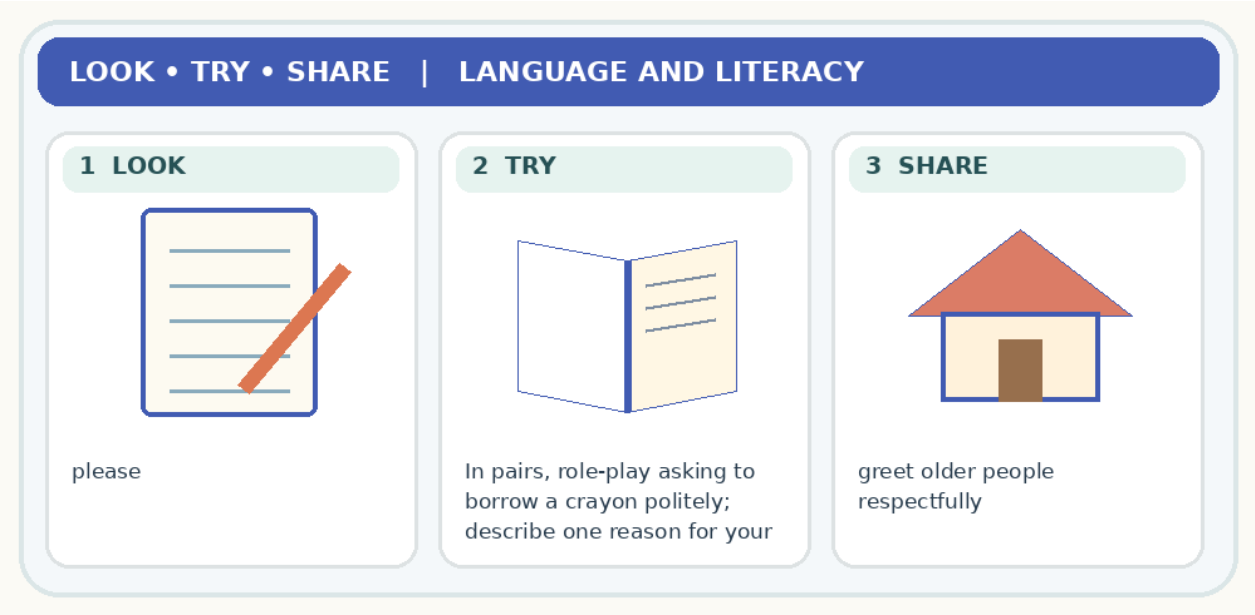

10. After practising Reading family picture books, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Words of kindness

Values and Beliefs | Term 2

EXPLORE

Respectful words help people feel valued. In KG2 we explain our choices and use longer descriptions.

Look for: please, thank you, sorry, excuse me

PLAY & APPLY

Activity: In pairs, role-play asking to borrow a crayon politely; describe one reason for your choice

Materials: polite phrase cards

Real life: greet older people respectfully

Remember: Kind words should match kind actions.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Words of kindness?

A. please B. page C. chorus D. uncle

2. What is the best activity for practising Words of kindness?

A. leave all materials untouched B. In pairs, role-play asking to borrow a crayon politely; describe one reason for your choice C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Words of kindness?

A. first B. thank you C. driver D. good morning

4. Which materials should the group prepare to study Words of kindness?

A. broken objects found at random B. nothing suitable for the task C. unsafe tools without an adult D. polite phrase cards

5. Where can you use what you learnt about Words of kindness?

A. avoid talking about the idea B. damage the classroom display C. ignore the safety guidance D. greet older people respectfully

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Words of kindness?

A. Words and letters have no connection. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Respectful words help people feel valued. In KG2 we explain our choices and use longer descriptions.

2. A classmate makes a mistake in Words of kindness. Which reminder helps?

A. Kind words should match kind actions. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Words and letters have no connection.

3. The class plans to explore Words of kindness. Which action fits?

A. In pairs, role-play asking to borrow a crayon politely; describe one reason for your choice B. skip the task and claim it is complete C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Words of kindness.

A. uncle and eye B. teacher and farmer C. please and excuse me D. chorus and page

5. Which materials are most helpful for Words of kindness?

A. polite phrase cards B. unrelated broken electronics C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Words of kindness outside school?

A. leave a mess after the lesson B. ignore school or home safety rules C. refuse to practise the lesson D. greet older people respectfully

7. Which key word should appear on a Words of kindness revision card?

A. tree B. flower C. welcome D. sorry

8. While studying Words of kindness, which choice shows careful learning?

A. change the answer without reviewing B. copy answers without understanding C. rush without listening D. observe, try, explain and check your result

9. Which label belongs on a poster about Words of kindness?

A. card B. excuse me C. nurse D. cover

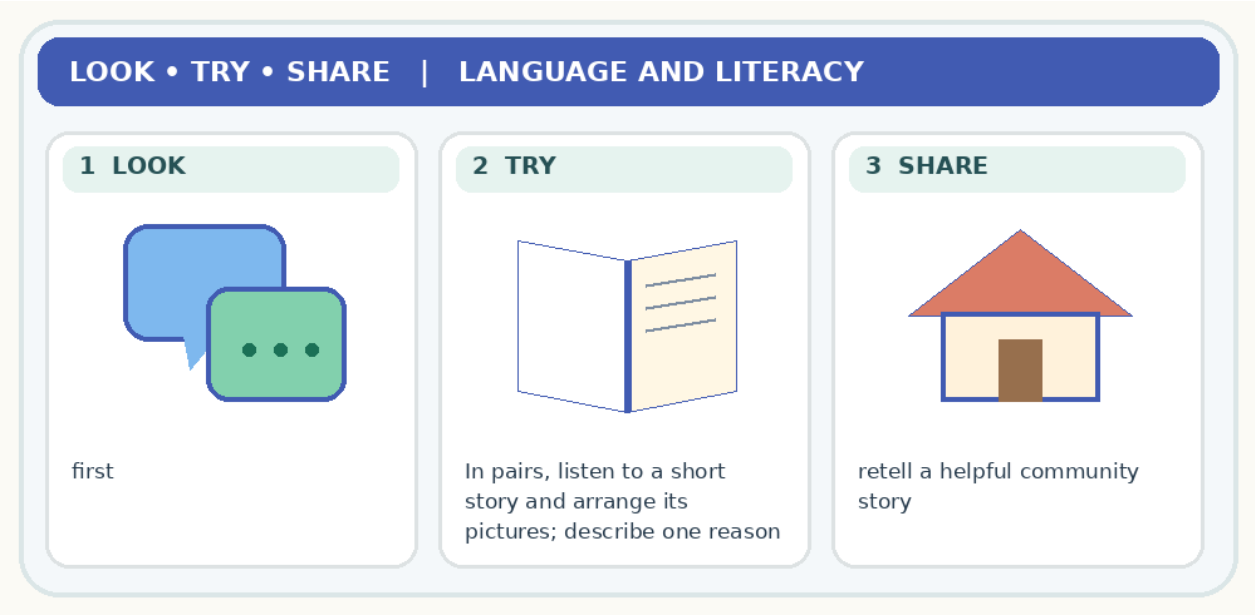

10. After practising Words of kindness, what is a useful next step?

A. share one observation and listen to feedback B. claim that feedback is never helpful C. tear up other learners work D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Listening and retelling

Values and Beliefs | Term 2

EXPLORE

We show understanding when we retell important story events in order. In KG2 we explain our choices and use longer descriptions.

Look for: first, next, then, last

PLAY & APPLY

Activity: In pairs, listen to a short story and arrange its pictures; describe one reason for your choice

Materials: three story cards

Real life: retell a helpful community story

Remember: Retelling is not changing the story at random.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Listening and retelling?

A. hand B. first C. rain D. card

2. What is the best activity for practising Listening and retelling?

A. leave all materials untouched B. In pairs, listen to a short story and arrange its pictures; describe one reason for your choice C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Listening and retelling?

A. chorus B. next C. picture D. grandmother

4. Which materials should the group prepare to study Listening and retelling?

A. nothing suitable for the task B. broken objects found at random C. three story cards D. unsafe tools without an adult

5. Where can you use what you learnt about Listening and retelling?

A. avoid talking about the idea B. ignore the safety guidance C. retell a helpful community story D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Listening and retelling?

A. We show understanding when we retell important story events in order. In KG2 we explain our choices and use longer descriptions. B. The pictures in a book are never useful. C. Words and letters have no connection. D. All stories must be told without listening.

2. A classmate makes a mistake in Listening and retelling. Which reminder helps?

A. The pictures in a book are never useful. B. All stories must be told without listening. C. Words and letters have no connection. D. Retelling is not changing the story at random.

3. The class plans to explore Listening and retelling. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, listen to a short story and arrange its pictures; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Listening and retelling.

A. please and letter B. card and sound C. hand and rain D. first and last

5. Which materials are most helpful for Listening and retelling?

A. unrelated broken electronics B. three story cards C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Listening and retelling outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. ignore school or home safety rules D. retell a helpful community story

7. Which key word should appear on a Listening and retelling revision card?

A. then B. eye C. goodbye D. hello

8. While studying Listening and retelling, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Listening and retelling?

A. uncle B. cover C. flower D. last

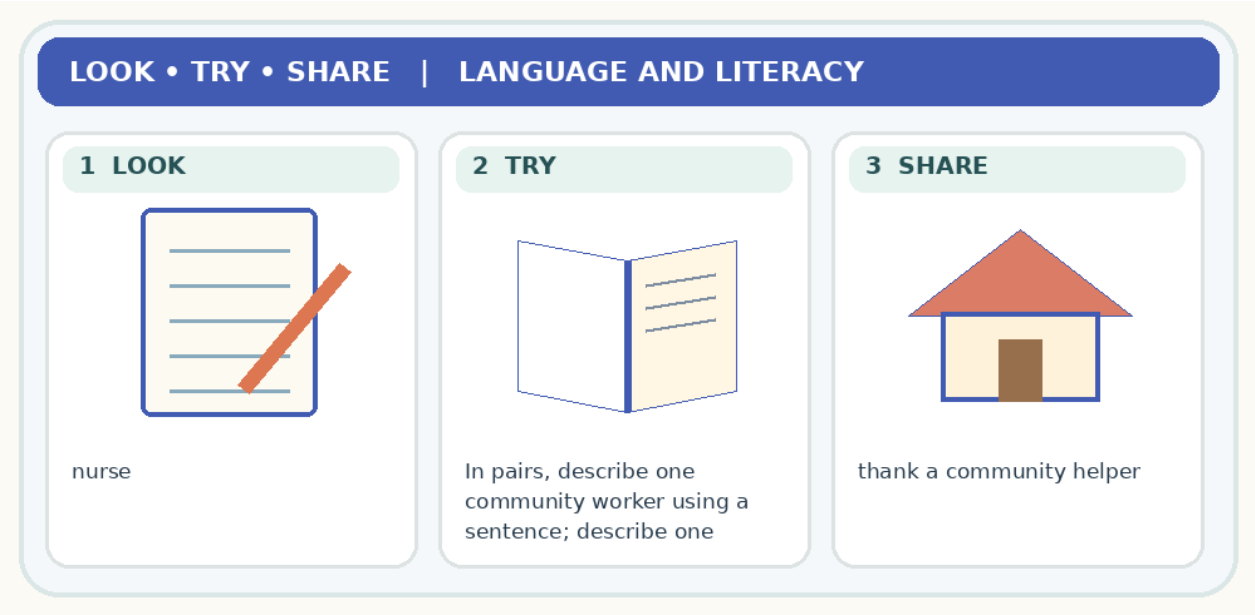

10. After practising Listening and retelling, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. People who help us

My Local Community | Term 2

EXPLORE

Words name occupations and describe what people do. In KG2 we explain our choices and use longer descriptions.

Look for: nurse, farmer, teacher, driver

PLAY & APPLY

Activity: In pairs, describe one community worker using a sentence; describe one reason for your choice

Materials: occupation picture cards

Real life: thank a community helper

Remember: Different helpers have different jobs.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about People who help us?

A. then B. head C. chorus D. nurse

2. What is the best activity for practising People who help us?

A. copy without discussing anything B. In pairs, describe one community worker using a sentence; describe one reason for your choice C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore People who help us?

A. farmer B. first C. letter D. next

4. Which materials should the group prepare to study People who help us?

A. unsafe tools without an adult B. nothing suitable for the task C. occupation picture cards D. broken objects found at random

5. Where can you use what you learnt about People who help us?

A. ignore the safety guidance B. thank a community helper C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in People who help us?

A. Words name occupations and describe what people do. In KG2 we explain our choices and use longer descriptions. B. The pictures in a book are never useful. C. Words and letters have no connection. D. All stories must be told without listening.

2. A classmate makes a mistake in People who help us. Which reminder helps?

A. All stories must be told without listening. B. Different helpers have different jobs. C. The pictures in a book are never useful. D. Words and letters have no connection.

3. The class plans to explore People who help us. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. In pairs, describe one community worker using a sentence; describe one reason for your choice D. guess without looking at evidence

4. Choose a pair of examples that fits People who help us.

A. then and title B. nurse and driver C. good morning and story D. head and chorus

5. Which materials are most helpful for People who help us?

A. random objects that cannot help the task B. unrelated broken electronics C. occupation picture cards D. sharp tools without supervision

6. How could a learner apply People who help us outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. thank a community helper D. leave a mess after the lesson

7. Which key word should appear on a People who help us revision card?

A. leg B. goodbye C. picture D. teacher

8. While studying People who help us, which choice shows careful learning?

A. copy answers without understanding B. rush without listening C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about People who help us?

A. sorry B. page C. hello D. driver

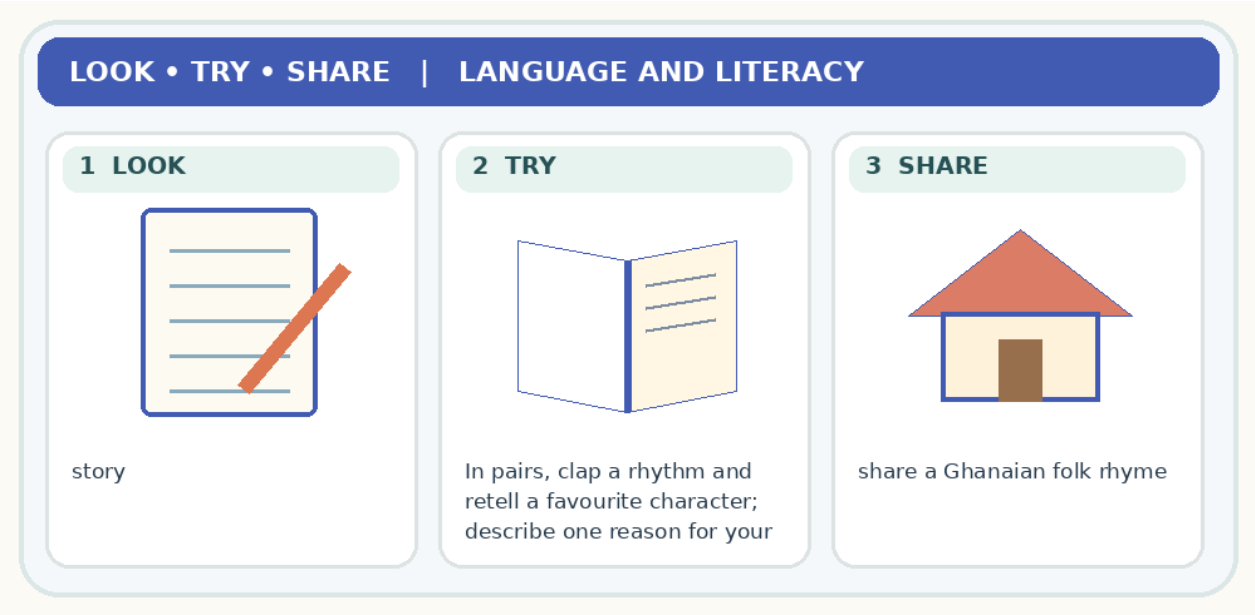

10. After practising People who help us, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. Ghanaian stories and songs

My Nation Ghana | Term 2

EXPLORE

Songs and stories share words, rhythm and culture. In KG2 we explain our choices and use longer descriptions.

Look for: story, rhyme, chorus, clap

PLAY & APPLY

Activity: In pairs, clap a rhythm and retell a favourite character; describe one reason for your choice

Materials: familiar local songs and story cards

Real life: share a Ghanaian folk rhyme

Remember: Songs can have rhythm even without instruments.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Ghanaian stories and songs?

A. goodbye B. story C. letter D. farmer

2. What is the best activity for practising Ghanaian stories and songs?

A. leave all materials untouched B. In pairs, clap a rhythm and retell a favourite character; describe one reason for your choice C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Ghanaian stories and songs?

A. rhyme B. flower C. tree D. welcome

4. Which materials should the group prepare to study Ghanaian stories and songs?

A. nothing suitable for the task B. broken objects found at random C. unsafe tools without an adult D. familiar local songs and story cards

5. Where can you use what you learnt about Ghanaian stories and songs?

A. ignore the safety guidance B. share a Ghanaian folk rhyme C. damage the classroom display D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Ghanaian stories and songs?

A. The pictures in a book are never useful. B. Songs and stories share words, rhythm and culture. In KG2 we explain our choices and use longer descriptions. C. Words and letters have no connection. D. All stories must be told without listening.

2. A classmate makes a mistake in Ghanaian stories and songs. Which reminder helps?

A. Words and letters have no connection. B. All stories must be told without listening. C. Songs can have rhythm even without instruments. D. The pictures in a book are never useful.

3. The class plans to explore Ghanaian stories and songs. Which action fits?

A. In pairs, clap a rhythm and retell a favourite character; describe one reason for your choice B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Ghanaian stories and songs.

A. farmer and goodbye B. story and clap C. letter and sound D. head and sister

5. Which materials are most helpful for Ghanaian stories and songs?

A. random objects that cannot help the task B. familiar local songs and story cards C. unrelated broken electronics D. sharp tools without supervision

6. How could a learner apply Ghanaian stories and songs outside school?

A. refuse to practise the lesson B. share a Ghanaian folk rhyme C. leave a mess after the lesson D. ignore school or home safety rules

7. Which key word should appear on a Ghanaian stories and songs revision card?

A. sun B. please C. chorus D. sorry

8. While studying Ghanaian stories and songs, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about Ghanaian stories and songs?

A. eye B. clap C. picture D. hello

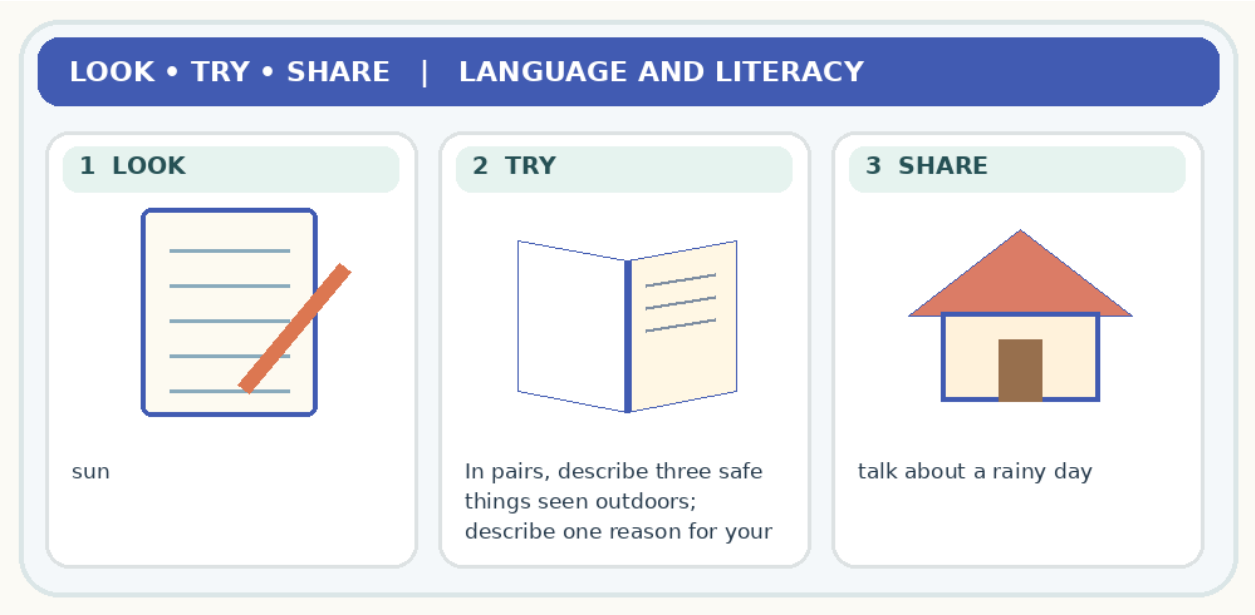

10. After practising Ghanaian stories and songs, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Nature word hunt

All Around Us | Term 3

EXPLORE

Nature vocabulary helps us talk about what we see. In KG2 we explain our choices and use longer descriptions.

Look for: sun, tree, rain, flower

PLAY & APPLY

Activity: In pairs, describe three safe things seen outdoors; describe one reason for your choice

Materials: nature picture cards

Real life: talk about a rainy day

Remember: Words can describe both objects and actions.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Nature word hunt?

A. clap B. sorry C. sun D. good morning

2. What is the best activity for practising Nature word hunt?

A. ignore the instructions and rush B. In pairs, describe three safe things seen outdoors; describe one reason for your choice C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Nature word hunt?

A. then B. excuse me C. eye D. tree

4. Which materials should the group prepare to study Nature word hunt?

A. nothing suitable for the task B. unsafe tools without an adult C. nature picture cards D. broken objects found at random

5. Where can you use what you learnt about Nature word hunt?

A. talk about a rainy day B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Nature word hunt?

A. Nature vocabulary helps us talk about what we see. In KG2 we explain our choices and use longer descriptions. B. The pictures in a book are never useful. C. All stories must be told without listening. D. Words and letters have no connection.

2. A classmate makes a mistake in Nature word hunt. Which reminder helps?

A. Words and letters have no connection. B. All stories must be told without listening. C. The pictures in a book are never useful. D. Words can describe both objects and actions.

3. The class plans to explore Nature word hunt. Which action fits?

A. In pairs, describe three safe things seen outdoors; describe one reason for your choice B. skip the task and claim it is complete C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Nature word hunt.

A. next and driver B. sun and flower C. sorry and good morning D. clap and hand

5. Which materials are most helpful for Nature word hunt?

A. sharp tools without supervision B. random objects that cannot help the task C. nature picture cards D. unrelated broken electronics

6. How could a learner apply Nature word hunt outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. talk about a rainy day D. leave a mess after the lesson

7. Which key word should appear on a Nature word hunt revision card?

A. goodbye B. name C. rain D. sister

8. While studying Nature word hunt, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. observe, try, explain and check your result D. change the answer without reviewing

9. Which label belongs on a poster about Nature word hunt?

A. thank you B. picture C. flower D. story

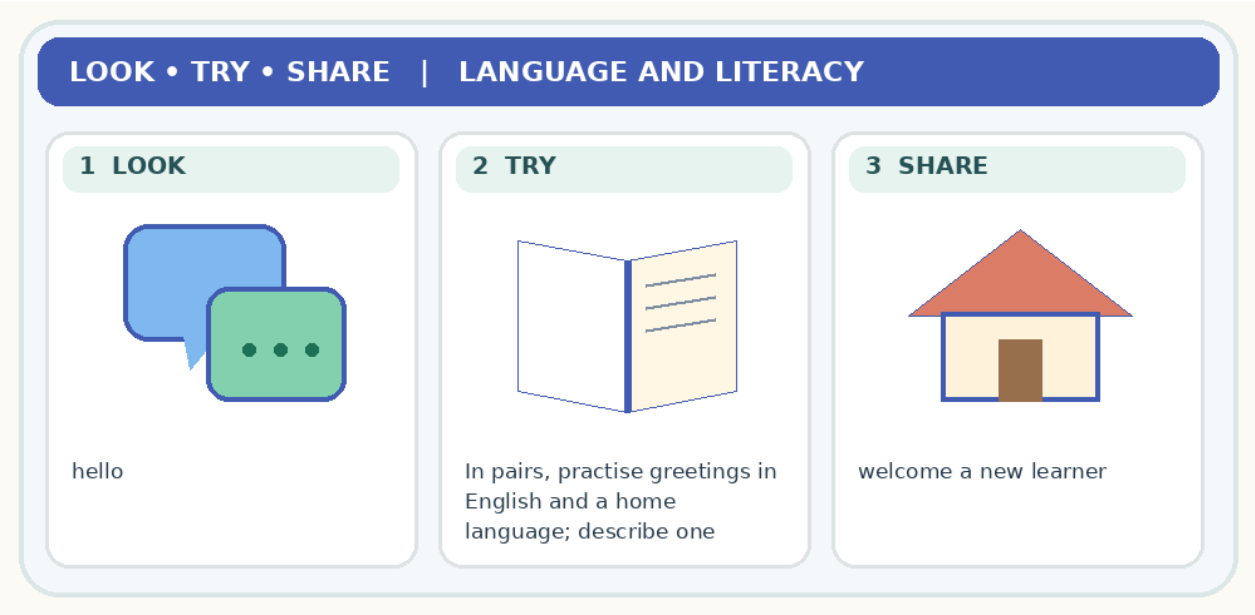

10. After practising Nature word hunt, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. leave the group without sharing D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Greetings around the world

My Global Community | Term 3

EXPLORE

People may greet in different languages while showing respect. In KG2 we explain our choices and use longer descriptions.

Look for: hello, good morning, goodbye, welcome

PLAY & APPLY

Activity: In pairs, practise greetings in English and a home language; describe one reason for your choice

Materials: greeting speech cards

Real life: welcome a new learner

Remember: Respectful greetings vary across communities.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS
