Lesson 1. Draw myself with details

All About Me | Term 1

EXPLORE

Drawing uses lines and shapes to show ideas about ourselves. In KG2 we explain our choices and use longer descriptions.

Look for: head, body, arms, legs

PLAY & APPLY

Activity: In pairs, draw a self portrait using simple shapes; describe one reason for your choice

Materials: crayons and drawing paper

Real life: display drawings respectfully

Remember: Different drawings can all be meaningful.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Draw myself with details?

A. share B. dance C. song D. head

2. What is the best activity for practising Draw myself with details?

A. leave all materials untouched B. In pairs, draw a self portrait using simple shapes; describe one reason for your choice C. ignore the instructions and rush D. copy without discussing anything

3. Which other example helps us explore Draw myself with details?

A. body B. yellow C. paste D. print

4. Which materials should the group prepare to study Draw myself with details?

A. crayons and drawing paper B. unsafe tools without an adult C. nothing suitable for the task D. broken objects found at random

5. Where can you use what you learnt about Draw myself with details?

A. avoid talking about the idea B. display drawings respectfully C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Draw myself with details?

A. A performance cannot tell a story. B. Materials never need to be used safely. C. Every artist must make exactly the same picture. D. Drawing uses lines and shapes to show ideas about ourselves. In KG2 we explain our choices and use longer descriptions.

2. A classmate makes a mistake in Draw myself with details. Which reminder helps?

A. A performance cannot tell a story. B. Materials never need to be used safely. C. Different drawings can all be meaningful. D. Every artist must make exactly the same picture.

3. The class plans to explore Draw myself with details. Which action fits?

A. guess without looking at evidence B. skip the task and claim it is complete C. mix unrelated ideas without planning D. In pairs, draw a self portrait using simple shapes; describe one reason for your choice

4. Choose a pair of examples that fits Draw myself with details.

A. tap and green B. head and legs C. dance and song D. share and smile

5. Which materials are most helpful for Draw myself with details?

A. sharp tools without supervision B. random objects that cannot help the task C. unrelated broken electronics D. crayons and drawing paper

6. How could a learner apply Draw myself with details outside school?

A. display drawings respectfully B. refuse to practise the lesson C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Draw myself with details revision card?

A. voice B. clap C. arms D. friend

8. While studying Draw myself with details, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. observe, try, explain and check your result D. change the answer without reviewing

9. Which label belongs on a poster about Draw myself with details?

A. picture B. chorus C. beat D. legs

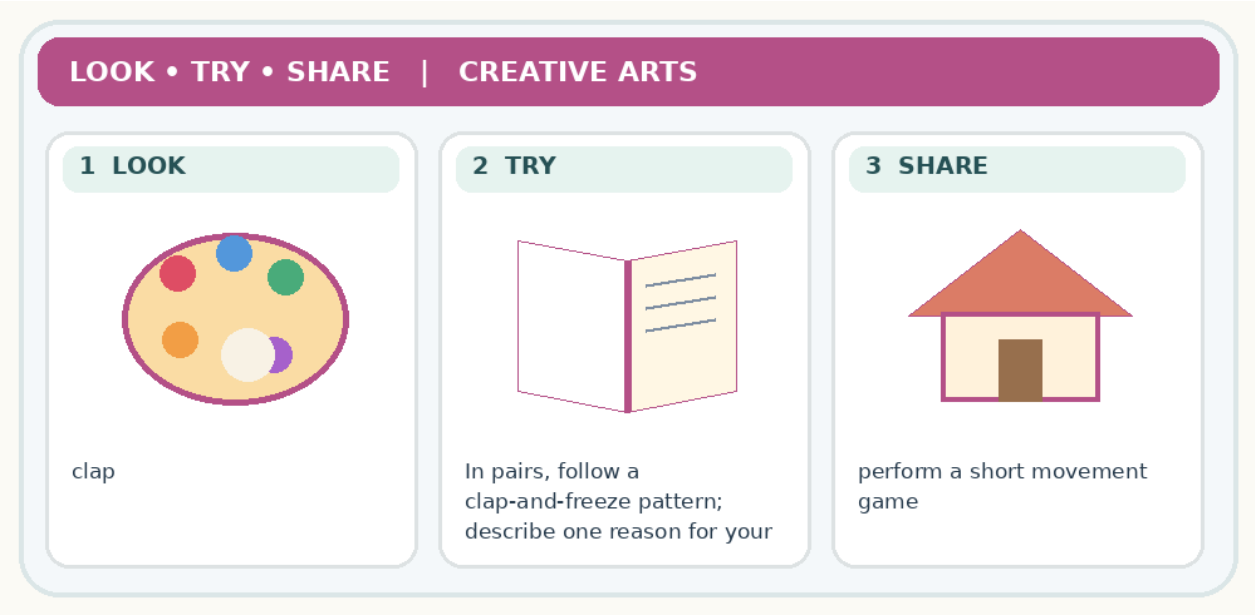

10. After practising Draw myself with details, what is a useful next step?

A. share one observation and listen to feedback B. claim that feedback is never helpful C. tear up other learners work D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Body movement and rhythm

All About Me | Term 1

EXPLORE

We can use our bodies to make rhythm and movements safely. In KG2 we explain our choices and use longer descriptions.

Look for: clap, tap, step, freeze

PLAY & APPLY

Activity: In pairs, follow a clap-and-freeze pattern; describe one reason for your choice

Materials: clapping song and open space

Real life: perform a short movement game

Remember: Fast movement should still be safe and controlled.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Body movement and rhythm?

A. chorus B. clap C. pattern D. friend

2. What is the best activity for practising Body movement and rhythm?

A. copy without discussing anything B. leave all materials untouched C. ignore the instructions and rush D. In pairs, follow a clap-and-freeze pattern; describe one reason for your choice

3. Which other example helps us explore Body movement and rhythm?

A. beat B. tap C. colour D. arms

4. Which materials should the group prepare to study Body movement and rhythm?

A. broken objects found at random B. unsafe tools without an adult C. clapping song and open space D. nothing suitable for the task

5. Where can you use what you learnt about Body movement and rhythm?

A. damage the classroom display B. perform a short movement game C. ignore the safety guidance D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Body movement and rhythm?

A. A performance cannot tell a story. B. Materials never need to be used safely. C. Every artist must make exactly the same picture. D. We can use our bodies to make rhythm and movements safely. In KG2 we explain our choices and use longer descriptions.

2. A classmate makes a mistake in Body movement and rhythm. Which reminder helps?

A. Materials never need to be used safely. B. Fast movement should still be safe and controlled. C. Every artist must make exactly the same picture. D. A performance cannot tell a story.

3. The class plans to explore Body movement and rhythm. Which action fits?

A. mix unrelated ideas without planning B. In pairs, follow a clap-and-freeze pattern; describe one reason for your choice C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Body movement and rhythm.

A. clap and freeze B. scene and stage C. pattern and friend D. chorus and print

5. Which materials are most helpful for Body movement and rhythm?

A. sharp tools without supervision B. clapping song and open space C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Body movement and rhythm outside school?

A. perform a short movement game B. leave a mess after the lesson C. refuse to practise the lesson D. ignore school or home safety rules

7. Which key word should appear on a Body movement and rhythm revision card?

A. weaving B. picture C. song D. step

8. While studying Body movement and rhythm, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Body movement and rhythm?

A. freeze B. drum C. cut paper D. actor

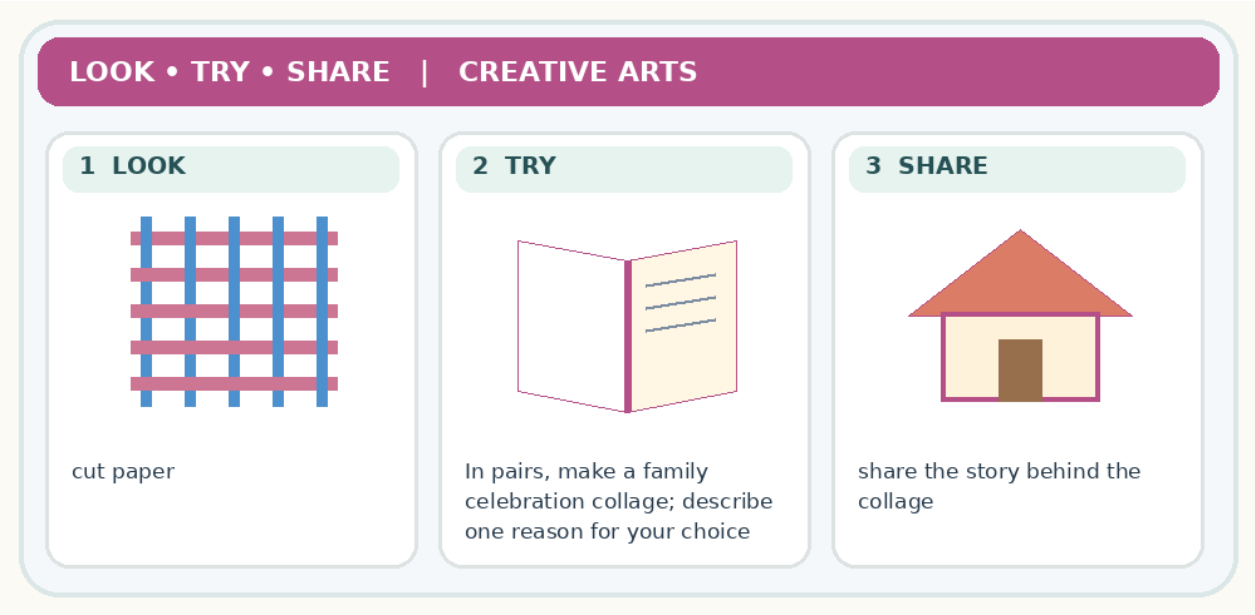

10. After practising Body movement and rhythm, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. claim that feedback is never helpful D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. Family collage

My Family | Term 1

EXPLORE

Collage joins shapes and images to make one picture. In KG2 we explain our choices and use longer descriptions.

Look for: cut paper, paste, pattern, picture

PLAY & APPLY

Activity: In pairs, make a family celebration collage; describe one reason for your choice

Materials: pre-cut paper, glue stick, backing sheet

Real life: share the story behind the collage

Remember: Only safe scissors should be used with adult guidance.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Family collage?

A. dance B. actor C. legs D. cut paper

2. What is the best activity for practising Family collage?

A. In pairs, make a family celebration collage; describe one reason for your choice B. copy without discussing anything C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore Family collage?

A. beat B. paste C. blue D. yellow

4. Which materials should the group prepare to study Family collage?

A. unsafe tools without an adult B. nothing suitable for the task C. broken objects found at random D. pre-cut paper, glue stick, backing sheet

5. Where can you use what you learnt about Family collage?

A. avoid talking about the idea B. damage the classroom display C. ignore the safety guidance D. share the story behind the collage

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Family collage?

A. A performance cannot tell a story. B. Collage joins shapes and images to make one picture. In KG2 we explain our choices and use longer descriptions. C. Materials never need to be used safely. D. Every artist must make exactly the same picture.

2. A classmate makes a mistake in Family collage. Which reminder helps?

A. Only safe scissors should be used with adult guidance. B. A performance cannot tell a story. C. Materials never need to be used safely. D. Every artist must make exactly the same picture.

3. The class plans to explore Family collage. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, make a family celebration collage; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Family collage.

A. dance and legs B. cut paper and picture C. scene and tap D. actor and pot

5. Which materials are most helpful for Family collage?

A. unrelated broken electronics B. sharp tools without supervision C. pre-cut paper, glue stick, backing sheet D. random objects that cannot help the task

6. How could a learner apply Family collage outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. ignore school or home safety rules D. share the story behind the collage

7. Which key word should appear on a Family collage revision card?

A. arms B. pattern C. song D. step

8. While studying Family collage, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Family collage?

A. pattern B. picture C. head D. colour

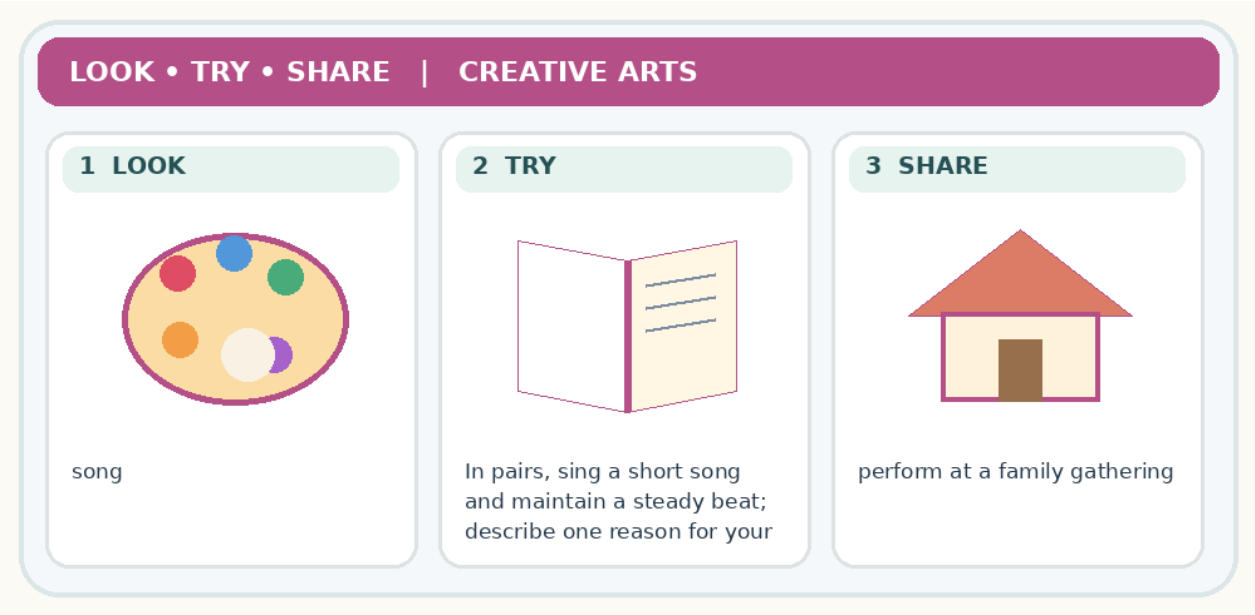

10. After practising Family collage, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. leave the group without sharing D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. A family song

My Family | Term 1

EXPLORE

Singing uses voice, beat and repeated phrases. In KG2 we explain our choices and use longer descriptions.

Look for: song, beat, chorus, voice

PLAY & APPLY

Activity: In pairs, sing a short song and maintain a steady beat; describe one reason for your choice

Materials: simple class song and clapping

Real life: perform at a family gathering

Remember: Louder is not always better singing.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about A family song?

A. song B. cut paper C. blue D. paste

2. What is the best activity for practising A family song?

A. leave all materials untouched B. In pairs, sing a short song and maintain a steady beat; describe one reason for your choice C. ignore the instructions and rush D. copy without discussing anything

3. Which other example helps us explore A family song?

A. shape B. beat C. legs D. head

4. Which materials should the group prepare to study A family song?

A. simple class song and clapping B. unsafe tools without an adult C. broken objects found at random D. nothing suitable for the task

5. Where can you use what you learnt about A family song?

A. damage the classroom display B. ignore the safety guidance C. perform at a family gathering D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in A family song?

A. A performance cannot tell a story. B. Every artist must make exactly the same picture. C. Singing uses voice, beat and repeated phrases. In KG2 we explain our choices and use longer descriptions. D. Materials never need to be used safely.

2. A classmate makes a mistake in A family song. Which reminder helps?

A. Louder is not always better singing. B. Every artist must make exactly the same picture. C. A performance cannot tell a story. D. Materials never need to be used safely.

3. The class plans to explore A family song. Which action fits?

A. In pairs, sing a short song and maintain a steady beat; describe one reason for your choice B. guess without looking at evidence C. skip the task and claim it is complete D. mix unrelated ideas without planning

4. Choose a pair of examples that fits A family song.

A. blue and beat B. song and voice C. tap and colour D. paste and cut paper

5. Which materials are most helpful for A family song?

A. sharp tools without supervision B. unrelated broken electronics C. random objects that cannot help the task D. simple class song and clapping

6. How could a learner apply A family song outside school?

A. refuse to practise the lesson B. perform at a family gathering C. leave a mess after the lesson D. ignore school or home safety rules

7. Which key word should appear on a A family song revision card?

A. dance B. chorus C. gesture D. scene

8. While studying A family song, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about A family song?

A. voice B. green C. step D. pattern

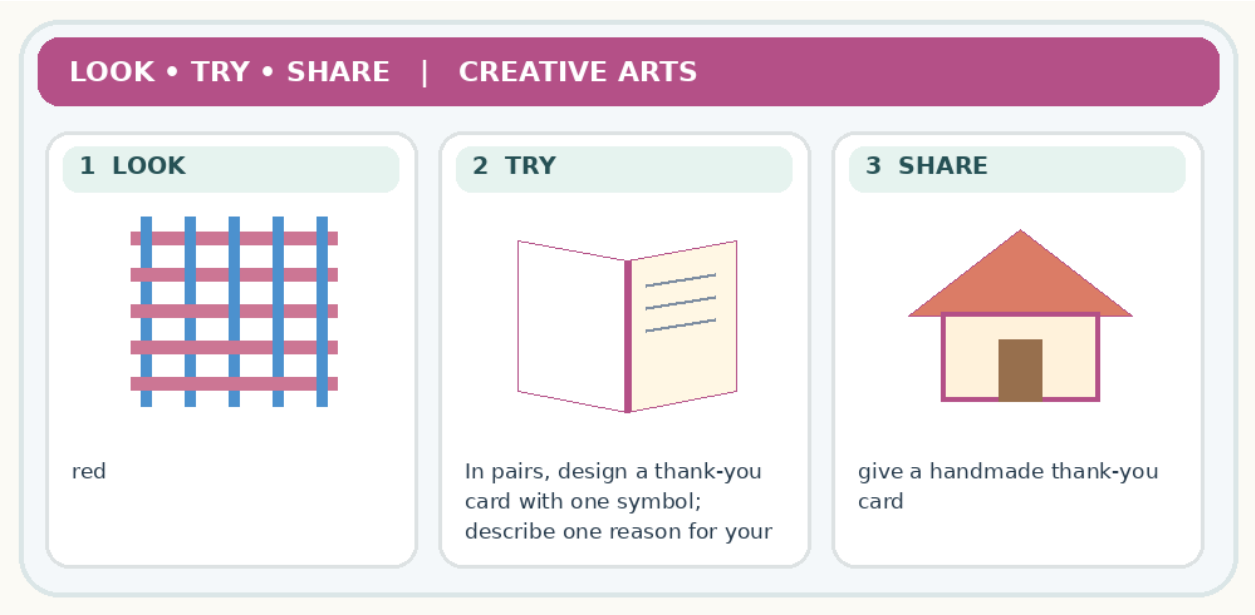

10. After practising A family song, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. tear up other learners work D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Colours of respect

Values and Beliefs | Term 2

EXPLORE

Colour and symbols can communicate kindness. In KG2 we explain our choices and use longer descriptions.

Look for: red, yellow, blue, green

PLAY & APPLY

Activity: In pairs, design a thank-you card with one symbol; describe one reason for your choice

Materials: crayons and coloured paper

Real life: give a handmade thank-you card

Remember: A symbol should be explained to its audience.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Colours of respect?

A. picture B. pot C. red D. paste

2. What is the best activity for practising Colours of respect?

A. leave all materials untouched B. ignore the instructions and rush C. In pairs, design a thank-you card with one symbol; describe one reason for your choice D. copy without discussing anything

3. Which other example helps us explore Colours of respect?

A. song B. beads C. colour D. yellow

4. Which materials should the group prepare to study Colours of respect?

A. crayons and coloured paper B. nothing suitable for the task C. broken objects found at random D. unsafe tools without an adult

5. Where can you use what you learnt about Colours of respect?

A. ignore the safety guidance B. give a handmade thank-you card C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Colours of respect?

A. Every artist must make exactly the same picture. B. A performance cannot tell a story. C. Colour and symbols can communicate kindness. In KG2 we explain our choices and use longer descriptions. D. Materials never need to be used safely.

2. A classmate makes a mistake in Colours of respect. Which reminder helps?

A. A symbol should be explained to its audience. B. Every artist must make exactly the same picture. C. A performance cannot tell a story. D. Materials never need to be used safely.

3. The class plans to explore Colours of respect. Which action fits?

A. In pairs, design a thank-you card with one symbol; describe one reason for your choice B. mix unrelated ideas without planning C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits Colours of respect.

A. pot and paste B. weaving and pattern C. red and green D. picture and drum

5. Which materials are most helpful for Colours of respect?

A. unrelated broken electronics B. crayons and coloured paper C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Colours of respect outside school?

A. ignore school or home safety rules B. leave a mess after the lesson C. give a handmade thank-you card D. refuse to practise the lesson

7. Which key word should appear on a Colours of respect revision card?

A. body B. role C. share D. blue

8. While studying Colours of respect, which choice shows careful learning?

A. copy answers without understanding B. change the answer without reviewing C. rush without listening D. observe, try, explain and check your result

9. Which label belongs on a poster about Colours of respect?

A. voice B. green C. cut paper D. leaf

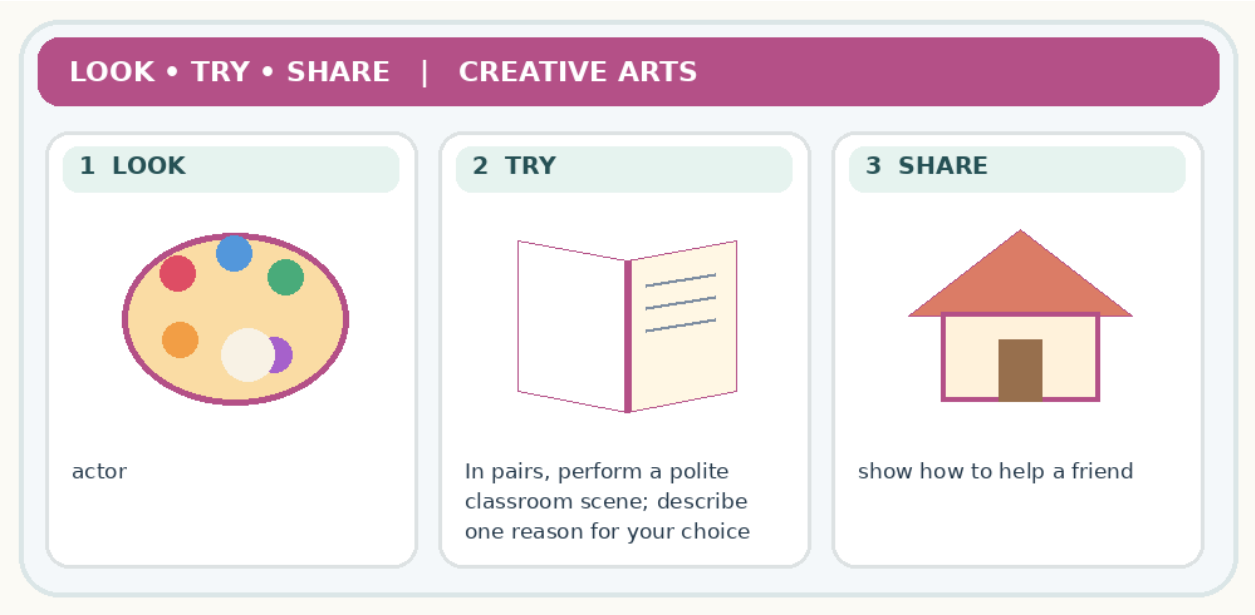

10. After practising Colours of respect, what is a useful next step?

A. tear up other learners work B. leave the group without sharing C. share one observation and listen to feedback D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Role-play helpful actions

Values and Beliefs | Term 2

EXPLORE

Drama lets us act out situations using gesture and speech. In KG2 we explain our choices and use longer descriptions.

Look for: actor, role, scene, gesture

PLAY & APPLY

Activity: In pairs, perform a polite classroom scene; describe one reason for your choice

Materials: simple costume props

Real life: show how to help a friend

Remember: Drama is pretend play, not real fighting.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Role-play helpful actions?

A. song B. actor C. picture D. arms

2. What is the best activity for practising Role-play helpful actions?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. In pairs, perform a polite classroom scene; describe one reason for your choice

3. Which other example helps us explore Role-play helpful actions?

A. step B. friend C. role D. clap

4. Which materials should the group prepare to study Role-play helpful actions?

A. nothing suitable for the task B. broken objects found at random C. unsafe tools without an adult D. simple costume props

5. Where can you use what you learnt about Role-play helpful actions?

A. damage the classroom display B. ignore the safety guidance C. avoid talking about the idea D. show how to help a friend

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Role-play helpful actions?

A. A performance cannot tell a story. B. Every artist must make exactly the same picture. C. Drama lets us act out situations using gesture and speech. In KG2 we explain our choices and use longer descriptions. D. Materials never need to be used safely.

2. A classmate makes a mistake in Role-play helpful actions. Which reminder helps?

A. Materials never need to be used safely. B. A performance cannot tell a story. C. Every artist must make exactly the same picture. D. Drama is pretend play, not real fighting.

3. The class plans to explore Role-play helpful actions. Which action fits?

A. mix unrelated ideas without planning B. guess without looking at evidence C. skip the task and claim it is complete D. In pairs, perform a polite classroom scene; describe one reason for your choice

4. Choose a pair of examples that fits Role-play helpful actions.

A. pattern and voice B. arms and song C. picture and dance D. actor and gesture

5. Which materials are most helpful for Role-play helpful actions?

A. simple costume props B. unrelated broken electronics C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply Role-play helpful actions outside school?

A. show how to help a friend B. refuse to practise the lesson C. leave a mess after the lesson D. ignore school or home safety rules

7. Which key word should appear on a Role-play helpful actions revision card?

A. leaf B. colour C. scene D. print

8. While studying Role-play helpful actions, which choice shows careful learning?

A. rush without listening B. change the answer without reviewing C. observe, try, explain and check your result D. copy answers without understanding

9. Which label belongs on a poster about Role-play helpful actions?

A. red B. drum C. gesture D. green

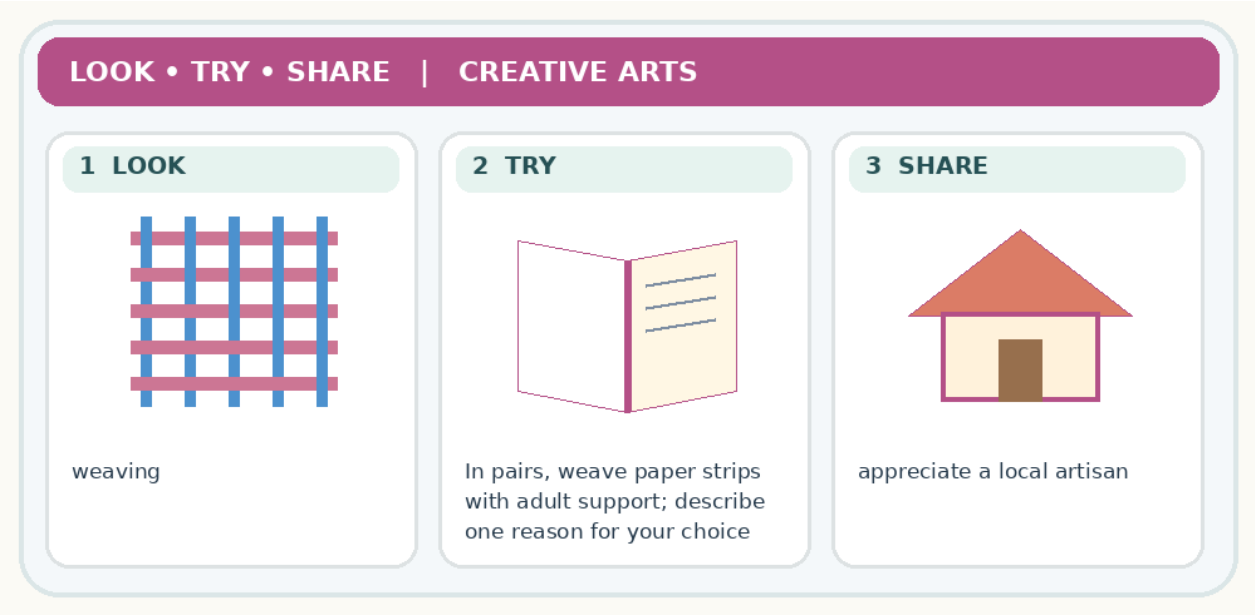

10. After practising Role-play helpful actions, what is a useful next step?

A. leave the group without sharing B. share one observation and listen to feedback C. tear up other learners work D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. Local crafts

My Local Community | Term 2

EXPLORE

Craft makers design useful and beautiful things. In KG2 we explain our choices and use longer descriptions.

Look for: weaving, beads, pot, pattern

PLAY & APPLY

Activity: In pairs, weave paper strips with adult support; describe one reason for your choice

Materials: paper strips and craft pictures

Real life: appreciate a local artisan

Remember: Patterns can communicate design choices.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Local crafts?

A. print B. weaving C. step D. red

2. What is the best activity for practising Local crafts?

A. ignore the instructions and rush B. leave all materials untouched C. copy without discussing anything D. In pairs, weave paper strips with adult support; describe one reason for your choice

3. Which other example helps us explore Local crafts?

A. pattern B. beat C. beads D. arms

4. Which materials should the group prepare to study Local crafts?

A. nothing suitable for the task B. unsafe tools without an adult C. paper strips and craft pictures D. broken objects found at random

5. Where can you use what you learnt about Local crafts?

A. damage the classroom display B. ignore the safety guidance C. appreciate a local artisan D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Local crafts?

A. Materials never need to be used safely. B. A performance cannot tell a story. C. Craft makers design useful and beautiful things. In KG2 we explain our choices and use longer descriptions. D. Every artist must make exactly the same picture.

2. A classmate makes a mistake in Local crafts. Which reminder helps?

A. Every artist must make exactly the same picture. B. Materials never need to be used safely. C. A performance cannot tell a story. D. Patterns can communicate design choices.

3. The class plans to explore Local crafts. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. In pairs, weave paper strips with adult support; describe one reason for your choice

4. Choose a pair of examples that fits Local crafts.

A. weaving and pattern B. red and leaf C. step and print D. freeze and song

5. Which materials are most helpful for Local crafts?

A. unrelated broken electronics B. sharp tools without supervision C. random objects that cannot help the task D. paper strips and craft pictures

6. How could a learner apply Local crafts outside school?

A. appreciate a local artisan B. refuse to practise the lesson C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Local crafts revision card?

A. pot B. drum C. paste D. voice

8. While studying Local crafts, which choice shows careful learning?

A. copy answers without understanding B. rush without listening C. observe, try, explain and check your result D. change the answer without reviewing

9. Which label belongs on a poster about Local crafts?

A. share B. pattern C. role D. smile

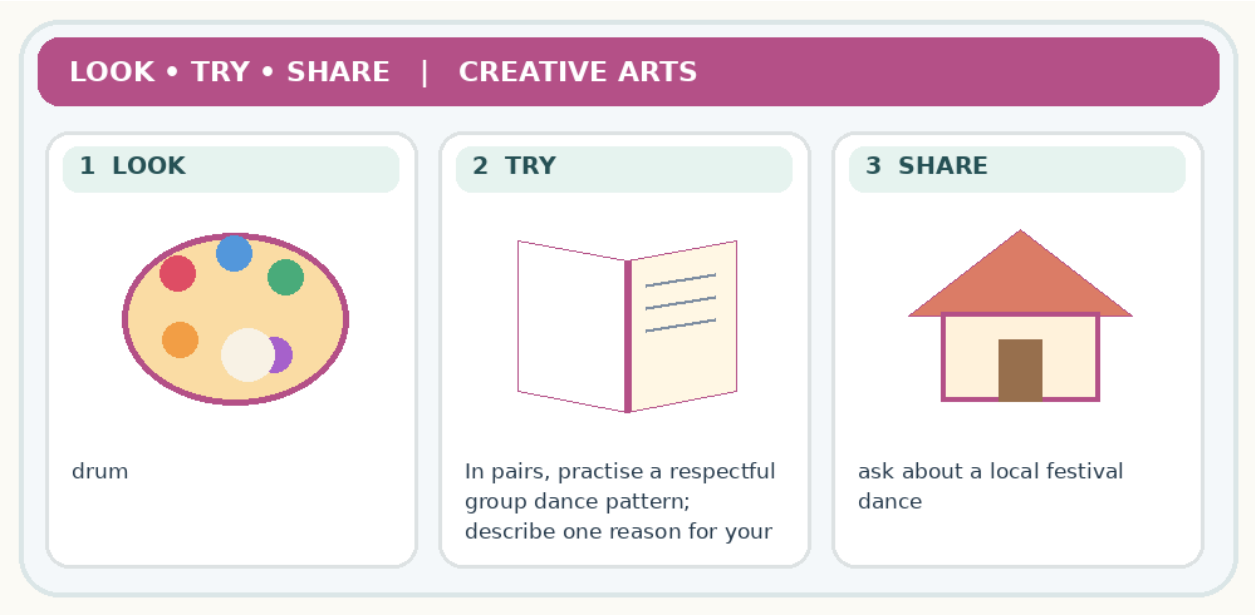

10. After practising Local crafts, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. share one observation and listen to feedback D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. Festival music and dance

My Nation Ghana | Term 2

EXPLORE

Music and dance can help communities celebrate. In KG2 we explain our choices and use longer descriptions.

Look for: drum, beat, dance, song

PLAY & APPLY

Activity: In pairs, practise a respectful group dance pattern; describe one reason for your choice

Materials: hand drum or safe shaker

Real life: ask about a local festival dance

Remember: Cultural performances vary between communities.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Festival music and dance?

A. drum B. yellow C. arms D. step

2. What is the best activity for practising Festival music and dance?

A. ignore the instructions and rush B. In pairs, practise a respectful group dance pattern; describe one reason for your choice C. copy without discussing anything D. leave all materials untouched

3. Which other example helps us explore Festival music and dance?

A. freeze B. beat C. pattern D. head

4. Which materials should the group prepare to study Festival music and dance?

A. unsafe tools without an adult B. broken objects found at random C. hand drum or safe shaker D. nothing suitable for the task

5. Where can you use what you learnt about Festival music and dance?

A. ask about a local festival dance B. ignore the safety guidance C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Festival music and dance?

A. Every artist must make exactly the same picture. B. A performance cannot tell a story. C. Music and dance can help communities celebrate. In KG2 we explain our choices and use longer descriptions. D. Materials never need to be used safely.

2. A classmate makes a mistake in Festival music and dance. Which reminder helps?

A. A performance cannot tell a story. B. Every artist must make exactly the same picture. C. Materials never need to be used safely. D. Cultural performances vary between communities.

3. The class plans to explore Festival music and dance. Which action fits?

A. guess without looking at evidence B. mix unrelated ideas without planning C. In pairs, practise a respectful group dance pattern; describe one reason for your choice D. skip the task and claim it is complete

4. Choose a pair of examples that fits Festival music and dance.

A. paste and cut paper B. yellow and arms C. drum and song D. step and print

5. Which materials are most helpful for Festival music and dance?

A. unrelated broken electronics B. sharp tools without supervision C. hand drum or safe shaker D. random objects that cannot help the task

6. How could a learner apply Festival music and dance outside school?

A. ask about a local festival dance B. refuse to practise the lesson C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Festival music and dance revision card?

A. dance B. red C. body D. colour

8. While studying Festival music and dance, which choice shows careful learning?

A. change the answer without reviewing B. rush without listening C. copy answers without understanding D. observe, try, explain and check your result

9. Which label belongs on a poster about Festival music and dance?

A. friend B. tap C. song D. green

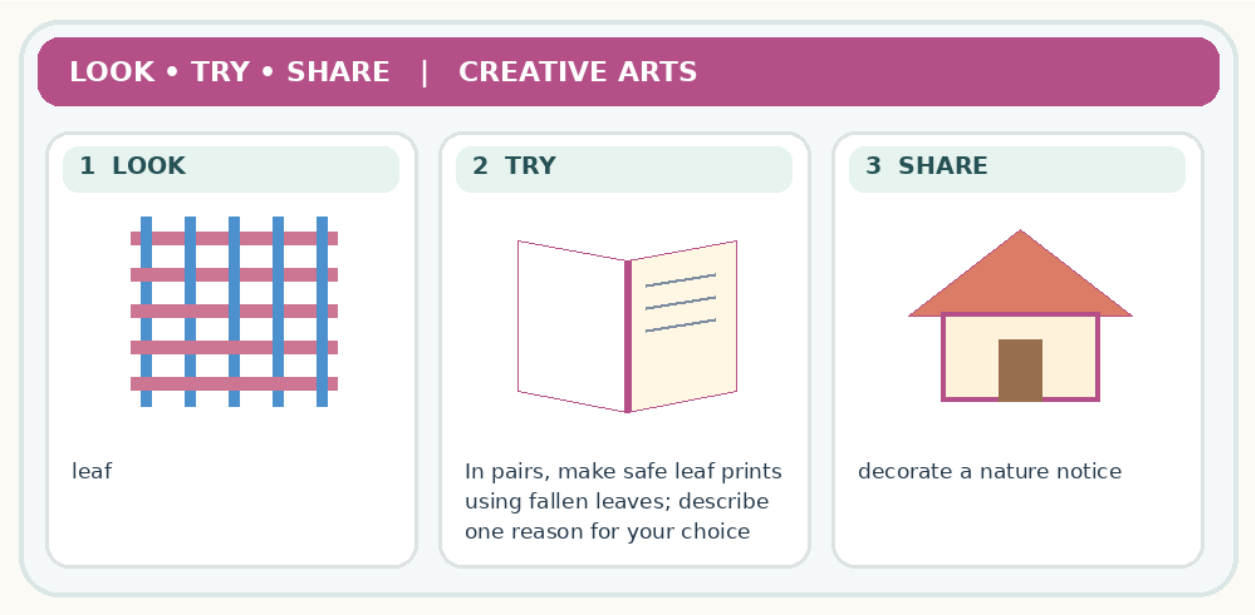

10. After practising Festival music and dance, what is a useful next step?

A. claim that feedback is never helpful B. share one observation and listen to feedback C. leave the group without sharing D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Nature printing

All Around Us | Term 3

EXPLORE

Natural shapes and textures inspire art. In KG2 we explain our choices and use longer descriptions.

Look for: leaf, print, colour, shape

PLAY & APPLY

Activity: In pairs, make safe leaf prints using fallen leaves; describe one reason for your choice

Materials: fallen leaves and washable paint

Real life: decorate a nature notice

Remember: Do not pull living plants without permission.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Nature printing?

A. freeze B. role C. head D. leaf

2. What is the best activity for practising Nature printing?

A. ignore the instructions and rush B. In pairs, make safe leaf prints using fallen leaves; describe one reason for your choice C. leave all materials untouched D. copy without discussing anything

3. Which other example helps us explore Nature printing?

A. print B. drum C. paste D. pattern

4. Which materials should the group prepare to study Nature printing?

A. unsafe tools without an adult B. nothing suitable for the task C. broken objects found at random D. fallen leaves and washable paint

5. Where can you use what you learnt about Nature printing?

A. avoid talking about the idea B. decorate a nature notice C. damage the classroom display D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Nature printing?

A. Natural shapes and textures inspire art. In KG2 we explain our choices and use longer descriptions. B. Every artist must make exactly the same picture. C. Materials never need to be used safely. D. A performance cannot tell a story.

2. A classmate makes a mistake in Nature printing. Which reminder helps?

A. Materials never need to be used safely. B. A performance cannot tell a story. C. Do not pull living plants without permission. D. Every artist must make exactly the same picture.

3. The class plans to explore Nature printing. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. In pairs, make safe leaf prints using fallen leaves; describe one reason for your choice D. guess without looking at evidence

4. Choose a pair of examples that fits Nature printing.

A. freeze and tap B. role and head C. share and chorus D. leaf and shape

5. Which materials are most helpful for Nature printing?

A. fallen leaves and washable paint B. random objects that cannot help the task C. unrelated broken electronics D. sharp tools without supervision

6. How could a learner apply Nature printing outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. leave a mess after the lesson D. decorate a nature notice

7. Which key word should appear on a Nature printing revision card?

A. colour B. friend C. clap D. beads

8. While studying Nature printing, which choice shows careful learning?

A. copy answers without understanding B. change the answer without reviewing C. observe, try, explain and check your result D. rush without listening

9. Which label belongs on a poster about Nature printing?

A. song B. green C. scene D. shape

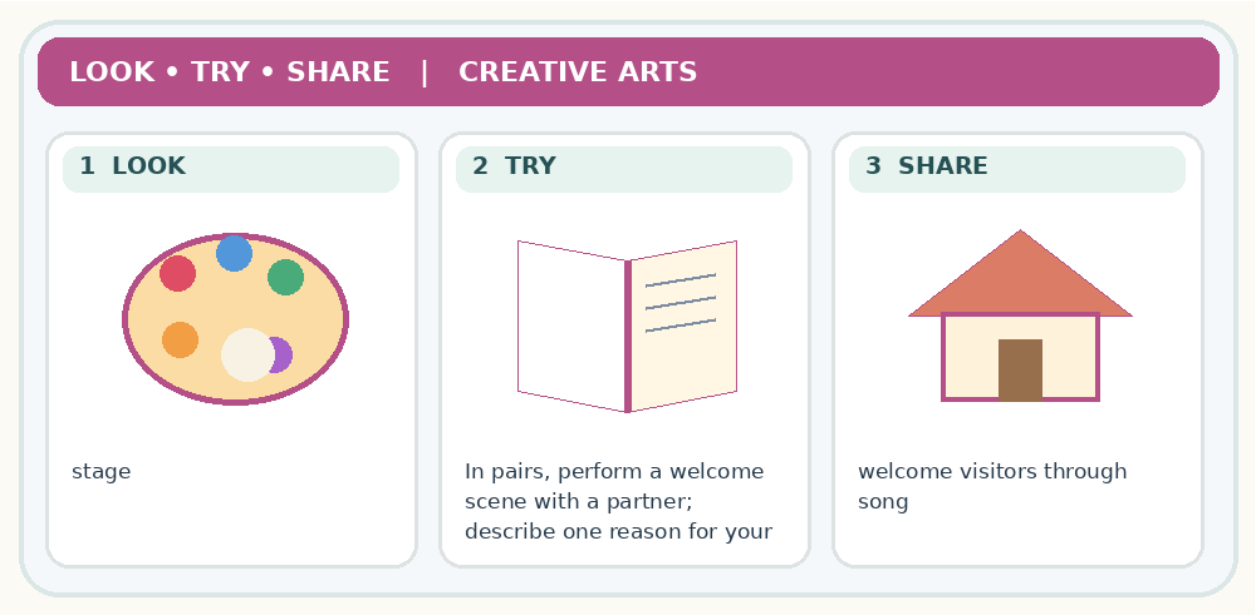

10. After practising Nature printing, what is a useful next step?

A. tear up other learners work B. share one observation and listen to feedback C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Friendship performance

My Global Community | Term 3

EXPLORE

A short performance can express welcome and friendship. In KG2 we explain our choices and use longer descriptions.

Look for: stage, friend, smile, share

PLAY & APPLY

Activity: In pairs, perform a welcome scene with a partner; describe one reason for your choice

Materials: simple role-play cards

Real life: welcome visitors through song

Remember: Every learner deserves an inclusive role.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Friendship performance?

A. role B. drum C. cut paper D. stage

2. What is the best activity for practising Friendship performance?

A. In pairs, perform a welcome scene with a partner; describe one reason for your choice B. leave all materials untouched C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Friendship performance?

A. pattern B. friend C. print D. leaf

4. Which materials should the group prepare to study Friendship performance?

A. simple role-play cards B. nothing suitable for the task C. broken objects found at random D. unsafe tools without an adult

5. Where can you use what you learnt about Friendship performance?

A. damage the classroom display B. ignore the safety guidance C. avoid talking about the idea D. welcome visitors through song

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Friendship performance?

A. Materials never need to be used safely. B. Every artist must make exactly the same picture. C. A performance cannot tell a story. D. A short performance can express welcome and friendship. In KG2 we explain our choices and use longer descriptions.

2. A classmate makes a mistake in Friendship performance. Which reminder helps?

A. Every learner deserves an inclusive role. B. Every artist must make exactly the same picture. C. A performance cannot tell a story. D. Materials never need to be used safely.

3. The class plans to explore Friendship performance. Which action fits?
