Lesson 1. Draw myself

All About Me | Term 1

EXPLORE

Drawing uses lines and shapes to show ideas about ourselves.

Look for: head, body, arms, legs

PLAY & APPLY

Activity: draw a self portrait using simple shapes

Materials: crayons and drawing paper

Real life: display drawings respectfully

Remember: Different drawings can all be meaningful.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Draw myself?

A. step B. actor C. beat D. head

2. What is the best activity for practising Draw myself?

A. draw a self portrait using simple shapes B. copy without discussing anything C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Draw myself?

A. smile B. blue C. body D. green

4. Which materials should the group prepare to study Draw myself?

A. broken objects found at random B. unsafe tools without an adult C. crayons and drawing paper D. nothing suitable for the task

5. Where can you use what you learnt about Draw myself?

A. damage the classroom display B. display drawings respectfully C. ignore the safety guidance D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Draw myself?

A. Every artist must make exactly the same picture. B. A performance cannot tell a story. C. Drawing uses lines and shapes to show ideas about ourselves. D. Materials never need to be used safely.

2. A classmate makes a mistake in Draw myself. Which reminder helps?

A. A performance cannot tell a story. B. Different drawings can all be meaningful. C. Materials never need to be used safely. D. Every artist must make exactly the same picture.

3. The class plans to explore Draw myself. Which action fits?

A. draw a self portrait using simple shapes B. skip the task and claim it is complete C. mix unrelated ideas without planning D. guess without looking at evidence

4. Choose a pair of examples that fits Draw myself.

A. step and shape B. head and legs C. beat and actor D. print and share

5. Which materials are most helpful for Draw myself?

A. sharp tools without supervision B. random objects that cannot help the task C. unrelated broken electronics D. crayons and drawing paper

6. How could a learner apply Draw myself outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. display drawings respectfully D. leave a mess after the lesson

7. Which key word should appear on a Draw myself revision card?

A. paste B. role C. arms D. colour

8. While studying Draw myself, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Draw myself?

A. pattern B. gesture C. dance D. legs

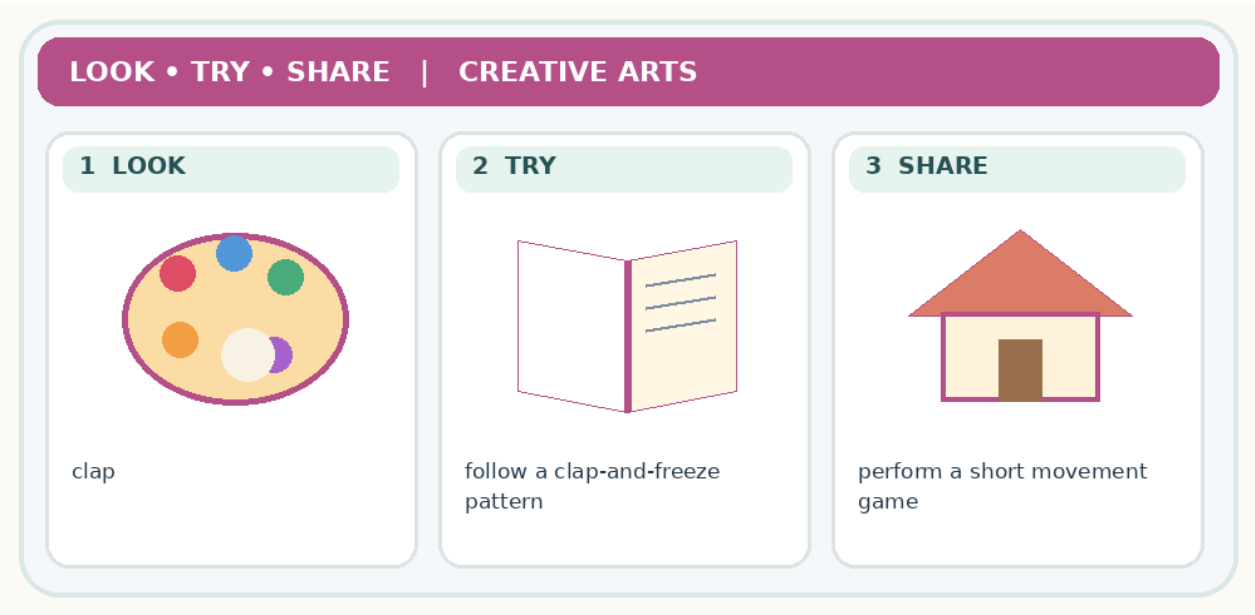

10. After practising Draw myself, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Body movement and rhythm

All About Me | Term 1

EXPLORE

We can use our bodies to make rhythm and movements safely.

Look for: clap, tap, step, freeze

PLAY & APPLY

Activity: follow a clap-and-freeze pattern

Materials: clapping song and open space

Real life: perform a short movement game

Remember: Fast movement should still be safe and controlled.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Body movement and rhythm?

A. arms B. clap C. shape D. dance

2. What is the best activity for practising Body movement and rhythm?

A. ignore the instructions and rush B. copy without discussing anything C. follow a clap-and-freeze pattern D. leave all materials untouched

3. Which other example helps us explore Body movement and rhythm?

A. cut paper B. beat C. song D. tap

4. Which materials should the group prepare to study Body movement and rhythm?

A. broken objects found at random B. clapping song and open space C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Body movement and rhythm?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. perform a short movement game

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Body movement and rhythm?

A. Materials never need to be used safely. B. Every artist must make exactly the same picture. C. We can use our bodies to make rhythm and movements safely. D. A performance cannot tell a story.

2. A classmate makes a mistake in Body movement and rhythm. Which reminder helps?

A. Every artist must make exactly the same picture. B. Fast movement should still be safe and controlled. C. A performance cannot tell a story. D. Materials never need to be used safely.

3. The class plans to explore Body movement and rhythm. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. follow a clap-and-freeze pattern

4. Choose a pair of examples that fits Body movement and rhythm.

A. clap and freeze B. dance and shape C. legs and head D. arms and colour

5. Which materials are most helpful for Body movement and rhythm?

A. sharp tools without supervision B. unrelated broken electronics C. clapping song and open space D. random objects that cannot help the task

6. How could a learner apply Body movement and rhythm outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. leave a mess after the lesson D. perform a short movement game

7. Which key word should appear on a Body movement and rhythm revision card?

A. stage B. step C. blue D. print

8. While studying Body movement and rhythm, which choice shows careful learning?

A. copy answers without understanding B. rush without listening C. observe, try, explain and check your result D. change the answer without reviewing

9. Which label belongs on a poster about Body movement and rhythm?

A. body B. freeze C. picture D. friend

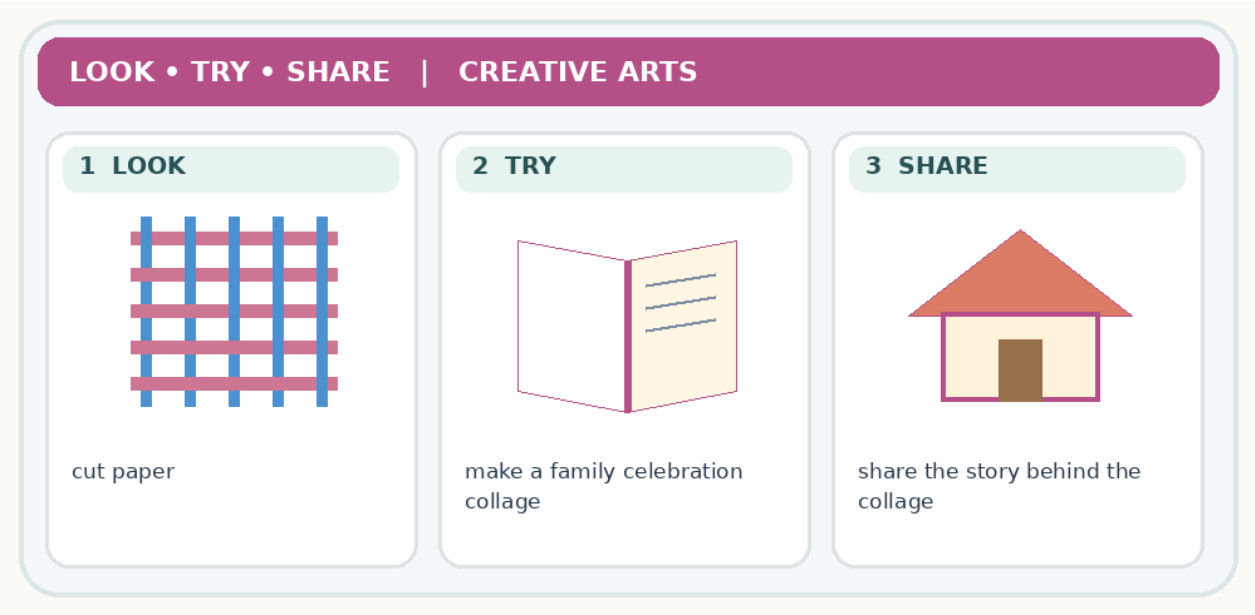

10. After practising Body movement and rhythm, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. Family collage

My Family | Term 1

EXPLORE

Collage joins shapes and images to make one picture.

Look for: cut paper, paste, pattern, picture

PLAY & APPLY

Activity: make a family celebration collage

Materials: pre-cut paper, glue stick, backing sheet

Real life: share the story behind the collage

Remember: Only safe scissors should be used with adult guidance.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Family collage?

A. cut paper B. body C. friend D. gesture

2. What is the best activity for practising Family collage?

A. ignore the instructions and rush B. copy without discussing anything C. leave all materials untouched D. make a family celebration collage

3. Which other example helps us explore Family collage?

A. smile B. scene C. blue D. paste

4. Which materials should the group prepare to study Family collage?

A. unsafe tools without an adult B. pre-cut paper, glue stick, backing sheet C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about Family collage?

A. share the story behind the collage B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Family collage?

A. A performance cannot tell a story. B. Collage joins shapes and images to make one picture. C. Materials never need to be used safely. D. Every artist must make exactly the same picture.

2. A classmate makes a mistake in Family collage. Which reminder helps?

A. Materials never need to be used safely. B. A performance cannot tell a story. C. Only safe scissors should be used with adult guidance. D. Every artist must make exactly the same picture.

3. The class plans to explore Family collage. Which action fits?

A. skip the task and claim it is complete B. make a family celebration collage C. guess without looking at evidence D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Family collage.

A. cut paper and picture B. stage and red C. gesture and body D. friend and head

5. Which materials are most helpful for Family collage?

A. random objects that cannot help the task B. unrelated broken electronics C. sharp tools without supervision D. pre-cut paper, glue stick, backing sheet

6. How could a learner apply Family collage outside school?

A. leave a mess after the lesson B. ignore school or home safety rules C. refuse to practise the lesson D. share the story behind the collage

7. Which key word should appear on a Family collage revision card?

A. drum B. print C. pattern D. actor

8. While studying Family collage, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Family collage?

A. leaf B. picture C. dance D. voice

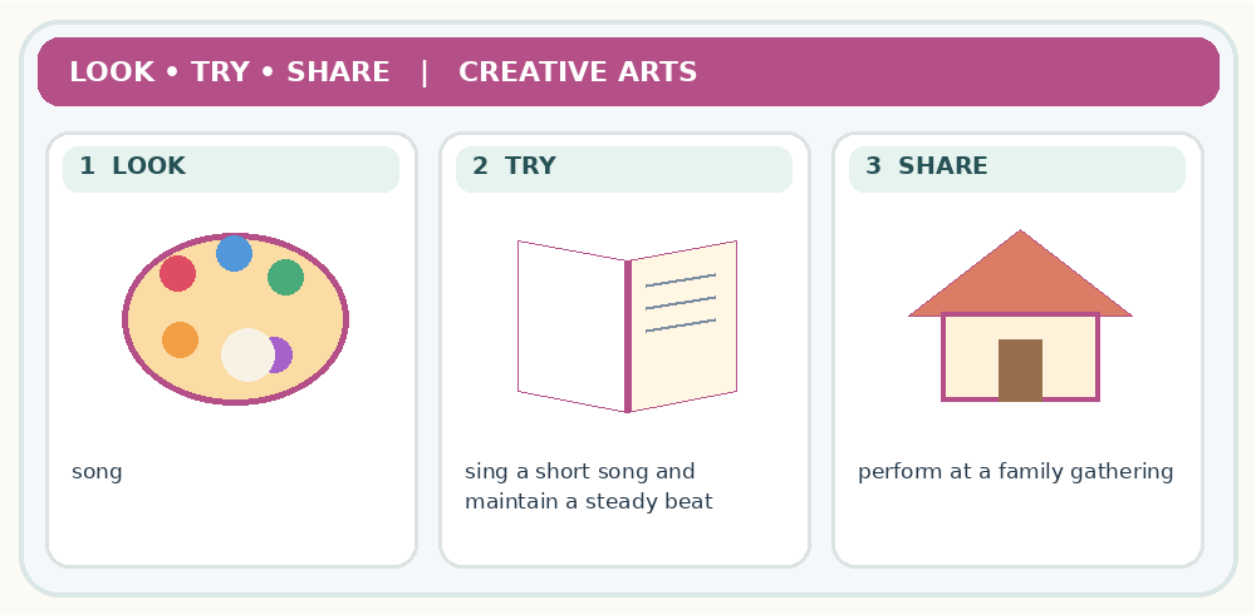

10. After practising Family collage, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. A family song

My Family | Term 1

EXPLORE

Singing uses voice, beat and repeated phrases.

Look for: song, beat, chorus, voice

PLAY & APPLY

Activity: sing a short song and maintain a steady beat

Materials: simple class song and clapping

Real life: perform at a family gathering

Remember: Louder is not always better singing.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about A family song?

A. song B. drum C. tap D. smile

2. What is the best activity for practising A family song?

A. ignore the instructions and rush B. copy without discussing anything C. sing a short song and maintain a steady beat D. leave all materials untouched

3. Which other example helps us explore A family song?

A. colour B. beat C. dance D. arms

4. Which materials should the group prepare to study A family song?

A. nothing suitable for the task B. unsafe tools without an adult C. broken objects found at random D. simple class song and clapping

5. Where can you use what you learnt about A family song?

A. ignore the safety guidance B. avoid talking about the idea C. damage the classroom display D. perform at a family gathering

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in A family song?

A. Every artist must make exactly the same picture. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Singing uses voice, beat and repeated phrases.

2. A classmate makes a mistake in A family song. Which reminder helps?

A. Every artist must make exactly the same picture. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Louder is not always better singing.

3. The class plans to explore A family song. Which action fits?

A. sing a short song and maintain a steady beat B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits A family song.

A. paste and stage B. song and voice C. tap and drum D. smile and body

5. Which materials are most helpful for A family song?

A. sharp tools without supervision B. simple class song and clapping C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply A family song outside school?

A. leave a mess after the lesson B. ignore school or home safety rules C. perform at a family gathering D. refuse to practise the lesson

7. Which key word should appear on a A family song revision card?

A. friend B. share C. chorus D. pattern

8. While studying A family song, which choice shows careful learning?

A. copy answers without understanding B. rush without listening C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about A family song?

A. pot B. blue C. voice D. yellow

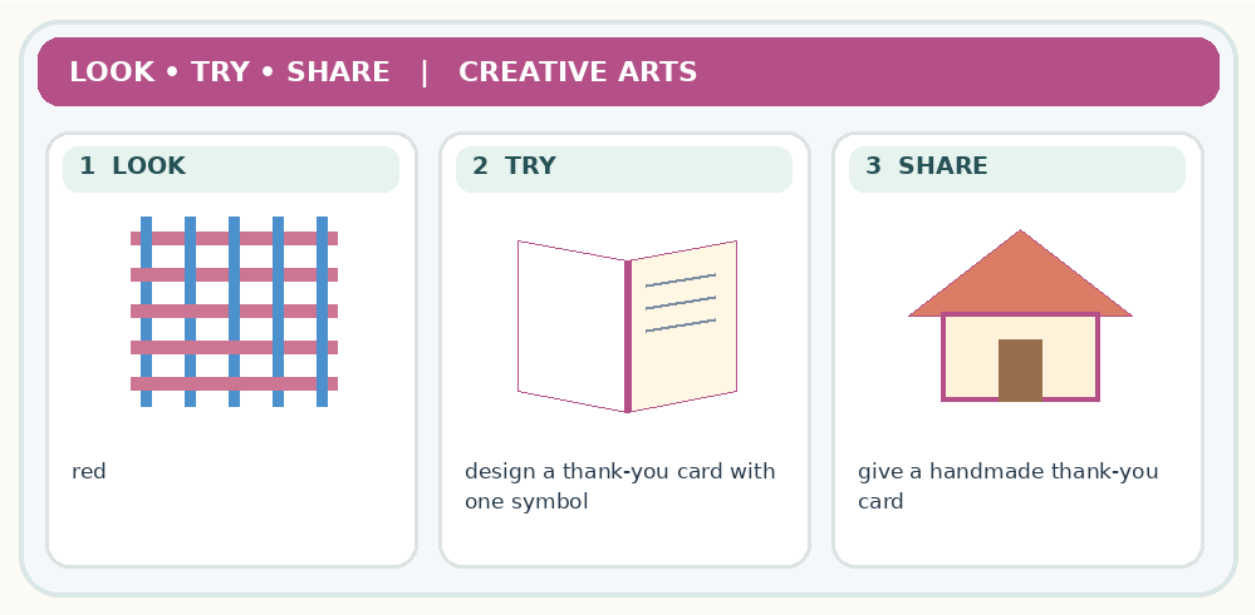

10. After practising A family song, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Colours of respect

Values and Beliefs | Term 2

EXPLORE

Colour and symbols can communicate kindness.

Look for: red, yellow, blue, green

PLAY & APPLY

Activity: design a thank-you card with one symbol

Materials: crayons and coloured paper

Real life: give a handmade thank-you card

Remember: A symbol should be explained to its audience.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Colours of respect?

A. tap B. red C. picture D. clap

2. What is the best activity for practising Colours of respect?

A. design a thank-you card with one symbol B. ignore the instructions and rush C. copy without discussing anything D. leave all materials untouched

3. Which other example helps us explore Colours of respect?

A. pattern B. shape C. yellow D. colour

4. Which materials should the group prepare to study Colours of respect?

A. broken objects found at random B. crayons and coloured paper C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Colours of respect?

A. avoid talking about the idea B. give a handmade thank-you card C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Colours of respect?

A. A performance cannot tell a story. B. Materials never need to be used safely. C. Colour and symbols can communicate kindness. D. Every artist must make exactly the same picture.

2. A classmate makes a mistake in Colours of respect. Which reminder helps?

A. Every artist must make exactly the same picture. B. A performance cannot tell a story. C. Materials never need to be used safely. D. A symbol should be explained to its audience.

3. The class plans to explore Colours of respect. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. design a thank-you card with one symbol

4. Choose a pair of examples that fits Colours of respect.

A. picture and tap B. clap and stage C. role and song D. red and green

5. Which materials are most helpful for Colours of respect?

A. crayons and coloured paper B. sharp tools without supervision C. unrelated broken electronics D. random objects that cannot help the task

6. How could a learner apply Colours of respect outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. refuse to practise the lesson D. give a handmade thank-you card

7. Which key word should appear on a Colours of respect revision card?

A. paste B. share C. beads D. blue

8. While studying Colours of respect, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. rush without listening D. change the answer without reviewing

9. Which label belongs on a poster about Colours of respect?

A. green B. actor C. gesture D. chorus

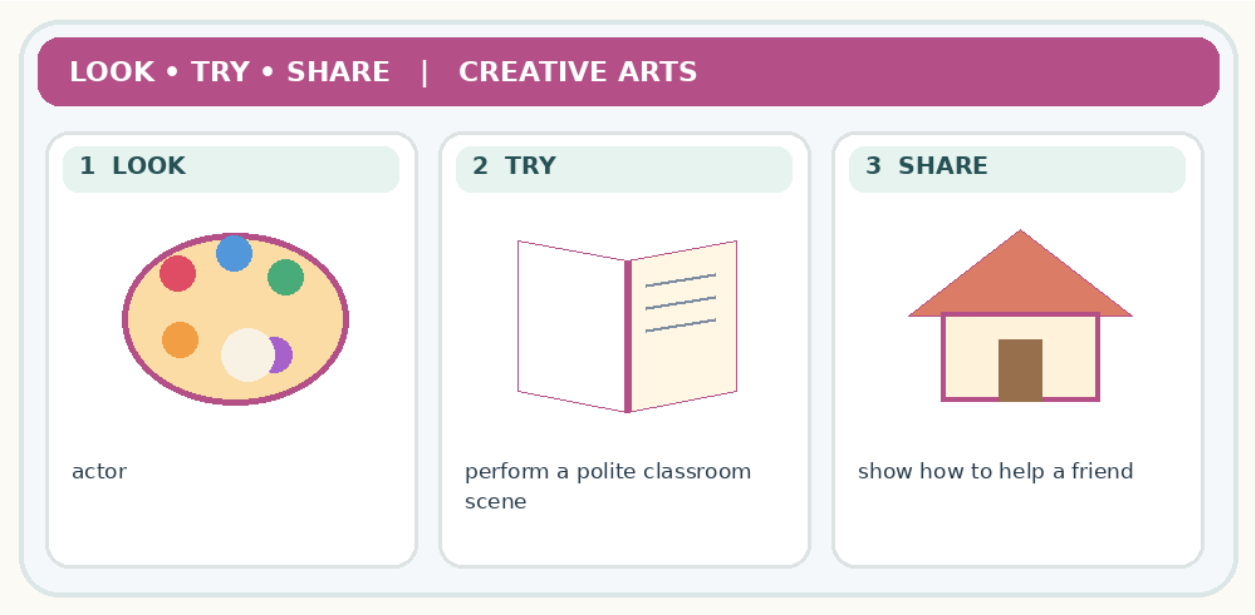

10. After practising Colours of respect, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Role-play helpful actions

Values and Beliefs | Term 2

EXPLORE

Drama lets us act out situations using gesture and speech.

Look for: actor, role, scene, gesture

PLAY & APPLY

Activity: perform a polite classroom scene

Materials: simple costume props

Real life: show how to help a friend

Remember: Drama is pretend play, not real fighting.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Role-play helpful actions?

A. actor B. pattern C. share D. yellow

2. What is the best activity for practising Role-play helpful actions?

A. copy without discussing anything B. leave all materials untouched C. perform a polite classroom scene D. ignore the instructions and rush

3. Which other example helps us explore Role-play helpful actions?

A. picture B. song C. role D. colour

4. Which materials should the group prepare to study Role-play helpful actions?

A. unsafe tools without an adult B. broken objects found at random C. simple costume props D. nothing suitable for the task

5. Where can you use what you learnt about Role-play helpful actions?

A. damage the classroom display B. avoid talking about the idea C. ignore the safety guidance D. show how to help a friend

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Role-play helpful actions?

A. Every artist must make exactly the same picture. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Drama lets us act out situations using gesture and speech.

2. A classmate makes a mistake in Role-play helpful actions. Which reminder helps?

A. Drama is pretend play, not real fighting. B. A performance cannot tell a story. C. Every artist must make exactly the same picture. D. Materials never need to be used safely.

3. The class plans to explore Role-play helpful actions. Which action fits?

A. mix unrelated ideas without planning B. skip the task and claim it is complete C. perform a polite classroom scene D. guess without looking at evidence

4. Choose a pair of examples that fits Role-play helpful actions.

A. share and legs B. yellow and pattern C. dance and clap D. actor and gesture

5. Which materials are most helpful for Role-play helpful actions?

A. random objects that cannot help the task B. unrelated broken electronics C. simple costume props D. sharp tools without supervision

6. How could a learner apply Role-play helpful actions outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. ignore school or home safety rules D. show how to help a friend

7. Which key word should appear on a Role-play helpful actions revision card?

A. friend B. scene C. print D. beads

8. While studying Role-play helpful actions, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Role-play helpful actions?

A. gesture B. blue C. arms D. chorus

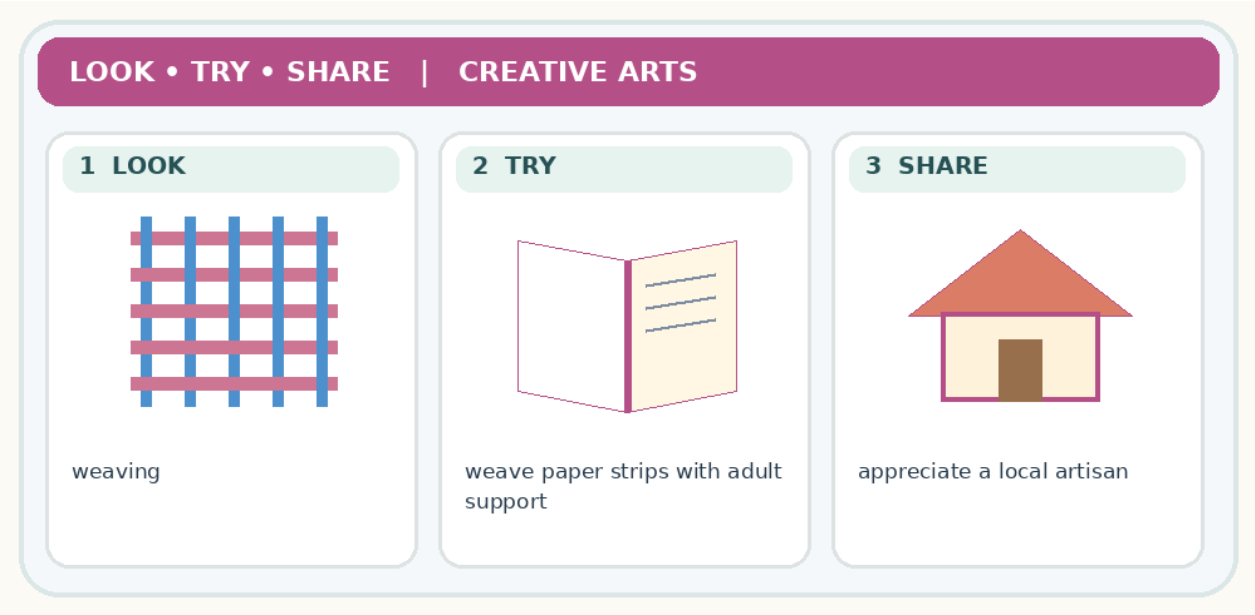

10. After practising Role-play helpful actions, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. Local crafts

My Local Community | Term 2

EXPLORE

Craft makers design useful and beautiful things.

Look for: weaving, beads, pot, pattern

PLAY & APPLY

Activity: weave paper strips with adult support

Materials: paper strips and craft pictures

Real life: appreciate a local artisan

Remember: Patterns can communicate design choices.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Local crafts?

A. weaving B. pattern C. gesture D. voice

2. What is the best activity for practising Local crafts?

A. ignore the instructions and rush B. weave paper strips with adult support C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Local crafts?

A. beads B. actor C. legs D. red

4. Which materials should the group prepare to study Local crafts?

A. nothing suitable for the task B. unsafe tools without an adult C. broken objects found at random D. paper strips and craft pictures

5. Where can you use what you learnt about Local crafts?

A. damage the classroom display B. appreciate a local artisan C. avoid talking about the idea D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Local crafts?

A. A performance cannot tell a story. B. Materials never need to be used safely. C. Every artist must make exactly the same picture. D. Craft makers design useful and beautiful things.

2. A classmate makes a mistake in Local crafts. Which reminder helps?

A. A performance cannot tell a story. B. Every artist must make exactly the same picture. C. Materials never need to be used safely. D. Patterns can communicate design choices.

3. The class plans to explore Local crafts. Which action fits?

A. weave paper strips with adult support B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Local crafts.

A. stage and smile B. pattern and gesture C. weaving and pattern D. voice and yellow

5. Which materials are most helpful for Local crafts?

A. sharp tools without supervision B. paper strips and craft pictures C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Local crafts outside school?

A. ignore school or home safety rules B. appreciate a local artisan C. leave a mess after the lesson D. refuse to practise the lesson

7. Which key word should appear on a Local crafts revision card?

A. cut paper B. green C. pot D. dance

8. While studying Local crafts, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. copy answers without understanding D. rush without listening

9. Which label belongs on a poster about Local crafts?

A. beat B. chorus C. print D. pattern

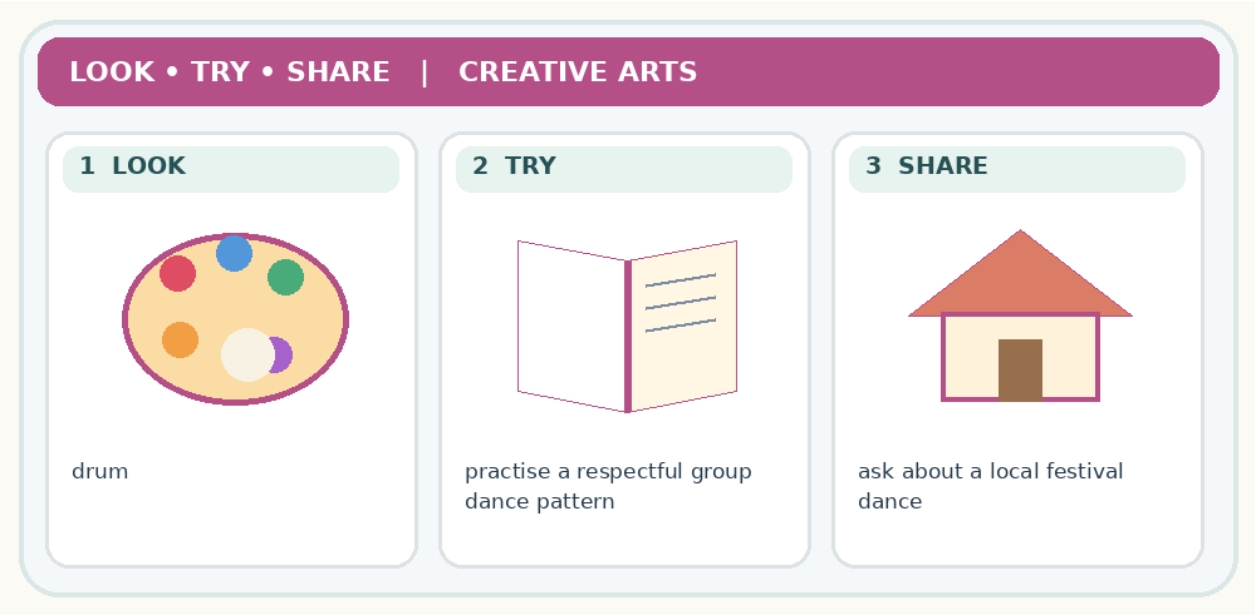

10. After practising Local crafts, what is a useful next step?

A. claim that feedback is never helpful B. tear up other learners work C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. Festival music and dance

My Nation Ghana | Term 2

EXPLORE

Music and dance can help communities celebrate.

Look for: drum, beat, dance, song

PLAY & APPLY

Activity: practise a respectful group dance pattern

Materials: hand drum or safe shaker

Real life: ask about a local festival dance

Remember: Cultural performances vary between communities.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Festival music and dance?

A. pot B. drum C. song D. leaf

2. What is the best activity for practising Festival music and dance?

A. practise a respectful group dance pattern B. copy without discussing anything C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Festival music and dance?

A. freeze B. blue C. friend D. beat

4. Which materials should the group prepare to study Festival music and dance?

A. broken objects found at random B. nothing suitable for the task C. unsafe tools without an adult D. hand drum or safe shaker

5. Where can you use what you learnt about Festival music and dance?

A. avoid talking about the idea B. ask about a local festival dance C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Festival music and dance?

A. Music and dance can help communities celebrate. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Every artist must make exactly the same picture.

2. A classmate makes a mistake in Festival music and dance. Which reminder helps?

A. Cultural performances vary between communities. B. Materials never need to be used safely. C. Every artist must make exactly the same picture. D. A performance cannot tell a story.

3. The class plans to explore Festival music and dance. Which action fits?

A. practise a respectful group dance pattern B. skip the task and claim it is complete C. guess without looking at evidence D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Festival music and dance.

A. pot and head B. drum and song C. arms and colour D. leaf and song

5. Which materials are most helpful for Festival music and dance?

A. random objects that cannot help the task B. sharp tools without supervision C. unrelated broken electronics D. hand drum or safe shaker

6. How could a learner apply Festival music and dance outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. ask about a local festival dance D. leave a mess after the lesson

7. Which key word should appear on a Festival music and dance revision card?

A. scene B. yellow C. shape D. dance

8. While studying Festival music and dance, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Festival music and dance?

A. green B. gesture C. voice D. song

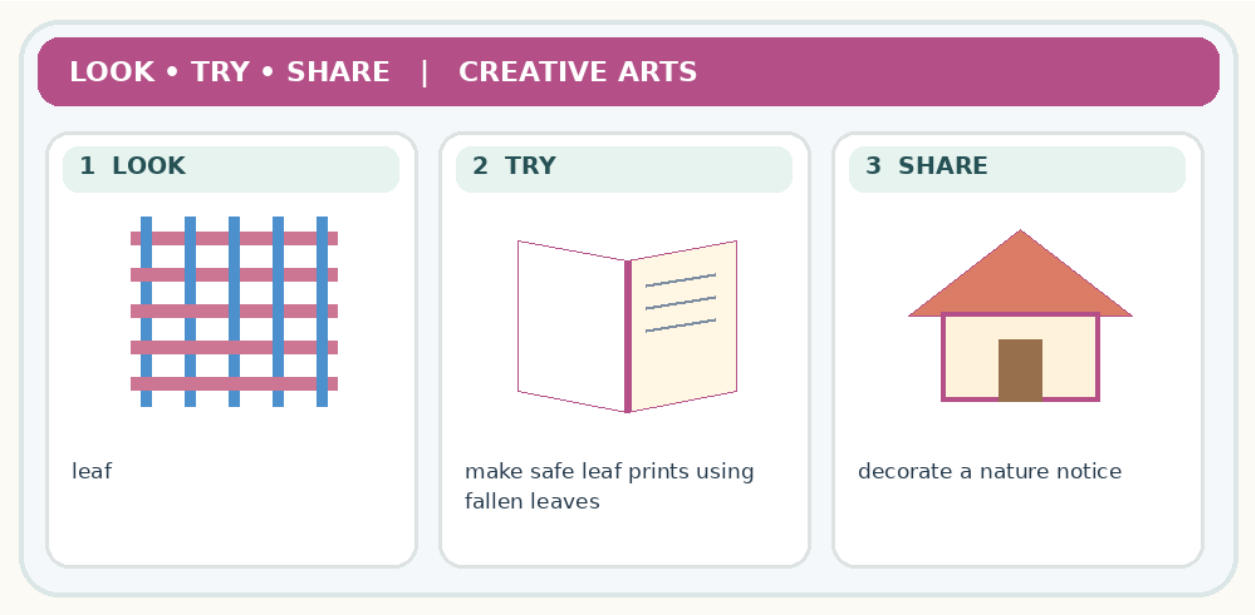

10. After practising Festival music and dance, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. leave the group without sharing D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Nature printing

All Around Us | Term 3

EXPLORE

Natural shapes and textures inspire art.

Look for: leaf, print, colour, shape

PLAY & APPLY

Activity: make safe leaf prints using fallen leaves

Materials: fallen leaves and washable paint

Real life: decorate a nature notice

Remember: Do not pull living plants without permission.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Nature printing?

A. leaf B. paste C. dance D. blue

2. What is the best activity for practising Nature printing?

A. ignore the instructions and rush B. leave all materials untouched C. copy without discussing anything D. make safe leaf prints using fallen leaves

3. Which other example helps us explore Nature printing?

A. role B. print C. chorus D. stage

4. Which materials should the group prepare to study Nature printing?

A. nothing suitable for the task B. unsafe tools without an adult C. fallen leaves and washable paint D. broken objects found at random

5. Where can you use what you learnt about Nature printing?

A. avoid talking about the idea B. damage the classroom display C. decorate a nature notice D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Nature printing?

A. Every artist must make exactly the same picture. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Natural shapes and textures inspire art.

2. A classmate makes a mistake in Nature printing. Which reminder helps?

A. A performance cannot tell a story. B. Every artist must make exactly the same picture. C. Materials never need to be used safely. D. Do not pull living plants without permission.

3. The class plans to explore Nature printing. Which action fits?

A. mix unrelated ideas without planning B. make safe leaf prints using fallen leaves C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits Nature printing.

A. blue and share B. leaf and shape C. dance and paste D. cut paper and friend

5. Which materials are most helpful for Nature printing?

A. sharp tools without supervision B. unrelated broken electronics C. fallen leaves and washable paint D. random objects that cannot help the task

6. How could a learner apply Nature printing outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. decorate a nature notice D. ignore school or home safety rules

7. Which key word should appear on a Nature printing revision card?

A. tap B. green C. colour D. beat

8. While studying Nature printing, which choice shows careful learning?

A. change the answer without reviewing B. rush without listening C. observe, try, explain and check your result D. copy answers without understanding

9. Which label belongs on a poster about Nature printing?

A. weaving B. drum C. shape D. actor

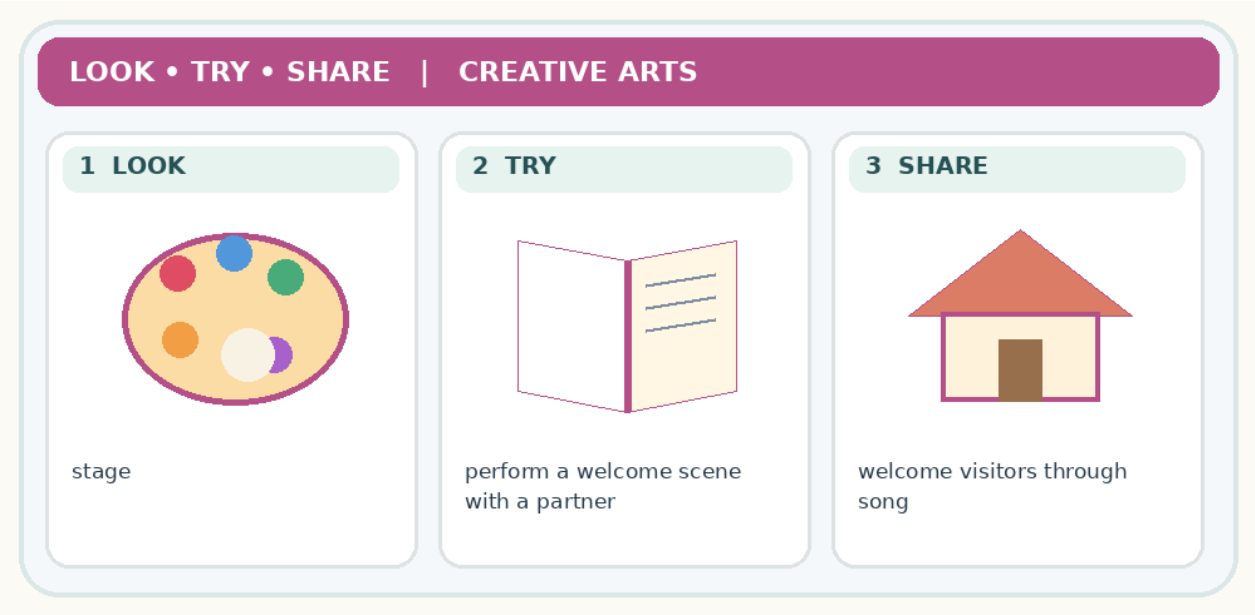

10. After practising Nature printing, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. claim that feedback is never helpful D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Friendship performance

My Global Community | Term 3

EXPLORE

A short performance can express welcome and friendship.

Look for: stage, friend, smile, share

PLAY & APPLY

Activity: perform a welcome scene with a partner

Materials: simple role-play cards

Real life: welcome visitors through song

Remember: Every learner deserves an inclusive role.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Friendship performance?

A. cut paper B. stage C. scene D. beads

2. What is the best activity for practising Friendship performance?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. perform a welcome scene with a partner

3. Which other example helps us explore Friendship performance?

A. friend B. gesture C. freeze D. song

4. Which materials should the group prepare to study Friendship performance?

A. nothing suitable for the task B. simple role-play cards C. unsafe tools without an adult D. broken objects found at random

5. Where can you use what you learnt about Friendship performance?

A. ignore the safety guidance B. avoid talking about the idea C. damage the classroom display D. welcome visitors through song

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Friendship performance?

A. Materials never need to be used safely. B. Every artist must make exactly the same picture. C. A short performance can express welcome and friendship. D. A performance cannot tell a story.

2. A classmate makes a mistake in Friendship performance. Which reminder helps?

A. A performance cannot tell a story. B. Every learner deserves an inclusive role. C. Every artist must make exactly the same picture. D. Materials never need to be used safely.

3. The class plans to explore Friendship performance. Which action fits?

A. guess without looking at evidence B. skip the task and claim it is complete C. perform a welcome scene with a partner D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Friendship performance.

A. stage and share B. cut paper and beads C. scene and leaf D. red and pattern

5. Which materials are most helpful for Friendship performance?

A. unrelated broken electronics B. simple role-play cards C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Friendship performance outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. refuse to practise the lesson D. welcome visitors through song

7. Which key word should appear on a Friendship performance revision card?

A. picture B. body C. smile D. dance

8. While studying Friendship performance, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Friendship performance?

A. print B. legs C. beat D. share

10. After practising Friendship performance, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

TEACHER ANSWER KEY
