OUR WORLD AND OUR PEOPLE

BASIC 4 • Illustrated Learning Workbook

Learn • Explore • Watch • Play • Challenge

20 topic lessons | 100 Play | 200 Challenge

Independent topic-level adaptation of NaCCA 2019 B4–B6. Embedded artwork is on each lesson page. Playable videos are inside the offline course, not the static PDF.

Contents & how to learn

01. Nature of God — All About Us
02. Myself — All About Us
03. My Family and the Community — All About Us
04. Home and School — All About Us
05. Environment and Weather — All Around Us
06. Plants and Animals — All Around Us
07. Map Making and Landmarks — All Around Us
08. Population and Settlement — All Around Us
09. Worship — Our Beliefs and Values
10. Festivals — Our Beliefs and Values
11. Basic Human Rights — Our Beliefs and Values
12. Being a Leader — Our Beliefs and Values
13. Being a Citizen — Our Nation Ghana
14. Authority and Power — Our Nation Ghana
15. Responsible Use of Resources — Our Nation Ghana
16. Farming in Ghana — Our Nation Ghana
17. Neighbouring Countries — My Global Community
18. Introduction to Computing — My Global Community
19. Sources of Information — My Global Community
20. Technology in Communication — My Global Community

Lesson 1: Nature of God

Strand: All About Us

Learning goal: Celebrate individual differences and explain why each learner is special

Learn these five ideas

Uniqueness: every person has different gifts and qualities.

Creation: people of different faiths express beliefs about the origin of life.

Gratitude: appreciating people and the world around us.

Stewardship: taking responsible care of natural resources.

Respect: showing kindness to people with different beliefs.

Ghanaian life example

A mixed-faith class shares what makes each pupil valuable. Everybody listens without mocking beliefs.

Your activity

Create a respect poster showing three ways to care for people and nature.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 1 • Play & Challenge

PLAY — Five questions

1. In Nature of God, which idea matches this meaning: every person has different gifts and qualities? A) Stewardship B) Respect C) Uniqueness D) Creation

2. In Nature of God, which idea matches this meaning: people of different faiths express beliefs about the origin of life? A) Respect B) Stewardship C) Creation D) Uniqueness

3. In Nature of God, which idea matches this meaning: appreciating people and the world around us? A) Stewardship B) Gratitude C) Uniqueness D) Respect

4. In Nature of God, which idea matches this meaning: taking responsible care of natural resources? A) Uniqueness B) Respect C) Stewardship D) Gratitude

5. In Nature of God, which idea matches this meaning: showing kindness to people with different beliefs? A) Creation B) Gratitude C) Stewardship D) Respect

CHALLENGE — Ten different questions

1. Kofi is preparing a project on nature of god. Which term belongs beside the note “every person has different gifts and qualities”? A) Uniqueness B) Stewardship C) Gratitude D) Respect

2. A group studying Nature of God is discussing “Uniqueness”. Which explanation should they put in their workbook? A) appreciating people and the world around us B) taking responsible care of natural resources C) every person has different gifts and qualities D) showing kindness to people with different beliefs

3. Kofi is preparing a project on nature of god. Which term belongs beside the note “people of different faiths express beliefs about the origin of life”? A) Gratitude B) Respect C) Uniqueness D) Creation

4. A group studying Nature of God is discussing “Creation”. Which explanation should they put in their workbook? A) showing kindness to people with different beliefs B) appreciating people and the world around us C) every person has different gifts and qualities D) people of different faiths express beliefs about the origin of life

5. Kofi is preparing a project on nature of god. Which term belongs beside the note “appreciating people and the world around us”? A) Respect B) Stewardship C) Gratitude D) Uniqueness

6. A group studying Nature of God is discussing “Gratitude”. Which explanation should they put in their workbook? A) people of different faiths express beliefs about the origin of life B) showing kindness to people with different beliefs C) every person has different gifts and qualities D) appreciating people and the world around us

7. Kofi is preparing a project on nature of god. Which term belongs beside the note “taking responsible care of natural resources”? A) Uniqueness B) Gratitude C) Creation D) Stewardship

8. A group studying Nature of God is discussing “Stewardship”. Which explanation should they put in their workbook? A) showing kindness to people with different beliefs B) people of different faiths express beliefs about the origin of life C) taking responsible care of natural resources D) every person has different gifts and qualities

9. Kofi is preparing a project on nature of god. Which term belongs beside the note “showing kindness to people with different beliefs”? A) Creation B) Stewardship C) Respect D) Gratitude

10. A group studying Nature of God is discussing “Respect”. Which explanation should they put in their workbook? A) showing kindness to people with different beliefs B) taking responsible care of natural resources C) every person has different gifts and qualities D) appreciating people and the world around us

Lesson 2: Myself

Strand: All About Us

Learning goal: Identify strengths and practise peaceful relationships

Learn these five ideas

Strength: an ability or good quality we can develop.

Empathy: trying to understand how another person feels.

Assertiveness: saying what you need firmly and respectfully.

Personal hygiene: habits that help keep the body clean and healthy.

Trusted adult: someone safe who listens and helps when we need support.

Ghanaian life example

Kojo practises telling a trusted teacher when another learner’s words make him uncomfortable.

Your activity

Write two strengths, one skill to improve and the name of a trusted adult.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 2 • Play & Challenge

PLAY — Five questions

1. In Myself, which idea matches this meaning: an ability or good quality we can develop? A) Trusted adult B) Assertiveness C) Empathy D) Strength

2. In Myself, which idea matches this meaning: trying to understand how another person feels? A) Assertiveness B) Trusted adult C) Strength D) Empathy

3. In Myself, which idea matches this meaning: saying what you need firmly and respectfully? A) Personal hygiene B) Empathy C) Trusted adult D) Assertiveness

4. In Myself, which idea matches this meaning: habits that help keep the body clean and healthy? A) Trusted adult B) Assertiveness C) Personal hygiene D) Empathy

5. In Myself, which idea matches this meaning: someone safe who listens and helps when we need support? A) Personal hygiene B) Empathy C) Strength D) Trusted adult

CHALLENGE — Ten different questions

1. Esi is preparing a project on myself. Which term belongs beside the note “an ability or good quality we can develop”? A) Personal hygiene B) Empathy C) Strength D) Assertiveness

2. A group studying Myself is discussing “Strength”. Which explanation should they put in their workbook? A) an ability or good quality we can develop B) saying what you need firmly and respectfully C) someone safe who listens and helps when we need support D) trying to understand how another person feels

3. Esi is preparing a project on myself. Which term belongs beside the note “trying to understand how another person feels”? A) Personal hygiene B) Trusted adult C) Strength D) Empathy

4. A group studying Myself is discussing “Empathy”. Which explanation should they put in their workbook? A) habits that help keep the body clean and healthy B) an ability or good quality we can develop C) someone safe who listens and helps when we need support D) trying to understand how another person feels

5. Esi is preparing a project on myself. Which term belongs beside the note “saying what you need firmly and respectfully”? A) Trusted adult B) Personal hygiene C) Empathy D) Assertiveness

6. A group studying Myself is discussing “Assertiveness”. Which explanation should they put in their workbook? A) an ability or good quality we can develop B) someone safe who listens and helps when we need support C) saying what you need firmly and respectfully D) trying to understand how another person feels

7. Esi is preparing a project on myself. Which term belongs beside the note “habits that help keep the body clean and healthy”? A) Personal hygiene B) Strength C) Assertiveness D) Trusted adult

8. A group studying Myself is discussing “Personal hygiene”. Which explanation should they put in their workbook? A) saying what you need firmly and respectfully B) trying to understand how another person feels C) habits that help keep the body clean and healthy D) an ability or good quality we can develop

9. Esi is preparing a project on myself. Which term belongs beside the note “someone safe who listens and helps when we need support”? A) Strength B) Empathy C) Personal hygiene D) Trusted adult

10. A group studying Myself is discussing “Trusted adult”. Which explanation should they put in their workbook? A) habits that help keep the body clean and healthy B) saying what you need firmly and respectfully C) an ability or good quality we can develop D) someone safe who listens and helps when we need support

Lesson 3: My Family and the Community

Strand: All About Us

Learning goal: Describe family roles and appreciate helpful community members

Learn these five ideas

Family commitment: doing fair duties and supporting family members.

Community helper: a person who serves others in a neighbourhood.

Cooperation: working together to achieve a shared goal.

Responsibility: finishing tasks that are suitable for your age.

Kindness: offering help without expecting a reward.

Ghanaian life example

A family in Cape Coast shares chores fairly, while adults make sure children are safe and have time for school.

Your activity

Interview a trusted adult about one family duty and one community service.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 3 • Play & Challenge

PLAY — Five questions

1. In My Family and the Community, which idea matches this meaning: doing fair duties and supporting family members? A) Community helper B) Cooperation C) Responsibility D) Family commitment

2. In My Family and the Community, which idea matches this meaning: a person who serves others in a neighbourhood? A) Responsibility B) Cooperation C) Family commitment D) Community helper

3. In My Family and the Community, which idea matches this meaning: working together to achieve a shared goal? A) Cooperation B) Responsibility C) Kindness D) Family commitment

4. In My Family and the Community, which idea matches this meaning: finishing tasks that are suitable for your age? A) Responsibility B) Family commitment C) Kindness D) Community helper

5. In My Family and the Community, which idea matches this meaning: offering help without expecting a reward? A) Community helper B) Responsibility C) Kindness D) Cooperation

CHALLENGE — Ten different questions

1. Kwame is preparing a project on my family and the community. Which term belongs beside the note “doing fair duties and supporting family members”? A) Responsibility B) Kindness C) Family commitment D) Community helper

2. A group studying My Family and the Community is discussing “Family commitment”. Which explanation should they put in their workbook? A) finishing tasks that are suitable for your age B) working together to achieve a shared goal C) doing fair duties and supporting family members D) a person who serves others in a neighbourhood

3. Kwame is preparing a project on my family and the community. Which term belongs beside the note “a person who serves others in a neighbourhood”? A) Cooperation B) Responsibility C) Kindness D) Community helper

4. A group studying My Family and the Community is discussing “Community helper”. Which explanation should they put in their workbook? A) working together to achieve a shared goal B) finishing tasks that are suitable for your age C) offering help without expecting a reward D) a person who serves others in a neighbourhood

5. Kwame is preparing a project on my family and the community. Which term belongs beside the note “working together to achieve a shared goal”? A) Kindness B) Responsibility C) Family commitment D) Cooperation

6. A group studying My Family and the Community is discussing “Cooperation”. Which explanation should they put in their workbook? A) working together to achieve a shared goal B) offering help without expecting a reward C) a person who serves others in a neighbourhood D) doing fair duties and supporting family members

7. Kwame is preparing a project on my family and the community. Which term belongs beside the note “finishing tasks that are suitable for your age”? A) Responsibility B) Kindness C) Cooperation D) Family commitment

8. A group studying My Family and the Community is discussing “Responsibility”. Which explanation should they put in their workbook? A) working together to achieve a shared goal B) offering help without expecting a reward C) a person who serves others in a neighbourhood D) finishing tasks that are suitable for your age

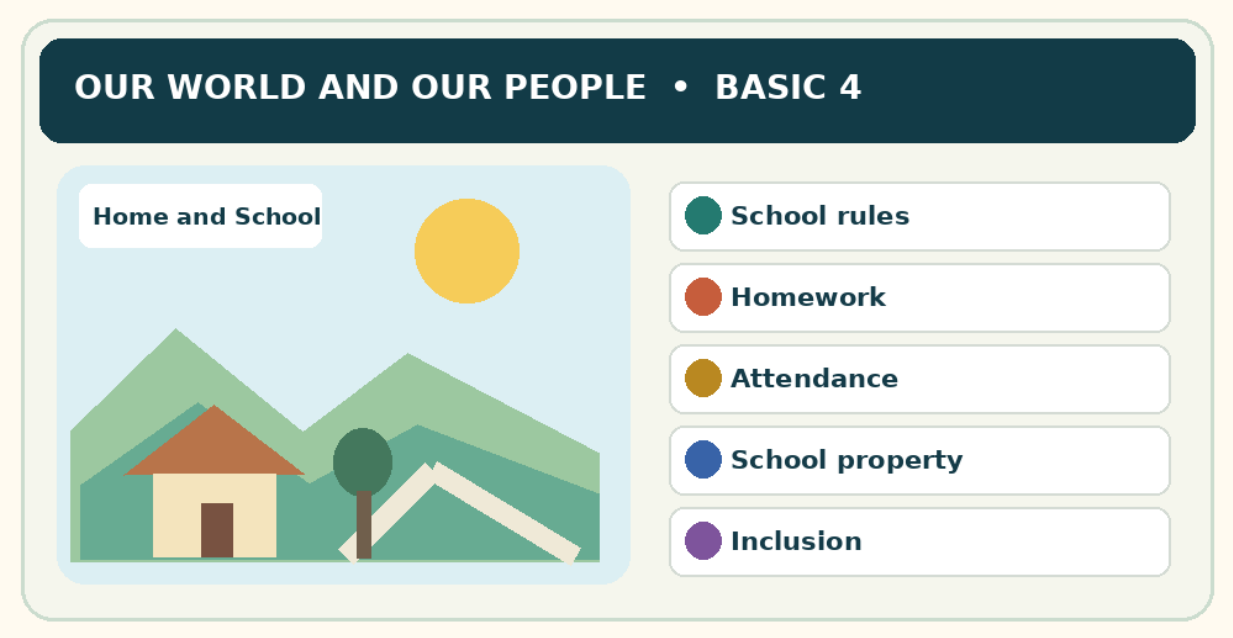

9. Kwame is preparing a project on my family and the community. Which term belongs beside the note “offering help without expecting a reward”? A) Kindness B) Community helper C) Responsibility D) Cooperation

10. A group studying My Family and the Community is discussing “Kindness”. Which explanation should they put in their workbook? A) offering help without expecting a reward B) finishing tasks that are suitable for your age C) working together to achieve a shared goal D) doing fair duties and supporting family members

Lesson 4: Home and School

Strand: All About Us

Learning goal: Identify ways to keep the home and school orderly

Learn these five ideas

School rules: agreed expectations that protect learning and safety.

Homework: a home task that helps practise skills.

Attendance: coming to school consistently when able.

School property: books, desks and facilities everyone must treat well.

Inclusion: making every learner feel welcome and able to participate.

Ghanaian life example

Esi asks classmates to take turns using the reading corner and to replace books neatly.

Your activity

Design a classroom rule chart with reasons for each rule.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 4 • Play & Challenge

PLAY — Five questions

1. In Home and School, which idea matches this meaning: agreed expectations that protect learning and safety? A) Inclusion B) School rules C) School property D) Attendance

2. In Home and School, which idea matches this meaning: a home task that helps practise skills? A) School rules B) School property C) Inclusion D) Homework

3. In Home and School, which idea matches this meaning: coming to school consistently when able? A) School property B) Inclusion C) Homework D) Attendance

4. In Home and School, which idea matches this meaning: books, desks and facilities everyone must treat well? A) School rules B) School property C) Attendance D) Inclusion

5. In Home and School, which idea matches this meaning: making every learner feel welcome and able to participate? A) School property B) Homework C) Inclusion D) School rules

CHALLENGE — Ten different questions

1. Akosua is preparing a project on home and school. Which term belongs beside the note “agreed expectations that protect learning and safety”? A) Homework B) Attendance C) Inclusion D) School rules

2. A group studying Home and School is discussing “School rules”. Which explanation should they put in their workbook? A) coming to school consistently when able B) a home task that helps practise skills C) agreed expectations that protect learning and safety D) making every learner feel welcome and able to participate

3. Akosua is preparing a project on home and school. Which term belongs beside the note “a home task that helps practise skills”? A) Inclusion B) Attendance C) Homework D) School property

4. A group studying Home and School is discussing “Homework”. Which explanation should they put in their workbook? A) books, desks and facilities everyone must treat well B) a home task that helps practise skills C) agreed expectations that protect learning and safety D) coming to school consistently when able

5. Akosua is preparing a project on home and school. Which term belongs beside the note “coming to school consistently when able”? A) School rules B) Attendance C) Inclusion D) Homework

6. A group studying Home and School is discussing “Attendance”. Which explanation should they put in their workbook? A) coming to school consistently when able B) making every learner feel welcome and able to participate C) books, desks and facilities everyone must treat well D) agreed expectations that protect learning and safety

7. Akosua is preparing a project on home and school. Which term belongs beside the note “books, desks and facilities everyone must treat well”? A) School property B) Inclusion C) Attendance D) Homework

8. A group studying Home and School is discussing “School property”. Which explanation should they put in their workbook? A) books, desks and facilities everyone must treat well B) agreed expectations that protect learning and safety C) a home task that helps practise skills D) making every learner feel welcome and able to participate

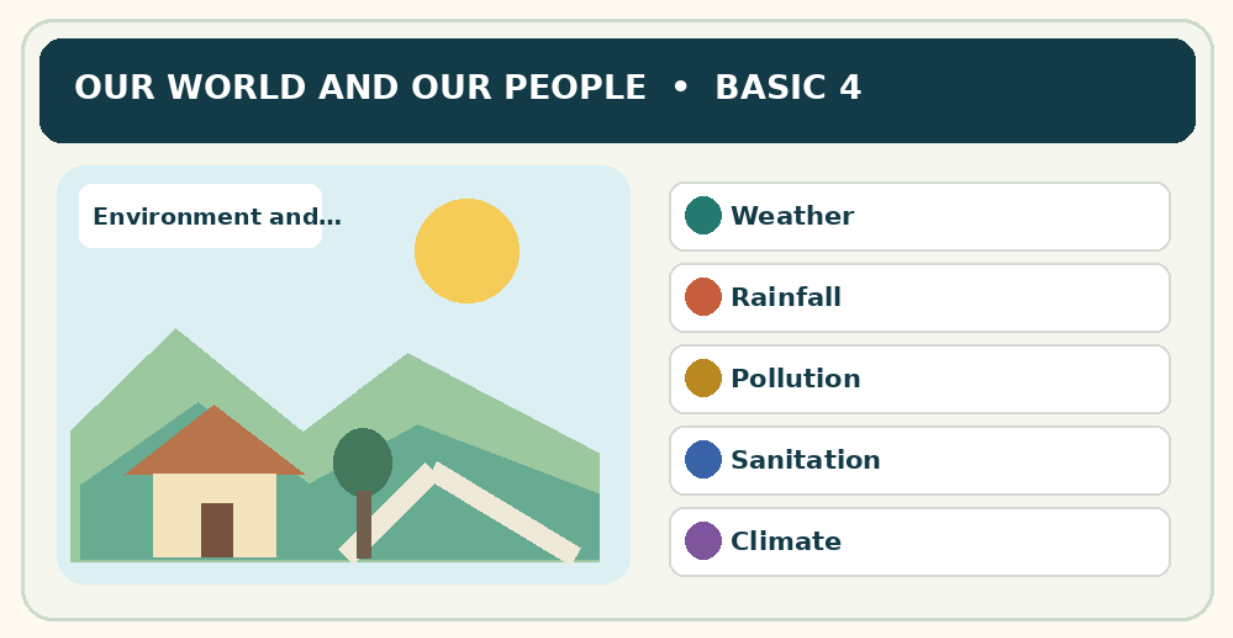

9. Akosua is preparing a project on home and school. Which term belongs beside the note “making every learner feel welcome and able to participate”? A) School rules B) Attendance C) Inclusion D) Homework

10. A group studying Home and School is discussing “Inclusion”. Which explanation should they put in their workbook? A) agreed expectations that protect learning and safety B) a home task that helps practise skills C) making every learner feel welcome and able to participate D) books, desks and facilities everyone must treat well

Lesson 5: Environment and Weather

Strand: All Around Us

Learning goal: Observe weather and protect the immediate environment

Learn these five ideas

Weather: the condition of the atmosphere at a particular time.

Rainfall: water that falls from clouds as rain.

Pollution: harmful waste or substances in our surroundings.

Sanitation: keeping places clean to protect health.

Climate: the usual pattern of weather over many years.

Ghanaian life example

After heavy rain in Accra, pupils identify drains blocked with litter and propose safe clean-up by adults.

Your activity

Keep a five-day weather record and suggest one community improvement.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 5 • Play & Challenge

PLAY — Five questions

1. In Environment and Weather, which idea matches this meaning: the condition of the atmosphere at a particular time? A) Sanitation B) Weather C) Rainfall D) Pollution

2. In Environment and Weather, which idea matches this meaning: water that falls from clouds as rain? A) Climate B) Sanitation C) Rainfall D) Weather

3. In Environment and Weather, which idea matches this meaning: harmful waste or substances in our surroundings? A) Climate B) Pollution C) Sanitation D) Weather

4. In Environment and Weather, which idea matches this meaning: keeping places clean to protect health? A) Climate B) Pollution C) Sanitation D) Weather

5. In Environment and Weather, which idea matches this meaning: the usual pattern of weather over many years? A) Sanitation B) Climate C) Weather D) Pollution

CHALLENGE — Ten different questions

1. Yaw is preparing a project on environment and weather. Which term belongs beside the note “the condition of the atmosphere at a particular time”? A) Climate B) Weather C) Pollution D) Rainfall

2. A group studying Environment and Weather is discussing “Weather”. Which explanation should they put in their workbook? A) the condition of the atmosphere at a particular time B) water that falls from clouds as rain C) keeping places clean to protect health D) the usual pattern of weather over many years

3. Yaw is preparing a project on environment and weather. Which term belongs beside the note “water that falls from clouds as rain”? A) Rainfall B) Climate C) Sanitation D) Weather

4. A group studying Environment and Weather is discussing “Rainfall”. Which explanation should they put in their workbook? A) the condition of the atmosphere at a particular time B) water that falls from clouds as rain C) harmful waste or substances in our surroundings D) keeping places clean to protect health

5. Yaw is preparing a project on environment and weather. Which term belongs beside the note “harmful waste or substances in our surroundings”? A) Climate B) Rainfall C) Pollution D) Sanitation

6. A group studying Environment and Weather is discussing “Pollution”. Which explanation should they put in their workbook? A) harmful waste or substances in our surroundings B) the condition of the atmosphere at a particular time C) water that falls from clouds as rain D) the usual pattern of weather over many years

7. Yaw is preparing a project on environment and weather. Which term belongs beside the note “keeping places clean to protect health”? A) Sanitation B) Pollution C) Rainfall D) Weather

8. A group studying Environment and Weather is discussing “Sanitation”. Which explanation should they put in their workbook? A) harmful waste or substances in our surroundings B) the usual pattern of weather over many years C) the condition of the atmosphere at a particular time D) keeping places clean to protect health

9. Yaw is preparing a project on environment and weather. Which term belongs beside the note “the usual pattern of weather over many years”? A) Rainfall B) Pollution C) Climate D) Sanitation

10. A group studying Environment and Weather is discussing “Climate”. Which explanation should they put in their workbook? A) water that falls from clouds as rain B) harmful waste or substances in our surroundings C) the condition of the atmosphere at a particular time D) the usual pattern of weather over many years

Lesson 6: Plants and Animals

Strand: All Around Us

Learning goal: Recognise needs of plants and animals

Learn these five ideas

Germination: the early growth of a seed into a seedling.

Habitat: the natural place where an organism lives.

Food chain: the path of food energy from one living thing to another.

Biodiversity: the variety of living things in an area.

Conservation: protecting plants, animals and habitats.

Ghanaian life example

A school garden grows okro and peppers, attracting insects that help some flowers form fruits.

Your activity

Observe a plant for a week and draw a simple food chain without harming animals.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 6 • Play & Challenge

PLAY — Five questions

1. In Plants and Animals, which idea matches this meaning: the early growth of a seed into a seedling? A) Conservation B) Germination C) Biodiversity D) Food chain

2. In Plants and Animals, which idea matches this meaning: the natural place where an organism lives? A) Food chain B) Habitat C) Germination D) Conservation

3. In Plants and Animals, which idea matches this meaning: the path of food energy from one living thing to another? A) Food chain B) Biodiversity C) Conservation D) Germination

4. In Plants and Animals, which idea matches this meaning: the variety of living things in an area? A) Conservation B) Germination C) Biodiversity D) Habitat

5. In Plants and Animals, which idea matches this meaning: protecting plants, animals and habitats? A) Habitat B) Conservation C) Biodiversity D) Germination

CHALLENGE — Ten different questions

1. Abena is preparing a project on plants and animals. Which term belongs beside the note “the early growth of a seed into a seedling”? A) Germination B) Conservation C) Habitat D) Food chain

2. A group studying Plants and Animals is discussing “Germination”. Which explanation should they put in their workbook? A) protecting plants, animals and habitats B) the variety of living things in an area C) the path of food energy from one living thing to another D) the early growth of a seed into a seedling

3. Abena is preparing a project on plants and animals. Which term belongs beside the note “the natural place where an organism lives”? A) Biodiversity B) Germination C) Food chain D) Habitat

4. A group studying Plants and Animals is discussing “Habitat”. Which explanation should they put in their workbook? A) the early growth of a seed into a seedling B) the path of food energy from one living thing to another C) the natural place where an organism lives D) the variety of living things in an area

5. Abena is preparing a project on plants and animals. Which term belongs beside the note “the path of food energy from one living thing to another”? A) Food chain B) Conservation C) Biodiversity D) Habitat

6. A group studying Plants and Animals is discussing “Food chain”. Which explanation should they put in their workbook? A) the path of food energy from one living thing to another B) protecting plants, animals and habitats C) the early growth of a seed into a seedling D) the natural place where an organism lives

7. Abena is preparing a project on plants and animals. Which term belongs beside the note “the variety of living things in an area”? A) Biodiversity B) Germination C) Conservation D) Food chain

8. A group studying Plants and Animals is discussing “Biodiversity”. Which explanation should they put in their workbook? A) the variety of living things in an area B) the early growth of a seed into a seedling C) the natural place where an organism lives D) protecting plants, animals and habitats

9. Abena is preparing a project on plants and animals. Which term belongs beside the note “protecting plants, animals and habitats”? A) Habitat B) Conservation C) Biodiversity D) Germination

10. A group studying Plants and Animals is discussing “Conservation”. Which explanation should they put in their workbook? A) the early growth of a seed into a seedling B) protecting plants, animals and habitats C) the natural place where an organism lives D) the path of food energy from one living thing to another

Lesson 7: Map Making and Landmarks

Strand: All Around Us

Learning goal: Identify landmarks and draw a simple route

Learn these five ideas

Sketch map: a simple drawing showing where places are located.

Key: a guide explaining the signs or symbols on a map.

Compass direction: north, south, east or west used to show location.

Landmark: a visible feature used to identify a place.

Route: a path used to travel between places.

Ghanaian life example

A learner draws the school, market and clinic and marks a route that avoids a busy road.

Your activity

Draw a map from the classroom to the school gate with a key and two landmarks.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 7 • Play & Challenge

PLAY — Five questions

1. In Map Making and Landmarks, which idea matches this meaning: a simple drawing showing where places are located? A) Route B) Sketch map C) Key D) Compass direction

2. In Map Making and Landmarks, which idea matches this meaning: a guide explaining the signs or symbols on a map? A) Route B) Sketch map C) Key D) Landmark

3. In Map Making and Landmarks, which idea matches this meaning: north, south, east or west used to show location? A) Key B) Landmark C) Route D) Compass direction

4. In Map Making and Landmarks, which idea matches this meaning: a visible feature used to identify a place? A) Key B) Route C) Landmark D) Compass direction

5. In Map Making and Landmarks, which idea matches this meaning: a path used to travel between places? A) Key B) Sketch map C) Route D) Compass direction

CHALLENGE — Ten different questions

1. Kojo is preparing a project on map making and landmarks. Which term belongs beside the note “a simple drawing showing where places are located”? A) Sketch map B) Landmark C) Key D) Route

2. A group studying Map Making and Landmarks is discussing “Sketch map”. Which explanation should they put in their workbook? A) a simple drawing showing where places are located B) a path used to travel between places C) north, south, east or west used to show location D) a guide explaining the signs or symbols on a map

3. Kojo is preparing a project on map making and landmarks. Which term belongs beside the note “a guide explaining the signs or symbols on a map”? A) Landmark B) Compass direction C) Key D) Sketch map

4. A group studying Map Making and Landmarks is discussing “Key”. Which explanation should they put in their workbook? A) a guide explaining the signs or symbols on a map B) a path used to travel between places C) north, south, east or west used to show location D) a visible feature used to identify a place

5. Kojo is preparing a project on map making and landmarks. Which term belongs beside the note “north, south, east or west used to show location”? A) Landmark B) Sketch map C) Key D) Compass direction

6. A group studying Map Making and Landmarks is discussing “Compass direction”. Which explanation should they put in their workbook? A) a path used to travel between places B) a guide explaining the signs or symbols on a map C) a simple drawing showing where places are located D) north, south, east or west used to show location

7. Kojo is preparing a project on map making and landmarks. Which term belongs beside the note “a visible feature used to identify a place”? A) Landmark B) Compass direction C) Sketch map D) Route

8. A group studying Map Making and Landmarks is discussing “Landmark”. Which explanation should they put in their workbook? A) a simple drawing showing where places are located B) north, south, east or west used to show location C) a visible feature used to identify a place D) a guide explaining the signs or symbols on a map

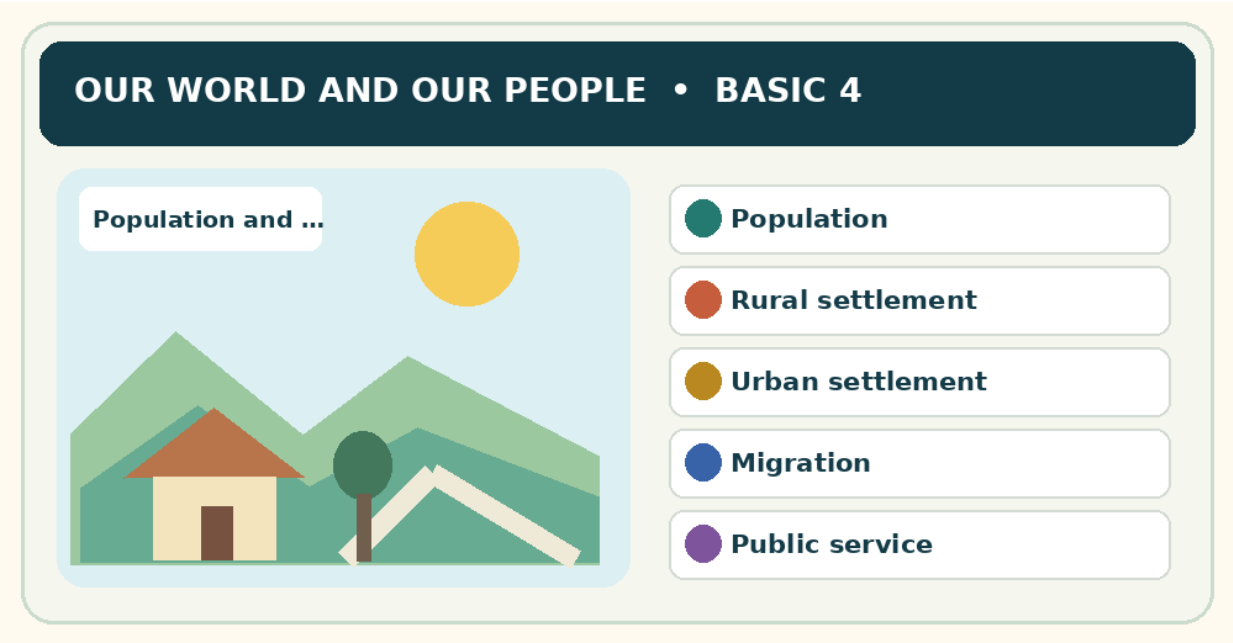

9. Kojo is preparing a project on map making and landmarks. Which term belongs beside the note “a path used to travel between places”? A) Landmark B) Compass direction C) Route D) Sketch map

10. A group studying Map Making and Landmarks is discussing “Route”. Which explanation should they put in their workbook? A) a path used to travel between places B) a simple drawing showing where places are located C) north, south, east or west used to show location D) a visible feature used to identify a place

Lesson 8: Population and Settlement

Strand: All Around Us

Learning goal: Identify common settlement features

Learn these five ideas

Population: the number of people living in an area.

Rural settlement: a community with fewer buildings and many agricultural activities.

Urban settlement: a place with more buildings and a larger concentration of people.

Migration: movement from one place to live in another.

Public service: a facility such as a school or clinic that meets community needs.

Ghanaian life example

Ama compares farm communities with the busy markets and traffic of Kumasi without saying one community is better.

Your activity

Make a two-column chart of services needed in rural and urban communities.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 8 • Play & Challenge

PLAY — Five questions

1. In Population and Settlement, which idea matches this meaning: the number of people living in an area? A) Rural settlement B) Urban settlement C) Population D) Migration

2. In Population and Settlement, which idea matches this meaning: a community with fewer buildings and many agricultural activities? A) Population B) Rural settlement C) Public service D) Migration

3. In Population and Settlement, which idea matches this meaning: a place with more buildings and a larger concentration of people? A) Urban settlement B) Rural settlement C) Public service D) Migration

4. In Population and Settlement, which idea matches this meaning: movement from one place to live in another? A) Public service B) Rural settlement C) Migration D) Urban settlement

5. In Population and Settlement, which idea matches this meaning: a facility such as a school or clinic that meets community needs? A) Urban settlement B) Rural settlement C) Public service D) Migration

CHALLENGE — Ten different questions

1. Ama is preparing a project on population and settlement. Which term belongs beside the note “the number of people living in an area”? A) Public service B) Urban settlement C) Population D) Migration

2. A group studying Population and Settlement is discussing “Population”. Which explanation should they put in their workbook? A) movement from one place to live in another B) the number of people living in an area C) a place with more buildings and a larger concentration of people D) a facility such as a school or clinic that meets community needs

3. Ama is preparing a project on population and settlement. Which term belongs beside the note “a community with fewer buildings and many agricultural activities”? A) Public service B) Rural settlement C) Population D) Migration

4. A group studying Population and Settlement is discussing “Rural settlement”. Which explanation should they put in their workbook? A) a place with more buildings and a larger concentration of people B) a facility such as a school or clinic that meets community needs C) the number of people living in an area D) a community with fewer buildings and many agricultural activities

5. Ama is preparing a project on population and settlement. Which term belongs beside the note “a place with more buildings and a larger concentration of people”? A) Public service B) Migration C) Population D) Urban settlement

6. A group studying Population and Settlement is discussing “Urban settlement”. Which explanation should they put in their workbook? A) the number of people living in an area B) a place with more buildings and a larger concentration of people C) a community with fewer buildings and many agricultural activities D) a facility such as a school or clinic that meets community needs

7. Ama is preparing a project on population and settlement. Which term belongs beside the note “movement from one place to live in another”? A) Public service B) Rural settlement C) Urban settlement D) Migration

8. A group studying Population and Settlement is discussing “Migration”. Which explanation should they put in their workbook? A) the number of people living in an area B) movement from one place to live in another C) a place with more buildings and a larger concentration of people D) a community with fewer buildings and many agricultural activities

9. Ama is preparing a project on population and settlement. Which term belongs beside the note “a facility such as a school or clinic that meets community needs”? A) Rural settlement B) Migration C) Public service D) Urban settlement

10. A group studying Population and Settlement is discussing “Public service”. Which explanation should they put in their workbook? A) movement from one place to live in another B) the number of people living in an area C) a place with more buildings and a larger concentration of people D) a facility such as a school or clinic that meets community needs

Lesson 9: Worship

Strand: Our Beliefs and Values

Learning goal: Recognise different worship practices in Ghana

Learn these five ideas

Prayer: a way believers speak or communicate with God.

Worship: acts expressing devotion in a religious tradition.

Charity: help given to people in need.

Tolerance: respected coexistence with people of different beliefs.

Reflection: thinking carefully about your own actions and values.

Ghanaian life example

Children respectfully observe that a church, mosque and traditional community may worship differently.

Your activity

Write two ways to show respect when visiting someone else's religious setting.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 9 • Play & Challenge

PLAY — Five questions

1. In Worship, which idea matches this meaning: a way believers speak or communicate with God? A) Tolerance B) Reflection C) Prayer D) Worship

2. In Worship, which idea matches this meaning: acts expressing devotion in a religious tradition? A) Tolerance B) Prayer C) Worship D) Charity

3. In Worship, which idea matches this meaning: help given to people in need? A) Charity B) Reflection C) Worship D) Prayer

4. In Worship, which idea matches this meaning: respected coexistence with people of different beliefs? A) Prayer B) Worship C) Charity D) Tolerance

5. In Worship, which idea matches this meaning: thinking carefully about your own actions and values? A) Reflection B) Tolerance C) Charity D) Worship

CHALLENGE — Ten different questions

1. Kofi is preparing a project on worship. Which term belongs beside the note “a way believers speak or communicate with God”? A) Worship B) Tolerance C) Charity D) Prayer

2. A group studying Worship is discussing “Prayer”. Which explanation should they put in their workbook? A) thinking carefully about your own actions and values B) acts expressing devotion in a religious tradition C) help given to people in need D) a way believers speak or communicate with God

3. Kofi is preparing a project on worship. Which term belongs beside the note “acts expressing devotion in a religious tradition”? A) Charity B) Tolerance C) Reflection D) Worship

4. A group studying Worship is discussing “Worship”. Which explanation should they put in their workbook? A) thinking carefully about your own actions and values B) respected coexistence with people of different beliefs C) help given to people in need D) acts expressing devotion in a religious tradition

5. Kofi is preparing a project on worship. Which term belongs beside the note “help given to people in need”? A) Tolerance B) Prayer C) Charity D) Worship

6. A group studying Worship is discussing “Charity”. Which explanation should they put in their workbook? A) a way believers speak or communicate with God B) help given to people in need C) acts expressing devotion in a religious tradition D) thinking carefully about your own actions and values

7. Kofi is preparing a project on worship. Which term belongs beside the note “respected coexistence with people of different beliefs”? A) Charity B) Worship C) Prayer D) Tolerance

8. A group studying Worship is discussing “Tolerance”. Which explanation should they put in their workbook? A) acts expressing devotion in a religious tradition B) thinking carefully about your own actions and values C) respected coexistence with people of different beliefs D) a way believers speak or communicate with God

9. Kofi is preparing a project on worship. Which term belongs beside the note “thinking carefully about your own actions and values”? A) Charity B) Prayer C) Reflection D) Worship

10. A group studying Worship is discussing “Reflection”. Which explanation should they put in their workbook? A) thinking carefully about your own actions and values B) help given to people in need C) acts expressing devotion in a religious tradition D) respected coexistence with people of different beliefs

Lesson 10: Festivals

Strand: Our Beliefs and Values

Learning goal: Identify Ghanaian festivals and their meaning

Learn these five ideas

Festival: a community celebration of culture, history or religion.

Heritage: traditions and knowledge passed through generations.

Durbar: a formal gathering often featuring chiefs and community members.

Unity: the feeling of working and belonging together.

Cultural preservation: protecting meaningful traditions for future generations.

Ghanaian life example

A class compares Homowo and Aboakyer as celebrations with distinct histories and customs.

Your activity

Create a festival poster showing a tradition, a shared value and a community benefit.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 10 • Play & Challenge

PLAY — Five questions

1. In Festivals, which idea matches this meaning: a community celebration of culture, history or religion? A) Unity B) Cultural preservation C) Durbar D) Festival

2. In Festivals, which idea matches this meaning: traditions and knowledge passed through generations? A) Cultural preservation B) Heritage C) Durbar D) Festival

3. In Festivals, which idea matches this meaning: a formal gathering often featuring chiefs and community members? A) Unity B) Heritage C) Cultural preservation D) Durbar

4. In Festivals, which idea matches this meaning: the feeling of working and belonging together? A) Cultural preservation B) Festival C) Heritage D) Unity

5. In Festivals, which idea matches this meaning: protecting meaningful traditions for future generations? A) Cultural preservation B) Durbar C) Festival D) Heritage

CHALLENGE — Ten different questions

1. Esi is preparing a project on festivals. Which term belongs beside the note “a community celebration of culture, history or religion”? A) Festival B) Cultural preservation C) Unity D) Durbar

2. A group studying Festivals is discussing “Festival”. Which explanation should they put in their workbook? A) the feeling of working and belonging together B) protecting meaningful traditions for future generations C) a formal gathering often featuring chiefs and community members D) a community celebration of culture, history or religion

3. Esi is preparing a project on festivals. Which term belongs beside the note “traditions and knowledge passed through generations”? A) Durbar B) Festival C) Unity D) Heritage

4. A group studying Festivals is discussing “Heritage”. Which explanation should they put in their workbook? A) the feeling of working and belonging together B) protecting meaningful traditions for future generations C) traditions and knowledge passed through generations D) a formal gathering often featuring chiefs and community members

5. Esi is preparing a project on festivals. Which term belongs beside the note “a formal gathering often featuring chiefs and community members”? A) Heritage B) Durbar C) Festival D) Cultural preservation

6. A group studying Festivals is discussing “Durbar”. Which explanation should they put in their workbook? A) the feeling of working and belonging together B) a formal gathering often featuring chiefs and community members C) protecting meaningful traditions for future generations D) traditions and knowledge passed through generations

7. Esi is preparing a project on festivals. Which term belongs beside the note “the feeling of working and belonging together”? A) Durbar B) Unity C) Cultural preservation D) Heritage

8. A group studying Festivals is discussing “Unity”. Which explanation should they put in their workbook? A) the feeling of working and belonging together B) a formal gathering often featuring chiefs and community members C) protecting meaningful traditions for future generations D) traditions and knowledge passed through generations

9. Esi is preparing a project on festivals. Which term belongs beside the note “protecting meaningful traditions for future generations”? A) Heritage B) Festival C) Durbar D) Cultural preservation

10. A group studying Festivals is discussing “Cultural preservation”. Which explanation should they put in their workbook? A) traditions and knowledge passed through generations B) the feeling of working and belonging together C) a community celebration of culture, history or religion D) protecting meaningful traditions for future generations

Lesson 11: Basic Human Rights

Strand: Our Beliefs and Values

Learning goal: Describe children’s rights and respect for others

Learn these five ideas

Human right: a basic freedom or protection due to every person.

Right to education: the opportunity to learn and develop.

Protection: being kept safe from abuse and harmful treatment.

Fairness: treating people justly without discrimination.

Reporting: telling a trusted adult or responsible service about abuse.

Ghanaian life example

A child tells a trusted teacher about repeated bullying; the teacher arranges safe support.

Your activity

Make an awareness card: one right, one responsibility, and a safe source of help.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 11 • Play & Challenge

PLAY — Five questions

1. In Basic Human Rights, which idea matches this meaning: a basic freedom or protection due to every person? A) Protection B) Human right C) Reporting D) Right to education

2. In Basic Human Rights, which idea matches this meaning: the opportunity to learn and develop? A) Reporting B) Protection C) Fairness D) Right to education

3. In Basic Human Rights, which idea matches this meaning: being kept safe from abuse and harmful treatment? A) Right to education B) Protection C) Human right D) Reporting

4. In Basic Human Rights, which idea matches this meaning: treating people justly without discrimination? A) Reporting B) Right to education C) Protection D) Fairness

5. In Basic Human Rights, which idea matches this meaning: telling a trusted adult or responsible service about abuse? A) Reporting B) Fairness C) Protection D) Right to education

CHALLENGE — Ten different questions

1. Kwame is preparing a project on basic human rights. Which term belongs beside the note “a basic freedom or protection due to every person”? A) Reporting B) Protection C) Right to education D) Human right

2. A group studying Basic Human Rights is discussing “Human right”. Which explanation should they put in their workbook? A) a basic freedom or protection due to every person B) being kept safe from abuse and harmful treatment C) telling a trusted adult or responsible service about abuse D) treating people justly without discrimination

3. Kwame is preparing a project on basic human rights. Which term belongs beside the note “the opportunity to learn and develop”? A) Protection B) Reporting C) Fairness D) Right to education

4. A group studying Basic Human Rights is discussing “Right to education”. Which explanation should they put in their workbook? A) a basic freedom or protection due to every person B) the opportunity to learn and develop C) telling a trusted adult or responsible service about abuse D) treating people justly without discrimination

5. Kwame is preparing a project on basic human rights. Which term belongs beside the note “being kept safe from abuse and harmful treatment”? A) Human right B) Protection C) Right to education D) Reporting

6. A group studying Basic Human Rights is discussing “Protection”. Which explanation should they put in their workbook? A) a basic freedom or protection due to every person B) being kept safe from abuse and harmful treatment C) telling a trusted adult or responsible service about abuse D) the opportunity to learn and develop

7. Kwame is preparing a project on basic human rights. Which term belongs beside the note “treating people justly without discrimination”? A) Protection B) Right to education C) Fairness D) Human right

8. A group studying Basic Human Rights is discussing “Fairness”. Which explanation should they put in their workbook? A) treating people justly without discrimination B) being kept safe from abuse and harmful treatment C) telling a trusted adult or responsible service about abuse D) a basic freedom or protection due to every person

9. Kwame is preparing a project on basic human rights. Which term belongs beside the note “telling a trusted adult or responsible service about abuse”? A) Reporting B) Protection C) Fairness D) Right to education

10. A group studying Basic Human Rights is discussing “Reporting”. Which explanation should they put in their workbook? A) a basic freedom or protection due to every person B) treating people justly without discrimination C) telling a trusted adult or responsible service about abuse D) being kept safe from abuse and harmful treatment

Lesson 12: Being a Leader

Strand: Our Beliefs and Values

Learning goal: Identify good leadership qualities

Learn these five ideas

Leader: a person who helps others work toward a shared goal.

Integrity: doing what is right even when nobody is watching.

Listening: paying attention to other people’s views.

Service: using your abilities to help others.

Accountability: explaining decisions and accepting responsibility.

Ghanaian life example

The class prefect listens to both sides of a disagreement before helping find a fair solution.

Your activity

Role-play a class meeting where everyone has a chance to speak.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 12 • Play & Challenge

PLAY — Five questions

1. In Being a Leader, which idea matches this meaning: a person who helps others work toward a shared goal? A) Accountability B) Service C) Leader D) Listening

2. In Being a Leader, which idea matches this meaning: doing what is right even when nobody is watching? A) Integrity B) Leader C) Service D) Listening

3. In Being a Leader, which idea matches this meaning: paying attention to other people's views? A) Service B) Leader C) Accountability D) Listening

4. In Being a Leader, which idea matches this meaning: using your abilities to help others? A) Integrity B) Accountability C) Service D) Leader

5. In Being a Leader, which idea matches this meaning: explaining decisions and accepting responsibility? A) Integrity B) Accountability C) Service D) Listening

CHALLENGE — Ten different questions

1. Akosua is preparing a project on being a leader. Which term belongs beside the note "a person who helps others work toward a shared goal"? A) Leader B) Service C) Accountability D) Integrity

2. A group studying Being a Leader is discussing "Leader". Which explanation should they put in their workbook? A) paying attention to other people's views B) a person who helps others work toward a shared goal C) using your abilities to help others D) doing what is right even when nobody is watching

3. Akosua is preparing a project on being a leader. Which term belongs beside the note "doing what is right even when nobody is watching"? A) Integrity B) Listening C) Service D) Leader

4. A group studying Being a Leader is discussing "Integrity". Which explanation should they put in their workbook? A) explaining decisions and accepting responsibility B) doing what is right even when nobody is watching C) using your abilities to help others D) paying attention to other people's views

5. Akosua is preparing a project on being a leader. Which term belongs beside the note "paying attention to other people's views"? A) Listening B) Leader C) Integrity D) Accountability

6. A group studying Being a Leader is discussing "Listening". Which explanation should they put in their workbook? A) a person who helps others work toward a shared goal B) doing what is right even when nobody is watching C) using your abilities to help others D) paying attention to other people's views

7. Akosua is preparing a project on being a leader. Which term belongs beside the note "using your abilities to help others"? A) Listening B) Leader C) Service D) Integrity

8. A group studying Being a Leader is discussing "Service". Which explanation should they put in their workbook? A) paying attention to other people's views B) a person who helps others work toward a shared goal C) doing what is right even when nobody is watching D) using your abilities to help others

9. Akosua is preparing a project on being a leader. Which term belongs beside the note "explaining decisions and accepting responsibility"? A) Leader B) Accountability C) Service D) Integrity

10. A group studying Being a Leader is discussing "Accountability". Which explanation should they put in their workbook? A) doing what is right even when nobody is watching B) explaining decisions and accepting responsibility C) using your abilities to help others D) paying attention to other people's views

Lesson 13: Being a Citizen

Strand: Our Nation Ghana

Learning goal: Show good manners and commitment at home and school

Learn these five ideas

Citizenship: membership in a country with rights and responsibilities.

Good manners: polite and thoughtful conduct.

Patriotism: caring about the well-being of your country.

Peaceful living: respecting others and resolving problems without violence.

Volunteer: a person who freely gives time to help.

Ghanaian life example

Learners organise a supervised school compound clean-up and explain how it serves Ghana.

Your activity

Write a pledge with three realistic actions you can take as a responsible learner.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 13 • Play & Challenge

PLAY — Five questions

1. In Being a Citizen, which idea matches this meaning: membership in a country with rights and responsibilities? A) Citizenship B) Peaceful living C) Good manners D) Patriotism

2. In Being a Citizen, which idea matches this meaning: polite and thoughtful conduct? A) Good manners B) Peaceful living C) Volunteer D) Patriotism

3. In Being a Citizen, which idea matches this meaning: caring about the well-being of your country? A) Citizenship B) Volunteer C) Patriotism D) Peaceful living

4. In Being a Citizen, which idea matches this meaning: respecting others and resolving problems without violence? A) Volunteer B) Patriotism C) Peaceful living D) Citizenship

5. In Being a Citizen, which idea matches this meaning: a person who freely gives time to help? A) Peaceful living B) Volunteer C) Citizenship D) Good manners

CHALLENGE — Ten different questions

1. Yaw is preparing a project on being a citizen. Which term belongs beside the note “membership in a country with rights and responsibilities”? A) Volunteer B) Citizenship C) Good manners D) Peaceful living

2. A group studying Being a Citizen is discussing “Citizenship”. Which explanation should they put in their workbook? A) membership in a country with rights and responsibilities B) a person who freely gives time to help C) caring about the well-being of your country D) respecting others and resolving problems without violence

3. Yaw is preparing a project on being a citizen. Which term belongs beside the note “polite and thoughtful conduct”? A) Volunteer B) Good manners C) Peaceful living D) Citizenship

4. A group studying Being a Citizen is discussing “Good manners”. Which explanation should they put in their workbook? A) a person who freely gives time to help B) caring about the well-being of your country C) membership in a country with rights and responsibilities D) polite and thoughtful conduct

5. Yaw is preparing a project on being a citizen. Which term belongs beside the note “caring about the well-being of your country”? A) Patriotism B) Peaceful living C) Citizenship D) Good manners

6. A group studying Being a Citizen is discussing “Patriotism”. Which explanation should they put in their workbook? A) polite and thoughtful conduct B) respecting others and resolving problems without violence C) caring about the well-being of your country D) membership in a country with rights and responsibilities

7. Yaw is preparing a project on being a citizen. Which term belongs beside the note “respecting others and resolving problems without violence”? A) Volunteer B) Peaceful living C) Citizenship D) Good manners

8. A group studying Being a Citizen is discussing “Peaceful living”. Which explanation should they put in their workbook? A) a person who freely gives time to help B) membership in a country with rights and responsibilities C) polite and thoughtful conduct D) respecting others and resolving problems without violence

9. Yaw is preparing a project on being a citizen. Which term belongs beside the note “a person who freely gives time to help”? A) Good manners B) Citizenship C) Volunteer D) Peaceful living

10. A group studying Being a Citizen is discussing “Volunteer”. Which explanation should they put in their workbook? A) caring about the well-being of your country B) respecting others and resolving problems without violence C) a person who freely gives time to help D) polite and thoughtful conduct

Lesson 14: Authority and Power

Strand: Our Nation Ghana

Learning goal: Identify authorities at home, school and in the community

Learn these five ideas

Authority: the recognised right to make decisions within a responsibility.

Power: the ability to influence actions or decisions.

Rule of law: the principle that everyone must follow fair laws.

Participation: having a voice in decisions that affect the group.

Abuse of power: using authority to harm or unfairly control others.

Ghanaian life example

A school committee asks pupils to suggest safer ways to organise the morning assembly.

Your activity

Draw a chart showing one authority figure and a responsibility they should fulfil.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 14 • Play & Challenge

PLAY — Five questions

1. In Authority and Power, which idea matches this meaning: the recognised right to make decisions within a responsibility? A) Participation B) Authority C) Power D) Abuse of power

2. In Authority and Power, which idea matches this meaning: the ability to influence actions or decisions? A) Abuse of power B) Participation C) Power D) Authority

3. In Authority and Power, which idea matches this meaning: the principle that everyone must follow fair laws? A) Rule of law B) Power C) Authority D) Abuse of power

4. In Authority and Power, which idea matches this meaning: having a voice in decisions that affect the group? A) Participation B) Power C) Authority D) Rule of law

5. In Authority and Power, which idea matches this meaning: using authority to harm or unfairly control others? A) Abuse of power B) Authority C) Rule of law D) Participation

CHALLENGE — Ten different questions

1. Abena is preparing a project on authority and power. Which term belongs beside the note “the recognised right to make decisions within a responsibility”? A) Rule of law B) Abuse of power C) Power D) Authority

2. A group studying Authority and Power is discussing “Authority”. Which explanation should they put in their workbook? A) using authority to harm or unfairly control others B) the recognised right to make decisions within a responsibility C) having a voice in decisions that affect the group D) the principle that everyone must follow fair laws

3. Abena is preparing a project on authority and power. Which term belongs beside the note “the ability to influence actions or decisions”? A) Power B) Authority C) Rule of law D) Participation

4. A group studying Authority and Power is discussing “Power”. Which explanation should they put in their workbook? A) using authority to harm or unfairly control others B) the ability to influence actions or decisions C) the recognised right to make decisions within a responsibility D) the principle that everyone must follow fair laws

5. Abena is preparing a project on authority and power. Which term belongs beside the note “the principle that everyone must follow fair laws”? A) Power B) Rule of law C) Participation D) Authority

6. A group studying Authority and Power is discussing “Rule of law”. Which explanation should they put in their workbook? A) the ability to influence actions or decisions B) the recognised right to make decisions within a responsibility C) the principle that everyone must follow fair laws D) using authority to harm or unfairly control others

7. Abena is preparing a project on authority and power. Which term belongs beside the note “having a voice in decisions that affect the group”? A) Authority B) Power C) Participation D) Abuse of power

8. A group studying Authority and Power is discussing “Participation”. Which explanation should they put in their workbook? A) having a voice in decisions that affect the group B) the principle that everyone must follow fair laws C) the ability to influence actions or decisions D) the recognised right to make decisions within a responsibility

9. Abena is preparing a project on authority and power. Which term belongs beside the note “using authority to harm or unfairly control others”? A) Participation B) Authority C) Abuse of power D) Power

10. A group studying Authority and Power is discussing “Abuse of power”. Which explanation should they put in their workbook? A) the principle that everyone must follow fair laws B) using authority to harm or unfairly control others C) the ability to influence actions or decisions D) the recognised right to make decisions within a responsibility

Lesson 15: Responsible Use of Resources

Strand: Our Nation Ghana

Learning goal: Identify shared resources and avoid waste

Learn these five ideas

Resource: something useful that people can use to meet needs.

Conservation: using resources carefully so they last.

Water pollution: contamination that makes water unsafe.

Reuse: using an item again instead of wasting it.

Sustainability: meeting today's needs while protecting tomorrow's.

Ghanaian life example

Pupils turn off taps after washing, and notify adults when a water pipe leaks.

Your activity

Measure how much water your class might save by stopping one daily wasteful habit.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 15 • Play & Challenge

PLAY — Five questions

1. In Responsible Use of Resources, which idea matches this meaning: something useful that people can use to meet needs? A) Resource B) Water pollution C) Conservation D) Sustainability

2. In Responsible Use of Resources, which idea matches this meaning: using resources carefully so they last? A) Resource B) Water pollution C) Sustainability D) Conservation

3. In Responsible Use of Resources, which idea matches this meaning: contamination that makes water unsafe? A) Water pollution B) Conservation C) Sustainability D) Reuse

4. In Responsible Use of Resources, which idea matches this meaning: using an item again instead of wasting it? A) Water pollution B) Reuse C) Resource D) Sustainability

5. In Responsible Use of Resources, which idea matches this meaning: meeting today's needs while protecting tomorrow's? A) Resource B) Reuse C) Sustainability D) Conservation

CHALLENGE — Ten different questions

1. Kojo is preparing a project on responsible use of resources. Which term belongs beside the note "something useful that people can use to meet needs"? A) Resource B) Conservation C) Reuse D) Sustainability

2. A group studying Responsible Use of Resources is discussing "Resource". Which explanation should they put in their workbook? A) something useful that people can use to meet needs B) using an item again instead of wasting it C) using resources carefully so they last D) contamination that makes water unsafe

3. Kojo is preparing a project on responsible use of resources. Which term belongs beside the note "using resources carefully so they last"? A) Reuse B) Resource C) Water pollution D) Conservation

4. A group studying Responsible Use of Resources is discussing "Conservation". Which explanation should they put in their workbook? A) using an item again instead of wasting it B) using resources carefully so they last C) something useful that people can use to meet needs D) meeting today's needs while protecting tomorrow's

5. Kojo is preparing a project on responsible use of resources. Which term belongs beside the note "contamination that makes water unsafe"? A) Sustainability B) Conservation C) Water pollution D) Reuse

6. A group studying Responsible Use of Resources is discussing "Water pollution". Which explanation should they put in their workbook? A) contamination that makes water unsafe B) using resources carefully so they last C) something useful that people can use to meet needs D) using an item again instead of wasting it

7. Kojo is preparing a project on responsible use of resources. Which term belongs beside the note "using an item again instead of wasting it"? A) Sustainability B) Resource C) Conservation D) Reuse

8. A group studying Responsible Use of Resources is discussing "Reuse". Which explanation should they put in their workbook? A) meeting today's needs while protecting tomorrow's B) using resources carefully so they last C) contamination that makes water unsafe D) using an item again instead of wasting it

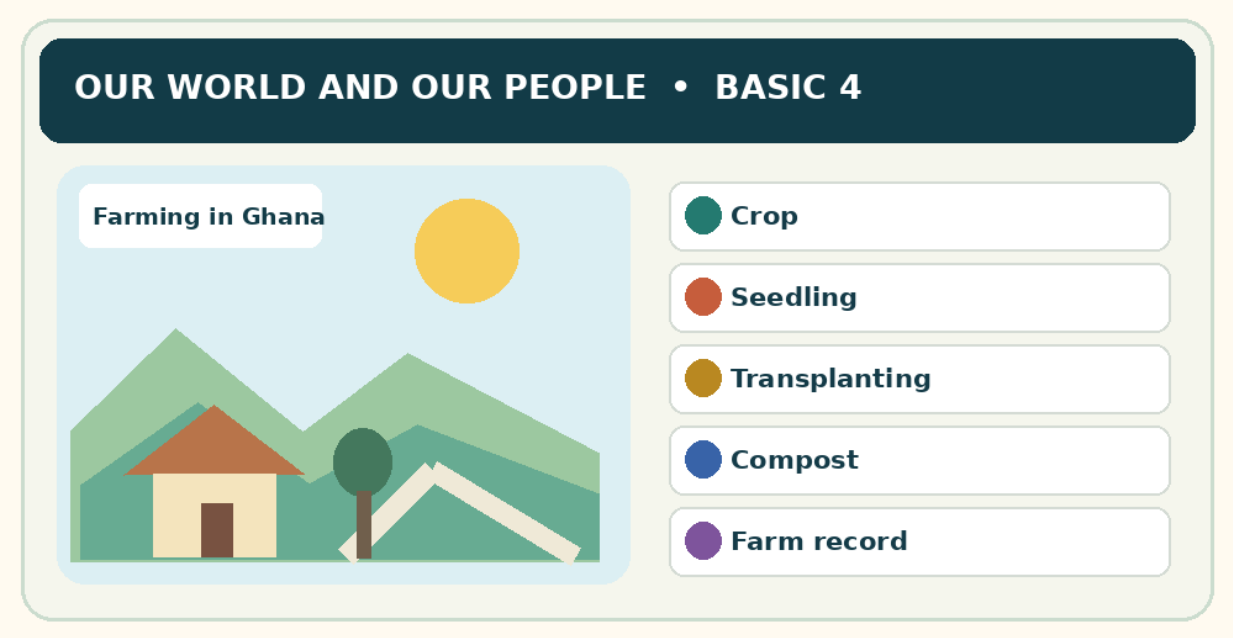

9. Kojo is preparing a project on responsible use of resources. Which term belongs beside the note "meeting today's needs while protecting tomorrow's"? A) Reuse B) Resource C) Water pollution D) Sustainability

10. A group studying Responsible Use of Resources is discussing "Sustainability". Which explanation should they put in their workbook? A) something useful that people can use to meet needs B) meeting today's needs while protecting tomorrow's C) using an item again instead of wasting it D) using resources carefully so they last

Lesson 16: Farming in Ghana

Strand: Our Nation Ghana

Learning goal: Identify farming activities and tools

Learn these five ideas

Crop: a plant grown to be eaten or sold.

Seedling: a young plant that has begun to grow.

Transplanting: moving a young plant carefully into a new growing place.

Compost: decayed organic matter that improves soil.

Farm record: notes about plant growth, costs or harvests.

Ghanaian life example

At a school garden, children transplant pepper seedlings and record their height each week.

Your activity

Grow one seed safely in a reused container and record its changes for ten days.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 16 • Play & Challenge

PLAY — Five questions

1. In Farming in Ghana, which idea matches this meaning: a plant grown to be eaten or sold? A) Crop B) Seedling C) Farm record D) Transplanting

2. In Farming in Ghana, which idea matches this meaning: a young plant that has begun to grow? A) Seedling B) Crop C) Compost D) Transplanting

3. In Farming in Ghana, which idea matches this meaning: moving a young plant carefully into a new growing place? A) Farm record B) Seedling C) Transplanting D) Compost

4. In Farming in Ghana, which idea matches this meaning: decayed organic matter that improves soil? A) Crop B) Compost C) Transplanting D) Farm record

5. In Farming in Ghana, which idea matches this meaning: notes about plant growth, costs or harvests? A) Farm record B) Seedling C) Transplanting D) Crop

CHALLENGE — Ten different questions

1. Ama is preparing a project on farming in ghana. Which term belongs beside the note “a plant grown to be eaten or sold”? A) Seedling B) Farm record C) Transplanting D) Crop

2. A group studying Farming in Ghana is discussing “Crop”. Which explanation should they put in their workbook? A) notes about plant growth, costs or harvests B) a young plant that has begun to grow C) a plant grown to be eaten or sold D) decayed organic matter that improves soil

3. Ama is preparing a project on farming in ghana. Which term belongs beside the note “a young plant that has begun to grow”? A) Transplanting B) Compost C) Seedling D) Crop

4. A group studying Farming in Ghana is discussing “Seedling”. Which explanation should they put in their workbook? A) notes about plant growth, costs or harvests B) decayed organic matter that improves soil C) a young plant that has begun to grow D) a plant grown to be eaten or sold

5. Ama is preparing a project on farming in ghana. Which term belongs beside the note “moving a young plant carefully into a new growing place”? A) Farm record B) Transplanting C) Compost D) Seedling

6. A group studying Farming in Ghana is discussing “Transplanting”. Which explanation should they put in their workbook? A) moving a young plant carefully into a new growing place B) a young plant that has begun to grow C) decayed organic matter that improves soil D) a plant grown to be eaten or sold

7. Ama is preparing a project on farming in ghana. Which term belongs beside the note “decayed organic matter that improves soil”? A) Seedling B) Compost C) Transplanting D) Farm record

8. A group studying Farming in Ghana is discussing “Compost”. Which explanation should they put in their workbook? A) moving a young plant carefully into a new growing place B) decayed organic matter that improves soil C) a young plant that has begun to grow D) notes about plant growth, costs or harvests

9. Ama is preparing a project on farming in ghana. Which term belongs beside the note “notes about plant growth, costs or harvests”? A) Farm record B) Crop C) Seedling D) Transplanting

10. A group studying Farming in Ghana is discussing “Farm record”. Which explanation should they put in their workbook? A) a plant grown to be eaten or sold B) notes about plant growth, costs or harvests C) decayed organic matter that improves soil D) moving a young plant carefully into a new growing place

Lesson 17: Neighbouring Countries

Strand: My Global Community

Learning goal: Locate Ghana and its neighbours on a map

Learn these five ideas

Neighbour: a country sharing a land border with another country.

Togo: the country along Ghana's eastern land border.

Côte d'Ivoire: the country along Ghana's western land border.

Burkina Faso: the country along Ghana's northern land border.

Regional trade: buying and selling goods across neighbouring countries.

Ghanaian life example

Traders move onions and other goods across West African borders while obeying trade rules.

Your activity

Label Ghana and its three land neighbours on an outline map.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 17 • Play & Challenge

PLAY — Five questions

1. In Neighbouring Countries, which idea matches this meaning: a country sharing a land border with another country? A) Côte d’Ivoire B) Regional trade C) Neighbour D) Burkina Faso

2. In Neighbouring Countries, which idea matches this meaning: the country along Ghana’s eastern land border? A) Togo B) Burkina Faso C) Neighbour D) Regional trade

3. In Neighbouring Countries, which idea matches this meaning: the country along Ghana’s western land border? A) Burkina Faso B) Regional trade C) Neighbour D) Côte d’Ivoire

4. In Neighbouring Countries, which idea matches this meaning: the country along Ghana’s northern land border? A) Regional trade B) Burkina Faso C) Togo D) Côte d’Ivoire

5. In Neighbouring Countries, which idea matches this meaning: buying and selling goods across neighbouring countries? A) Togo B) Burkina Faso C) Côte d’Ivoire D) Regional trade

CHALLENGE — Ten different questions

1. Kofi is preparing a project on neighbouring countries. Which term belongs beside the note “a country sharing a land border with another country”? A) Neighbour B) Togo C) Burkina Faso D) Côte d’Ivoire

2. A group studying Neighbouring Countries is discussing “Neighbour”. Which explanation should they put in their workbook? A) the country along Ghana’s eastern land border B) the country along Ghana’s northern land border C) a country sharing a land border with another country D) buying and selling goods across neighbouring countries

3. Kofi is preparing a project on neighbouring countries. Which term belongs beside the note “the country along Ghana’s eastern land border”? A) Regional trade B) Burkina Faso C) Togo D) Neighbour

4. A group studying Neighbouring Countries is discussing “Togo”. Which explanation should they put in their workbook? A) the country along Ghana’s eastern land border B) a country sharing a land border with another country C) buying and selling goods across neighbouring countries D) the country along Ghana’s western land border

5. Kofi is preparing a project on neighbouring countries. Which term belongs beside the note “the country along Ghana’s western land border”? A) Burkina Faso B) Neighbour C) Côte d’Ivoire D) Regional trade

6. A group studying Neighbouring Countries is discussing “Côte d’Ivoire”. Which explanation should they put in their workbook? A) a country sharing a land border with another country B) the country along Ghana’s western land border C) the country along Ghana’s eastern land border D) buying and selling goods across neighbouring countries

7. Kofi is preparing a project on neighbouring countries. Which term belongs beside the note “the country along Ghana’s northern land border”? A) Côte d’Ivoire B) Regional trade C) Burkina Faso D) Neighbour

8. A group studying Neighbouring Countries is discussing “Burkina Faso”. Which explanation should they put in their workbook? A) a country sharing a land border with another country B) buying and selling goods across neighbouring countries C) the country along Ghana’s northern land border D) the country along Ghana’s western land border

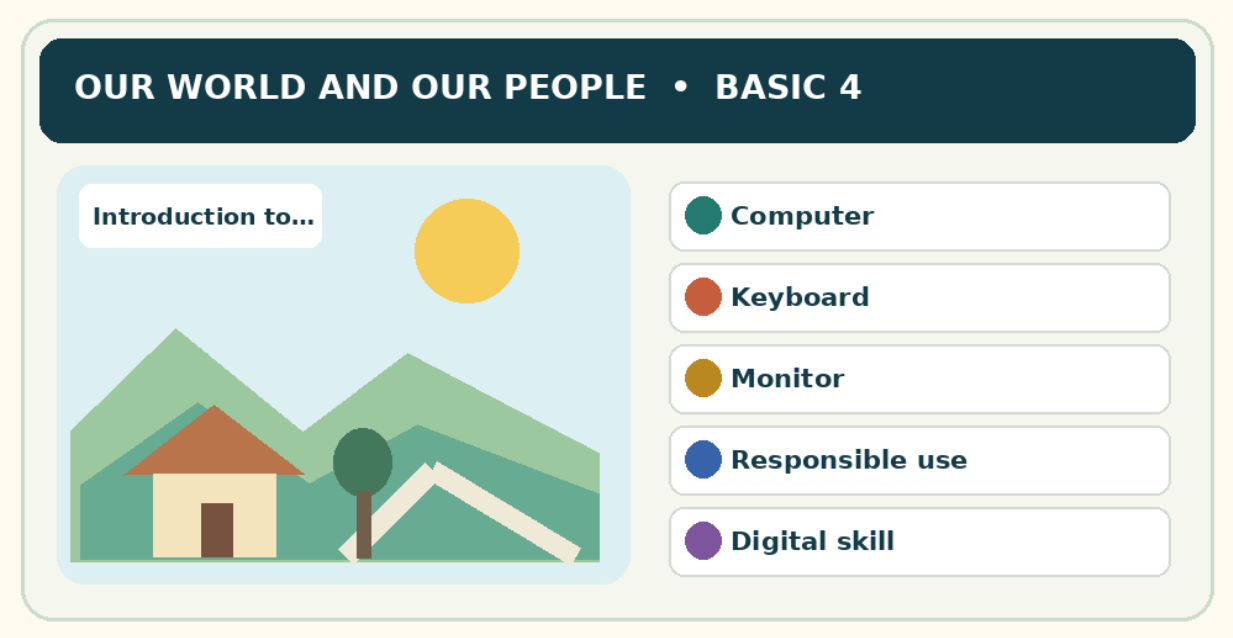

9. Kofi is preparing a project on neighbouring countries. Which term belongs beside the note “buying and selling goods across neighbouring countries”? A) Neighbour B) Burkina Faso C) Regional trade D) Côte d’Ivoire

10. A group studying Neighbouring Countries is discussing “Regional trade”. Which explanation should they put in their workbook? A) the country along Ghana’s western land border B) buying and selling goods across neighbouring countries C) a country sharing a land border with another country D) the country along Ghana’s northern land border

Lesson 18: Introduction to Computing

Strand: My Global Community

Learning goal: Name simple digital devices used to learn

Learn these five ideas

Computer: an electronic device that processes information.

Keyboard: an input tool used to type letters and numbers.

Monitor: the screen where a computer displays information.

Responsible use: using a device safely and for a clear purpose.

Digital skill: an ability to use technology to solve a problem.

Ghanaian life example

A teacher uses a tablet to show weather information to a group of learners.

Your activity

Draw and label a digital device and explain one school task it helps you do.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 18 • Play & Challenge

PLAY — Five questions

1. In Introduction to Computing, which idea matches this meaning: an electronic device that processes information? A) Digital skill B) Keyboard C) Computer D) Monitor

2. In Introduction to Computing, which idea matches this meaning: an input tool used to type letters and numbers? A) Digital skill B) Keyboard C) Responsible use D) Monitor

3. In Introduction to Computing, which idea matches this meaning: the screen where a computer displays information? A) Monitor B) Responsible use C) Keyboard D) Digital skill

4. In Introduction to Computing, which idea matches this meaning: using a device safely and for a clear purpose? A) Monitor B) Responsible use C) Digital skill D) Keyboard

5. In Introduction to Computing, which idea matches this meaning: an ability to use technology to solve a problem? A) Keyboard B) Monitor C) Digital skill D) Computer

CHALLENGE — Ten different questions

1. Esi is preparing a project on introduction to computing. Which term belongs beside the note “an electronic device that processes information”? A) Responsible use B) Computer C) Keyboard D) Digital skill

2. A group studying Introduction to Computing is discussing “Computer”. Which explanation should they put in their workbook? A) an electronic device that processes information B) an input tool used to type letters and numbers C) an ability to use technology to solve a problem D) using a device safely and for a clear purpose

3. Esi is preparing a project on introduction to computing. Which term belongs beside the note “an input tool used to type letters and numbers”? A) Monitor B) Digital skill C) Keyboard D) Computer

4. A group studying Introduction to Computing is discussing “Keyboard”. Which explanation should they put in their workbook? A) using a device safely and for a clear purpose B) the screen where a computer displays information C) an input tool used to type letters and numbers D) an electronic device that processes information

5. Esi is preparing a project on introduction to computing. Which term belongs beside the note “the screen where a computer displays information”? A) Digital skill B) Responsible use C) Monitor D) Keyboard

6. A group studying Introduction to Computing is discussing “Monitor”. Which explanation should they put in their workbook? A) using a device safely and for a clear purpose B) the screen where a computer displays information C) an ability to use technology to solve a problem D) an electronic device that processes information

7. Esi is preparing a project on introduction to computing. Which term belongs beside the note “using a device safely and for a clear purpose”? A) Keyboard B) Digital skill C) Monitor D) Responsible use

8. A group studying Introduction to Computing is discussing “Responsible use”. Which explanation should they put in their workbook? A) using a device safely and for a clear purpose B) an ability to use technology to solve a problem C) the screen where a computer displays information D) an input tool used to type letters and numbers

9. Esi is preparing a project on introduction to computing. Which term belongs beside the note “an ability to use technology to solve a problem”? A) Computer B) Digital skill C) Keyboard D) Monitor

10. A group studying Introduction to Computing is discussing “Digital skill”. Which explanation should they put in their workbook? A) an ability to use technology to solve a problem B) an input tool used to type letters and numbers C) an electronic device that processes information D) the screen where a computer displays information

Lesson 19: Sources of Information

Strand: My Global Community

Learning goal: Identify familiar places to obtain information

Learn these five ideas

Information: facts or knowledge that help us understand something.

Interview: learning by asking someone questions.

Book: a printed or digital source of organised knowledge.

Verification: checking whether information is supported by evidence.

Reliable source: a source that is accurate and suitable for a question.

Ghanaian life example

Pupils compare a radio report with a teacher-approved notice before repeating a claim.

Your activity

Ask two trusted sources the same factual question and compare their answers.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 19 • Play & Challenge

PLAY — Five questions

1. In Sources of Information, which idea matches this meaning: facts or knowledge that help us understand something? A) Verification B) Book C) Information D) Reliable source

2. In Sources of Information, which idea matches this meaning: learning by asking someone questions? A) Reliable source B) Information C) Interview D) Book

3. In Sources of Information, which idea matches this meaning: a printed or digital source of organised knowledge? A) Book B) Information C) Verification D) Reliable source

4. In Sources of Information, which idea matches this meaning: checking whether information is supported by evidence? A) Book B) Verification C) Reliable source D) Information

5. In Sources of Information, which idea matches this meaning: a source that is accurate and suitable for a question? A) Information B) Book C) Interview D) Reliable source

CHALLENGE — Ten different questions

1. Kwame is preparing a project on sources of information. Which term belongs beside the note “facts or knowledge that help us understand something”? A) Reliable source B) Information C) Verification D) Book

2. A group studying Sources of Information is discussing “Information”. Which explanation should they put in their workbook? A) facts or knowledge that help us understand something B) a source that is accurate and suitable for a question C) a printed or digital source of organised knowledge D) learning by asking someone questions

3. Kwame is preparing a project on sources of information. Which term belongs beside the note “learning by asking someone questions”? A) Reliable source B) Interview C) Verification D) Book

4. A group studying Sources of Information is discussing “Interview”. Which explanation should they put in their workbook? A) facts or knowledge that help us understand something B) a printed or digital source of organised knowledge C) learning by asking someone questions D) a source that is accurate and suitable for a question

5. Kwame is preparing a project on sources of information. Which term belongs beside the note “a printed or digital source of organised knowledge”? A) Book B) Information C) Verification D) Reliable source

6. A group studying Sources of Information is discussing “Book”. Which explanation should they put in their workbook? A) a printed or digital source of organised knowledge B) facts or knowledge that help us understand something C) a source that is accurate and suitable for a question D) learning by asking someone questions

7. Kwame is preparing a project on sources of information. Which term belongs beside the note “checking whether information is supported by evidence”? A) Reliable source B) Information C) Interview D) Verification

8. A group studying Sources of Information is discussing “Verification”. Which explanation should they put in their workbook? A) learning by asking someone questions B) facts or knowledge that help us understand something C) a source that is accurate and suitable for a question D) checking whether information is supported by evidence

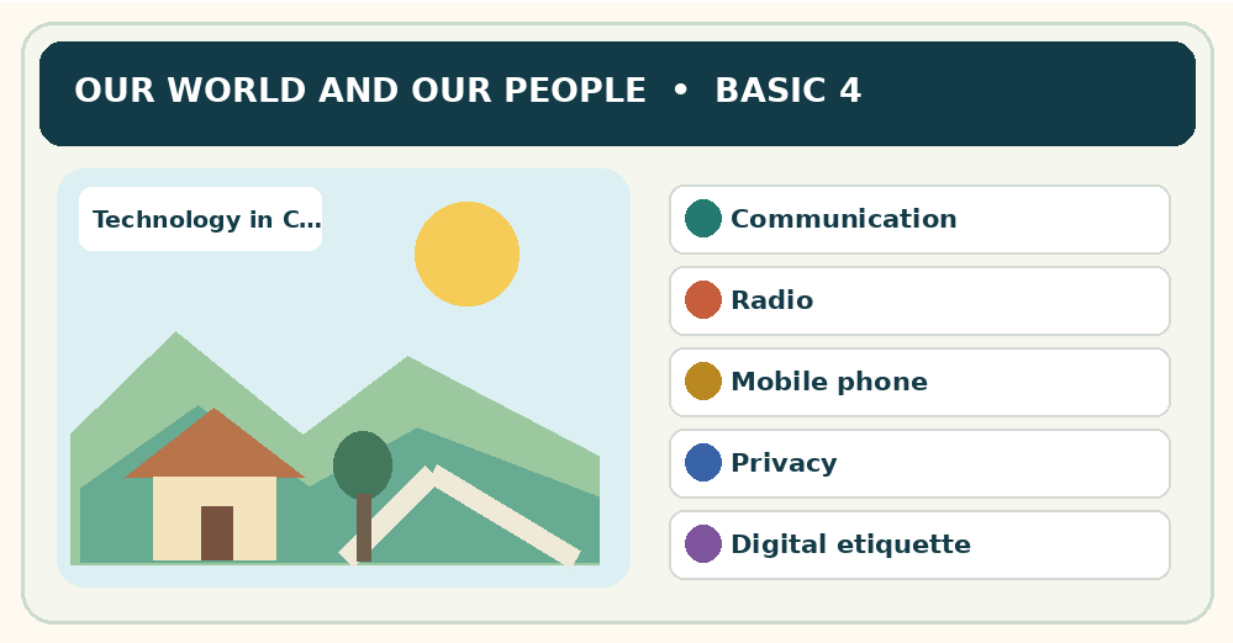

9. Kwame is preparing a project on sources of information. Which term belongs beside the note “a source that is accurate and suitable for a question”? A) Verification B) Information C) Interview D) Reliable source

10. A group studying Sources of Information is discussing “Reliable source”. Which explanation should they put in their workbook? A) a source that is accurate and suitable for a question B) learning by asking someone questions C) checking whether information is supported by evidence D) facts or knowledge that help us understand something

Lesson 20: Technology in Communication

Strand: My Global Community

Learning goal: Recognise old and new ways people communicate

Learn these five ideas

Communication: sharing messages or ideas with other people.

Radio: a system that broadcasts sound over a distance.

Mobile phone: a device that can carry calls and messages.

Privacy: keeping personal information secure from unwanted access.

Digital etiquette: polite and considerate behaviour when communicating online.

Ghanaian life example

A class sends a supervised message to another class and checks names before sharing photos.

Your activity

Prepare a two-column chart of benefits and risks of using a mobile phone.

WATCH: Open this lesson in the supplied offline HTML course to play its 15-second local MP4 video.

Lesson 20 • Play & Challenge

PLAY — Five questions

1. In Technology in Communication, which idea matches this meaning: sharing messages or ideas with other people? A) Communication B) Privacy C) Mobile phone D) Radio

2. In Technology in Communication, which idea matches this meaning: a system that broadcasts sound over a distance? A) Digital etiquette B) Communication C) Privacy D) Radio

3. In Technology in Communication, which idea matches this meaning: a device that can carry calls and messages? A) Communication B) Mobile phone C) Radio D) Digital etiquette

4. In Technology in Communication, which idea matches this meaning: keeping personal information secure from unwanted access? A) Communication B) Mobile phone C) Privacy D) Radio

5. In Technology in Communication, which idea matches this meaning: polite and considerate behaviour when communicating online? A) Radio B) Mobile phone C) Digital etiquette D) Communication

CHALLENGE — Ten different questions

1. Akosua is preparing a project on technology in communication. Which term belongs beside the note “sharing messages or ideas with other people”? A) Digital etiquette B) Communication C) Mobile phone D) Radio

2. A group studying Technology in Communication is discussing “Communication”. Which explanation should they put in their workbook? A) keeping personal information secure from unwanted access B) a device that can carry calls and messages C) sharing messages or ideas with other people D) a system that broadcasts sound over a distance

3. Akosua is preparing a project on technology in communication. Which term belongs beside the note “a system that broadcasts sound over a distance”? A) Digital etiquette B) Mobile phone C) Radio D) Privacy

4. A group studying Technology in Communication is discussing “Radio”. Which explanation should they put in their workbook? A) sharing messages or ideas with other people B) a device that can carry calls and messages C) keeping personal information secure from unwanted access D) a system that broadcasts sound over a distance

5. Akosua is preparing a project on technology in communication. Which term belongs beside the note “a device that can carry calls and messages”? A) Privacy B) Radio C) Mobile phone D) Digital etiquette

6. A group studying Technology in Communication is discussing “Mobile phone”. Which explanation should they put in their workbook? A) polite and considerate behaviour when communicating online B) a device that can carry calls and messages C) keeping personal information secure from unwanted access D) sharing messages or ideas with other people

7. Akosua is preparing a project on technology in communication. Which term belongs beside the note “keeping personal information secure from unwanted access”? A) Mobile phone B) Digital etiquette C) Privacy D) Radio

8. A group studying Technology in Communication is discussing “Privacy”. Which explanation should they put in their workbook? A) polite and considerate behaviour when communicating online B) a device that can carry calls and messages C) keeping personal information secure from unwanted access D) sharing messages or ideas with other people

9. Akosua is preparing a project on technology in communication. Which term belongs beside the note “polite and considerate behaviour when communicating online”? A) Communication B) Digital etiquette C) Radio D) Mobile phone

10. A group studying Technology in Communication is discussing “Digital etiquette”. Which explanation should they put in their workbook? A) sharing messages or ideas with other people B) polite and considerate behaviour when communicating online C) a system that broadcasts sound over a distance D) a device that can carry calls and messages

Teacher Answer Guide

Use the answers to discuss why the choices are correct. The workbook teaches 20 selected sub-strand topics per grade; check the NaCCA source for every official indicator.

Lesson 1 • Nature of God

Play: 1 Uniqueness; 2 Creation; 3 Gratitude; 4 Stewardship; 5 Respect

Challenge: 1 Uniqueness; 2 every person has different gifts and qualities; 3 Creation; 4 people of different faiths express beliefs about the origin of life; 5 Gratitude; 6 appreciating people and the world around us; 7 Stewardship; 8 taking responsible care of natural resources; 9 Respect; 10 showing kindness to people with different beliefs

Lesson 2 • Myself

Play: 1 Strength; 2 Empathy; 3 Assertiveness; 4 Personal hygiene; 5 Trusted adult

Challenge: 1 Strength; 2 an ability or good quality we can develop; 3 Empathy; 4 trying to understand how another person feels; 5 Assertiveness; 6 saying what you need firmly and respectfully; 7 Personal hygiene; 8 habits that help keep the body clean and healthy; 9 Trusted adult; 10 someone safe who listens and helps when we need support

Lesson 3 • My Family and the Community

Play: 1 Family commitment; 2 Community helper; 3 Cooperation; 4 Responsibility; 5 Kindness

Challenge: 1 Family commitment; 2 doing fair duties and supporting family members; 3 Community helper; 4 a person who serves others in a neighbourhood; 5 Cooperation; 6 working together to achieve a shared goal; 7 Responsibility; 8 finishing tasks that are suitable for your age; 9 Kindness; 10 offering help without expecting a reward

Lesson 4 • Home and School

Play: 1 School rules; 2 Homework; 3 Attendance; 4 School property; 5 Inclusion

Challenge: 1 School rules; 2 agreed expectations that protect learning and safety; 3 Homework; 4 a home task that helps practise skills; 5 Attendance; 6 coming to school consistently when able; 7 School property; 8 books, desks and facilities everyone must treat well; 9 Inclusion; 10 making every learner feel welcome and able to participate

Lesson 5 • Environment and Weather

Play: 1 Weather; 2 Rainfall; 3 Pollution; 4 Sanitation; 5 Climate

Challenge: 1 Weather; 2 the condition of the atmosphere at a particular time; 3 Rainfall; 4 water that falls from clouds as rain; 5 Pollution; 6 harmful waste or substances in our surroundings; 7 Sanitation; 8 keeping places clean to protect health; 9 Climate; 10 the usual pattern of weather over many years

Lesson 6 • Plants and Animals

Play: 1 Germination; 2 Habitat; 3 Food chain; 4 Biodiversity; 5 Conservation

Challenge: 1 Germination; 2 the early growth of a seed into a seedling; 3 Habitat; 4 the natural place where an organism lives; 5 Food chain; 6 the path of food energy from one living thing to another; 7 Biodiversity; 8 the variety of living things in an area; 9 Conservation; 10 protecting plants, animals and habitats

Lesson 7 • Map Making and Landmarks

Play: 1 Sketch map; 2 Key; 3 Compass direction; 4 Landmark; 5 Route

Challenge: 1 Sketch map; 2 a simple drawing showing where places are located; 3 Key; 4 a guide explaining the signs or symbols on a map; 5 Compass direction; 6 north, south, east or west used to show location; 7 Landmark; 8 a visible feature used to identify a place; 9 Route; 10 a path used to travel between places

Lesson 8 • Population and Settlement

Play: 1 Population; 2 Rural settlement; 3 Urban settlement; 4 Migration; 5 Public service

Challenge: 1 Population; 2 the number of people living in an area; 3 Rural settlement; 4 a community with fewer buildings and many agricultural activities; 5 Urban settlement; 6 a place with more buildings and a larger concentration of people; 7 Migration; 8 movement from one place to live in another; 9 Public service; 10 a facility such as a school or clinic that meets community needs

Lesson 9 • Worship

Play: 1 Prayer; 2 Worship; 3 Charity; 4 Tolerance; 5 Reflection

Challenge: 1 Prayer; 2 a way believers speak or communicate with God; 3 Worship; 4 acts expressing devotion in a religious tradition; 5 Charity; 6 help given to people in need; 7 Tolerance; 8 respected coexistence with people of different beliefs; 9 Reflection; 10 thinking carefully about your own actions and values

Lesson 10 • Festivals

Play: 1 Festival; 2 Heritage; 3 Durbar; 4 Unity; 5 Cultural preservation

Challenge: 1 Festival; 2 a community celebration of culture, history or religion; 3 Heritage; 4 traditions and knowledge passed through generations; 5 Durbar; 6 a formal gathering often featuring chiefs and community members; 7 Unity; 8 the feeling of working and belonging together; 9 Cultural preservation; 10 protecting meaningful traditions for future generations

Lesson 11 • Basic Human Rights

Play: 1 Human right; 2 Right to education; 3 Protection; 4 Fairness; 5 Reporting

Challenge: 1 Human right; 2 a basic freedom or protection due to every person; 3 Right to education; 4 the opportunity to learn and develop; 5 Protection; 6 being kept safe from abuse and harmful treatment; 7 Fairness; 8 treating people justly without discrimination; 9 Reporting; 10 telling a trusted adult or responsible service about abuse

Lesson 12 • Being a Leader

Play: 1 Leader; 2 Integrity; 3 Listening; 4 Service; 5 Accountability

Challenge: 1 Leader; 2 a person who helps others work toward a shared goal; 3 Integrity; 4 doing what is right even when nobody is watching; 5 Listening; 6 paying attention to other people’s views; 7 Service; 8 using your abilities to help others; 9 Accountability; 10 explaining decisions and accepting responsibility

Lesson 13 • Being a Citizen

Play: 1 Citizenship; 2 Good manners; 3 Patriotism; 4 Peaceful living; 5 Volunteer

Challenge: 1 Citizenship; 2 membership in a country with rights and responsibilities; 3 Good manners; 4 polite and thoughtful conduct; 5 Patriotism; 6 caring about the well-being of your country; 7 Peaceful living; 8 respecting others and resolving problems without violence; 9 Volunteer; 10 a person who freely gives time to help

Lesson 14 • Authority and Power

Play: 1 Authority; 2 Power; 3 Rule of law; 4 Participation; 5 Abuse of power

Challenge: 1 Authority; 2 the recognised right to make decisions within a responsibility; 3 Power; 4 the ability to influence actions or decisions; 5 Rule of law; 6 the principle that everyone must follow fair laws; 7 Participation; 8 having a voice in decisions that affect the group; 9 Abuse of power; 10 using authority to harm or unfairly control others

Lesson 15 • Responsible Use of Resources

Play: 1 Resource; 2 Conservation; 3 Water pollution; 4 Reuse; 5 Sustainability

Challenge: 1 Resource; 2 something useful that people can use to meet needs; 3 Conservation; 4 using resources carefully so they last; 5 Water pollution; 6 contamination that makes water unsafe; 7 Reuse; 8 using an item again instead of wasting it; 9 Sustainability; 10 meeting today’s needs while protecting tomorrow’s

Lesson 16 • Farming in Ghana

Play: 1 Crop; 2 Seedling; 3 Transplanting; 4 Compost; 5 Farm record

Challenge: 1 Crop; 2 a plant grown to be eaten or sold; 3 Seedling; 4 a young plant that has begun to grow; 5 Transplanting; 6 moving a young plant carefully into a new growing place; 7 Compost; 8 decayed organic matter that improves soil; 9 Farm record; 10 notes about plant growth, costs or harvests

Lesson 17 • Neighbouring Countries

Play: 1 Neighbour; 2 Togo; 3 Côte d’Ivoire; 4 Burkina Faso; 5 Regional trade

Challenge: 1 Neighbour; 2 a country sharing a land border with another country; 3 Togo; 4 the country along Ghana’s eastern land border; 5 Côte d’Ivoire; 6 the country along Ghana’s western land border; 7 Burkina Faso; 8 the country along Ghana’s northern land border; 9 Regional trade; 10 buying and selling goods across neighbouring countries

Lesson 18 • Introduction to Computing

Play: 1 Computer; 2 Keyboard; 3 Monitor; 4 Responsible use; 5 Digital skill

Challenge: 1 Computer; 2 an electronic device that processes information; 3 Keyboard; 4 an input tool used to type letters and numbers; 5 Monitor; 6 the screen where a computer displays information; 7 Responsible use; 8 using a device safely and for a clear purpose; 9 Digital skill; 10 an ability to use technology to solve a problem

Lesson 19 • Sources of Information

Play: 1 Information; 2 Interview; 3 Book; 4 Verification; 5 Reliable source

Challenge: 1 Information; 2 facts or knowledge that help us understand something; 3 Interview; 4 learning by asking someone questions; 5 Book; 6 a printed or digital source of organised knowledge; 7 Verification; 8 checking whether information is supported by evidence; 9 Reliable source; 10 a source that is accurate and suitable for a question

Lesson 20 • Technology in Communication

Play: 1 Communication; 2 Radio; 3 Mobile phone; 4 Privacy; 5 Digital etiquette

Challenge: 1 Communication; 2 sharing messages or ideas with other people; 3 Radio; 4 a system that broadcasts sound over a distance; 5 Mobile phone; 6 a device that can carry calls and messages; 7 Privacy; 8 keeping personal information secure from unwanted access; 9 Digital etiquette; 10 polite and considerate behaviour when communicating online
