Lesson 1. Our unique abilities

All About Me | Term 1

EXPLORE

Every person has features and abilities that make them special. In KG2 we explain our choices and use longer descriptions.

Look for: name, body, voice, ability

PLAY & APPLY

Activity: In pairs, share a positive fact about yourself; describe one reason for your choice

Materials: picture cards and a mirror

Real life: speak kindly about classmates

Remember: Differences are not reasons to tease others.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Our unique abilities?

A. friend B. name C. teacher D. truth

2. What is the best activity for practising Our unique abilities?

A. leave all materials untouched B. In pairs, share a positive fact about yourself; describe one reason for your choice C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Our unique abilities?

A. sleep B. share C. trader D. body

4. Which materials should the group prepare to study Our unique abilities?

A. broken objects found at random B. nothing suitable for the task C. unsafe tools without an adult D. picture cards and a mirror

5. Where can you use what you learnt about Our unique abilities?

A. speak kindly about classmates B. ignore the safety guidance C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Our unique abilities?

A. There is no reason to keep a community clean. B. Every person has features and abilities that make them special. In KG2 we explain our choices and use longer descriptions. C. Being respectful does not matter. D. Everyone must have the same background.

2. A classmate makes a mistake in Our unique abilities. Which reminder helps?

A. Everyone must have the same background. B. Being respectful does not matter. C. Differences are not reasons to tease others. D. There is no reason to keep a community clean.

3. The class plans to explore Our unique abilities. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. In pairs, share a positive fact about yourself; describe one reason for your choice D. guess without looking at evidence

4. Choose a pair of examples that fits Our unique abilities.

A. language and bird B. teacher and friend C. name and ability D. truth and parent

5. Which materials are most helpful for Our unique abilities?

A. sharp tools without supervision B. unrelated broken electronics C. random objects that cannot help the task D. picture cards and a mirror

6. How could a learner apply Our unique abilities outside school?

A. ignore school or home safety rules B. speak kindly about classmates C. leave a mess after the lesson D. refuse to practise the lesson

7. Which key word should appear on a Our unique abilities revision card?

A. sibling B. flag C. respect D. voice

8. While studying Our unique abilities, which choice shows careful learning?

A. observe, try, explain and check your result B. change the answer without reviewing C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Our unique abilities?

A. help B. tidy C. ability D. soap

10. After practising Our unique abilities, what is a useful next step?

A. share one observation and listen to feedback B. tear up other learners work C. leave the group without sharing D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 2. Keeping my body healthy

All About Me | Term 1

EXPLORE

Healthy food, rest and hygiene help the body. In KG2 we explain our choices and use longer descriptions.

Look for: water, fruit, soap, sleep

PLAY & APPLY

Activity: In pairs, sort healthy daily habits into groups; describe one reason for your choice

Materials: food picture cards

Real life: wash hands before meals

Remember: Health depends on several habits, not one food.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Keeping my body healthy?

A. world B. care C. country D. water

2. What is the best activity for practising Keeping my body healthy?

A. In pairs, sort healthy daily habits into groups; describe one reason for your choice B. leave all materials untouched C. copy without discussing anything D. ignore the instructions and rush

3. Which other example helps us explore Keeping my body healthy?

A. teacher B. share C. fruit D. farmer

4. Which materials should the group prepare to study Keeping my body healthy?

A. nothing suitable for the task B. food picture cards C. unsafe tools without an adult D. broken objects found at random

5. Where can you use what you learnt about Keeping my body healthy?

A. wash hands before meals B. damage the classroom display C. avoid talking about the idea D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Keeping my body healthy?

A. Everyone must have the same background. B. Being respectful does not matter. C. Healthy food, rest and hygiene help the body. In KG2 we explain our choices and use longer descriptions. D. There is no reason to keep a community clean.

2. A classmate makes a mistake in Keeping my body healthy. Which reminder helps?

A. Health depends on several habits, not one food. B. There is no reason to keep a community clean. C. Everyone must have the same background. D. Being respectful does not matter.

3. The class plans to explore Keeping my body healthy. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, sort healthy daily habits into groups; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Keeping my body healthy.

A. country and care B. world and bird C. grandparent and voice D. water and sleep

5. Which materials are most helpful for Keeping my body healthy?

A. unrelated broken electronics B. random objects that cannot help the task C. sharp tools without supervision D. food picture cards

6. How could a learner apply Keeping my body healthy outside school?

A. leave a mess after the lesson B. wash hands before meals C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Keeping my body healthy revision card?

A. respect B. national anthem C. listen D. soap

8. While studying Keeping my body healthy, which choice shows careful learning?

A. rush without listening B. copy answers without understanding C. change the answer without reviewing D. observe, try, explain and check your result

9. Which label belongs on a poster about Keeping my body healthy?

A. truth B. sleep C. peace D. trader

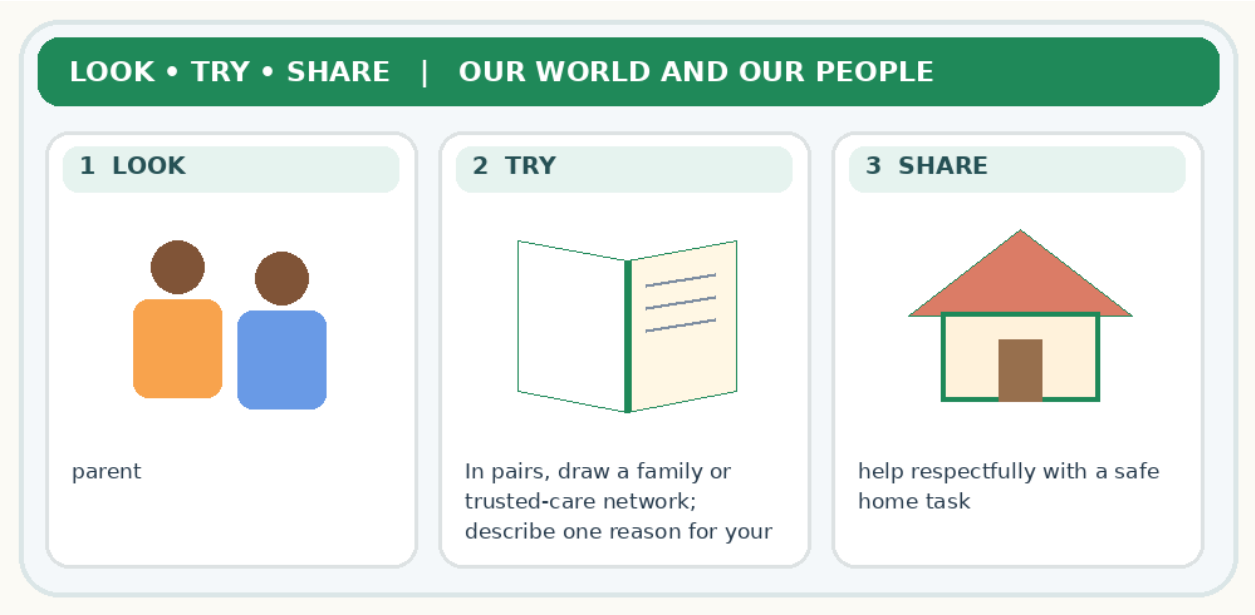

10. After practising Keeping my body healthy, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. tear up other learners work D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 3. My family members

My Family | Term 1

EXPLORE

Families care for and support each other in different ways. In KG2 we explain our choices and use longer descriptions.

Look for: parent, guardian, sibling, grandparent

PLAY & APPLY

Activity: In pairs, draw a family or trusted-care network; describe one reason for your choice

Materials: family picture cards

Real life: help respectfully with a safe home task

Remember: Not all families have the same structure.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about My family members?

A. name B. fruit C. language D. parent

2. What is the best activity for practising My family members?

A. copy without discussing anything B. In pairs, draw a family or trusted-care network; describe one reason for your choice C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore My family members?

A. bird B. guardian C. culture D. grass

4. Which materials should the group prepare to study My family members?

A. broken objects found at random B. unsafe tools without an adult C. family picture cards D. nothing suitable for the task

5. Where can you use what you learnt about My family members?

A. help respectfully with a safe home task B. ignore the safety guidance C. damage the classroom display D. avoid talking about the idea

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in My family members?

A. Everyone must have the same background. B. There is no reason to keep a community clean. C. Families care for and support each other in different ways. In KG2 we explain our choices and use longer descriptions. D. Being respectful does not matter.

2. A classmate makes a mistake in My family members. Which reminder helps?

A. Everyone must have the same background. B. Being respectful does not matter. C. Not all families have the same structure. D. There is no reason to keep a community clean.

3. The class plans to explore My family members. Which action fits?

A. mix unrelated ideas without planning B. In pairs, draw a family or trusted-care network; describe one reason for your choice C. guess without looking at evidence D. skip the task and claim it is complete

4. Choose a pair of examples that fits My family members.

A. parent and grandparent B. name and fruit C. truth and listen D. language and butterfly

5. Which materials are most helpful for My family members?

A. unrelated broken electronics B. sharp tools without supervision C. random objects that cannot help the task D. family picture cards

6. How could a learner apply My family members outside school?

A. refuse to practise the lesson B. leave a mess after the lesson C. help respectfully with a safe home task D. ignore school or home safety rules

7. Which key word should appear on a My family members revision card?

A. sibling B. region C. friend D. peace

8. While studying My family members, which choice shows careful learning?

A. rush without listening B. observe, try, explain and check your result C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about My family members?

A. respect B. country C. tidy D. grandparent

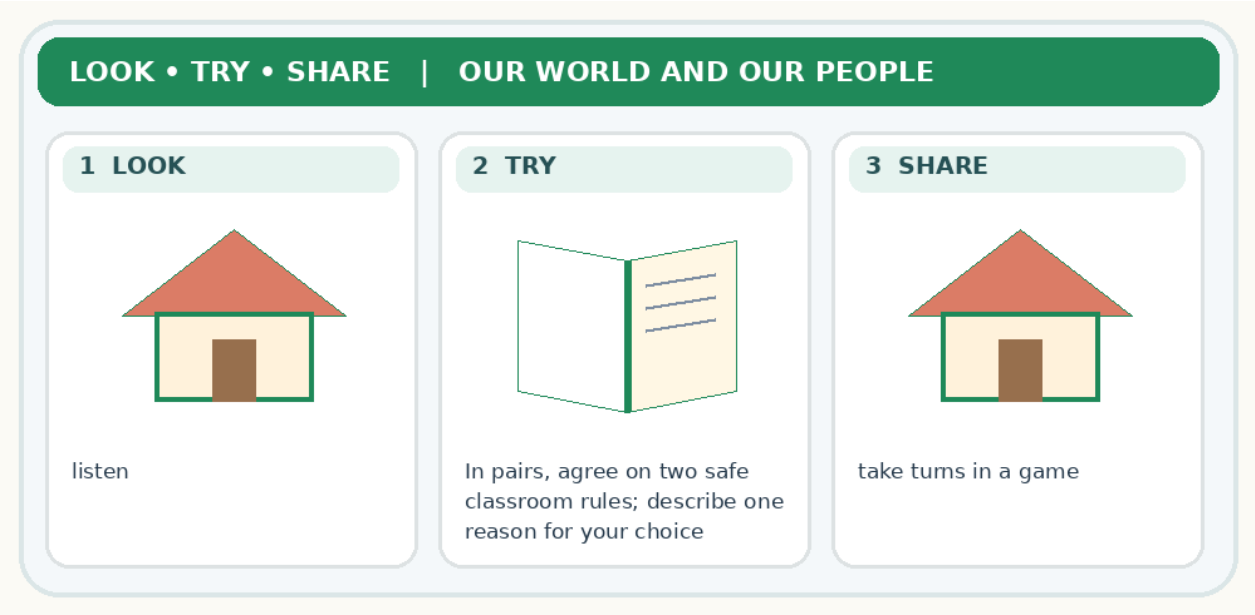

10. After practising My family members, what is a useful next step?

A. tear up other learners work B. claim that feedback is never helpful C. share one observation and listen to feedback D. leave the group without sharing

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 4. School and home rules

My Family | Term 1

EXPLORE

Rules support fairness and safety in a group. In KG2 we explain our choices and use longer descriptions.

Look for: listen, wait, share, tidy

PLAY & APPLY

Activity: In pairs, agree on two safe classroom rules; describe one reason for your choice

Materials: rule cards and classroom poster

Real life: take turns in a game

Remember: Rules should help everyone stay safe and included.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about School and home rules?

A. soap B. listen C. voice D. ability

2. What is the best activity for practising School and home rules?

A. copy without discussing anything B. ignore the instructions and rush C. In pairs, agree on two safe classroom rules; describe one reason for your choice D. leave all materials untouched

3. Which other example helps us explore School and home rules?

A. fruit B. wait C. region D. language

4. Which materials should the group prepare to study School and home rules?

A. rule cards and classroom poster B. unsafe tools without an adult C. nothing suitable for the task D. broken objects found at random

5. Where can you use what you learnt about School and home rules?

A. damage the classroom display B. avoid talking about the idea C. take turns in a game D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in School and home rules?

A. Being respectful does not matter. B. There is no reason to keep a community clean. C. Everyone must have the same background. D. Rules support fairness and safety in a group. In KG2 we explain our choices and use longer descriptions.

2. A classmate makes a mistake in School and home rules. Which reminder helps?

A. There is no reason to keep a community clean. B. Everyone must have the same background. C. Being respectful does not matter. D. Rules should help everyone stay safe and included.

3. The class plans to explore School and home rules. Which action fits?

A. skip the task and claim it is complete B. mix unrelated ideas without planning C. guess without looking at evidence D. In pairs, agree on two safe classroom rules; describe one reason for your choice

4. Choose a pair of examples that fits School and home rules.

A. listen and tidy B. soap and grandparent C. voice and ability D. kindness and farmer

5. Which materials are most helpful for School and home rules?

A. sharp tools without supervision B. rule cards and classroom poster C. unrelated broken electronics D. random objects that cannot help the task

6. How could a learner apply School and home rules outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. take turns in a game D. leave a mess after the lesson

7. Which key word should appear on a School and home rules revision card?

A. friend B. body C. flag D. share

8. While studying School and home rules, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about School and home rules?

A. truth B. tidy C. help D. teacher

10. After practising School and home rules, what is a useful next step?

A. share one observation and listen to feedback B. leave the group without sharing C. tear up other learners work D. claim that feedback is never helpful

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 5. Values and caring

Values and Beliefs | Term 2

EXPLORE

Honesty and kindness build trust. In KG2 we explain our choices and use longer descriptions.

Look for: truth, help, care, respect

PLAY & APPLY

Activity: In pairs, role-play returning a lost pencil; describe one reason for your choice

Materials: situation cards

Real life: care for borrowed things

Remember: Honesty includes saying what really happened.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Values and caring?

A. body B. friend C. truth D. respect

2. What is the best activity for practising Values and caring?

A. ignore the instructions and rush B. copy without discussing anything C. In pairs, role-play returning a lost pencil; describe one reason for your choice D. leave all materials untouched

3. Which other example helps us explore Values and caring?

A. help B. tidy C. flag D. grass

4. Which materials should the group prepare to study Values and caring?

A. broken objects found at random B. unsafe tools without an adult C. nothing suitable for the task D. situation cards

5. Where can you use what you learnt about Values and caring?

A. care for borrowed things B. avoid talking about the idea C. ignore the safety guidance D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Values and caring?

A. There is no reason to keep a community clean. B. Being respectful does not matter. C. Honesty and kindness build trust. In KG2 we explain our choices and use longer descriptions. D. Everyone must have the same background.

2. A classmate makes a mistake in Values and caring. Which reminder helps?

A. Honesty includes saying what really happened. B. Everyone must have the same background. C. Being respectful does not matter. D. There is no reason to keep a community clean.

3. The class plans to explore Values and caring. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. mix unrelated ideas without planning D. In pairs, role-play returning a lost pencil; describe one reason for your choice

4. Choose a pair of examples that fits Values and caring.

A. grandparent and national anthem B. respect and language C. friend and body D. truth and respect

5. Which materials are most helpful for Values and caring?

A. unrelated broken electronics B. random objects that cannot help the task C. sharp tools without supervision D. situation cards

6. How could a learner apply Values and caring outside school?

A. leave a mess after the lesson B. refuse to practise the lesson C. care for borrowed things D. ignore school or home safety rules

7. Which key word should appear on a Values and caring revision card?

A. care B. farmer C. sibling D. region

8. While studying Values and caring, which choice shows careful learning?

A. copy answers without understanding B. change the answer without reviewing C. rush without listening D. observe, try, explain and check your result

9. Which label belongs on a poster about Values and caring?

A. respect B. world C. wait D. butterfly

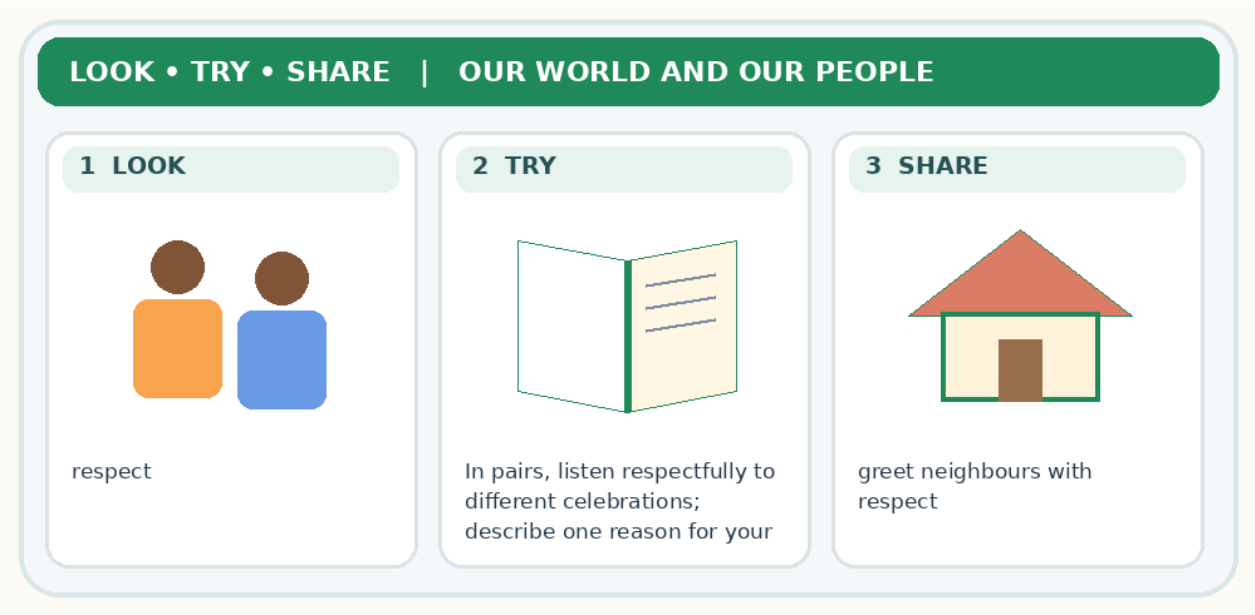

10. After practising Values and caring, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 6. Beliefs and respect

Values and Beliefs | Term 2

EXPLORE

People may have different beliefs and should be treated fairly. In KG2 we explain our choices and use longer descriptions.

Look for: respect, peace, listen, kindness

PLAY & APPLY

Activity: In pairs, listen respectfully to different celebrations; describe one reason for your choice

Materials: inclusive community picture cards

Real life: greet neighbours with respect

Remember: Different beliefs do not excuse unkind treatment.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Beliefs and respect?

A. respect B. trader C. name D. flag

2. What is the best activity for practising Beliefs and respect?

A. leave all materials untouched B. In pairs, listen respectfully to different celebrations; describe one reason for your choice C. ignore the instructions and rush D. copy without discussing anything

3. Which other example helps us explore Beliefs and respect?

A. tree B. grandparent C. language D. peace

4. Which materials should the group prepare to study Beliefs and respect?

A. broken objects found at random B. inclusive community picture cards C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Beliefs and respect?

A. ignore the safety guidance B. greet neighbours with respect C. avoid talking about the idea D. damage the classroom display

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Beliefs and respect?

A. There is no reason to keep a community clean. B. People may have different beliefs and should be treated fairly. In KG2 we explain our choices and use longer descriptions. C. Being respectful does not matter. D. Everyone must have the same background.

2. A classmate makes a mistake in Beliefs and respect. Which reminder helps?

A. There is no reason to keep a community clean. B. Different beliefs do not excuse unkind treatment. C. Being respectful does not matter. D. Everyone must have the same background.

3. The class plans to explore Beliefs and respect. Which action fits?

A. skip the task and claim it is complete B. guess without looking at evidence C. In pairs, listen respectfully to different celebrations; describe one reason for your choice D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Beliefs and respect.

A. trader and fruit B. flag and name C. respect and kindness D. friend and sibling

5. Which materials are most helpful for Beliefs and respect?

A. random objects that cannot help the task B. unrelated broken electronics C. sharp tools without supervision D. inclusive community picture cards

6. How could a learner apply Beliefs and respect outside school?

A. refuse to practise the lesson B. ignore school or home safety rules C. leave a mess after the lesson D. greet neighbours with respect

7. Which key word should appear on a Beliefs and respect revision card?

A. tidy B. guardian C. listen D. parent

8. While studying Beliefs and respect, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. copy answers without understanding D. change the answer without reviewing

9. Which label belongs on a poster about Beliefs and respect?

A. kindness B. listen C. share D. national anthem

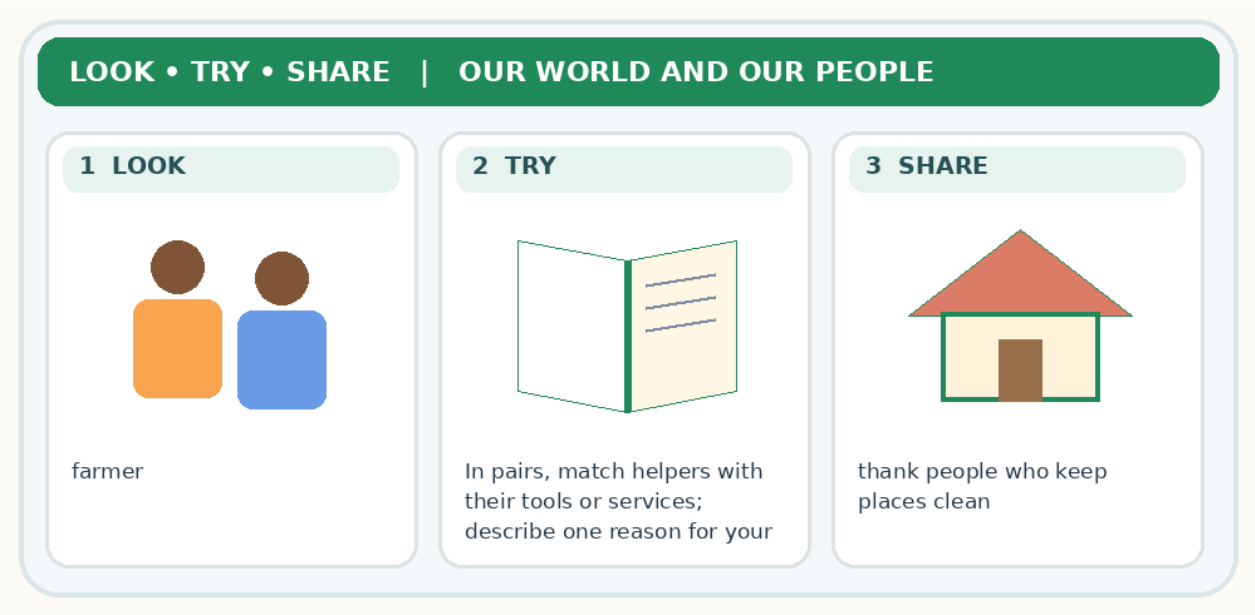

10. After practising Beliefs and respect, what is a useful next step?

A. leave the group without sharing B. claim that feedback is never helpful C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 7. Helpers in my community

My Local Community | Term 2

EXPLORE

Community workers provide important services. In KG2 we explain our choices and use longer descriptions.

Look for: farmer, nurse, teacher, trader

PLAY & APPLY

Activity: In pairs, match helpers with their tools or services; describe one reason for your choice

Materials: community worker cards

Real life: thank people who keep places clean

Remember: A community needs many different kinds of work.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Helpers in my community?

A. fruit B. respect C. farmer D. grass

2. What is the best activity for practising Helpers in my community?

A. ignore the instructions and rush B. copy without discussing anything C. In pairs, match helpers with their tools or services; describe one reason for your choice D. leave all materials untouched

3. Which other example helps us explore Helpers in my community?

A. nurse B. world C. grandparent D. ability

4. Which materials should the group prepare to study Helpers in my community?

A. community worker cards B. broken objects found at random C. unsafe tools without an adult D. nothing suitable for the task

5. Where can you use what you learnt about Helpers in my community?

A. avoid talking about the idea B. thank people who keep places clean C. damage the classroom display D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Helpers in my community?

A. Everyone must have the same background. B. There is no reason to keep a community clean. C. Community workers provide important services. In KG2 we explain our choices and use longer descriptions. D. Being respectful does not matter.

2. A classmate makes a mistake in Helpers in my community. Which reminder helps?

A. A community needs many different kinds of work. B. Being respectful does not matter. C. There is no reason to keep a community clean. D. Everyone must have the same background.

3. The class plans to explore Helpers in my community. Which action fits?

A. In pairs, match helpers with their tools or services; describe one reason for your choice B. guess without looking at evidence C. skip the task and claim it is complete D. mix unrelated ideas without planning

4. Choose a pair of examples that fits Helpers in my community.

A. farmer and trader B. listen and share C. fruit and grass D. respect and body

5. Which materials are most helpful for Helpers in my community?

A. sharp tools without supervision B. community worker cards C. random objects that cannot help the task D. unrelated broken electronics

6. How could a learner apply Helpers in my community outside school?

A. refuse to practise the lesson B. thank people who keep places clean C. ignore school or home safety rules D. leave a mess after the lesson

7. Which key word should appear on a Helpers in my community revision card?

A. sibling B. voice C. teacher D. soap

8. While studying Helpers in my community, which choice shows careful learning?

A. observe, try, explain and check your result B. rush without listening C. change the answer without reviewing D. copy answers without understanding

9. Which label belongs on a poster about Helpers in my community?

A. trader B. language C. bird D. tidy

10. After practising Helpers in my community, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. tear up other learners work D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 8. My nation Ghana

My Nation Ghana | Term 2

EXPLORE

Ghana is our country and has many communities and cultures. In KG2 we explain our choices and use longer descriptions.

Look for: flag, national anthem, region, culture

PLAY & APPLY

Activity: In pairs, identify colours of the Ghana flag in a poster; describe one reason for your choice

Materials: Ghana flag picture

Real life: treat the flag respectfully

Remember: Citizens show responsibility by caring for others.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about My nation Ghana?

A. flag B. sleep C. share D. water

2. What is the best activity for practising My nation Ghana?

A. copy without discussing anything B. In pairs, identify colours of the Ghana flag in a poster; describe one reason for your choice C. leave all materials untouched D. ignore the instructions and rush

3. Which other example helps us explore My nation Ghana?

A. ability B. peace C. respect D. national anthem

4. Which materials should the group prepare to study My nation Ghana?

A. nothing suitable for the task B. broken objects found at random C. unsafe tools without an adult D. Ghana flag picture

5. Where can you use what you learnt about My nation Ghana?

A. avoid talking about the idea B. damage the classroom display C. treat the flag respectfully D. ignore the safety guidance

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in My nation Ghana?

A. Everyone must have the same background. B. Ghana is our country and has many communities and cultures. In KG2 we explain our choices and use longer descriptions. C. There is no reason to keep a community clean. D. Being respectful does not matter.

2. A classmate makes a mistake in My nation Ghana. Which reminder helps?

A. Being respectful does not matter. B. There is no reason to keep a community clean. C. Everyone must have the same background. D. Citizens show responsibility by caring for others.

3. The class plans to explore My nation Ghana. Which action fits?

A. In pairs, identify colours of the Ghana flag in a poster; describe one reason for your choice B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits My nation Ghana.

A. share and nurse B. water and sleep C. friend and body D. flag and culture

5. Which materials are most helpful for My nation Ghana?

A. unrelated broken electronics B. Ghana flag picture C. sharp tools without supervision D. random objects that cannot help the task

6. How could a learner apply My nation Ghana outside school?

A. ignore school or home safety rules B. refuse to practise the lesson C. treat the flag respectfully D. leave a mess after the lesson

7. Which key word should appear on a My nation Ghana revision card?

A. world B. country C. region D. butterfly

8. While studying My nation Ghana, which choice shows careful learning?

A. copy answers without understanding B. observe, try, explain and check your result C. change the answer without reviewing D. rush without listening

9. Which label belongs on a poster about My nation Ghana?

A. guardian B. culture C. fruit D. listen

10. After practising My nation Ghana, what is a useful next step?

A. leave the group without sharing B. tear up other learners work C. claim that feedback is never helpful D. share one observation and listen to feedback

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 9. Living things around us

All Around Us | Term 3

EXPLORE

Plants and animals need care and suitable surroundings. In KG2 we explain our choices and use longer descriptions.

Look for: tree, bird, butterfly, grass

PLAY & APPLY

Activity: In pairs, observe living things without disturbing them; describe one reason for your choice

Materials: safe outdoor observation sheet

Real life: protect a plant in the school garden

Remember: Living things have needs, unlike a stone.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Living things around us?

A. farmer B. truth C. tree D. region

2. What is the best activity for practising Living things around us?

A. ignore the instructions and rush B. copy without discussing anything C. In pairs, observe living things without disturbing them; describe one reason for your choice D. leave all materials untouched

3. Which other example helps us explore Living things around us?

A. wait B. friend C. bird D. culture

4. Which materials should the group prepare to study Living things around us?

A. unsafe tools without an adult B. broken objects found at random C. safe outdoor observation sheet D. nothing suitable for the task

5. Where can you use what you learnt about Living things around us?

A. avoid talking about the idea B. damage the classroom display C. ignore the safety guidance D. protect a plant in the school garden

CHALLENGE QUESTIONS

1. Which explanation best describes our main idea in Living things around us?

A. Being respectful does not matter. B. Plants and animals need care and suitable surroundings. In KG2 we explain our choices and use longer descriptions. C. There is no reason to keep a community clean. D. Everyone must have the same background.

2. A classmate makes a mistake in Living things around us. Which reminder helps?

A. Living things have needs, unlike a stone. B. There is no reason to keep a community clean. C. Everyone must have the same background. D. Being respectful does not matter.

3. The class plans to explore Living things around us. Which action fits?

A. In pairs, observe living things without disturbing them; describe one reason for your choice B. mix unrelated ideas without planning C. skip the task and claim it is complete D. guess without looking at evidence

4. Choose a pair of examples that fits Living things around us.

A. region and truth B. tree and grass C. farmer and country D. guardian and kindness

5. Which materials are most helpful for Living things around us?

A. sharp tools without supervision B. random objects that cannot help the task C. safe outdoor observation sheet D. unrelated broken electronics

6. How could a learner apply Living things around us outside school?

A. protect a plant in the school garden B. leave a mess after the lesson C. ignore school or home safety rules D. refuse to practise the lesson

7. Which key word should appear on a Living things around us revision card?

A. fruit B. butterfly C. trader D. body

8. While studying Living things around us, which choice shows careful learning?

A. change the answer without reviewing B. observe, try, explain and check your result C. rush without listening D. copy answers without understanding

9. Which label belongs on a poster about Living things around us?

A. soap B. grass C. flag D. sibling

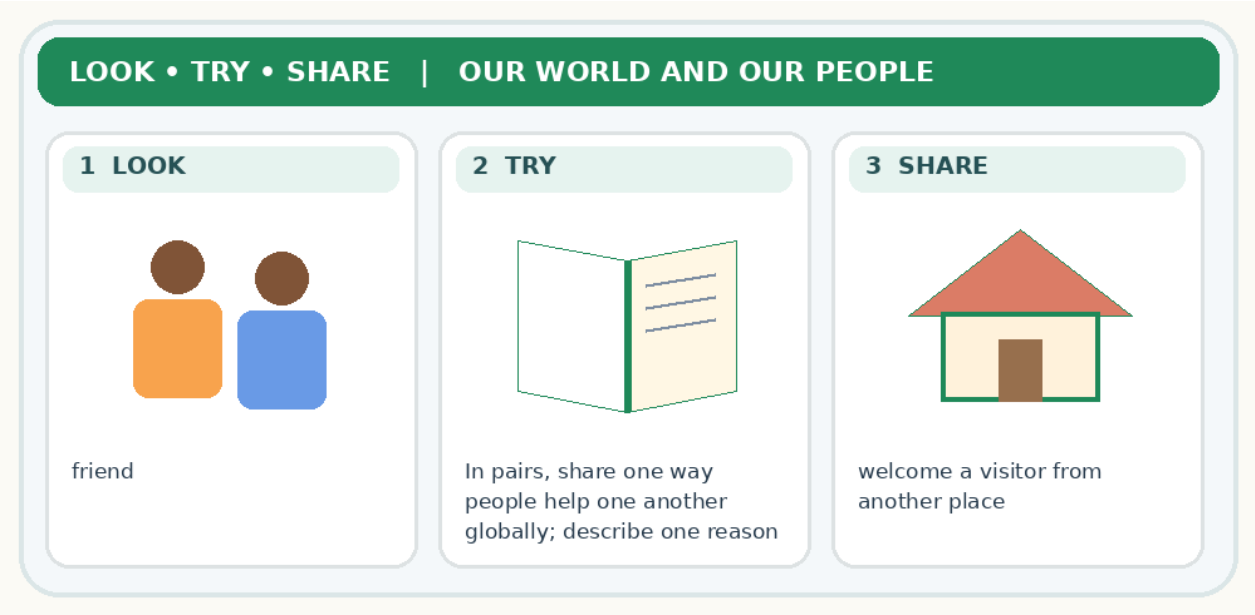

10. After practising Living things around us, what is a useful next step?

A. claim that feedback is never helpful B. leave the group without sharing C. share one observation and listen to feedback D. tear up other learners work

Discuss the reasons for your choices with a partner. Practical performance and teacher observation matter as well as quiz answers.

Lesson 10. Our global community

My Global Community | Term 3

EXPLORE

People around the world have different languages and shared needs. In KG2 we explain our choices and use longer descriptions.

Look for: friend, world, country, language

PLAY & APPLY

Activity: In pairs, share one way people help one another globally; describe one reason for your choice

Materials: globe or world pictures

Real life: welcome a visitor from another place

Remember: Different cultures deserve respect.

Partner talk: What did you notice? Can you give a reason for your answer?

PLAY QUESTIONS

1. Which example is connected with this lesson about Our global community?

A. friend B. nurse C. share D. trader

2. What is the best activity for practising Our global community?

A. copy without discussing anything B. ignore the instructions and rush C. leave all materials untouched D. In pairs, share one way people help one another globally; describe one reason for your choice

3. Which other example helps us explore Our global community?

A. bird B. world C. ability D. national anthem

4. Which materials should the group prepare to study Our global community?

A. globe or world pictures B. nothing suitable for the task C. broken objects found at random D. unsafe tools without an adult

5. Where can you use what you learnt about Our global community?
