History of Ghana
Basic 3

Illustrated lessons · Practical activities · Play and Challenge questions

Independently authored learning companion aligned to selected NaCCA 2019 topics. This is not an official NaCCA publication.

LESSON 01: The origins of the major ethnic groups in Ghana - Discover

Goal: Discuss the origins of the major ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 01: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The origins of the major ethnic groups in Ghana - Discover: What is this lesson mainly about?

A. Discuss the origins of the major ethnic groups in Ghana

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] The origins of the major ethnic groups in Ghana - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. A simple map, an oral-history account and a short chronology.

C. only unsupported rumours without checking

D. an unrelated fictional story presented as a historical record

3. [Play] The origins of the major ethnic groups in Ghana - Discover: Which action should come first?

A. Finish before looking at the instructions.

B. Ignore the main task and do something unrelated.

C. Observe a simple map, an oral-history account and a short chronology.

D. Skip all practice and guess the result.

4. [Play] The origins of the major ethnic groups in Ghana - Discover: Which setting does this grade use?

A. an unrelated imagined city

B. a topic unrelated to the current class

C. only a future space colony

D. connections between early communities and Ghana’s past

5. [Play] The origins of the major ethnic groups in Ghana - Discover: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. a short, evidence-supported historical explanation

C. an unsupported claim with no classroom practice

D. a response that does not show the lesson skill

6. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which action comes after the opening step?

A. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

B. Only watch others without trying

C. Skip to marking before learning

D. Change to an unrelated lesson immediately

7. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which practice completes the three lesson stages?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Give a guess without trying the activity

C. Stop after reading the title

D. Leave the task unfinished without explaining

8. [Challenge] The origins of the major ethnic groups in Ghana - Discover: What counts as good evidence of learning here?

A. a cause-and-effect chart

B. an opinion without observation or practice

C. an unrelated example that does not test the skill

D. a random answer with no supporting detail

9. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Do the activity without considering other people.

C. Take unnecessary risks to finish first.

D. Ignore the teacher’s safety instructions.

10. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Complete a different lesson instead

C. Avoid the stated task and its materials

D. Explain one possible cause of change and identify the evidence needed to check it.

11. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. The topic can be completed without observing or practising

C. Learning means only guessing and never checking

D. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

12. [Challenge] The origins of the major ethnic groups in Ghana - Discover: What should a partner help you check?

A. Whether your work demonstrates a cause-and-effect chart.

B. Whether you can ignore the agreed task

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Make up results instead of practising

C. Stop immediately without reflection

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The origins of the major ethnic groups in Ghana - Discover: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Change answers randomly without a reason

C. Revisit the steps and strengthen a cause-and-effect chart.

D. Ignore all comments and leave the task incomplete

15. [Challenge] The origins of the major ethnic groups in Ghana - Discover: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

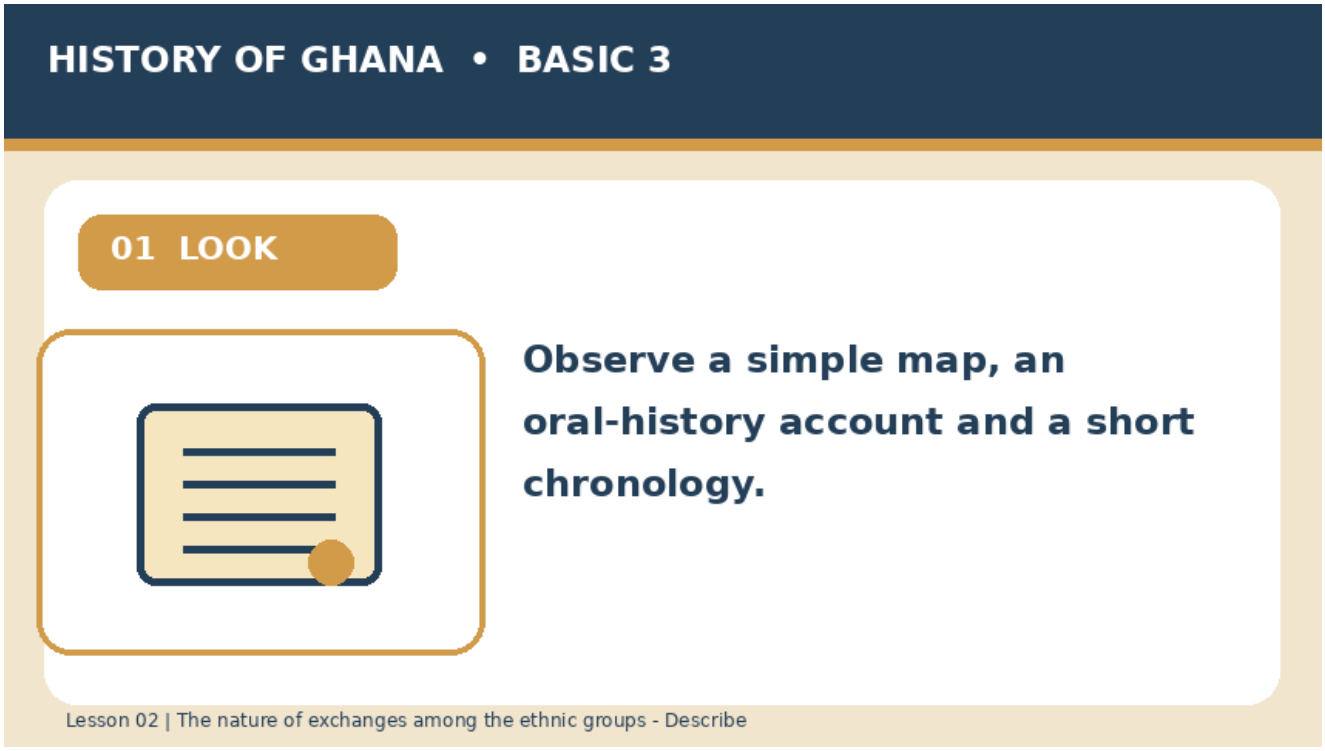

B. Avoid explaining how the skill could be used

C. Apply the lesson about discuss the origins of the major ethnic groups in ghana to a suitable real-life situation.

D. Use the topic to mislead others

LESSON 02: The nature of exchanges among the ethnic groups - Describe

Goal: Discuss the nature of exchanges among the ethnic groups.

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 02: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The nature of exchanges among the ethnic groups - Describe: What is this lesson mainly about?

A. Discuss the nature of exchanges among the ethnic groups.

B. Treat every account as equally reliable without checking

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] The nature of exchanges among the ethnic groups - Describe: What useful learning material or support is listed?

A. A simple map, an oral-history account and a short chronology.

B. an unrelated fictional story presented as a historical record

C. guesses written without any source

D. only unsupported rumours without checking

3. [Play] The nature of exchanges among the ethnic groups - Describe: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Observe a simple map, an oral-history account and a short chronology.

4. [Play] The nature of exchanges among the ethnic groups - Describe: Which setting does this grade use?

A. a topic unrelated to the current class

B. only a future space colony

C. connections between early communities and Ghana’s past

D. an unrelated imagined city

5. [Play] The nature of exchanges among the ethnic groups - Describe: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. an unsupported claim with no classroom practice

C. a short, evidence-supported historical explanation

D. a response that does not show the lesson skill

6. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which action comes after the opening step?

A. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

B. Only watch others without trying

C. Skip to marking before learning

D. Change to an unrelated lesson immediately

7. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which practice completes the three lesson stages?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Leave the task unfinished without explaining

C. Stop after reading the title

D. Give a guess without trying the activity

8. [Challenge] The nature of exchanges among the ethnic groups - Describe: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a cause-and-effect chart

C. an unrelated example that does not test the skill

D. a random answer with no supporting detail

9. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Do the activity without considering other people.

D. Take unnecessary risks to finish first.

10. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Explain one possible cause of change and identify the evidence needed to check it.

11. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. Learning means only guessing and never checking

C. The topic can be completed without observing or practising

D. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

12. [Challenge] The nature of exchanges among the ethnic groups - Describe: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a cause-and-effect chart.

C. Whether you can finish without showing your work

D. Whether you can avoid answering questions

13. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Repeat the same error without checking feedback

D. Make up results instead of practising

14. [Challenge] The nature of exchanges among the ethnic groups - Describe: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Skip a difficult part without asking for help

C. Ignore all comments and leave the task incomplete

D. Revisit the steps and strengthen a cause-and-effect chart.

15. [Challenge] The nature of exchanges among the ethnic groups - Describe: Which choice would show responsible use of today’s skill?

A. Apply the lesson about discuss the nature of exchanges among the ethnic groups to a suitable real-life situation.

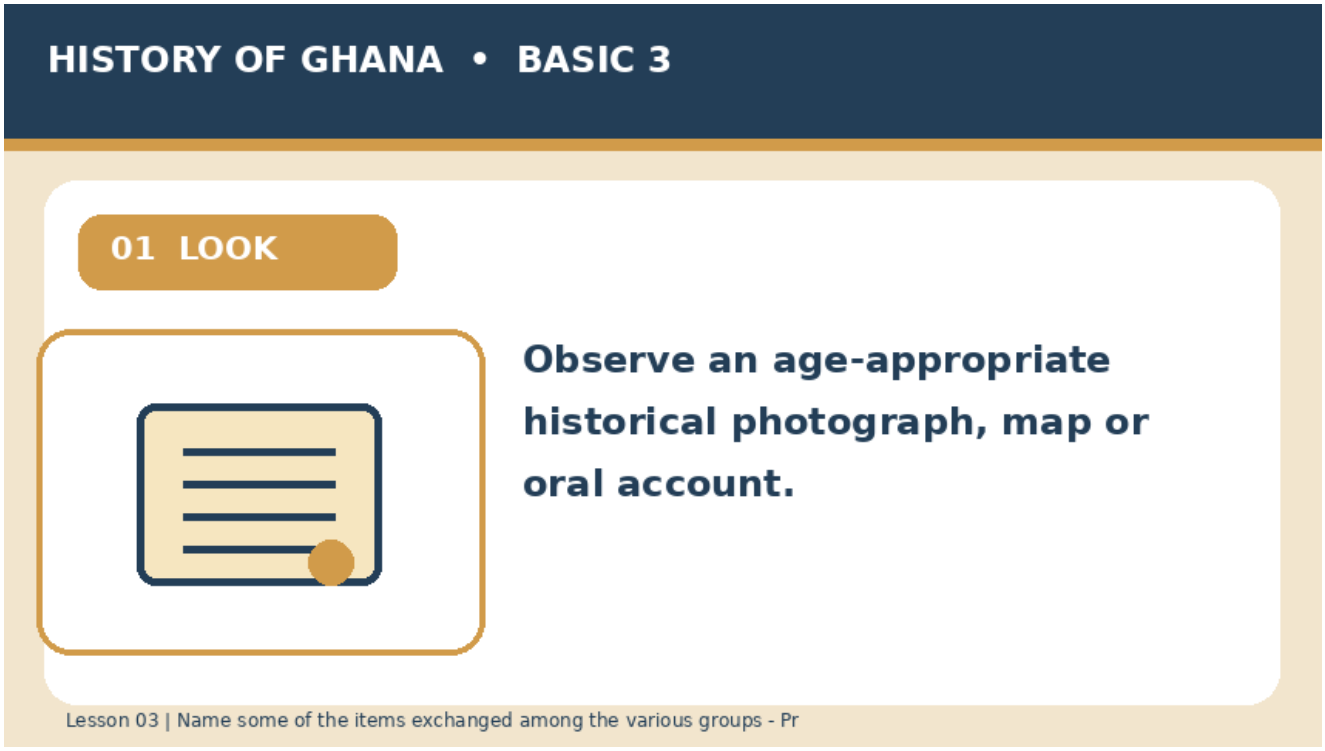

B. Use the topic to mislead others

C. Claim expertise without trying the skill

D. Avoid explaining how the skill could be used

LESSON 03: Name some of the items exchanged among the various groups - Practise

Goal: Name some of the items exchanged among the various groups.

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Name some of the items exchanged among the various groups.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 03: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Name some of the items exchanged among the various groups - Practise: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Treat every account as equally reliable without checking

C. Name some of the items exchanged among the various groups.

D. Ignore historical sources and decide from a guess

2. [Play] Name some of the items exchanged among the various groups - Practise: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. An age-appropriate historical photograph, map or oral account.

3. [Play] Name some of the items exchanged among the various groups - Practise: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Observe an age-appropriate historical photograph, map or oral account.

C. Finish before looking at the instructions.

D. Skip all practice and guess the result.

4. [Play] Name some of the items exchanged among the various groups - Practise: Which setting does this grade use?

A. connections between early communities and Ghana’s past

B. a topic unrelated to the current class

C. only a future space colony

D. an unrelated imagined city

5. [Play] Name some of the items exchanged among the various groups - Practise: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. a short, evidence-supported historical explanation

C. an unsupported claim with no classroom practice

D. a response that does not show the lesson skill

6. [Challenge] Name some of the items exchanged among the various groups - Practise: Which action comes after the opening step?

A. Only watch others without trying

B. Ask a question about: Name some of the items exchanged among the various groups.

C. Skip to marking before learning

D. Change to an unrelated lesson immediately

7. [Challenge] Name some of the items exchanged among the various groups - Practise: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Give a guess without trying the activity

D. Identify a historical question and explain how evidence may answer it.

8. [Challenge] Name some of the items exchanged among the various groups - Practise: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. a random answer with no supporting detail

C. an opinion without observation or practice

D. an evidence-based explanation

9. [Challenge] Name some of the items exchanged among the various groups - Practise: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Do the activity without considering other people.

D. Ignore the teacher’s safety instructions.

10. [Challenge] Name some of the items exchanged among the various groups - Practise: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Identify a historical question and explain how evidence may answer it.

C. Copy another learner’s response without trying

D. Avoid the stated task and its materials

11. [Challenge] Name some of the items exchanged among the various groups - Practise: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

C. The lesson has no connection to life or skills

D. The topic can be completed without observing or practising

12. [Challenge] Name some of the items exchanged among the various groups - Practise: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can ignore the agreed task

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can finish without showing your work

13. [Challenge] Name some of the items exchanged among the various groups - Practise: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Repeat the same error without checking feedback

C. Compare two sources; say how you know which details are reliable.

D. Stop immediately without reflection

14. [Challenge] Name some of the items exchanged among the various groups - Practise: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Revisit the steps and strengthen an evidence-based explanation.

C. Ignore all comments and leave the task incomplete

D. Skip a difficult part without asking for help

15. [Challenge] Name some of the items exchanged among the various groups - Practise: Which choice would show responsible use of today’s skill?

A. Apply the lesson about name some of the items exchanged among the various groups to a suitable real-life situation.

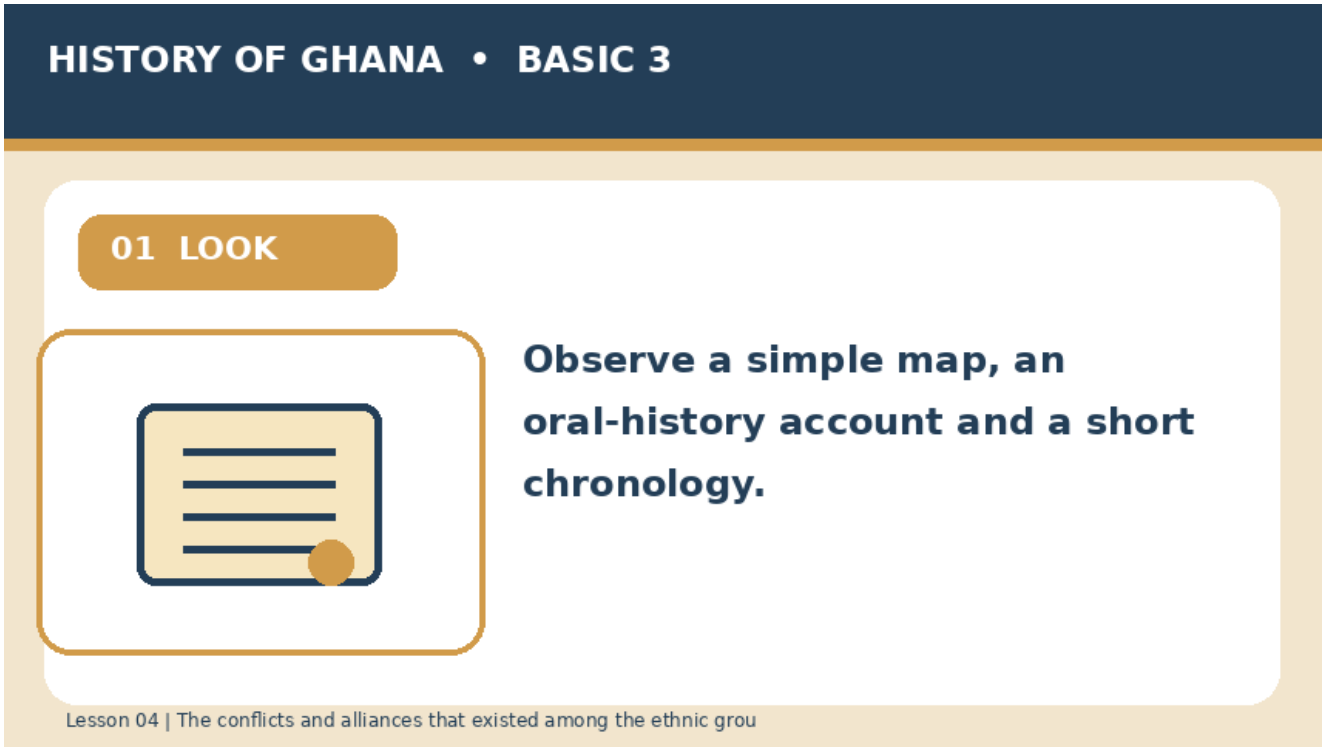

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 04: The conflicts and alliances that existed among the ethnic groups in - Apply

Goal: Describe the conflicts and alliances that existed among the ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 04: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The conflicts and alliances that existed among the ethnic groups in - Apply: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Describe the conflicts and alliances that existed among the ethnic groups in Ghana

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] The conflicts and alliances that existed among the ethnic groups in - Apply: What useful learning material or support is listed?

A. guesses written without any source

B. an unrelated fictional story presented as a historical record

C. A simple map, an oral-history account and a short chronology.

D. only unsupported rumours without checking

3. [Play] The conflicts and alliances that existed among the ethnic groups in - Apply: Which action should come first?

A. Observe a simple map, an oral-history account and a short chronology.

B. Ignore the main task and do something unrelated.

C. Finish before looking at the instructions.

D. Skip all practice and guess the result.

4. [Play] The conflicts and alliances that existed among the ethnic groups in - Apply: Which setting does this grade use?

A. a topic unrelated to the current class

B. connections between early communities and Ghana’s past

C. only a future space colony

D. an unrelated imagined city

5. [Play] The conflicts and alliances that existed among the ethnic groups in - Apply: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. an unsupported claim with no classroom practice

6. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which action comes after the opening step?

A. Skip to marking before learning

B. Change to an unrelated lesson immediately

C. Only watch others without trying

D. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

7. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Give a guess without trying the activity

C. Leave the task unfinished without explaining

D. Explain one possible cause of change and identify the evidence needed to check it.

8. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. a cause-and-effect chart

C. an unrelated example that does not test the skill

D. an opinion without observation or practice

9. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Take unnecessary risks to finish first.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Do the activity without considering other people.

10. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Explain one possible cause of change and identify the evidence needed to check it.

C. Avoid the stated task and its materials

D. Copy another learner’s response without trying

11. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

C. The lesson has no connection to life or skills

D. The topic can be completed without observing or practising

12. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a cause-and-effect chart.

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Stop immediately without reflection

C. Compare two sources; say how you know which details are reliable.

D. Repeat the same error without checking feedback

14. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Change answers randomly without a reason

C. Revisit the steps and strengthen a cause-and-effect chart.

D. Skip a difficult part without asking for help

15. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Apply: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

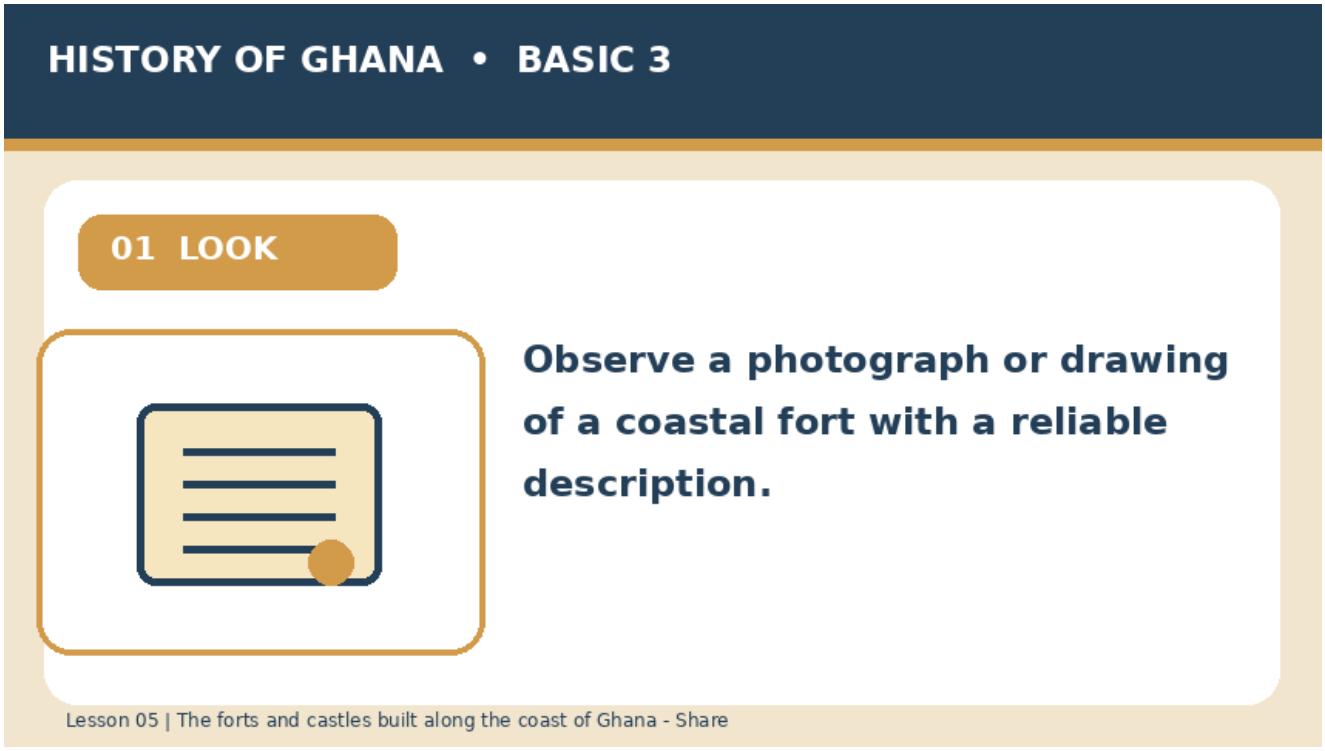

B. Apply the lesson about describe the conflicts and alliances that existed among the ethnic groups in ghana to a suitable real-life situation.

C. Use the topic to mislead others

D. Claim expertise without trying the skill

LESSON 05: The forts and castles built along the coast of Ghana - Share

Goal: Identify the forts and castles built along the coast of Ghana

Learn it

Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

Useful material: A photograph or drawing of a coastal fort with a reliable description.

Do it in three steps

1. Observe a photograph or drawing of a coastal fort with a reliable description.

2. Ask a question about: Identify the forts and castles built along the coast of Ghana.

3. Describe what the site shows and name a question the image alone cannot answer.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe what the site shows and name a question the image alone cannot answer.

Show your learning: a source comparison. Compare two sources; say how you know which details are reliable.

LESSON 05: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The forts and castles built along the coast of Ghana - Share: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Ignore historical sources and decide from a guess

C. Discuss an unrelated modern topic without evidence

D. Identify the forts and castles built along the coast of Ghana

2. [Play] The forts and castles built along the coast of Ghana - Share: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. A photograph or drawing of a coastal fort with a reliable description.

C. guesses written without any source

D. an unrelated fictional story presented as a historical record

3. [Play] The forts and castles built along the coast of Ghana - Share: Which action should come first?

A. Finish before looking at the instructions.

B. Skip all practice and guess the result.

C. Observe a photograph or drawing of a coastal fort with a reliable description.

D. Ignore the main task and do something unrelated.

4. [Play] The forts and castles built along the coast of Ghana - Share: Which setting does this grade use?

A. an unrelated imagined city

B. only a future space colony

C. connections between early communities and Ghana’s past

D. a topic unrelated to the current class

5. [Play] The forts and castles built along the coast of Ghana - Share: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] The forts and castles built along the coast of Ghana - Share: Which action comes after the opening step?

A. Ask a question about: Identify the forts and castles built along the coast of Ghana.

B. Only watch others without trying

C. Skip to marking before learning

D. Change to an unrelated lesson immediately

7. [Challenge] The forts and castles built along the coast of Ghana - Share: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Leave the task unfinished without explaining

C. Give a guess without trying the activity

D. Describe what the site shows and name a question the image alone cannot answer.

8. [Challenge] The forts and castles built along the coast of Ghana - Share: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an opinion without observation or practice

C. an unrelated example that does not test the skill

D. a source comparison

9. [Challenge] The forts and castles built along the coast of Ghana - Share: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Ignore the teacher’s safety instructions.

C. Do the activity without considering other people.

D. Take unnecessary risks to finish first.

10. [Challenge] The forts and castles built along the coast of Ghana - Share: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Complete a different lesson instead

C. Copy another learner’s response without trying

D. Describe what the site shows and name a question the image alone cannot answer.

11. [Challenge] The forts and castles built along the coast of Ghana - Share: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. The lesson has no connection to life or skills

C. Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

D. The topic can be completed without observing or practising

12. [Challenge] The forts and castles built along the coast of Ghana - Share: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a source comparison.

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] The forts and castles built along the coast of Ghana - Share: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Stop immediately without reflection

C. Repeat the same error without checking feedback

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The forts and castles built along the coast of Ghana - Share: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Revisit the steps and strengthen a source comparison.

C. Skip a difficult part without asking for help

D. Ignore all comments and leave the task incomplete

15. [Challenge] The forts and castles built along the coast of Ghana - Share: Which choice would show responsible use of today’s skill?

A. Apply the lesson about identify the forts and castles built along the coast of ghana to a suitable real-life situation.

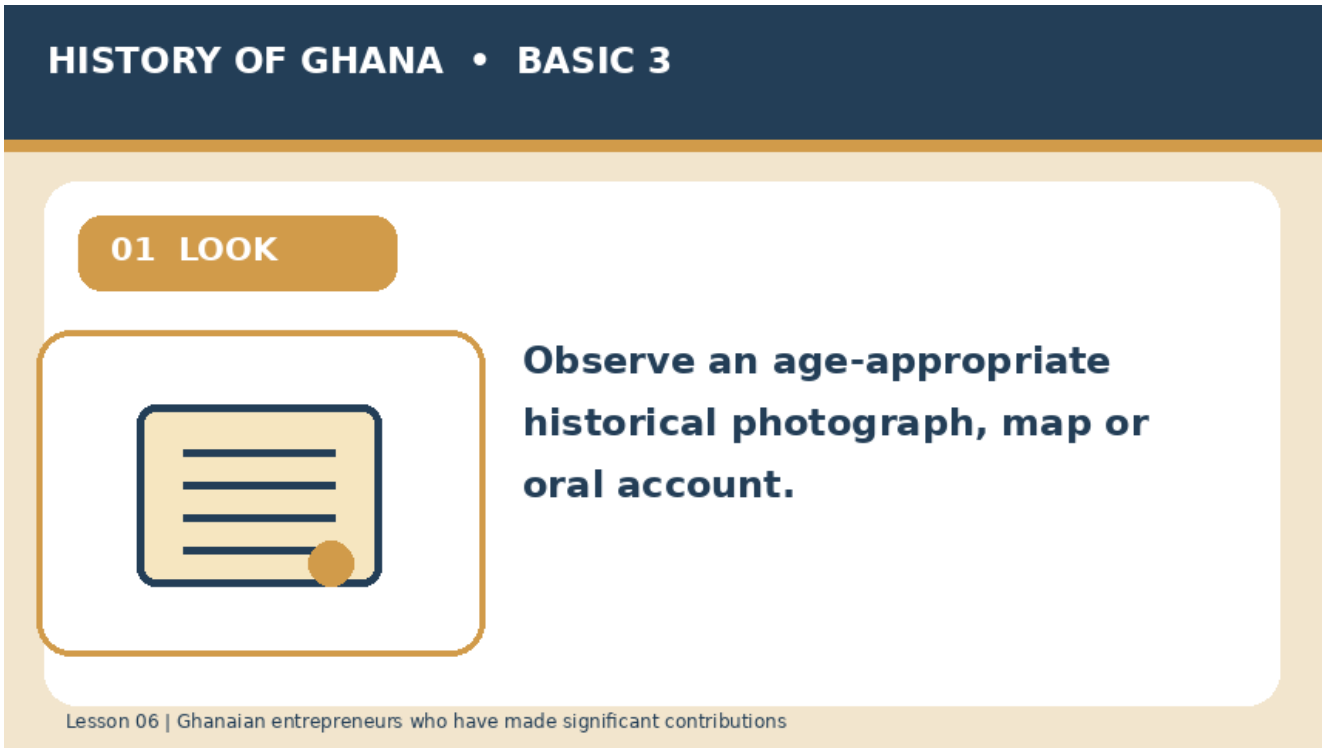

B. Claim expertise without trying the skill

C. Use the topic to mislead others

D. Avoid explaining how the skill could be used

LESSON 06: Ghanaian entrepreneurs who have made significant contributions - Discover

Goal: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 06: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Ghanaian entrepreneurs who have made significant contributions - Discover: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Discuss an unrelated modern topic without evidence

C. Treat every account as equally reliable without checking

D. Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

2. [Play] Ghanaian entrepreneurs who have made significant contributions - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. An age-appropriate historical photograph, map or oral account.

C. an unrelated fictional story presented as a historical record

D. only unsupported rumours without checking

3. [Play] Ghanaian entrepreneurs who have made significant contributions - Discover: Which action should come first?

A. Finish before looking at the instructions.

B. Ignore the main task and do something unrelated.

C. Skip all practice and guess the result.

D. Observe an age-appropriate historical photograph, map or oral account.

4. [Play] Ghanaian entrepreneurs who have made significant contributions - Discover: Which setting does this grade use?

A. an unrelated imagined city

B. connections between early communities and Ghana’s past

C. a topic unrelated to the current class

D. only a future space colony

5. [Play] Ghanaian entrepreneurs who have made significant contributions - Discover: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. a short, evidence-supported historical explanation

6. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which action comes after the opening step?

A. Only watch others without trying

B. Change to an unrelated lesson immediately

C. Skip to marking before learning

D. Ask a question about: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman.

7. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Leave the task unfinished without explaining

C. Stop after reading the title

D. Identify a historical question and explain how evidence may answer it.

8. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. an evidence-based explanation

C. a random answer with no supporting detail

D. an opinion without observation or practice

9. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Take unnecessary risks to finish first.

C. Ignore the teacher’s safety instructions.

D. Do the activity without considering other people.

10. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Avoid the stated task and its materials

C. Copy another learner’s response without trying

D. Identify a historical question and explain how evidence may answer it.

11. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

C. The topic can be completed without observing or practising

D. The lesson has no connection to life or skills

12. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether your work demonstrates an evidence-based explanation.

C. Whether you can finish without showing your work

D. Whether you can ignore the agreed task

13. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Make up results instead of practising

C. Stop immediately without reflection

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: How should a learner improve after feedback?

A. Skip a difficult part without asking for help

B. Revisit the steps and strengthen an evidence-based explanation.

C. Ignore all comments and leave the task incomplete

D. Change answers randomly without a reason

15. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Discover: Which choice would show responsible use of today’s skill?

A. Apply the lesson about describe ghanaian entrepreneurs who have made significant contributions including george grant – businessman to a suitable real-life situation.

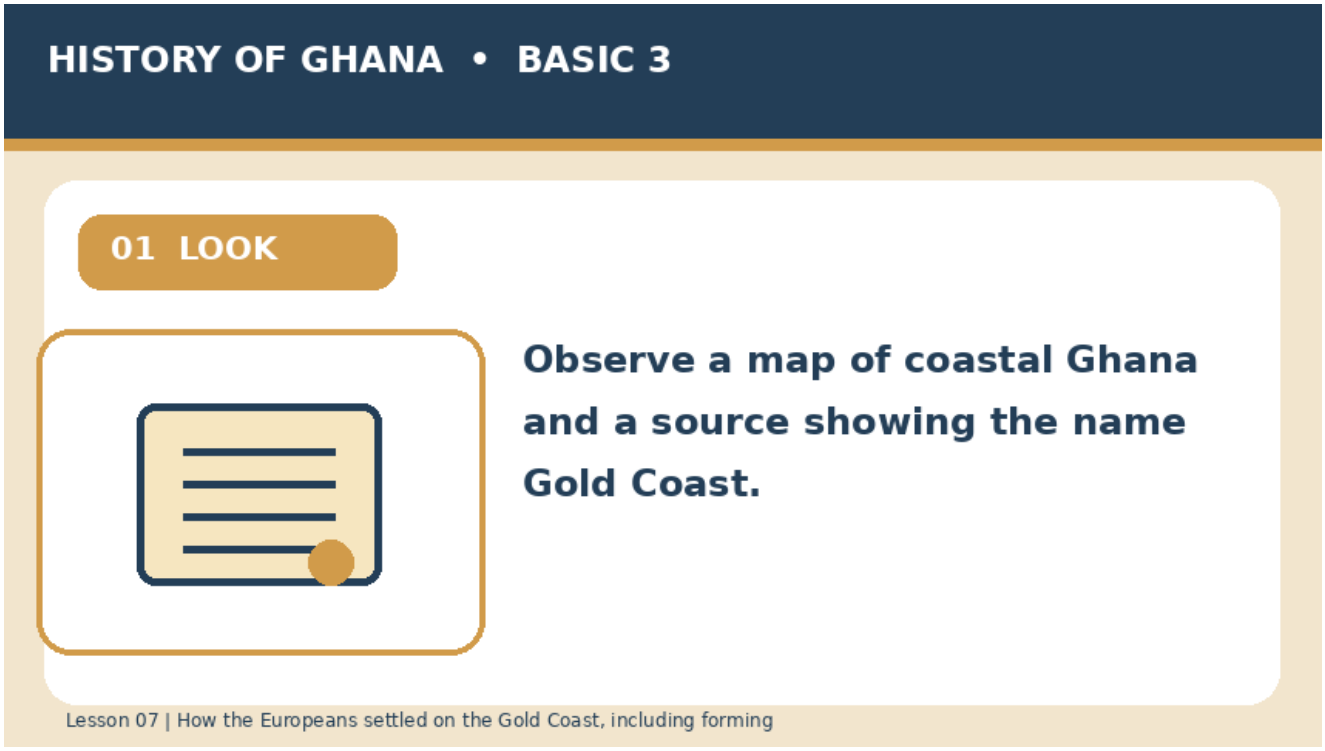

B. Avoid explaining how the skill could be used

C. Use the topic to mislead others

D. Claim expertise without trying the skill

LESSON 07: How the Europeans settled on the Gold Coast, including forming - Describe

Goal: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs

Learn it

Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

Useful material: A map of coastal Ghana and a source showing the name Gold Coast.

Do it in three steps

1. Observe a map of coastal Ghana and a source showing the name Gold Coast.

2. Ask a question about: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs.

3. Compare the older name with Ghana today; say what a historical name can tell us.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Compare the older name with Ghana today; say what a historical name can tell us.

Show your learning: name changes over time. Compare two sources; say how you know which details are reliable.

LESSON 07: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] How the Europeans settled on the Gold Coast, including forming - Describe: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Treat every account as equally reliable without checking

C. Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs

D. Discuss an unrelated modern topic without evidence

2. [Play] How the Europeans settled on the Gold Coast, including forming - Describe: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. guesses written without any source

C. A map of coastal Ghana and a source showing the name Gold Coast.

D. an unrelated fictional story presented as a historical record

3. [Play] How the Europeans settled on the Gold Coast, including forming - Describe: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Skip all practice and guess the result.

C. Observe a map of coastal Ghana and a source showing the name Gold Coast.

D. Finish before looking at the instructions.

4. [Play] How the Europeans settled on the Gold Coast, including forming - Describe: Which setting does this grade use?

A. only a future space colony

B. connections between early communities and Ghana’s past

C. an unrelated imagined city

D. a topic unrelated to the current class

5. [Play] How the Europeans settled on the Gold Coast, including forming - Describe: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. a short, evidence-supported historical explanation

C. an unsupported claim with no classroom practice

D. an unrelated picture with no explanation

6. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Only watch others without trying

C. Skip to marking before learning

D. Ask a question about: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs.

7. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Stop after reading the title

C. Leave the task unfinished without explaining

D. Compare the older name with Ghana today; say what a historical name can tell us.

8. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: What counts as good evidence of learning here?

A. name changes over time

B. a random answer with no supporting detail

C. an opinion without observation or practice

D. an unrelated example that does not test the skill

9. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Take unnecessary risks to finish first.

C. Do the activity without considering other people.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Compare the older name with Ghana today; say what a historical name can tell us.

C. Avoid the stated task and its materials

D. Complete a different lesson instead

11. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

12. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can avoid answering questions

C. Whether you can ignore the agreed task

D. Whether your work demonstrates name changes over time.

13. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Make up results instead of practising

C. Repeat the same error without checking feedback

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Revisit the steps and strengthen name changes over time.

15. [Challenge] How the Europeans settled on the Gold Coast, including forming - Describe: Which choice would show responsible use of today’s skill?

A. Apply the lesson about describe how the europeans settled on the gold coast, including forming alliances with the local chiefs to a suitable real-life situation.

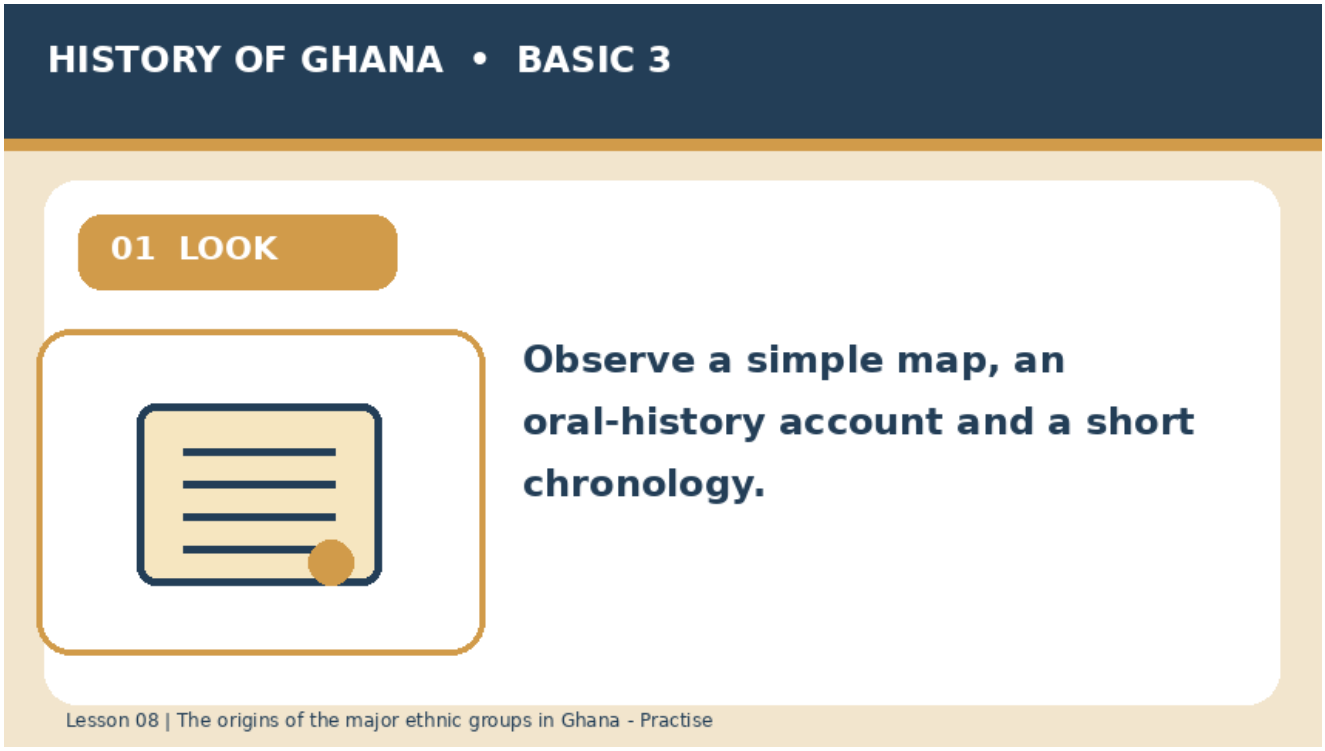

B. Use the topic to mislead others

C. Avoid explaining how the skill could be used

D. Claim expertise without trying the skill

LESSON 08: The origins of the major ethnic groups in Ghana - Practise

Goal: Discuss the origins of the major ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 08: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The origins of the major ethnic groups in Ghana - Practise: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Discuss the origins of the major ethnic groups in Ghana

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] The origins of the major ethnic groups in Ghana - Practise: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. guesses written without any source

C. an unrelated fictional story presented as a historical record

D. A simple map, an oral-history account and a short chronology.

3. [Play] The origins of the major ethnic groups in Ghana - Practise: Which action should come first?

A. Observe a simple map, an oral-history account and a short chronology.

B. Ignore the main task and do something unrelated.

C. Skip all practice and guess the result.

D. Finish before looking at the instructions.

4. [Play] The origins of the major ethnic groups in Ghana - Practise: Which setting does this grade use?

A. a topic unrelated to the current class

B. only a future space colony

C. an unrelated imagined city

D. connections between early communities and Ghana’s past

5. [Play] The origins of the major ethnic groups in Ghana - Practise: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. a short, evidence-supported historical explanation

C. an unrelated picture with no explanation

D. an unsupported claim with no classroom practice

6. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

C. Skip to marking before learning

D. Only watch others without trying

7. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Give a guess without trying the activity

C. Leave the task unfinished without explaining

D. Explain one possible cause of change and identify the evidence needed to check it.

8. [Challenge] The origins of the major ethnic groups in Ghana - Practise: What counts as good evidence of learning here?

A. a cause-and-effect chart

B. a random answer with no supporting detail

C. an opinion without observation or practice

D. an unrelated example that does not test the skill

9. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Ignore the teacher’s safety instructions.

10. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which classroom activity helps apply the lesson?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Avoid the stated task and its materials

C. Copy another learner’s response without trying

D. Complete a different lesson instead

11. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

C. The lesson has no connection to life or skills

D. The topic can be completed without observing or practising

12. [Challenge] The origins of the major ethnic groups in Ghana - Practise: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can ignore the agreed task

C. Whether your work demonstrates a cause-and-effect chart.

D. Whether you can finish without showing your work

13. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Make up results instead of practising

D. Repeat the same error without checking feedback

14. [Challenge] The origins of the major ethnic groups in Ghana - Practise: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Revisit the steps and strengthen a cause-and-effect chart.

C. Change answers randomly without a reason

D. Skip a difficult part without asking for help

15. [Challenge] The origins of the major ethnic groups in Ghana - Practise: Which choice would show responsible use of today’s skill?

A. Apply the lesson about discuss the origins of the major ethnic groups in ghana to a suitable real-life situation.

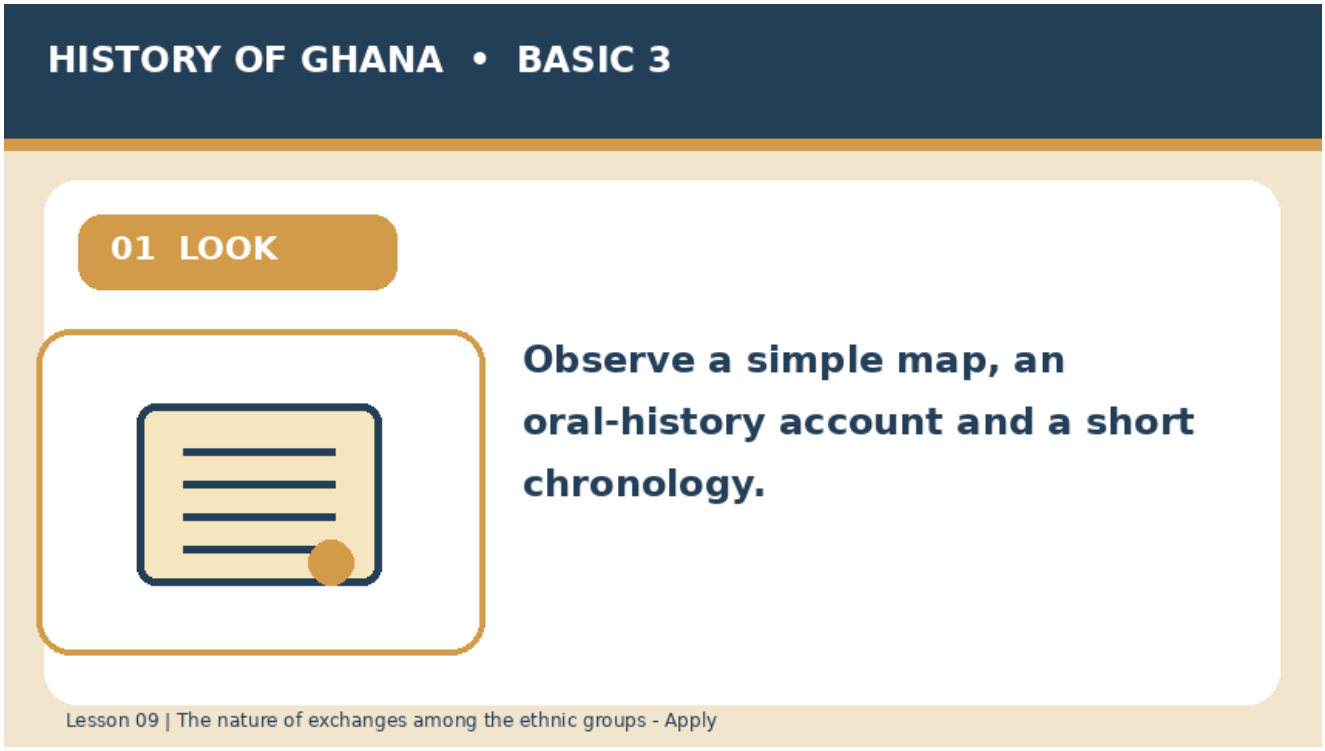

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 09: The nature of exchanges among the ethnic groups - Apply

Goal: Discuss the nature of exchanges among the ethnic groups.

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 09: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The nature of exchanges among the ethnic groups - Apply: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Discuss the nature of exchanges among the ethnic groups.

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] The nature of exchanges among the ethnic groups - Apply: What useful learning material or support is listed?

A. A simple map, an oral-history account and a short chronology.

B. only unsupported rumours without checking

C. an unrelated fictional story presented as a historical record

D. guesses written without any source

3. [Play] The nature of exchanges among the ethnic groups - Apply: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Observe a simple map, an oral-history account and a short chronology.

C. Skip all practice and guess the result.

D. Finish before looking at the instructions.

4. [Play] The nature of exchanges among the ethnic groups - Apply: Which setting does this grade use?

A. a topic unrelated to the current class

B. only a future space colony

C. an unrelated imagined city

D. connections between early communities and Ghana’s past

5. [Play] The nature of exchanges among the ethnic groups - Apply: What should learners produce or demonstrate?

A. an unrelated picture with no explanation

B. a response that does not show the lesson skill

C. an unsupported claim with no classroom practice

D. a short, evidence-supported historical explanation

6. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which action comes after the opening step?

A. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

B. Skip to marking before learning

C. Change to an unrelated lesson immediately

D. Only watch others without trying

7. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Give a guess without trying the activity

C. Explain one possible cause of change and identify the evidence needed to check it.

D. Leave the task unfinished without explaining

8. [Challenge] The nature of exchanges among the ethnic groups - Apply: What counts as good evidence of learning here?

A. a cause-and-effect chart

B. an unrelated example that does not test the skill

C. a random answer with no supporting detail

D. an opinion without observation or practice

9. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Do the activity without considering other people.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Take unnecessary risks to finish first.

10. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Avoid the stated task and its materials

C. Copy another learner’s response without trying

D. Explain one possible cause of change and identify the evidence needed to check it.

11. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

C. The lesson has no connection to life or skills

D. Learning means only guessing and never checking

12. [Challenge] The nature of exchanges among the ethnic groups - Apply: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can avoid answering questions

C. Whether you can finish without showing your work

D. Whether your work demonstrates a cause-and-effect chart.

13. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Stop immediately without reflection

C. Make up results instead of practising

D. Repeat the same error without checking feedback

14. [Challenge] The nature of exchanges among the ethnic groups - Apply: How should a learner improve after feedback?

A. Revisit the steps and strengthen a cause-and-effect chart.

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Skip a difficult part without asking for help

15. [Challenge] The nature of exchanges among the ethnic groups - Apply: Which choice would show responsible use of today’s skill?

A. Apply the lesson about discuss the nature of exchanges among the ethnic groups to a suitable real-life situation.

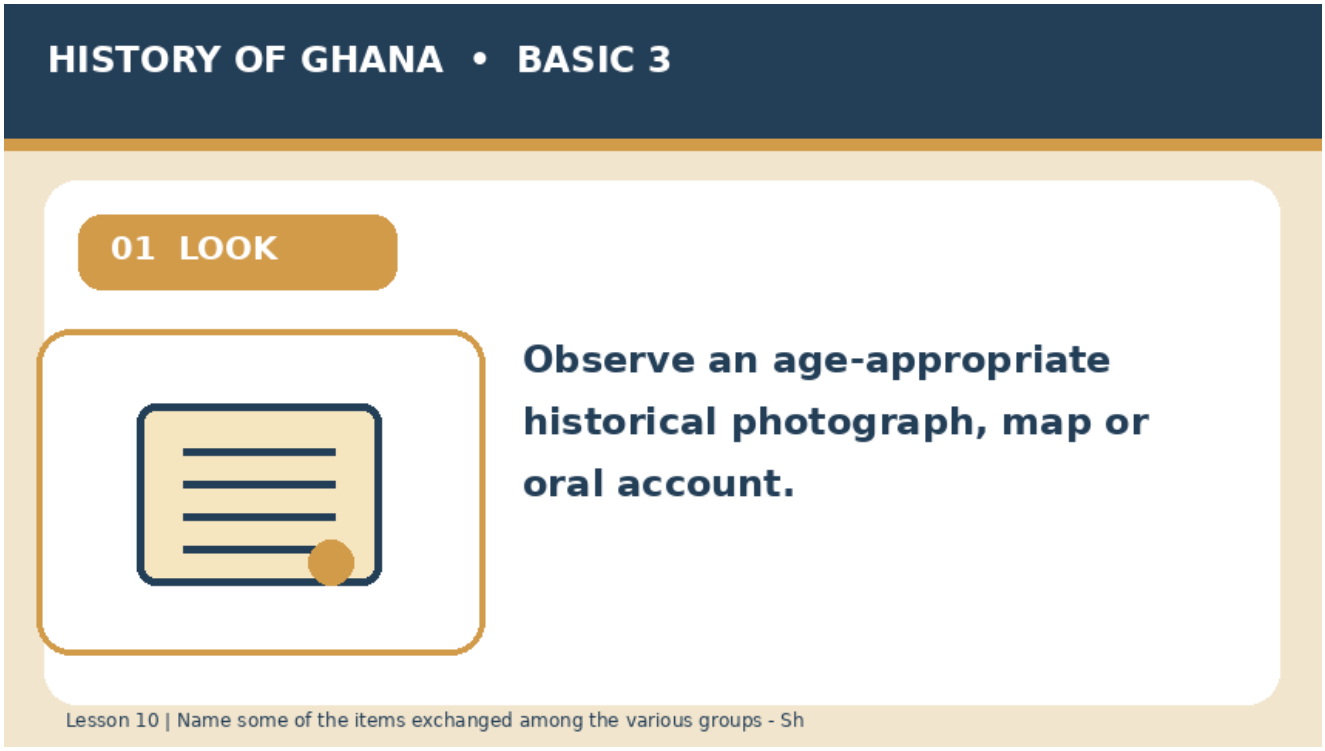

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 10: Name some of the items exchanged among the various groups - Share

Goal: Name some of the items exchanged among the various groups.

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Name some of the items exchanged among the various groups.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 10: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Name some of the items exchanged among the various groups - Share: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Treat every account as equally reliable without checking

C. Name some of the items exchanged among the various groups.

D. Ignore historical sources and decide from a guess

2. [Play] Name some of the items exchanged among the various groups - Share: What useful learning material or support is listed?

A. An age-appropriate historical photograph, map or oral account.

B. only unsupported rumours without checking

C. guesses written without any source

D. an unrelated fictional story presented as a historical record

3. [Play] Name some of the items exchanged among the various groups - Share: Which action should come first?

A. Finish before looking at the instructions.

B. Skip all practice and guess the result.

C. Observe an age-appropriate historical photograph, map or oral account.

D. Ignore the main task and do something unrelated.

4. [Play] Name some of the items exchanged among the various groups - Share: Which setting does this grade use?

A. only a future space colony

B. a topic unrelated to the current class

C. connections between early communities and Ghana’s past

D. an unrelated imagined city

5. [Play] Name some of the items exchanged among the various groups - Share: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. an unrelated picture with no explanation

C. an unsupported claim with no classroom practice

D. a short, evidence-supported historical explanation

6. [Challenge] Name some of the items exchanged among the various groups - Share: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Ask a question about: Name some of the items exchanged among the various groups.

D. Only watch others without trying

7. [Challenge] Name some of the items exchanged among the various groups - Share: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Leave the task unfinished without explaining

C. Identify a historical question and explain how evidence may answer it.

D. Give a guess without trying the activity

8. [Challenge] Name some of the items exchanged among the various groups - Share: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. an opinion without observation or practice

C. an evidence-based explanation

D. a random answer with no supporting detail

9. [Challenge] Name some of the items exchanged among the various groups - Share: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Take unnecessary risks to finish first.

C. Ignore the teacher’s safety instructions.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] Name some of the items exchanged among the various groups - Share: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Copy another learner’s response without trying

C. Avoid the stated task and its materials

D. Identify a historical question and explain how evidence may answer it.

11. [Challenge] Name some of the items exchanged among the various groups - Share: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. Learning means only guessing and never checking

C. The lesson has no connection to life or skills

D. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

12. [Challenge] Name some of the items exchanged among the various groups - Share: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can finish without showing your work

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can avoid answering questions

13. [Challenge] Name some of the items exchanged among the various groups - Share: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Repeat the same error without checking feedback

D. Make up results instead of practising

14. [Challenge] Name some of the items exchanged among the various groups - Share: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Skip a difficult part without asking for help

C. Ignore all comments and leave the task incomplete

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Name some of the items exchanged among the various groups - Share: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

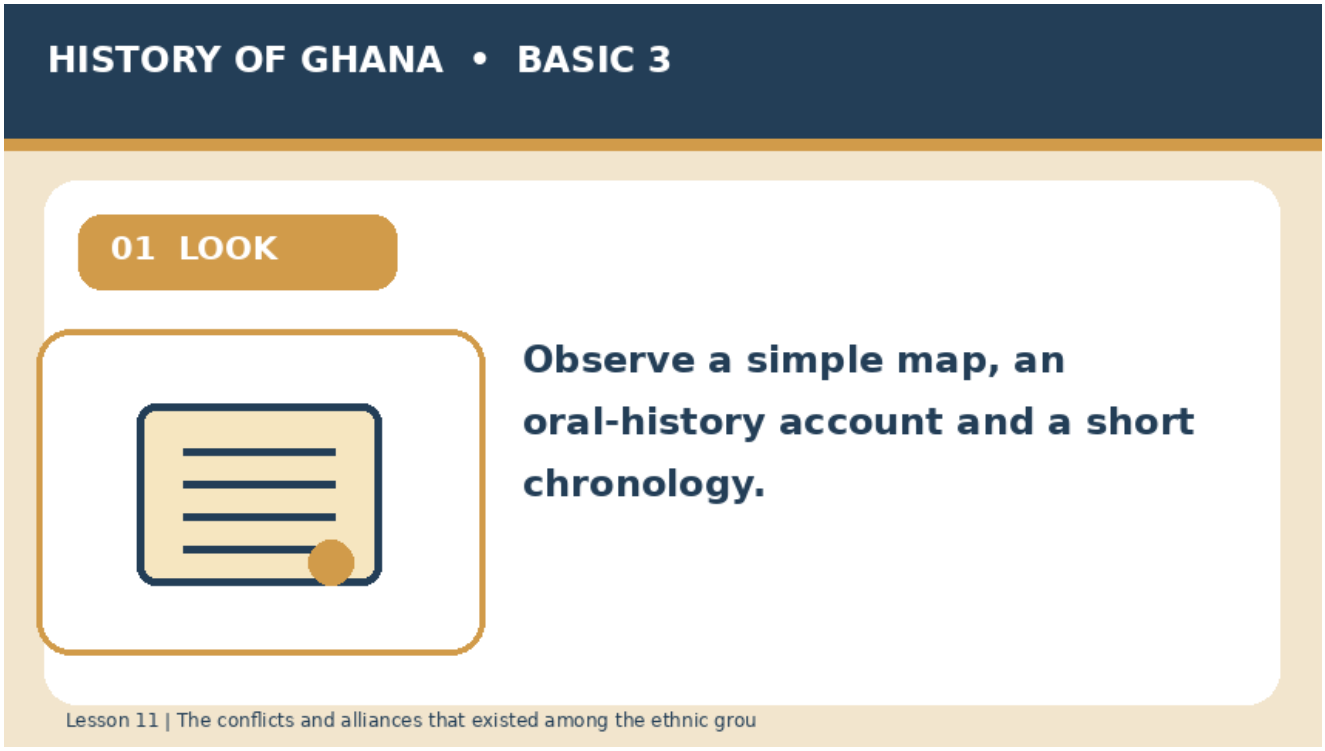

B. Apply the lesson about name some of the items exchanged among the various groups to a suitable real-life situation.

C. Avoid explaining how the skill could be used

D. Use the topic to mislead others

LESSON 11: The conflicts and alliances that existed among the ethnic groups in - Discover

Goal: Describe the conflicts and alliances that existed among the ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 11: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The conflicts and alliances that existed among the ethnic groups in - Discover: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Treat every account as equally reliable without checking

C. Describe the conflicts and alliances that existed among the ethnic groups in Ghana

D. Discuss an unrelated modern topic without evidence

2. [Play] The conflicts and alliances that existed among the ethnic groups in - Discover: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. only unsupported rumours without checking

C. guesses written without any source

D. A simple map, an oral-history account and a short chronology.

3. [Play] The conflicts and alliances that existed among the ethnic groups in - Discover: Which action should come first?

A. Finish before looking at the instructions.

B. Observe a simple map, an oral-history account and a short chronology.

C. Ignore the main task and do something unrelated.

D. Skip all practice and guess the result.

4. [Play] The conflicts and alliances that existed among the ethnic groups in - Discover: Which setting does this grade use?

A. connections between early communities and Ghana’s past

B. an unrelated imagined city

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] The conflicts and alliances that existed among the ethnic groups in - Discover: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a short, evidence-supported historical explanation

C. an unrelated picture with no explanation

D. a response that does not show the lesson skill

6. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

C. Skip to marking before learning

D. Only watch others without trying

7. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which practice completes the three lesson stages?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Stop after reading the title

C. Give a guess without trying the activity

D. Leave the task unfinished without explaining

8. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: What counts as good evidence of learning here?

A. a random answer with no supporting detail

B. an unrelated example that does not test the skill

C. a cause-and-effect chart

D. an opinion without observation or practice

9. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Ignore the teacher’s safety instructions.

C. Take unnecessary risks to finish first.

D. Do the activity without considering other people.

10. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Explain one possible cause of change and identify the evidence needed to check it.

11. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. The topic can be completed without observing or practising

C. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

D. Learning means only guessing and never checking

12. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can finish without showing your work

C. Whether your work demonstrates a cause-and-effect chart.

D. Whether you can ignore the agreed task

13. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Repeat the same error without checking feedback

D. Make up results instead of practising

14. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: How should a learner improve after feedback?

A. Revisit the steps and strengthen a cause-and-effect chart.

B. Change answers randomly without a reason

C. Ignore all comments and leave the task incomplete

D. Skip a difficult part without asking for help

15. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Discover: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

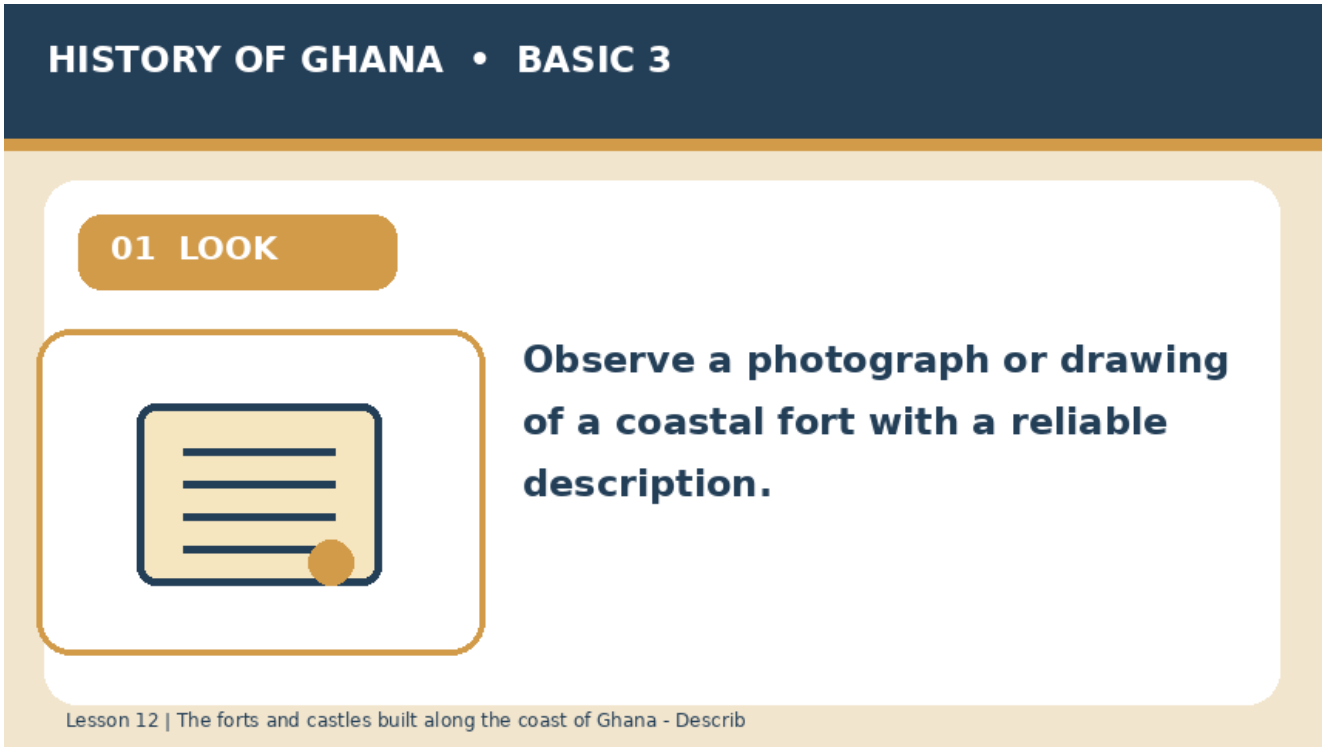

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Apply the lesson about describe the conflicts and alliances that existed among the ethnic groups in ghana to a suitable real-life situation.

LESSON 12: The forts and castles built along the coast of Ghana - Describe

Goal: Identify the forts and castles built along the coast of Ghana

Learn it

Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

Useful material: A photograph or drawing of a coastal fort with a reliable description.

Do it in three steps

1. Observe a photograph or drawing of a coastal fort with a reliable description.

2. Ask a question about: Identify the forts and castles built along the coast of Ghana.

3. Describe what the site shows and name a question the image alone cannot answer.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe what the site shows and name a question the image alone cannot answer.

Show your learning: a source comparison. Compare two sources; say how you know which details are reliable.

LESSON 12: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The forts and castles built along the coast of Ghana - Describe: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Treat every account as equally reliable without checking

C. Identify the forts and castles built along the coast of Ghana

D. Discuss an unrelated modern topic without evidence

2. [Play] The forts and castles built along the coast of Ghana - Describe: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. an unrelated fictional story presented as a historical record

C. A photograph or drawing of a coastal fort with a reliable description.

D. guesses written without any source

3. [Play] The forts and castles built along the coast of Ghana - Describe: Which action should come first?

A. Skip all practice and guess the result.

B. Observe a photograph or drawing of a coastal fort with a reliable description.

C. Finish before looking at the instructions.

D. Ignore the main task and do something unrelated.

4. [Play] The forts and castles built along the coast of Ghana - Describe: Which setting does this grade use?

A. an unrelated imagined city

B. only a future space colony

C. a topic unrelated to the current class

D. connections between early communities and Ghana’s past

5. [Play] The forts and castles built along the coast of Ghana - Describe: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. an unsupported claim with no classroom practice

D. a response that does not show the lesson skill

6. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which action comes after the opening step?

A. Ask a question about: Identify the forts and castles built along the coast of Ghana.

B. Skip to marking before learning

C. Change to an unrelated lesson immediately

D. Only watch others without trying

7. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Leave the task unfinished without explaining

C. Stop after reading the title

D. Describe what the site shows and name a question the image alone cannot answer.

8. [Challenge] The forts and castles built along the coast of Ghana - Describe: What counts as good evidence of learning here?

A. an unrelated example that does not test the skill

B. a source comparison

C. an opinion without observation or practice

D. a random answer with no supporting detail

9. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Do the activity without considering other people.

D. Ignore the teacher’s safety instructions.

10. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Complete a different lesson instead

C. Avoid the stated task and its materials

D. Describe what the site shows and name a question the image alone cannot answer.

11. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which explanation best supports this lesson?

A. Learning means only guessing and never checking

B. Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

C. The topic can be completed without observing or practising

D. The lesson has no connection to life or skills

12. [Challenge] The forts and castles built along the coast of Ghana - Describe: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can finish without showing your work

C. Whether your work demonstrates a source comparison.

D. Whether you can avoid answering questions

13. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Make up results instead of practising

C. Compare two sources; say how you know which details are reliable.

D. Stop immediately without reflection

14. [Challenge] The forts and castles built along the coast of Ghana - Describe: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Skip a difficult part without asking for help

C. Revisit the steps and strengthen a source comparison.

D. Ignore all comments and leave the task incomplete

15. [Challenge] The forts and castles built along the coast of Ghana - Describe: Which choice would show responsible use of today’s skill?

A. Apply the lesson about identify the forts and castles built along the coast of ghana to a suitable real-life situation.

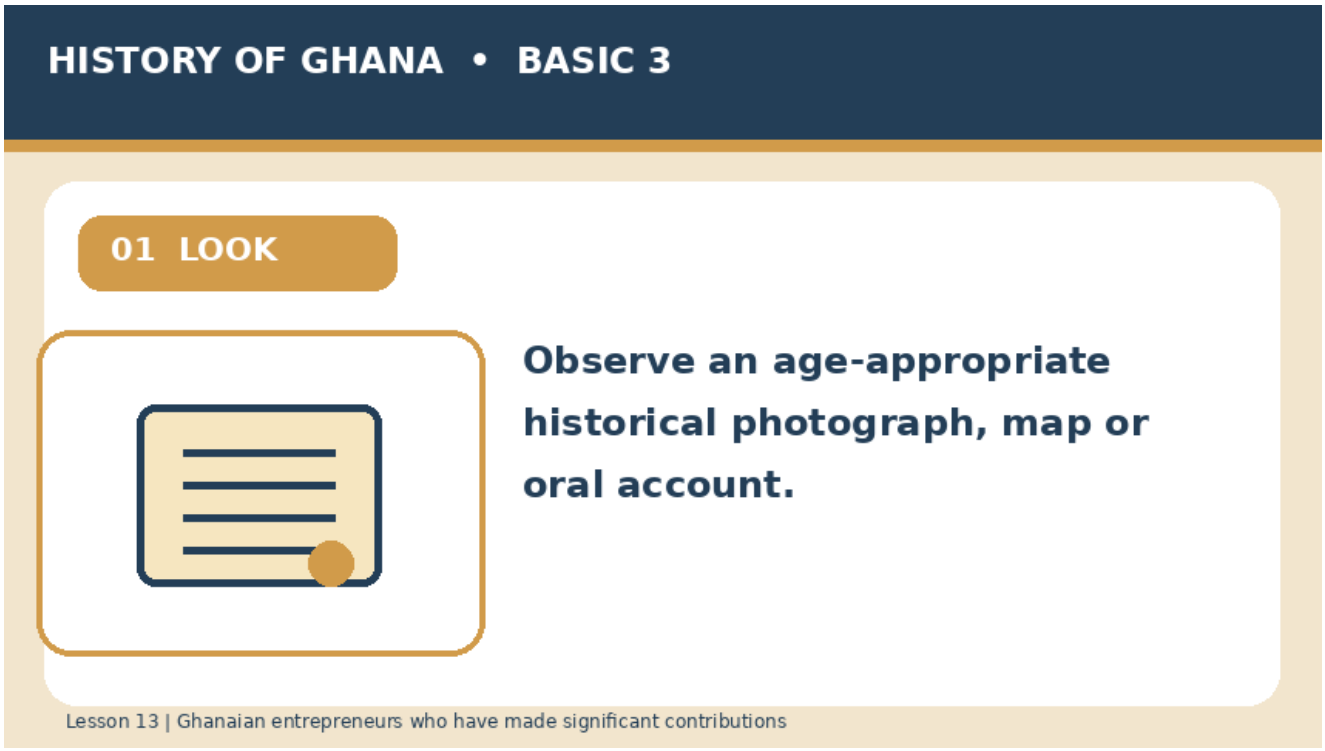

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 13: Ghanaian entrepreneurs who have made significant contributions - Practise

Goal: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 13: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Ghanaian entrepreneurs who have made significant contributions - Practise: What is this lesson mainly about?

A. Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Discuss an unrelated modern topic without evidence

2. [Play] Ghanaian entrepreneurs who have made significant contributions - Practise: What useful learning material or support is listed?

A. An age-appropriate historical photograph, map or oral account.

B. an unrelated fictional story presented as a historical record

C. guesses written without any source

D. only unsupported rumours without checking

3. [Play] Ghanaian entrepreneurs who have made significant contributions - Practise: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Observe an age-appropriate historical photograph, map or oral account.

4. [Play] Ghanaian entrepreneurs who have made significant contributions - Practise: Which setting does this grade use?

A. only a future space colony

B. an unrelated imagined city

C. connections between early communities and Ghana’s past

D. a topic unrelated to the current class

5. [Play] Ghanaian entrepreneurs who have made significant contributions - Practise: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. an unrelated picture with no explanation

C. an unsupported claim with no classroom practice

D. a short, evidence-supported historical explanation

6. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which action comes after the opening step?

A. Skip to marking before learning

B. Ask a question about: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman.

C. Change to an unrelated lesson immediately

D. Only watch others without trying

7. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which practice completes the three lesson stages?

A. Identify a historical question and explain how evidence may answer it.

B. Give a guess without trying the activity

C. Stop after reading the title

D. Leave the task unfinished without explaining

8. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: What counts as good evidence of learning here?

A. an evidence-based explanation

B. a random answer with no supporting detail

C. an unrelated example that does not test the skill

D. an opinion without observation or practice

9. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Ignore the teacher’s safety instructions.

D. Take unnecessary risks to finish first.

10. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Copy another learner’s response without trying

C. Avoid the stated task and its materials

D. Identify a historical question and explain how evidence may answer it.

11. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

C. Learning means only guessing and never checking

D. The lesson has no connection to life or skills

12. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can ignore the agreed task

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can avoid answering questions

13. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Compare two sources; say how you know which details are reliable.

C. Make up results instead of practising

D. Repeat the same error without checking feedback

14. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Revisit the steps and strengthen an evidence-based explanation.

15. [Challenge] Ghanaian entrepreneurs who have made significant contributions - Practise: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

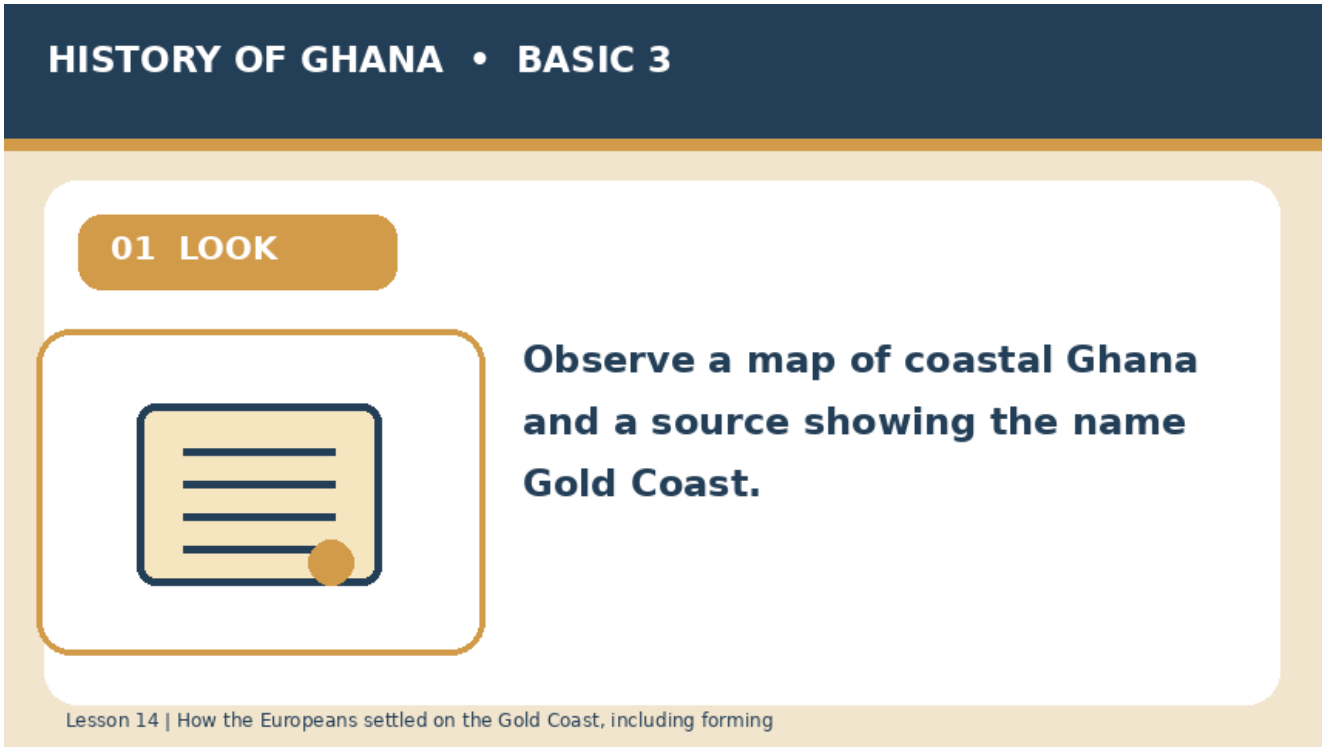

B. Apply the lesson about describe ghanaian entrepreneurs who have made significant contributions including george grant – businessman to a suitable real-life situation.

C. Use the topic to mislead others

D. Claim expertise without trying the skill

LESSON 14: How the Europeans settled on the Gold Coast, including forming - Apply

Goal: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs

Learn it

Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

Useful material: A map of coastal Ghana and a source showing the name Gold Coast.

Do it in three steps

1. Observe a map of coastal Ghana and a source showing the name Gold Coast.

2. Ask a question about: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs.

3. Compare the older name with Ghana today; say what a historical name can tell us.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Compare the older name with Ghana today; say what a historical name can tell us.

Show your learning: name changes over time. Compare two sources; say how you know which details are reliable.

LESSON 14: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] How the Europeans settled on the Gold Coast, including forming - Apply: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Ignore historical sources and decide from a guess

C. Treat every account as equally reliable without checking

D. Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs

2. [Play] How the Europeans settled on the Gold Coast, including forming - Apply: What useful learning material or support is listed?

A. A map of coastal Ghana and a source showing the name Gold Coast.

B. guesses written without any source

C. an unrelated fictional story presented as a historical record

D. only unsupported rumours without checking

3. [Play] How the Europeans settled on the Gold Coast, including forming - Apply: Which action should come first?

A. Ignore the main task and do something unrelated.

B. Skip all practice and guess the result.

C. Finish before looking at the instructions.

D. Observe a map of coastal Ghana and a source showing the name Gold Coast.

4. [Play] How the Europeans settled on the Gold Coast, including forming - Apply: Which setting does this grade use?

A. connections between early communities and Ghana’s past

B. an unrelated imagined city

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] How the Europeans settled on the Gold Coast, including forming - Apply: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. an unsupported claim with no classroom practice

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which action comes after the opening step?

A. Ask a question about: Describe how the Europeans settled on the Gold Coast, including forming alliances with the local chiefs.

B. Only watch others without trying

C. Change to an unrelated lesson immediately

D. Skip to marking before learning

7. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Compare the older name with Ghana today; say what a historical name can tell us.

D. Give a guess without trying the activity

8. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: What counts as good evidence of learning here?

A. name changes over time

B. a random answer with no supporting detail

C. an unrelated example that does not test the skill

D. an opinion without observation or practice

9. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Ignore the teacher’s safety instructions.

C. Take unnecessary risks to finish first.

D. Do the activity without considering other people.

10. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Complete a different lesson instead

C. Avoid the stated task and its materials

D. Compare the older name with Ghana today; say what a historical name can tell us.

11. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. Ghana was called the Gold Coast during the colonial period. The name refers to the region’s gold trade.

C. The lesson has no connection to life or skills

D. Learning means only guessing and never checking

12. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: What should a partner help you check?

A. Whether you can finish without showing your work

B. Whether you can ignore the agreed task

C. Whether you can avoid answering questions

D. Whether your work demonstrates name changes over time.

13. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Compare two sources; say how you know which details are reliable.

C. Stop immediately without reflection

D. Make up results instead of practising

14. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: How should a learner improve after feedback?

A. Revisit the steps and strengthen name changes over time.

B. Skip a difficult part without asking for help

C. Change answers randomly without a reason

D. Ignore all comments and leave the task incomplete

15. [Challenge] How the Europeans settled on the Gold Coast, including forming - Apply: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

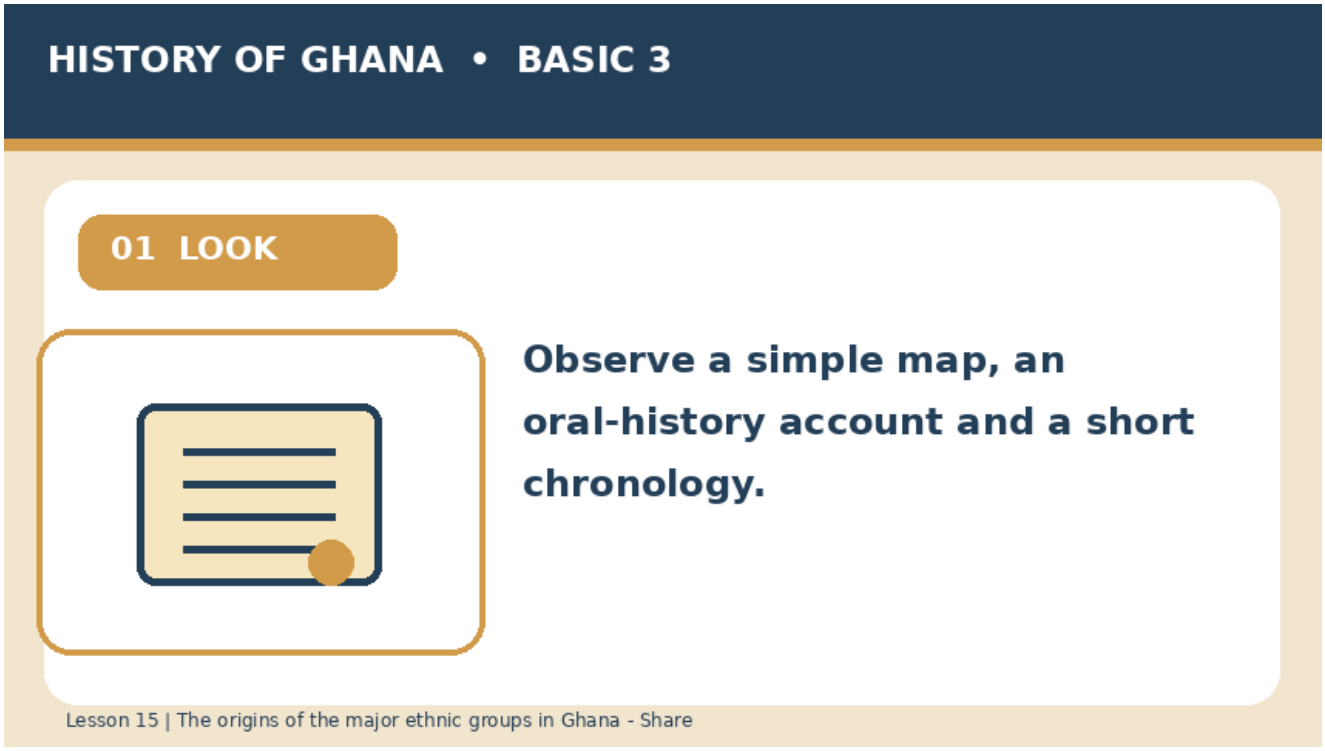

B. Claim expertise without trying the skill

C. Apply the lesson about describe how the europeans settled on the gold coast, including forming alliances with the local chiefs to a suitable real-life situation.

D. Avoid explaining how the skill could be used

LESSON 15: The origins of the major ethnic groups in Ghana - Share

Goal: Discuss the origins of the major ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 15: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The origins of the major ethnic groups in Ghana - Share: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Ignore historical sources and decide from a guess

C. Discuss the origins of the major ethnic groups in Ghana

D. Treat every account as equally reliable without checking

2. [Play] The origins of the major ethnic groups in Ghana - Share: What useful learning material or support is listed?

A. an unrelated fictional story presented as a historical record

B. guesses written without any source

C. only unsupported rumours without checking

D. A simple map, an oral-history account and a short chronology.

3. [Play] The origins of the major ethnic groups in Ghana - Share: Which action should come first?

A. Skip all practice and guess the result.

B. Ignore the main task and do something unrelated.

C. Observe a simple map, an oral-history account and a short chronology.

D. Finish before looking at the instructions.

4. [Play] The origins of the major ethnic groups in Ghana - Share: Which setting does this grade use?

A. an unrelated imagined city

B. only a future space colony

C. connections between early communities and Ghana’s past

D. a topic unrelated to the current class

5. [Play] The origins of the major ethnic groups in Ghana - Share: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. a short, evidence-supported historical explanation

6. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Discuss the origins of the major ethnic groups in Ghana.

C. Skip to marking before learning

D. Only watch others without trying

7. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Give a guess without trying the activity

C. Explain one possible cause of change and identify the evidence needed to check it.

D. Leave the task unfinished without explaining

8. [Challenge] The origins of the major ethnic groups in Ghana - Share: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. an unrelated example that does not test the skill

C. a cause-and-effect chart

D. a random answer with no supporting detail

9. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which safety or respect rule fits this lesson?

A. Take unnecessary risks to finish first.

B. Ignore the teacher’s safety instructions.

C. Do the activity without considering other people.

D. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

10. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which classroom activity helps apply the lesson?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which explanation best supports this lesson?

A. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

B. The topic can be completed without observing or practising

C. The lesson has no connection to life or skills

D. Learning means only guessing and never checking

12. [Challenge] The origins of the major ethnic groups in Ghana - Share: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can avoid answering questions

C. Whether your work demonstrates a cause-and-effect chart.

D. Whether you can finish without showing your work

13. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Make up results instead of practising

C. Stop immediately without reflection

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The origins of the major ethnic groups in Ghana - Share: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Ignore all comments and leave the task incomplete

C. Revisit the steps and strengthen a cause-and-effect chart.

D. Skip a difficult part without asking for help

15. [Challenge] The origins of the major ethnic groups in Ghana - Share: Which choice would show responsible use of today’s skill?

A. Avoid explaining how the skill could be used

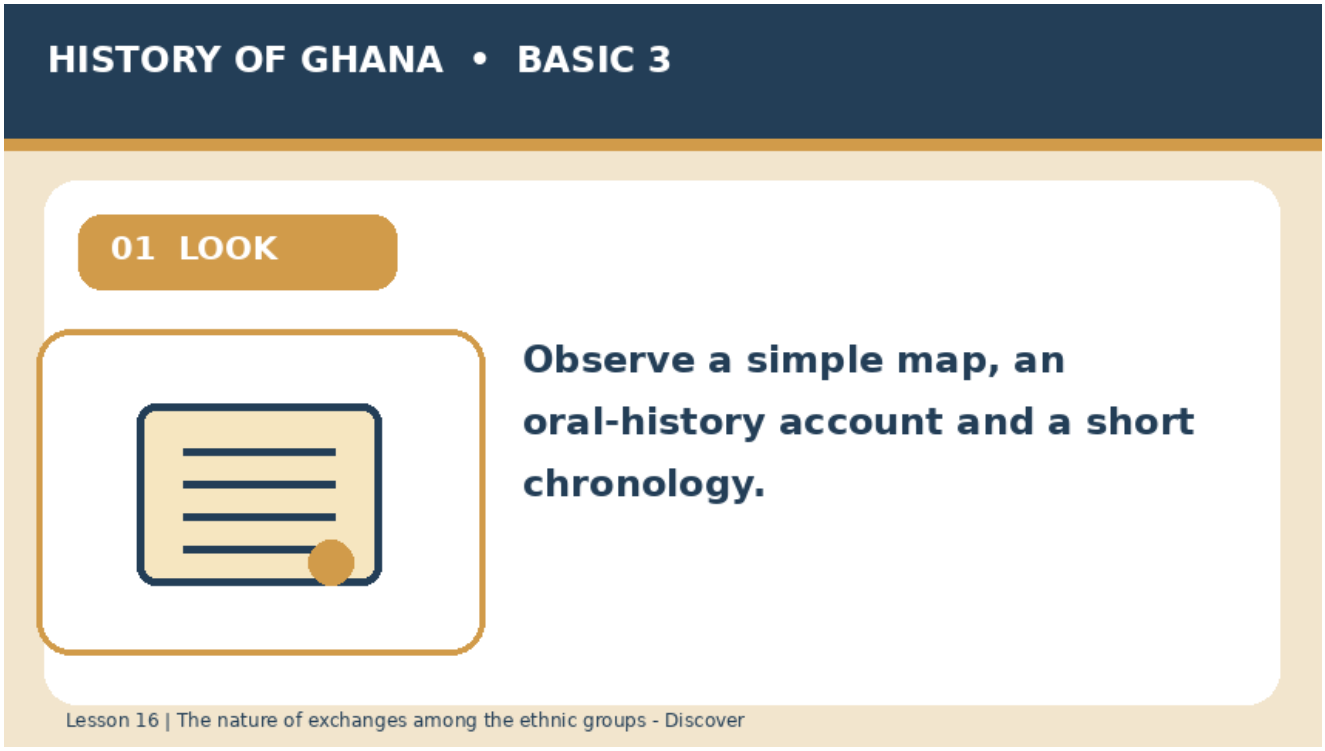

B. Use the topic to mislead others

C. Claim expertise without trying the skill

D. Apply the lesson about discuss the origins of the major ethnic groups in ghana to a suitable real-life situation.

LESSON 16: The nature of exchanges among the ethnic groups - Discover

Goal: Discuss the nature of exchanges among the ethnic groups.

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 16: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The nature of exchanges among the ethnic groups - Discover: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Discuss an unrelated modern topic without evidence

C. Discuss the nature of exchanges among the ethnic groups.

D. Ignore historical sources and decide from a guess

2. [Play] The nature of exchanges among the ethnic groups - Discover: What useful learning material or support is listed?

A. guesses written without any source

B. A simple map, an oral-history account and a short chronology.

C. only unsupported rumours without checking

D. an unrelated fictional story presented as a historical record

3. [Play] The nature of exchanges among the ethnic groups - Discover: Which action should come first?

A. Observe a simple map, an oral-history account and a short chronology.

B. Finish before looking at the instructions.

C. Skip all practice and guess the result.

D. Ignore the main task and do something unrelated.

4. [Play] The nature of exchanges among the ethnic groups - Discover: Which setting does this grade use?

A. connections between early communities and Ghana’s past

B. an unrelated imagined city

C. a topic unrelated to the current class

D. only a future space colony

5. [Play] The nature of exchanges among the ethnic groups - Discover: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Skip to marking before learning

C. Ask a question about: Discuss the nature of exchanges among the ethnic groups.

D. Only watch others without trying

7. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which practice completes the three lesson stages?

A. Stop after reading the title

B. Leave the task unfinished without explaining

C. Explain one possible cause of change and identify the evidence needed to check it.

D. Give a guess without trying the activity

8. [Challenge] The nature of exchanges among the ethnic groups - Discover: What counts as good evidence of learning here?

A. a cause-and-effect chart

B. a random answer with no supporting detail

C. an unrelated example that does not test the skill

D. an opinion without observation or practice

9. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Take unnecessary risks to finish first.

C. Ignore the teacher’s safety instructions.

D. Do the activity without considering other people.

10. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which classroom activity helps apply the lesson?

A. Explain one possible cause of change and identify the evidence needed to check it.

B. Avoid the stated task and its materials

C. Complete a different lesson instead

D. Copy another learner’s response without trying

11. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which explanation best supports this lesson?

A. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

B. The lesson has no connection to life or skills

C. The topic can be completed without observing or practising

D. Learning means only guessing and never checking

12. [Challenge] The nature of exchanges among the ethnic groups - Discover: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether your work demonstrates a cause-and-effect chart.

C. Whether you can avoid answering questions

D. Whether you can finish without showing your work

13. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which follow-up deepens the learning?

A. Compare two sources; say how you know which details are reliable.

B. Repeat the same error without checking feedback

C. Make up results instead of practising

D. Stop immediately without reflection

14. [Challenge] The nature of exchanges among the ethnic groups - Discover: How should a learner improve after feedback?

A. Revisit the steps and strengthen a cause-and-effect chart.

B. Ignore all comments and leave the task incomplete

C. Change answers randomly without a reason

D. Skip a difficult part without asking for help

15. [Challenge] The nature of exchanges among the ethnic groups - Discover: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

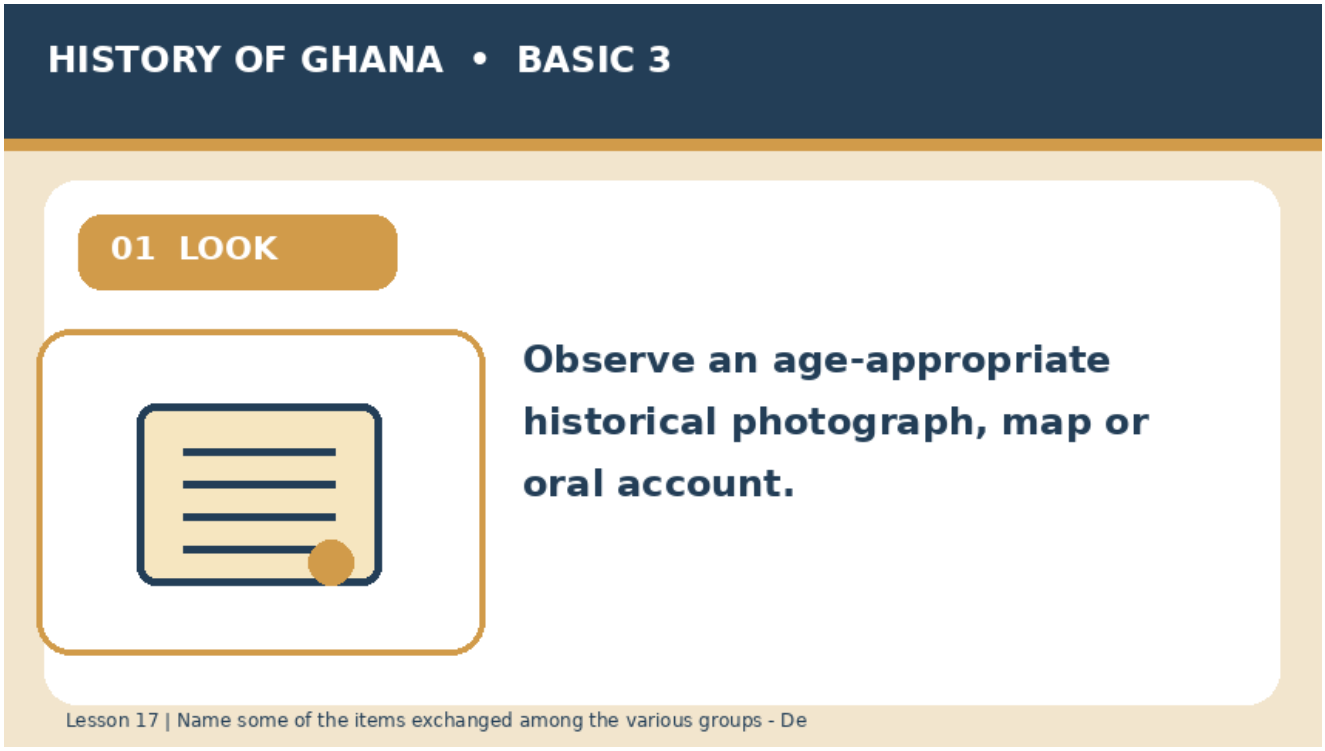

B. Use the topic to mislead others

C. Avoid explaining how the skill could be used

D. Apply the lesson about discuss the nature of exchanges among the ethnic groups to a suitable real-life situation.

LESSON 17: Name some of the items exchanged among the various groups - Describe

Goal: Name some of the items exchanged among the various groups.

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Name some of the items exchanged among the various groups.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 17: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Name some of the items exchanged among the various groups - Describe: What is this lesson mainly about?

A. Discuss an unrelated modern topic without evidence

B. Treat every account as equally reliable without checking

C. Ignore historical sources and decide from a guess

D. Name some of the items exchanged among the various groups.

2. [Play] Name some of the items exchanged among the various groups - Describe: What useful learning material or support is listed?

A. An age-appropriate historical photograph, map or oral account.

B. guesses written without any source

C. only unsupported rumours without checking

D. an unrelated fictional story presented as a historical record

3. [Play] Name some of the items exchanged among the various groups - Describe: Which action should come first?

A. Finish before looking at the instructions.

B. Skip all practice and guess the result.

C. Ignore the main task and do something unrelated.

D. Observe an age-appropriate historical photograph, map or oral account.

4. [Play] Name some of the items exchanged among the various groups - Describe: Which setting does this grade use?

A. connections between early communities and Ghana’s past

B. an unrelated imagined city

C. only a future space colony

D. a topic unrelated to the current class

5. [Play] Name some of the items exchanged among the various groups - Describe: What should learners produce or demonstrate?

A. a response that does not show the lesson skill

B. an unsupported claim with no classroom practice

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] Name some of the items exchanged among the various groups - Describe: Which action comes after the opening step?

A. Change to an unrelated lesson immediately

B. Ask a question about: Name some of the items exchanged among the various groups.

C. Only watch others without trying

D. Skip to marking before learning

7. [Challenge] Name some of the items exchanged among the various groups - Describe: Which practice completes the three lesson stages?

A. Identify a historical question and explain how evidence may answer it.

B. Stop after reading the title

C. Give a guess without trying the activity

D. Leave the task unfinished without explaining

8. [Challenge] Name some of the items exchanged among the various groups - Describe: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a random answer with no supporting detail

C. an evidence-based explanation

D. an unrelated example that does not test the skill

9. [Challenge] Name some of the items exchanged among the various groups - Describe: Which safety or respect rule fits this lesson?

A. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

B. Ignore the teacher’s safety instructions.

C. Take unnecessary risks to finish first.

D. Do the activity without considering other people.

10. [Challenge] Name some of the items exchanged among the various groups - Describe: Which classroom activity helps apply the lesson?

A. Copy another learner’s response without trying

B. Identify a historical question and explain how evidence may answer it.

C. Avoid the stated task and its materials

D. Complete a different lesson instead

11. [Challenge] Name some of the items exchanged among the various groups - Describe: Which explanation best supports this lesson?

A. The lesson has no connection to life or skills

B. The topic can be completed without observing or practising

C. Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

D. Learning means only guessing and never checking

12. [Challenge] Name some of the items exchanged among the various groups - Describe: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can finish without showing your work

C. Whether your work demonstrates an evidence-based explanation.

D. Whether you can ignore the agreed task

13. [Challenge] Name some of the items exchanged among the various groups - Describe: Which follow-up deepens the learning?

A. Make up results instead of practising

B. Repeat the same error without checking feedback

C. Stop immediately without reflection

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] Name some of the items exchanged among the various groups - Describe: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Ignore all comments and leave the task incomplete

C. Revisit the steps and strengthen an evidence-based explanation.

D. Skip a difficult part without asking for help

15. [Challenge] Name some of the items exchanged among the various groups - Describe: Which choice would show responsible use of today’s skill?

A. Use the topic to mislead others

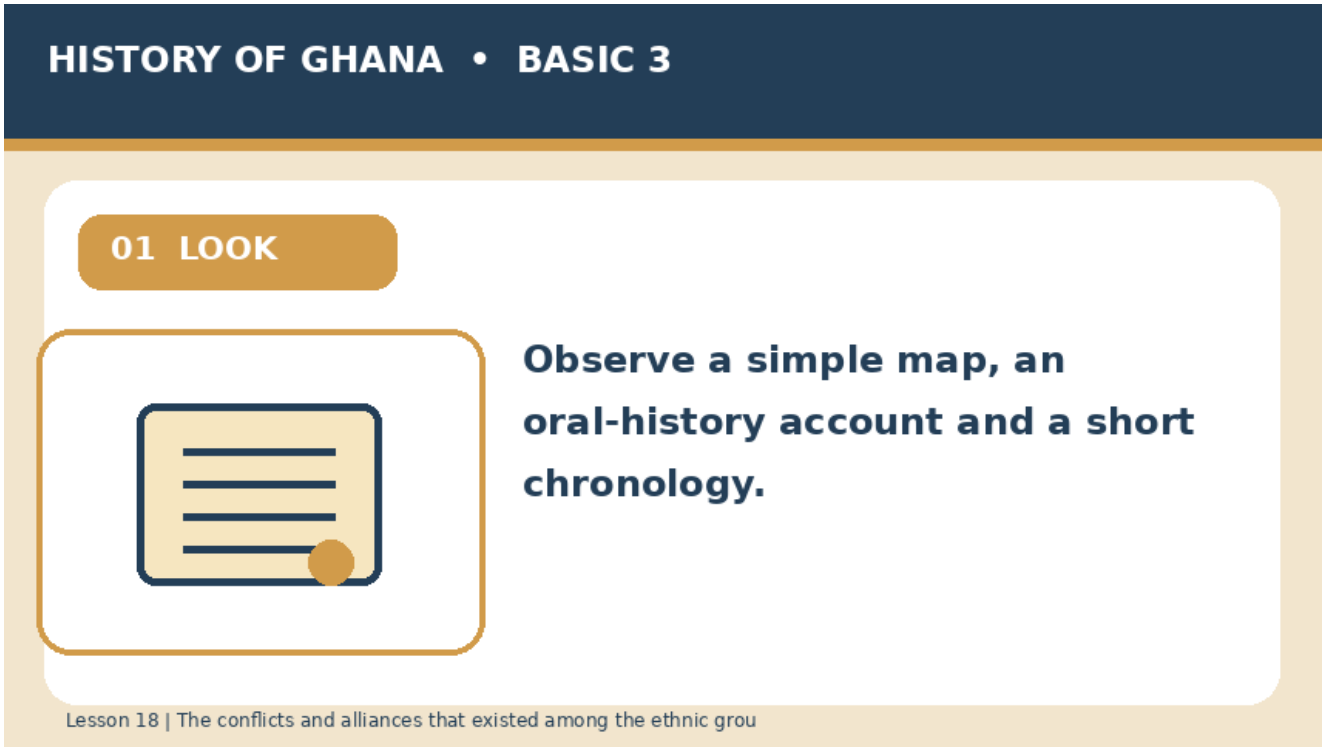

B. Claim expertise without trying the skill

C. Avoid explaining how the skill could be used

D. Apply the lesson about name some of the items exchanged among the various groups to a suitable real-life situation.

LESSON 18: The conflicts and alliances that existed among the ethnic groups in - Practise

Goal: Describe the conflicts and alliances that existed among the ethnic groups in Ghana

Learn it

Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

Useful material: A simple map, an oral-history account and a short chronology.

Do it in three steps

1. Observe a simple map, an oral-history account and a short chronology.

2. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

3. Explain one possible cause of change and identify the evidence needed to check it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Explain one possible cause of change and identify the evidence needed to check it.

Show your learning: a cause-and-effect chart. Compare two sources; say how you know which details are reliable.

LESSON 18: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The conflicts and alliances that existed among the ethnic groups in - Practise: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Treat every account as equally reliable without checking

C. Discuss an unrelated modern topic without evidence

D. Describe the conflicts and alliances that existed among the ethnic groups in Ghana

2. [Play] The conflicts and alliances that existed among the ethnic groups in - Practise: What useful learning material or support is listed?

A. only unsupported rumours without checking

B. an unrelated fictional story presented as a historical record

C. A simple map, an oral-history account and a short chronology.

D. guesses written without any source

3. [Play] The conflicts and alliances that existed among the ethnic groups in - Practise: Which action should come first?

A. Skip all practice and guess the result.

B. Finish before looking at the instructions.

C. Observe a simple map, an oral-history account and a short chronology.

D. Ignore the main task and do something unrelated.

4. [Play] The conflicts and alliances that existed among the ethnic groups in - Practise: Which setting does this grade use?

A. a topic unrelated to the current class

B. connections between early communities and Ghana’s past

C. an unrelated imagined city

D. only a future space colony

5. [Play] The conflicts and alliances that existed among the ethnic groups in - Practise: What should learners produce or demonstrate?

A. an unsupported claim with no classroom practice

B. a response that does not show the lesson skill

C. an unrelated picture with no explanation

D. a short, evidence-supported historical explanation

6. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which action comes after the opening step?

A. Skip to marking before learning

B. Only watch others without trying

C. Ask a question about: Describe the conflicts and alliances that existed among the ethnic groups in Ghana.

D. Change to an unrelated lesson immediately

7. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which practice completes the three lesson stages?

A. Leave the task unfinished without explaining

B. Stop after reading the title

C. Give a guess without trying the activity

D. Explain one possible cause of change and identify the evidence needed to check it.

8. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: What counts as good evidence of learning here?

A. an opinion without observation or practice

B. a cause-and-effect chart

C. a random answer with no supporting detail

D. an unrelated example that does not test the skill

9. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which safety or respect rule fits this lesson?

A. Ignore the teacher’s safety instructions.

B. Take unnecessary risks to finish first.

C. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

D. Do the activity without considering other people.

10. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which classroom activity helps apply the lesson?

A. Avoid the stated task and its materials

B. Complete a different lesson instead

C. Explain one possible cause of change and identify the evidence needed to check it.

D. Copy another learner’s response without trying

11. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which explanation best supports this lesson?

A. The topic can be completed without observing or practising

B. The lesson has no connection to life or skills

C. Learning means only guessing and never checking

D. Communities and states developed over time for different reasons. Oral traditions, objects and written accounts may reveal different parts of their histories.

12. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: What should a partner help you check?

A. Whether you can avoid answering questions

B. Whether you can ignore the agreed task

C. Whether you can finish without showing your work

D. Whether your work demonstrates a cause-and-effect chart.

13. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which follow-up deepens the learning?

A. Repeat the same error without checking feedback

B. Stop immediately without reflection

C. Compare two sources; say how you know which details are reliable.

D. Make up results instead of practising

14. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: How should a learner improve after feedback?

A. Ignore all comments and leave the task incomplete

B. Skip a difficult part without asking for help

C. Revisit the steps and strengthen a cause-and-effect chart.

D. Change answers randomly without a reason

15. [Challenge] The conflicts and alliances that existed among the ethnic groups in - Practise: Which choice would show responsible use of today’s skill?

A. Apply the lesson about describe the conflicts and alliances that existed among the ethnic groups in ghana to a suitable real-life situation.

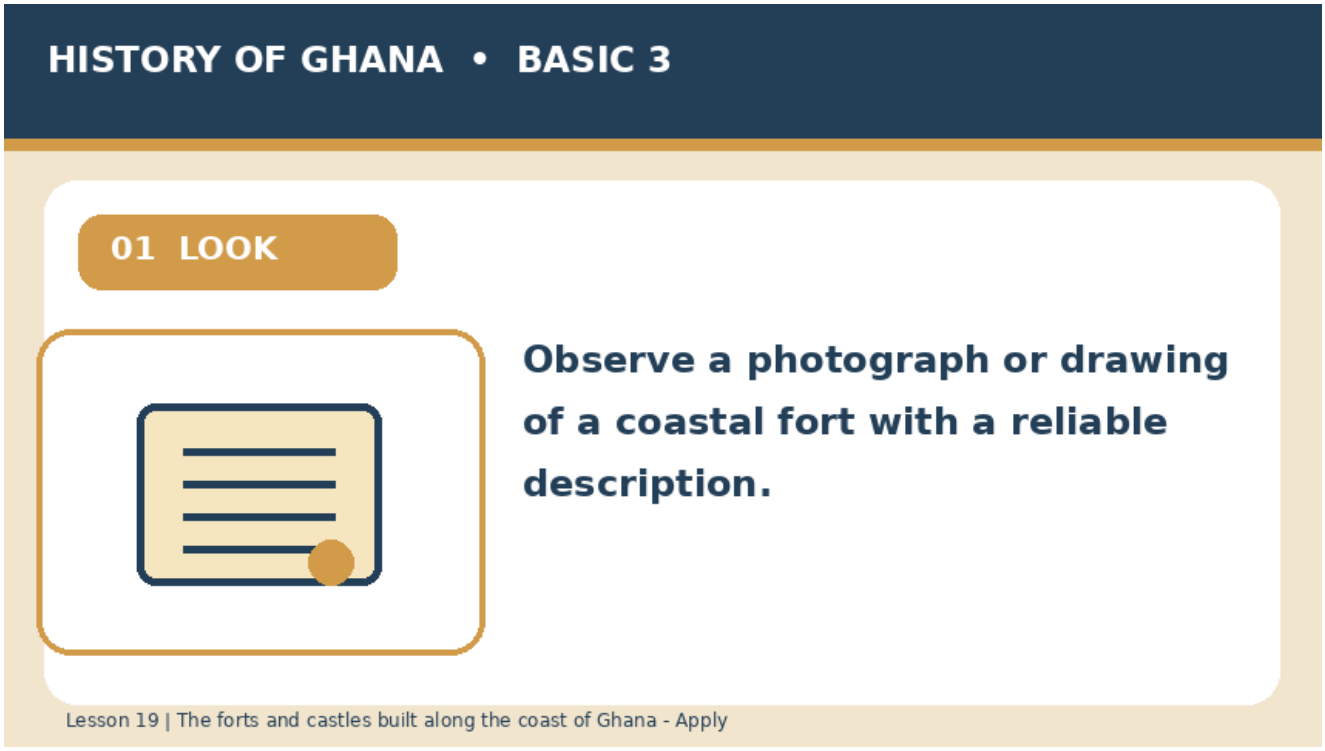

B. Avoid explaining how the skill could be used

C. Claim expertise without trying the skill

D. Use the topic to mislead others

LESSON 19: The forts and castles built along the coast of Ghana - Apply

Goal: Identify the forts and castles built along the coast of Ghana

Learn it

Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

Useful material: A photograph or drawing of a coastal fort with a reliable description.

Do it in three steps

1. Observe a photograph or drawing of a coastal fort with a reliable description.

2. Ask a question about: Identify the forts and castles built along the coast of Ghana.

3. Describe what the site shows and name a question the image alone cannot answer.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Describe what the site shows and name a question the image alone cannot answer.

Show your learning: a source comparison. Compare two sources; say how you know which details are reliable.

LESSON 19: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] The forts and castles built along the coast of Ghana - Apply: What is this lesson mainly about?

A. Treat every account as equally reliable without checking

B. Identify the forts and castles built along the coast of Ghana

C. Ignore historical sources and decide from a guess

D. Discuss an unrelated modern topic without evidence

2. [Play] The forts and castles built along the coast of Ghana - Apply: What useful learning material or support is listed?

A. A photograph or drawing of a coastal fort with a reliable description.

B. guesses written without any source

C. only unsupported rumours without checking

D. an unrelated fictional story presented as a historical record

3. [Play] The forts and castles built along the coast of Ghana - Apply: Which action should come first?

A. Observe a photograph or drawing of a coastal fort with a reliable description.

B. Finish before looking at the instructions.

C. Skip all practice and guess the result.

D. Ignore the main task and do something unrelated.

4. [Play] The forts and castles built along the coast of Ghana - Apply: Which setting does this grade use?

A. a topic unrelated to the current class

B. an unrelated imagined city

C. only a future space colony

D. connections between early communities and Ghana’s past

5. [Play] The forts and castles built along the coast of Ghana - Apply: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation

C. a response that does not show the lesson skill

D. an unsupported claim with no classroom practice

6. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which action comes after the opening step?

A. Skip to marking before learning

B. Only watch others without trying

C. Change to an unrelated lesson immediately

D. Ask a question about: Identify the forts and castles built along the coast of Ghana.

7. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which practice completes the three lesson stages?

A. Give a guess without trying the activity

B. Describe what the site shows and name a question the image alone cannot answer.

C. Stop after reading the title

D. Leave the task unfinished without explaining

8. [Challenge] The forts and castles built along the coast of Ghana - Apply: What counts as good evidence of learning here?

A. a source comparison

B. an unrelated example that does not test the skill

C. a random answer with no supporting detail

D. an opinion without observation or practice

9. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which safety or respect rule fits this lesson?

A. Do the activity without considering other people.

B. Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

C. Take unnecessary risks to finish first.

D. Ignore the teacher’s safety instructions.

10. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which classroom activity helps apply the lesson?

A. Complete a different lesson instead

B. Copy another learner’s response without trying

C. Avoid the stated task and its materials

D. Describe what the site shows and name a question the image alone cannot answer.

11. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which explanation best supports this lesson?

A. Forts and castles along the coast are physical sources used to investigate Ghana’s history, including trade and enslavement.

B. The topic can be completed without observing or practising

C. Learning means only guessing and never checking

D. The lesson has no connection to life or skills

12. [Challenge] The forts and castles built along the coast of Ghana - Apply: What should a partner help you check?

A. Whether you can ignore the agreed task

B. Whether you can avoid answering questions

C. Whether your work demonstrates a source comparison.

D. Whether you can finish without showing your work

13. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which follow-up deepens the learning?

A. Stop immediately without reflection

B. Make up results instead of practising

C. Repeat the same error without checking feedback

D. Compare two sources; say how you know which details are reliable.

14. [Challenge] The forts and castles built along the coast of Ghana - Apply: How should a learner improve after feedback?

A. Change answers randomly without a reason

B. Ignore all comments and leave the task incomplete

C. Revisit the steps and strengthen a source comparison.

D. Skip a difficult part without asking for help

15. [Challenge] The forts and castles built along the coast of Ghana - Apply: Which choice would show responsible use of today’s skill?

A. Claim expertise without trying the skill

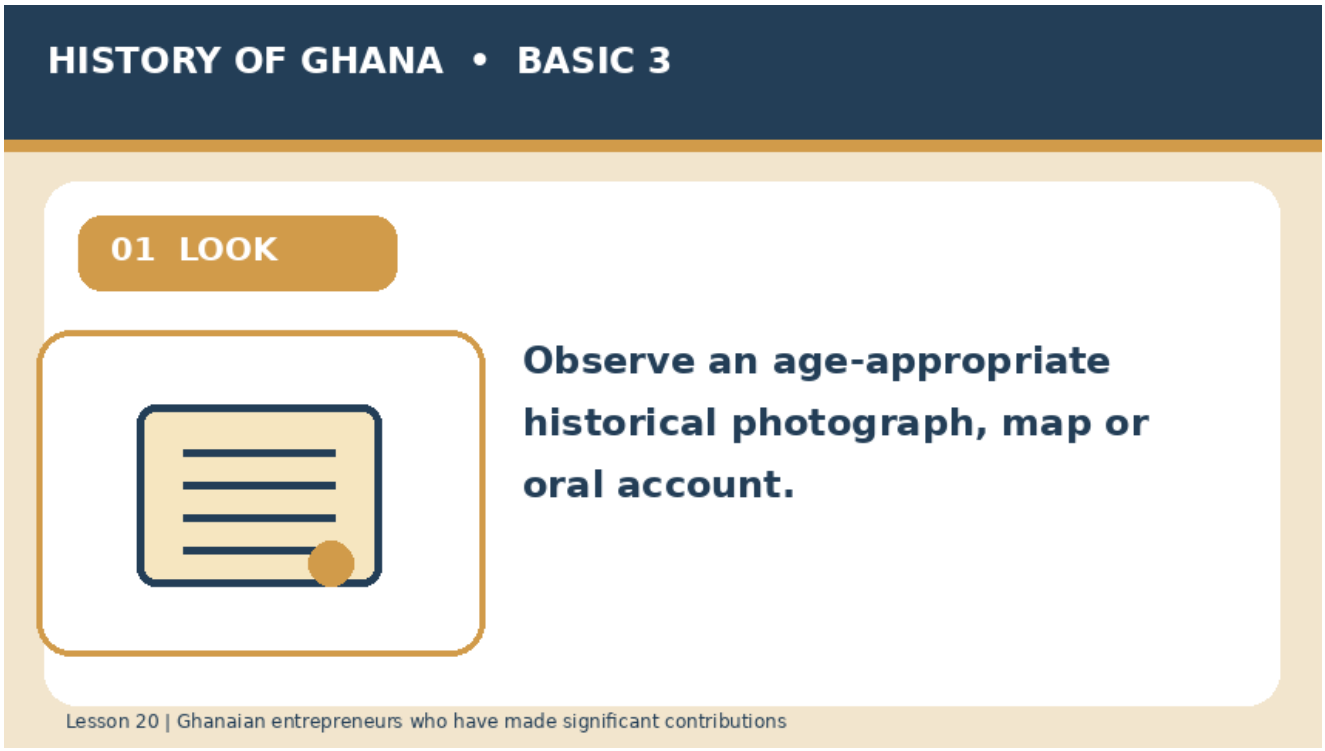

B. Use the topic to mislead others

C. Avoid explaining how the skill could be used

D. Apply the lesson about identify the forts and castles built along the coast of ghana to a suitable real-life situation.

LESSON 20: Ghanaian entrepreneurs who have made significant contributions - Share

Goal: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

Learn it

Past events help explain present-day Ghana. Historians use timelines and evidence rather than guessing about the past.

Useful material: An age-appropriate historical photograph, map or oral account.

Do it in three steps

1. Observe an age-appropriate historical photograph, map or oral account.

2. Ask a question about: Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman.

3. Identify a historical question and explain how evidence may answer it.

Safety / respect: Handle historical artefacts carefully; respect different communities and distinguish facts from guesses.

Try this: Identify a historical question and explain how evidence may answer it.

Show your learning: an evidence-based explanation. Compare two sources; say how you know which details are reliable.

LESSON 20: Play + Challenge

Circle one answer for each question. Play = 1–5; Challenge = 6–15.

1. [Play] Ghanaian entrepreneurs who have made significant contributions - Share: What is this lesson mainly about?

A. Ignore historical sources and decide from a guess

B. Describe Ghanaian entrepreneurs who have made significant contributions including George Grant – Businessman

C. Discuss an unrelated modern topic without evidence

D. Treat every account as equally reliable without checking

2. [Play] Ghanaian entrepreneurs who have made significant contributions - Share: What useful learning material or support is listed?

A. guesses written without any source

B. An age-appropriate historical photograph, map or oral account.

C. an unrelated fictional story presented as a historical record

D. only unsupported rumours without checking

3. [Play] Ghanaian entrepreneurs who have made significant contributions - Share: Which action should come first?

A. Finish before looking at the instructions.

B. Skip all practice and guess the result.

C. Observe an age-appropriate historical photograph, map or oral account.

D. Ignore the main task and do something unrelated.

4. [Play] Ghanaian entrepreneurs who have made significant contributions - Share: Which setting does this grade use?

A. an unrelated imagined city

B. a topic unrelated to the current class

C. connections between early communities and Ghana’s past

D. only a future space colony

5. [Play] Ghanaian entrepreneurs who have made significant contributions - Share: What should learners produce or demonstrate?

A. a short, evidence-supported historical explanation

B. an unrelated picture with no explanation
